A PROGRAMMING GUIDE

EXECUTIVE NEWS • 1930 EAST MARLTON PIKE, F36 • CHERRY HILL, NEW JERSEY 08003 • (609) 424-9114

### Hard Choices

✓ **ION HEWLEY, "BUILDING THE PERFECT BEAST", GEFEN**... To paraphrase the Clairrol commercial, the closer you listen, the better he gets. When it comes to encoring adult hits, his sense of rhythm, lyrical grasp, and over-expressive vocals make Hewley the Prince of the white wine set. We've listened dozens of times, and still can't narrow it down. At this writing, the cuts stack up: "Driving", "Dance", "You Can't Make Love", "Sunset Grill", "Man With A Mission" and the title track. Meanwhile, "Boys" gets the 9-3 Underline with 31 increases.

**TRIUMPH, "THUNDER SEVEN", MCA**... Let's talk all the ingredients for the recently big boom... Amazing record, built-in hungry audience, proven sell thru, two years since the last studio release, new label affiliation, and state of the art radio relationships... Ron Nenni hears it coming, "Once Triumph's fans hear 'Spellbound' and 'Rock Out, Roll On', I'm sure it will be top 5 phones in no time at all. Triumph is the original melodic metal band... 'Time Goes By' and 'Follow Your Heart' are also recommended.

✓ **THE KIXES, "WORD OF MOUTH", ARISTA**... "Do It Again" is off and running 17-3, with a convincing 38 play increases and half of the Konverts listening max to heavy play... Speaker of the house, Bob Krapp, proclaims, "They are still one of the best rock and roll bands ever"... And, the best deserves more than just lip service in the depth department—we recommend "Sold Me Out", "Good Day", "Living On A Thin Line" and/or "Summer's Game".

✓ **BOB DYLAN, "HIGHWAY 61 REVISITED" 12", COLUMBIA**... Mick Taylor is the man of the hour on this gem from the European tour... Good taste is timeless, but so is Dylan's imagery. And thanks to Mick's Ticks, you've got a one-way street to upper demm city.

### Chain Reaction

**GIUFFRIA, "CALL TO THE HEART", CAMEL/MCA**... I wish MCA's got a live one or what? Take these calls to heart: #1 Most Added album of the week with 15 stations... The highest Back Page debut at #24 National/#27 Metro... 41-24 on the Song Index... Increased play on WHJY, KZOR, KLAG, KILQ, KLBZ, MOUR, and WRCH... 44 steady, I down... From tough critic Bob Bailey, "WMLS, 'Better initial reaction than I would have expected for a newcomer in the face of all the heavy big-name competition. Getting a fair number of curiosity calls"... Bob Ellis, "WHDQ, notes, 'The record has that Steve Perry sound that's hot right now. Should pull in upper demos as well as appeal to women"... From David Hall, "WKDF, 'Giuffria will be to Journey what Fleet was to the Beatles."

**RICK SPRINGFIELD, "BRUCE", POLYGRAM**... #1 Most Added with 20 stations for 28 in two weeks. New at #72 on the Song Index... Top 5 calls at WKDF, WKLA and KPFA, and that's just the tip of the iceberg... From Bruce Bond, "WTPA, "'Bruce' has a great title and is one of the top requested songs here in Nuclear City"... David Hall, "WKDF, 'I'm sorry Rick is not making any money on it, but it's my #1 request this week"... Glenn Stewart, "WTRN, feels, "Record company politics aside, 'Bruce' is funny as shit, cooling as it does in the middle of Bruce-mania"... 51g calls already on the case include KBFI, WJYY, WZZR, KZSU, WNET, WIOF, WYSP, WDIZ, and KICT.

**LOS LOBOS, "DON'T WORRY BABY", SLASH/WR**... Only the strong survive in rockworld, and this class act is already running strong with a big bite out of the Back Page—now at #40... New on 19 for #4 Most Added (50 to date), with "Don't Worry Baby" n for an 85-61 Underline... KMET and KLPX increased play, now max on KNET, WBRU, KLPX, KLAY, and WRXL... The Checklist has teeth, 100-25 considering and 17 building, including WQVE, WNEW, KXZL, KTRQ, WQAK, KBCO, and WMM... Comments: Tom Starr, "WOUR, 'After a week as our Hot Tajama Pick in The Morning, Los Lobos could have listeners howling at the request line, if the early signs are any indication"... From Paul Shurree, "WRXL, 'This song has the energy to satisfy the hardangers and the blues roots to activate the old folks"... And KILQ's Alan White raves, "'Don't Worry Baby' is pure rock and roll with a handful of Texas spice."

**PHILIP BAILEY, "EASY LOVER", COLUMBIA**... We could judge a nick on this one. We have mentioned it in Baxtrax and on the New Release page, but as our buddy Bob once said, "you don't need a weather-man..." 27 adds make Phil the #2 Most Added, debuting "Easy Lover" at #62... The raves: Paul Haine, "WRQJ, 'The fact that this is such an obvious AOR/CHR/urban smash made it all the easier to add"... WCMF's Dave Kane screams from the throne room, "Even if—unholy—Phil Collins weren't so popular up here, we'd still be playing this infectious little number"... And Ron "doesn't miss a trick" Siz2 wraps it, "'Easy Lover' from the double Phils is a great song for anybody. Collins has produced records for half of the free world, and with his work on this bad jam, it can't miss."

**BRYAN ADAMS, "RECKLESS", A&M**... Congratulations to the apple of AOR eye, as one of the nicest guys in the biz triumphs 3-172-1 on the Airplay Index. "Run To You" also owns #1, with 11 play increases, 74 max play mentions, and a 7-4 jump in the Most Requested... "It's Only Love" moves 57-37 Prime Move, up on KLOS, KSHE, KILQ, WDIZ, KZOK, WNET, and 6 more. "Summer Of 69" goes 72-65, up on KJSD, WDIZ, WQDQ, and WRCH, with "One Night Love Affair" at #92... WRCH's John Gragnone adds, "Bryan has released his masterpiece. 'Reckless' shines from groove to groove"... And referring to Bryan's thoughtful Telexes received around the country, KTAG's Ted Utz offers, "Bryan has class! It was great to hear from you, and good luck at the Junos. Tell them Q102 went 5 cuts deep the first day we had 'Reckless'."

