The Birmingham-Jefferson Convention Complex is a can-do venue. We please crowds with entertainment events ranging from championship figure skating to NCAA Basketball to the world's top musical artists. With a maximum capacity of 19,000 seats, custom sizing through our new Magic City Theatre, and a tendency to sell-out, the BJCC Arena works for you. Book your show in one of the Southeast's premiere gathering places for life's highlights.

We're back.

The Mississippi Gulf Coast is coming back, better than ever - and so are we! Our new seating, state of the art sound and lighting, new dressing rooms and restrooms have been met with an overwhelming round of applause - and our shows are enjoying record attendances and profitable merchandise sales! We know this market inside and out - and we know how to target your audience!

But that's not all the news - casinos have reopened, and more hotel rooms are coming online every day - tourism is once again booming - and we're booking business now!

Call us today, and see what all the applause is about.

... and so are the crowds.

THE STARS SHINE BRIGHTER HERE

Nickelback, Kelly Clarkson and Coldplay are just a few of the stars that have lit up the night from our stage. It's no wonder that, over the past 6 years, the Verizon Wireless Arena has become a bright spot on the entertainment horizon.

Audiences find the Verizon Wireless Arena to be the perfect venue for concerts, sporting events and shows.

As a result, we've shined with a #2 Ranking in the

Americas from a leading industry magazine, for arenas of 15,000 or less seats. They also ranked us #5 in the world. Verizon Wireless Arena, New Hampshire's premier sports and entertainment facility

is conveniently located in the city of Manchester, halfway between Boston, Massachusetts and Portland, Maine. Come light things up on your next tour.

Super Market

Just 85 miles from New York City, 55 miles from Philadelphia—and a population of 700,000 within a 25-mile radius.

Lehigh University's Stabler Arena gives you the largest facility in the prosperous Allentown-Bethlehem-Easton region of Pennsylvania's rich Lehigh Valley, including beautiful Buck's County.

Stabler Arena can accommodate concerts, family shows, conventions, trade shows, sporting attractions, banquets—and you decide what else.

It seats 6,600, offers 20,000 square feet of arena floor space, a 52-foot ceiling, superior acoustics with an in-house sound system, six super troupers, plenty of power, and parking for 2,000 cars within sight of Route I-78.

Check out Stabler Arena for your event. It's the prime North East location for promoters who want to cash in on a major money market served by four major airlines.

We'll show you Stabler Arena on the green fields of Lehigh University's campus—and, for fun, put you up in a nearby 18th Century inn if you like.

For complete information and availabilities, contact Richard H. Fritz., director, (610) 758-3770.

We
turn it up

twice as loud

When it comes to putting on an exciting event, nothing sounds sweeter than a facility that headlines top-notch service and follows it up with high-tech capabilities and studio quality sound. Introducing the new world class Milwaukee Theatre and the legendary entertainment hall U.S. Cellular Arena. Whether you're looking for an intimate setting for 4,000 or you need an energetic place for 12,000, the Wisconsin Center District is in tune with all your needs. Let us roll out the red carpet of service for your next event, call 414.908.6084 or visit us on the web at www.wcd.org

THIS PLACE
ROCKS!

We've hosted the Rolling Stones and 43,000 of their rowdy friends in Reliant Stadium (in-the-round gets you up to 79,000). And in the more intimate space of Reliant Arena, we've hosted Avril Lavigne, the Foo Fighters, and even the Wiggles. Whether you're looking to entertain a crowd of 3,500 or 20 times that number, Reliant Park has just the place.
