Q: When is a "B" an "A"?

A: When you look at the bottom line.

- Small market price with large market potential - 1.5 million to draw from.
- Low overhead - least expensive Louisiana market.
- Two excellent venues - the spacious CAJUNDOME and the intimate HEYMANN PERFORMING ARTS & CONVENTION CENTER.
- Savvy management teams that will satisfy your needs.

Make a "B" line to the best bottom line around.

GREAT PERFORMERS DESERVE GREAT PERFORMANCE FROM A LUXURY HOTEL.

Parc Fifty One Hotel. Small, beautiful, understated, elegant. A hidden refuge on Manhattan's West Side for recording industry artists and executives.

Richly detailed, the 178 unusually large rooms are designed in styles ranging from Country French to Art Deco. They are also graced with Italian marble bathrooms that boast extra-large bath sheets, monogrammed bathrobes, imported European toiletries and the largest bathtubs in the city.

Parc Fifty One. An undiscovered gem where 24-hour room service is always available. And where privacy is always honored. We believe a Do Not Disturb sign means exactly that.

At 51st Street and 7th Avenue, Parc Fifty One is within steps of NBC, Radio City Music Hall, Carnegie Hall, and major recording studios—as well as Manhattan's finest restaurants and shops. The ideal location whether you are in town for a one night engagement or a week in the studio.

The luxurious and intimate Parc Fifty One. One of a group of outstanding international hotels offering the perfect blend of Asian hospitality, European tradition and American expertise.

What You Get When You Cross The Sydney Opera House With The Hollywood Bowl.

7,509 miles northwest of Sydney, and 119 miles south of Hollywood, there's a concert venue with some distinctive properties of its own.

Where the 8,700 seating capacity includes telescopic riser seating.

Where 107,000 square feet of column-free space offers a clear view from every seat.

Where you'll find complete in-house sound, lighting, and technical capabilities.

Where the open air feeling combines with 100% covered seating. So concerts can be staged year-round, rain or shine.

And where the striking architecture is surpassed only by the breathtaking bay view.

Introducing San Diego's newest and most dramatic concert venue: The San Diego Convention Center.

For information, call Robb Huff, Entertainment Coordinator, at (619) 525-5230.

And learn more about one of the finest concert venues on earth.