**BILLY IDOL, "CATCH MY FALL", CHRYSALIS**... At this rate, even Mr. Idol's tenth single would be a threat... 16 more adds push his latest S3-4S, resulting in double Airplay Underlines 47-43/47-42... KLOS, WBCN, WYSP, KAZY, WYDD, and KLPX topped, with WMM, WRQJ, KSPH, KLOL, KLPX, and WLIB among those listing 4 or better rotation... Lock in...

**BIG COUNTRY, "STEELTOWN", POLYGRAM**... 14 adds put 48 on the board in two weeks—good for a #90 National debut... "Where The Rose Is Sown" leads, underlined 87-71... And the major market roll call includes KRCK, WRIF, KSHE, WYSP, KBCO, KQAK, WHJY, WLS, and KISS.

**THANKSGIVING DEADLINE:** MON. (11-19) 10AM-5PM, TUES. (11-20) 10AM-7PM, NO REPORTS WEDNESDAY.

## TIP:

**ROMEO VOID, "SAY NO", COLUMBIA...** We said "yes" to the original version, but who were we to ignore a girl in trouble? Now that "Say No" is out with a sparkling remix, give it an objective spin. We think you might like it better.

**PAT BENATAR, CHRYSALIS...** Pat's 7-4 Metro move puts the album even with the National number... "We Belong" is the number two most played song on the air, solid at #8 Most Requested... "Diamond Field" shines with a 92-68 Underline, and "Crazy World" is next up at #73... Increased play on 11, led by KSHE, KTXQ, KYYS, KISS, WHJY, WMET, and WKDF, and a whopping 73 stations report Max play.

**SAMMY HAGAR, "VOA", GEFGEN...** we think his retail/request/multi-format credentials should make "VOA" a first line priority, and WKLS, KRQR, WNEW, KICT, KTXQ, WDHA, KLPX, and 5 more did just that... With the album charting in the mid 20's, "VOA" builds 69-57, with ups on KSHE and KLBJ... Heaviest on WYFN, WLAV, KZOK, KMET, KRCK, WKDF, and KZEL.

**THE WHO, "WHO'S LAST", MCA...** KLOL, WZXR, KMET, WDIZ, WLVQ, WMMS, and 6 more did their homework and popped "Twist And Shout", the last but best track on this nifty collection.

**DEEP PURPLE, POLYGRAM...** If you were thinking "Dinosaurs", check the latest charts and comments, then re-think... "Dynasty" is more like it. A Prime Move on the Airplay Index puts them at #10 Nationally, also #10 in the Metro. "Perfect Stranger" is a solid #23 on the Song Index, with "Knocking At Your Door" banging it down at #40... Randy Raley, KYYS, offers, "While Twisted Sister and Motley Crue were still in diapers, these guys rocked the world, and still do"... The momentum on the retail trail is just as strong with Street Pulse points a staggering 68-35 surge... From WHJY's Ron Nenni, "The grandpappys of metal have the #1 requested song with 'Perfect Stranger'. The album is also top 20 sales"... Also selling well in Tampa, the South's #1 metal market... Ron Diaz sez, "Deep Purple comes out flying! #3 sales here"... And Toledo retail is also flying as The Roz reports, "Off to a great start, debuting #2 in sales."

**TOTO, COLUMBIA...** With 5 weeks on the air, the Checklist offers a positive plus profile. Building on 38 with only 1 dropping and 28 maintaining. Airplay stats: 14 ups led by WYSP, KRQR, WNEW, WBCN, KTXQ, WAAF, KAZY, WFBQ, WBLM, and WLVQ. 65 steadies with 8 new adds, including KMET, DC101, and WLAV... Double Primers on the Back Page 20-15 Airplay/21-17 Metro... More irrefutable evidence on the Song Index, as "Stranger" struts to #13... WRCN's John Grappone is pumped: "'Isolation' has me hooked--I mean the entire record. Great guitar playing, good vocals and just plain old foot-stompin' music"... Ditto Dave Shedlock, WYDD, "If 'Stranger In Town' hasn't caught your ear yet, crank up the song 'Lion'. We played it a couple of times and had requests for three days!"

**FRANKIE GOES TO HOLLYWOOD, ZTT/ISLAND...** The banner headlines continue--Frankie moves 23-19 in the National Airplay, added on WBLM, KLPX and WRXL... Up on 7, including KSJO, KTXQ, WSHE and WYSP, matched with 54 steadies and 2 down... "Two Tribes" moves to #24, debuting at #11 Most Requested with top 5 response at KZAP, KQAK, WBCN, WZXR, KFOG, WLIR, WLAV, WTPA, and more... KTXQ's Ted Utz updates, "Frankie is still all ours, and it's working really well. Sooner or later the CHR's will catch on"... From Angela Wright, KXZL, "We're three cuts deep right now and who knows how much deeper we'll go?"... Greg Gillispie reports #33 sales, Amy Dahlman has it at #13 in first week Syracuse retail, and you've got to be blown back by the incredible 80-36 jump in National Lp sales, as reported by the Street Pulse Organization.

**JOHN PARR, ATLANTIC...** Parr continues to gobble up the charts--27-22 National/28-20 Metro. Now the third highest new artist in the overall rankings... Top 5 calls are heating up at KZAP, KTXQ, KICT, WIOT, KILO, KRQR, WQFM, and WKLT... 14 play increases keep pace, including KGB, KSHE, KTXQ, KXZL, WHJY, WYDD, WYSP, KMET, and KLPX... Only 1 decrease in rotation, 56 steadies, with max mentions at KISW, KSJO, KYYS, WQFM, KILO, WKQQ, and KZOK... "Naughty Naughty" powers thru with yet another Underline, 26-17.

**EUROGLIDERS, COLUMBIA...** Good stuff, the Gliders. 10 ups, tons of heavy airplay, more adds, and still taking names on the Index... Up 31-27 for the National Underline, 37-35 Metro... "Heaven" moves to #27... Ups include KLOS, KTXQ, WYDD, KATT, WYFE, and KRCK... News include KSRR, WKDF, WPYX, and WKQQ, where Rob Ellis comments "'Heaven' touches on the Fleetwood Mac formula. Should pull in upper demos as well as appeal to women"... Do we hear an echo from David Hall, WKDF? "Eurogliders fills the void left by a lack of Fleetwood Mac."

**PLANET P PROJECT, MCA...** We'll roll the Checklist next week to zoom in on the request/retail picture. Meanwhile, we're looking at a 44-40 National Primer, 46-44 Metro build, and new spins on 9, including WRIF, WFYV, WYX, KEZO, WOUR, and WBAB... KZOK increased play, 31 steady, none down... Now max on WHCN, WLLZ, WQFM, WYFN, KAZY, KLPX, KZEL, and KZOK... "What I See" hops 56-51. "Behind The Barrier" now #97.

**AUTOGRAPH, RCA...** When last week's debut deluge held Autograph steady on the Index, we told you to have faith in several other vital signs which indeed looked terrific. Now the chart numbers turn up as promised. Double Prime Moves 50-42 Nationals/48-36 Metro, with "Turn Up The Radio" 54-44... New on 9, led by KLOS, KOME, WLVQ, KRQR, WDIZ, WZXR, and KSJO. Up on KSJO, WHJY, WSKS and WAQX... Steady on 33, down in play on 1. Now at a "4" or better on WSKS, WKQQ, KSHE, WDVE, WHJY, WAQX, KMET, and DC101... The week's 20 Checklist builders include WDVE, KLPX, KXZL, WQFM, WYSP, KISS, KTXQ, WSKS, WIYY, and WHJY, with 11 considering... Now top 5 phones at WDVE, KQDS, and WSKS, where Marty Bender admonishes, "If 'Turn Up The Radio' is not on the radio because of the so-called superstar product, then you shouldn't be on the radio."

**GENERAL PUBLIC, IRS...** And you thought it was a longshot pick, eh bunkie? That album debut at #45 Nationally, and Song move to #54, give this inventive outfit still more fuel to fly thru the holidays. New on WLAV, WIMZ and WXCS. Up on WBCN, WNEW, WPDH and WCMF... Steady on 23, down slightly on 1, with top 5 calls at KQAK, WBRU and KESI... From Pam Brooks, WPDH, "General Public is so-o-o-o sweet on the air. Everyone just genuinely enjoys the song and calls remain positive, so we've upped 'Tenderness' into heavy"... Pay attention--CHR is poised to tenderize your public.

**STONE FURY, MCA...** Another new kid with the moxie to challenge the majors--Stone Fury re-enters the Nationals at #47, still #50 Metro, with new air on WLVQ and WLAV... Ups at WLLZ and WQFM... 32 steady and 1 down... Max play includes KGB, KZEW, WYFN, WLAV, and KZOK... And our Checklist reveals builder status at KLPX, WKQQ, KRQR, WRCN, WYSP, KISS, KTXQ, KBPI, WYFN, WBAB, and WOUR... Tom Starr comments, "We don't have a metal show, so anything with a real hard edge we play has got to have credibility to fit into our regular flow. Stone Fury does that beautifully"... From Tom Scheppke, KISS, "'Break Down The Walls" is building for us. Play it!!" "Walls" wails a 58-53 advance.

**JULIE BROWN, RHINO...** A Rhino release on the Most Added caused some talk a couple of weeks ago, now take a gander at the #49 album debut. "The Homecoming Queen's Got A Bullet", 89-77!!! Hey lady, you got a permit for that thing?... New on DC101, KRQR, WDIZ, KBPI, WIOT, KSJO, KWFM, and three more... KLAQ, WTPA, and WHFS upped, with top 5 calls at WDVE and WWCT... From Bob Krane, WBCN, "Doing extremely well, and will be this week's Big Mattress Song of the Week"... WWTR's Glenn Stewart says, "'Homecoming Queen' is not only a scream, it segs great with 'Girls With Guns', 'Concealed Weapons' and any 38 Special"... From Bob Showacre, WHFS, "At this point we are 5 deep on a 5 cut record. It has to be our most responded to item for the last two weeks."

**AC/DC, ATLANTIC...** WMMR, KSHE, KXZL, KILO, and WWCK shake loose with play increases. KLOS and WRCN break in, as the Lp hammers 39-36/34-32 on the Back Page... Max play: WMMR, KXZL... "4" emphasis: KISS, KSHE, KZAP, WWCK, KICT, KLPX, DC101 and KZOK... "Jailbreak 74" inches 40-39.

## CHAIN REACTION CONTINUED

JOHN HUNTER, "TRAGEDY", PRIVATE I/EPIC... We tipped it two weeks ago, now the Song Index offers further validation with a #96 debut...Jeff Michaels, KSQY reports, "Phones from females 26+ reaffirm our faith in Hunter, so it's up to medium this week"...From Pam Brooks, WPDH, "His gutsy voice, with just a hint of gravel, sounds perfect on the air. 'Tragedy' has great hooks, relatable lyrics, some mighty fine piano, and it puts the dance in my pants at just the right time"...New on WOUR, WCPZ, WXCS, WWWV, WYDD, and WPDH, with 19 considering on the Checklist.

KROKUS, "OUR LOVE", ARISTA... Love those Underlines--38-31 pulls the Primer, with a little help from new believers WFBQ, DC101, KZAP, KSRR, KATT, WIYY, WBAB, WRXL, WHTG, and KSQY...No problem with ups either: KGB-FM, KTXQ, WTUE, KRCK, and KZEL...Got max mentions from KSJO, WYNF, KILO, and KMET...And if you need charts for starts, try on that 30-26 Metro Underline. Kroking? Not hardly.

RED ROCKERS, "BLOOD FROM A STONE", COLUMBIA... Hey, don't you folks know that killer backup tracks from new and used albums are all the rage? Forget metal, soundtracks, greatest hits, social commentary, reunions, and CHR crossovers--going deeper beats the ratings reaper. Quick, sell Rap an ad!! Meanwhile, back at the rockers, how about this first week round up: WLLZ, KQAK, WLIR, WBRU, KLBj, WQBK, WIQB, and WHTG... Squeeze it in.

BRUCE COCKBURN, "ROCKET LAUNCHER", GOLD MOUNTAIN/A&M... Judging from all the post-election moaning and groaning from your programmer types, here's the sentiment set to music you've been looking for. As KBLE's always-eloquent Ron Sorenson puts it, "With each day's headlines, Cockburn's 'Rocket Launcher' becomes more relevant. It's not often you get to play a hit record and do a service for humanity at the same time. I'd say jump on it"...The Checklist shows 20 are close to doing just that. Note the 95-84 Prime Move, then let's have launch.

QUEENSRYCHE, "TAKE HOLD OF THE FLAME", EMI... "Flame" got the cold shoulder early on, but the ongoing metal market validation just can't be ignored, neither can the 94-82 Song Underline this week. They don't miss too often at top rated KGB-FM, so take it from Ted Edwards, "I must have had earmuffs on the day I listened to the latest Queensryche. On the second spin, 'Take Hold Of The Flame' took a hold of my gut. We put it right on the air. It's a daypart situation, for sure, but in that context it sounds great"...Also new on WXKE, KLPX, WKLT, WTUE, and WRCN. Last week: WYNF, WLQ, WGRQ, WOUR.

### BAXTRAX:

WANNA BE STARTIN' SOMETHING?: Then give a listen to these new offerings and get them on your radio station!... DAVID BOWIE and TINA TURNER duet on "Tonight" with Airplay today at WLUP, WYSP, WMMR, WOUR, WBAB, WLIR, and KRVV, even before the 12" release. The "DAVID TURNER" effort debuts on the Index at #95, while PAUL SHUGRUE's WRXL has named it this week's "Master Blaster"...Checklisted SURVIVOR's "High On You" this week and found most of you considering this worthy second track. Those on it are finding success as building reports arrive from WHJY, WMET, WSKS, KLBj, KATT, KLOL, WZXR, WFYV, and WYNF and the song debuts at #93. Nothin's holding back KILO's ALAN WHITE, "High On You" slides into rotation this week with it's patented hook formula"...U2's "Wire" is now in the "Top 5 at 5" at WMMR and moving up in rotation at WHCN, WHJY, WIYY, KILO, WTUE, WKQQ, and KLPX. Its 66/59 Prime Song Index move and the just-announced tour schedule are two more reasons why your pride will be tarnished if you don't use "Wire" to extend the life of this Lp.

FOR THOSE WITH DISCRIMINATING TASTES: MOTORHEAD plays heavy metal the way it should be played--loud, heavy and dirty--so who's better qualified to give the review of "Killed By Death" than the king of dirt himself, WYSP's MARK DIDIA? "We've been playing Motorhead on metal shop since it's release, and it's by far one of our Targer requests. The metalheads can't get enough of this one." TOM SCHEPPKE, KISS, proclaims, "Your metalheads deserve Motorhead's latest, 'Killed By Death'. These boys re-define Spector's wall of sound" The 12" arrives November 26th...IRON MAIDEN sells records, sells out concerts, and the 12" of "Aces High" guarantees active listener response. Since "AOR-only" songs are the rage nowadays, heed this reminder from WQFM's ANDY BLOOM, "CHR doesn't even know about this one!". And JEFF RICCIO, WHJY, confirms their success, "It's really tough to part with Iron Maiden after only one cut. It seemed like our next hand was 'Aces High'"...On the FRANK ZAPPA version of "Whipping Post", the only thing missing is the guy at the beginning yelling his lungs out. Despite the glaring omission, RALPH TORTORA at WBAB gave this cover a spin and found, "It's a great remake, close to the original. We've only been on it for a few days, and it debuted top 25 sales." If you can't listen to the song without hearing the spontaneous live intro, well,--you can always take the voice off the original and edit it in.

MR. POSTMAN, LOOK & SEE: What new 12" do you have for me? TOMMY SHAW's latest 12" and new CHR single, "Lonely School", MOLLY HATCHET's "Stone In Your Heart", ROGER HODGSON's "In Jeopardy" with an AOR edit included, JOHN WAITE's "Dark Side Of The Sun" b/w "Tears" live, ROMEO VOID's "Say No", and BILLY SQUIER's "Eye On You".

Laurie Gorman, PG Productions (818-981-3331): "More trivia - what band was the first to do a concert on MTV during their first week in operation? It was none other than last Sunday's 'Live From The Record Plant' guests, REO Speedwagon. As Kevin Cronin and Gary Richrath reminisced about their early days, they also discussed their most recent project 'Wheels Are Turnin'' featuring the hot single 'I Do' wanna Know'... This Sunday, November 18th, 8PM PST, we feature the one and only Stevie Wonder followed by Patty Smyth of Scandal on November 25th, Pat Benatar on December 2nd, Toto on December 9th and Jermaine Jackson on December 16th. We're cookin'!"

When IRON MAIDEN goes on tour soon, they'll be sponsoring A ROCKLIFT TO POLAND. According to national promotion head BILL BARTLETT, Maiden will ask the kids coming to the show to bring old albums and cassettes to a U-Haul the band will have outside the arenas. The music will then be taken to Poland and distributed to the kids there. If you're interested in tying in, contact Bartlett or your local Capitol-ist.

Street Pulse's MIKE SHALETT called this week to announce that Street Pulse Group will consult MTV on special retail research for the network.

Since the breakup of Pink Floyd, Guitarist DAVID GILMOUR has been busy and productive. Besides his own record "About Face" and his contributions to Paul McCartney's "Lonely Nights", you can look for more Gilmour licks on the upcoming Supertramp Lp.

## ROCK AND ROLL GOES PRIME TIME

Anybody catch Wednesday, November 14th's version of St. Elsewhere? No, you weren't dreaming. That was a parody of ZZ TOP's "Legs" video. In fact, the entire episode was spiked with street rock and roll from the likes of LED ZEPPELIN and THE CARS.

Personal to BRUCE BOND: Make it a get well day.

THE DIRT ALERT QUOTE OF THE WEEK goes to WCMF's DAVE KANE. Aside from being featured on the toilet in SCOTT's TISSUE, he left us with the verbal gem of the session. When he was cut off in the middle of his report, courtesy of the phone company, Dave remarked, "I don't know who's fault it was, maybe the space shuttle guys grabbed the wrong satellite."

Finally, thanks to the Atlantic bunch for one helluva time in NYC on Friday night November 9th. As only he could, DANNY BUCH got 20 people into the New York Rangers/New York Islanders grudge match on 10 tickets. Atlantic recording artist FIONA was stellar singing the national anthem, and Buch picked up #4 star honors in leading the Rangers to come-from-way-back 5-4 overtime win.

THANKSGIVING REPORT DEADLINE: MONDAY (11-19) 10AM-5PM, TUESDAY (11-20) 10AM-7PM, NO REPORTS WEDNESDAY.

WRDU, RALEIGH, NC M.D.-BOB WALTON: "I re-read 'Paging Larry Bruce' this morning and decided to add my 2 cents worth. In case you haven't read it, DO SO...My comments are more a plea for a return to greatness than personal programming philosophy. In the past few weeks I've engaged in some deeply disturbing discussions about the present state of AOR and its future - the criticisms and frustration toward AOR lists that look identical to those of CHR. There are others who talk of certain key AORs turning CHR, whether by their choice or by the choice of those whose job it is to decide what pigeonhole a station fits into. Going CHR is simply throwing the baby out with the bath water. Yes, there is confusion and some lack of focus, but I think the trouble has more to do with our own outdated definition of AOR. When we as programmers feel we have to add a record because it's an 'AOR record', or not play a record because it's 'not AOR', we're defining ourselves into a corner. The former is a form of record company blackmail--and both are suicide. We have so many options open, simply because we are not limited to small records with big holes--songs usually not chosen by programmers. AOR can play anything it wants: Lp tracks, 45s, 12", cassettes, long version, live version, edited version, or remix. With all these choices available, what's the problem? The problem is adding Fast Forward because it's an 'AOR' record, and not adding Cyndi Lauper because it's not. The problem is adding record X only because it went 52 to 39 with a gold bullet underline, and not adding record Z because it only had 26 adds. AOR can be a dominant format in our market but we have to define our own terms, not the trades, not the record company, and certainly not CHR. We need to play good, solid songs first and consistently. We need to be in touch with our audience and reflect their lifestyles, not make them fit ours. We need to listen to records and decide for ourselves whether or not they will work. All of us have enough information at our disposal to aid us in our decision making--but at no time can anyone in radio or records define for us what we can and cannot do. We can do anything we damn well please. If it works, it's justified!"

KYYS, KANSAS CITY, MO M.D.-RANDY RALEY: "Regarding my illustrious mentor's comments last week, I really don't work for him. He picked me up hitchhiking in Davenport. This guy's almost as bad as Larry Moffett..Thank you, Deep Purple, for a true heavy metal experience. While Twisted Sister and Motley Crue were still in diapers, these guys rocked the world. They still do! Not bad for a bunch of old men, eh? Are any of them going bald, or am I the only one?"

WHCN, HARTFORD, CT. ASST.P.D.-BOB BITTENS: Personal to Marty Bender: Keep making comments like that and the record geeks will start giving you as much shit as they give me...Is there any Indy out there who isn't working Big Country? Talk about overkill!...I have to concur with Amada Tepper's evaluation of the Philip Bailey record. Phil Collins has the Midas Touch. Response to test play on 'Easy Lover' has been positive enough for us to give it the official add this week...Records that sound better with each listen: Don Henley's 'Boys Of Summer'; Bryan Adams 'It's Only Love'; and The Kinks 'Do It Again'."

KBCO, BOULDER, CO M.D.-DOUG CLIFTON: "We're still recovering from the Springsteen concert, so not much was accomplished this past week. I will be going back over some things from the past couple of weeks... Besides Bruce Springsteen being in town, other concerts included Bruce Cockburn and Lou Reed. Thanks to Bennett Kaufman for dropping by with Bruce Cockburn over the weekend. Thanks to Paul Rappaport and Jim McKeon for their help in our Springsteen A To Z. Special thanks to Max Weinberg for calling to talk about his book. And thanks to Bob Meyer for his help with our 'Green Light' promotion...Records that are jumping out with a great start: Philip Bailey, Los Lobos, Matthew Wilder, and the Crazy 8's...Hope everyone has a very happy Thanksgiving."

WMMR, PHILADELPHIA, PA M.D.-ERIN RILEY: "Even if you can't play Madonna, make sure you listen to 'Love Don't Live Here Anymore'. It's exquisite."

WSKS, CINCINNATI, OH M.D.-MARTY BENDER: "If Autograph's 'Turn Up The Radio' is not on the radio because of so-called superstar product, then you shouldn't be on the radio...And speaking of superstars, it's shaping up to be a weak looking holiday season. Very little depth out there...It's gonna be Frankie Goes To The Cut Out Bin if they don't starting behaving themselves on national TV...Get the ballad out on the Schmit record...Quote of the week: 'Who's this?' 'Oh that's some black guy that sings with Phil Collins'... And anyone who is involved in this Springfield album, be forewarned, I've got pictures of all of you selling promos on Melrose Avenue."

KRQR, SAN FRANCISCO, CA M.D.-LISA NOVAK: "First, a thank you to Night Ranger and MCA Records for a great celebration at the 'Hard Rock Cafe'. This was in honor of their album being on the charts for a year... Probably the biggest week for new music since I've been music director...I was so excited about the sound of the Bryan Adams single and am not disappointed with the rest of the album to say the least. An unprecedented three extra tracks go in - the sizzling duet with Tina Turner, 'It's Only Love', goes immediately into heavy airplay, 'Summer Of 69' and 'Kids Wanna Rock' are medium. Congratulations on a great album, Bryan...On the Big Country, we prefer 'Flame Of The West' to the single...Sign us in on the Autograph and we look forward to the customized version of 'Turn Up The Radio'...Julie Brown got a few spins when it was initially released on Julie's own label. It generated a lot of calls, but was not easily available to the consumer. Now, we have brought it back, and for the time being, we're using it full time...We add 'Crazy' to the Pat Benatar single. It was a tough choice with so many strong possibilities...Deep Purple is getting curiosity calls from the upper demos...Amazing phone action on John Parr. 'Naughty Naughty' is really catching on in a big way, and it remains in heavy airplay. We look forward to the video, which was shot in San Francisco."

WSHE, MIAMI, FL OPR. DIR.-DAVE LANGE: "We kind of ran the gamut in our adds this week: Definitely rocking with Honeymoon Suite...UB40 coming back again. We had great success with their 'Red Red Wine', and this one's even better...I imagine the jury is really out on playing Billy Ocean, but he's innocent here. There was no way to play the 'Caribbean' tune, but 'Loverboy' has got some guitars, got some snap - and I want to see if I can beat the Top 40's this time...Frankie Goes To Hollywood moves up a bit in airplay, 'cause this song deserves it, for political reasons alone...Don Henley is perhaps the best sounding song on the air right now. The rest of the album shines, too, especially 'Driving With Your Eyes Closed'. Great promotional item giveaway for Geffen Records - those little devices that wake you up when you fall asleep at the wheel."

WHJY, PROVIDENCE, RI P.D.-RON NENNI: "A couple of things grabbed me by the ear this week: Phil Bailey and Phil Collins 'Easy Lover' is a classy upper demo song that's bound to perk up female ears during the day... Once Triumph's fans hear 'Spellbound' and 'Rock Out', I'm sure it will be Top 5 phones in no time at all. Triumph is the original melodic metal band...The grandpappies of metal, Deep Purple, have the number one requested song with 'Perfect Stranger' this week. The album is also Top 20 sales...The Honeydrippers, Julian Lennon are Top 10 in sales and Frankie Goes To Hollywood is number 14...Because of consistent response, Giuffria is up in rotation, and so is John Parr...Julie Brown's 'Big And Stupid' is the new comic rave with The Fox and Mighty Dick in the morning...Good point on 'Twist & Shout', Bill, and you ain't rockin' if you're not playing Los Lobos 'Don't Worry Baby!'"

**WYDD, PITTSBURGH, PA M.D.-DAVE SHEDLOCK:** "Pittsburgh-based Modern Man has a new release, 'Method To The Madness'. If a copy comes across your desk, be sure to take a listen. They are good guys and deserve a shot...Alphaville pulled Top 10 phones in Pittsburgh this week. It takes a while, but the record works...If Toto's 'Stranger In Town' hasn't caught your ear, crank up the song 'Lion'. We played it a couple of times and had requests for it for three days...Finally, I wish everyone luck in meeting next week's early deadline! Happy Thanksgiving!"

**KLQL, HOUSTON, TX HARVEY "DOCTOR K" KOJAN:** "Belated thanks to Dwight, Utz, Moser, Patrick, Rozman and especially Tim Smith...Hello, Barber Hager (with an 'e'), WGRQ, WPYX and Buchmann."

**KBPI, DENVER, CO M.D.-LYNN WELLS:** "Once again, Bruce Springsteen was phenomenal! His energy, charisma, intensity and his biceps are impossible to resist. He had Denver dancing in the aisles for a solid 48 hours, last weekend...I saw another show over the weekend which I enjoyed immensely: Bruce Cockburn's political and social messages came across loud and clear at the Rainbow. Thanks to: Bennett Kaufman and Dick Merkle for a great time...Thank goodness things are beginning to slow down. With most Christmas product on the shelves, we can start going deeper on some of the great albums that have been released recently, like Bryan Adams 'Reckless'. It's hard to decide between killer tracks like 'Summer Of '69', 'Kids Wanna Rock' and 'It's Only Love'. The voices of Tina Turner and Bryan mix beautifully together...Finally found room for the John Parr album this week. 'Naughty Naughty' has been running thru my head for weeks, and it's by no means a one-track record. It has the goods that'll carry it thru 1985!"

**KXZL, SAN ANTONIO, TX M.D.-ANGELA WRIGHT:** "It's been a while I know, but it's great to be back! And what a week!...Don Henley's 'Boys Of Summer' is a San Antonio s-m-a-s-h. Haven't seen excitement like this in a long time. Do this one and watch the request lines explode...The new Kinks record 'Do It Again' possesses the body and fulfills all inner desires. It's extremely satisfying to hear such a work of art. Play it some cold, dark night with the fireplace going and someone incredibly nice by your side and watch for the fireworks...On a final note: It never ceases to amaze me how music critics can chop an album into bits just to satisfy their own ego. The Lp I'm talking about is Frankie Goes To Hollywood. An excellent Lp, as far as I'm concerned, and San Antonio loves it too. We're three cuts deep right now and who knows how much deeper we'll go. It deserves your attention, no matter what the axe-wielding critics have to say!"

**WBCN, BOSTON, MA M.D.-BOB KRANES:** "So, it's the week before Thanksgiving and the music just keeps on coming. After seeing a lot of music over the past few days, and seeing so many faces at the Convention in New York City, hopefully this will be a catch up weekend. After seeing Frankie Goes To Hollywood last night, I'm trying to muster up enough energy for another night, tonight...The Kinks 'Do It Again' just re-confirms it. They are still one of the best rock 'n roll bands ever!...Julie Brown's 'Homecoming Queen' is doing extremely well, and will be this week's Big Mattress Song Of The Week...Just to update some music that's doing real well: J. Geils which goes without saying, Joan Jett And The Blackhearts, which is still on the way up...Frankie says 'Remember, Don't Forget!'"

Featuring "Don't Worry Baby"

**81-61 FMQB Song Index Double Prime Move!**

Alan White, KILQ: "AAAHHHOOOOOOOO! Los Lobos are roaming the airwaves of KILQ!"

Paul Shugrue, WRXL: "Shades of Stevie Ray Vaughan, and George Thorogood. If those two work for you, don't miss 'Don't Worry Baby.'"

Tom Starr, WOUR: "After a week as our Hot Pajama Pick, Los Lobos could have listeners howling at the request line."

**KGON, PORTLAND, OR M.D.-INESSA YORK:** "After being treated to a sneak preview of Henley's album 'Building The Perfect Beast' it seems obvious that Henley has built the perfect album!. I can hear it as the perfect across-the-board accompaniment to any party in the coming holiday season, as well. From 'You're Not Drinking Enough' to 'All She Wants To Do Is Dance'--but really, the most overwhelming piece by far is 'Sunset Grill'. The images seem tailor made for video on one end, and the wash of sound and orchestration pulls together the audio end, and that equals perfection. One small complaint though: More of Patty Smyth on 'Sunset Grill' would have been the crowning touch, but we'll settle for what we got...On the phones, lots of interest on the new Kinks as their fans crawl out of the woodwork...Deep Purple is doing well as is Bryan Adams, naturally."

**WGRQ, BUFFALO, NY ASST. P.D.-PAUL HEINE:** "Genesis road crew could sell out the auditorium in Buffalo. So, anything new from Phil Collins is a must-deal-item for us. The fact that 'Easy Lover' is such an obvious AOR/CHR urban smash, made it all the easier to add. The first few times we played it, we monitored the phones for negs. We didn't get any, just positives, and kids requesting Prince!. Like M&M says, 'Stand Up And Face The Music, This Is 1984'. Bryan Adams debuts at 11 retail. This will be his best selling album to date... Pat Benatar debuted at 13 retail. Pat proves her adult appeal with 'We Belong' and rocks out on 'Diamond Field'...McCartney slacking off in sales and Eurogliders building nicely. Generating calls and interest...Toto picking up in sales...25-34 men reacting very positively to the new Kinks single...Hey labels, wanna make some extra bucks for the first quarter of '85? Then sign Kim Mitchell! Consider this scenario: Conservative AOR that rarely steps out early on unestablished acts adds import by Canadian rocker, generating instant Top 5 phones. After a month or so, requests slack off so station rests record. 3 weeks later the import is again generating active phones, this time #2 requests, and the station hadn't played it in weeks! Naturally, it's re-added into a serious rotation. That's what happened at WGRQ with Kim Mitchell. 'Go For Soda' is a mass appeal h-i-t that sounds like Three Dog Night meets heavy metal...Slight change in procedure here regarding music calls, adds, etc.: Ads are now ready Tuesday after 12 noon. The best times to reach me are Mon., Wed., & Fri., 9:30-11:30--Mon., Wed., & Fri. after 4. You'll have your best work getting hold of Tim on Fridays!...Spent the weekend in Washington, DC. Great to hear the 'Grease Man' on DC101. Also, WIYY, WHFS and WASH-FM all sounded very h-o-t...FROM CARL RUSSO: "Hey, Armored Saint!! I played 'March Of The Saint' on metal shop and asked for some reaction. I took 40 calls and 39 loved it (I think call #40 was George Harris at WMMR!). Great record! Hope to see you December 1, if Festival will put the show together. Play Armored Saint!"

KISS, SAN ANTONIO, TX M.D.-TOM SCHEPPKE: "Here's a tip for you rockin' devils: A few items for you to check out!--Stone Fury 'Break Down The Walls' is building for us--Play it!...Motorhead: KISS is proud to be one of the first stations in the country to be playing Motorhead. You metalheads deserve Motorhead's latest, 'Killed By Death'. These boys redefine Spector's 'Wall Of Sound'...Madame X: Suggestion--Throw this on at night. We're talking instant phones...Got a sneak this week of the new Triumph Lp 'Thunder Seven'! The entire Lp is great! My pick for h-i-t on this album is 'Follow Your Heart'...Finally, Eddie's boys strike again. Check out Iron Maiden's 'Rainbow's Gold'. It's the import B side of '2 Minutes To Midnight'. It's h-o-t...Upcoming concerts: November 19, Dio & Dokken. Just announced November 27th, Motorhead, Exciter & Merciful Fate. Sounds hideous...Keep rockin', you turkeys!"

WLVO, COLUMBUS, OH M.D.-LEE RANDALL: "This week in retail: Our Top 3 records are the Honeydrippers, Prince, and Bruce Springsteen. Springsteen and the Honeydrippers battle it out for top requests. Deep Purple, Kiss, and Bryan Adams coming on strong...Last week the pleasure was mine and a healthy crowd came to see Romeo Void in concert. A pleasure to not only the air staff but the listeners who caught the show...But this week it's Beat-the-Blues-week. Our own little 'crank up' party on Friday will feature a new game that maybe you should consider in Michigan. It's called Pin the Loss on Bo. Sort of an off-shoot on Pin The Tail on the Donkey... Our excitement this week: Phil Bailey with Phil Collins, the Don Henley record, and Deep Purple get better with every listen...Bryan Adams has a homerun! A record that will last well into the Summer of next year."

KGB-FM, SAN DIEGO, CA ASST. P.D./M.D.-TED EDWARDS: "Larry and I felt we were getting a little wimpy (just a little though) for a rock and roll station, so I went back and explored some records we had put aside after initial consideration, and I tell you, I must have had earmuffs on the day I listened to the latest Queensryche. On a second spin, 'Take Hold Of The Flame' took a hold of my gut. We put it right on the air! It's a daypart situation for sure, but in that context it sounds great...Additional tracks: Huey's 'Finally Found A Home'. It found its way to the airwaves as does Dennis DeYoung's 'Don't Wait For Heroes'...I've noticed that there's not a ton of airplay on the Golden Earring studio track 'Something's Heavy Goin' Down'. Give it another shot! It sounds awfully good on KGB!...Until next week, bye!"

WYNF, TAMPA/ST. PETERSBURG, FL M.D.-RON DIAZ: "No reason to hesitate. 'Easy Lover' from the double Phil's is a great song for anybody. It smokes!!! Mr. Bailey wails for Earth, Wind & Fire with songs like 'Reasons' and of course, Phil has worked with and has produced records for half of the free world. With Phil producing this bad jam, it can't miss. WYNF loves 'Easy Lover' enough to put it in heavy rotation right off the bat, before CHR beats it to death...REO's 'Can't Fight The Feeling' is a sure fire rock ballad. We'll use it as our second track from 'Wheels Are Turnin'' and the audience interest in the band warrants it...We've been playing the Eurogliders for several weeks now, and so far so good...I hope 'Heaven' latches on. It's one of those 'sounds great on the radio' records and a personal fave...Last week the Dio/Dokken tour came thru the Bay to a wildly enthusiastic throng and the 'Last In Line' Lp continues to sell strong--#10 this week...Deep Purple comes out flying--#3 on our sales report...Bryan Adams lands at #9 and will be around long after Christmas. The first time I played his duet with Tina Turner on-the-air, the lines lit up immediately. Some callers were asking who sang with Adams--other callers recognized her. All seemed to be in agreement though--they loved the teamwork. A couple of years ago, Bryan Adams headlined an outdoor 95YNF concert event at one of our favorite venues in Tampa--a water theme park called Adventure Island. Of all the shows we had there in our continuing series, the Adams show is still talked about most around these parts, and our audience can't wait to have him back!"

KTXQ, DALLAS, TX P.D.-TED UTZ: "We should all take notes: Bryan Adams has class! It was great to hear from you, Bryan, and good luck at the Junos. If there is any doubt in their minds, tell them Q102 went five cuts deep the first day we had 'Reckless'...Don Henley's 'Boys Of Summer' is one of the best songs on the radio. I can't get over knowing those licks are coming from a platform in the back of the band...Frankie Goes To Hollywood is still all ours, and it's working real well. Sooner or later the CHR's will catch on...The Kinks get better with every listen. This is serious stuff. Welcome back!!...Just finished listening to 'Thunder Seven' from Triumph. It's a real strong effort, with 'Time Goes By' as my personal favorite...Some news from Q102: Bob Elliot is the proud father of a 6 lb. 4 oz. baby girl, Brianna Kristan. Enjoy it now 'cause when she's two years old, it's a bitch...Arbitrends look great for Q102, and a little soft for some of our competitors. Maybe great radio can still compete against multi-million dollar giveaways!"

WDVE, PITTSBURGH, PA P.D.-GREG GILLISPIE: "Triumph has given AOR another one of those albums that we can call our own, and this is one that's gonna rock the audience well into 1985. The song that sticks out most in my mind is 'Cool Down'. With its sort of bluesy Fleetwood Mac guitar into a Led Zeppelin power chord structure. 'Follow Your Heart' would be a good choice for the first single and other strong songs include 'Killing Time', 'Stranger In A Strange Land' and 'Spellbound'...The Don Henley album is a strong record. I don't think anything on the album stands out nearly as much as the single, but the title track and 'Sunset Grill' are interesting selections...Deep Purple mania is running rampant in Pittsburgh. 'Perfect Strangers' is #1 requests and the album debuts at #13 in sales...Julian Lennon is also going gangbusters at retail--now up to #4, and for a new band and only one week out Frankie Goes To Hollywood makes a good showing at #33...You have to admit the Honeydrippers has been an extremely valuable record for us, but I get the distinct feeling that the novelty is starting to wear off a little bit. After a brief rest, we may come back with 'I Get A Thrill'...David Bowie seems to be slowing down somewhat. It will be interesting to see how radio receives 'Tonight' as the second single...REO has been very slow to start and I think Epic is going to have to live up to their ad of about a month ago. They're gonna owe us one on this Molly Hatchet record. It is yet to break the Top 10 requests and the Top 30 sales, and if there is a market where Molly Hatchet could do well, it's Pittsburgh, one of their original breakout markets. Sorry guys, it just ain't happening...Starting to see an interesting phenomenon happening with some of the metal records out right now, and that is that the kids latch on to the initial song and don't want to hear anything else for quite some time. Two prime examples of this are Dio and Kiss. 'The Last In Line' just fell out of our top request list, and nobody even batted an eye all the time that we played 'Mystery'. Now that we've added 'Breathless', I think the phone action for that song will be very, very strong."

WIOT, TOLEDO, OH M.D.-THE ROZ: "Snow, what a concept!! As Winter settles into the Midwest, all the good little rock and rollers curl up at their radio for some nice warm music and cross their fingers that Santa will bring them more of it for Christmas...It was nice to have a retail representative on one of Jon Scott's recent conference calls. Lew Garrett gave some insights of a different perspective...Deep Purple's off to a great start, debuting at #2 in sales in Toledo. Good luck to the band in Australia...Honeydrippers hanging in there at #3, and Mr. Dio continues to amaze me at #6...Bryan Adams is at #11, and Iron Maiden at #10 in sales. We'll continue the momentum with 'Aces High'...A couple of novelty ditties went in this week--The irony of it all is what makes Rick Springfield's 'Bruce' so amusing? Julie Brown's 'Homecoming Queen' got the phones ringing in all dayparts from just morning play, so we'll make it an official add...Armored Saint is coming to town to shake up Toledo's turkey dinners, so we'll support them with airplay on 'Can U Deliver'...One of my favorite albums of the year is Julian Lennon's. We're playing the title track and 'Too Late For Goodbyes' for now but I feel the sleeper rocker will be 'Okay For You'...Have you seen the Roger Hodgson video? It's a visual masterpiece...In the Good Times Department: Thanks to John Schoenberger and Mike Rose from MCA for the accommodations at the listening party... 'Spellbound' in particular sounds like an excellent rocker, and overall 'Thunder Seven' sounds tighter but with more experimental production for the band. And Joe Owens and Mike Levine were sweet-hearts, as usual...I caught Billy Squier and Ratt at Fort Wayne last week. Always a pleasure to see one of my favorite friends, Atlantic's Bill Heflames...My sides still hurt from sharing Midwest medium market jokes with Hal, Mark and Rick from WXKE."

THANKSGIVING REPORT DEADLINE: MONDAY (11-19) 10AM-5PM, TUESDAY (11-20) 10AM-7PM, NO REPORTS WEDNESDAY.

WPYX, ALBANY, NY M.D.-ANDI TURCO: "Happy Thanksgiving!"

WKQQ, LEXINGTON, KY M.D.-ROB ELLIS: "98Rock Double Q in Lexington is going to have a monster of a concert week the second week in December - two sold out shows at the 23,000 seat Rupp Arena: on December 11th Bruce Springsteen and on December 15th Prince. This town may never be the same again...Just a couple of adds this week and both of them on the same line as far as demographics/psychographics go. The Giuffria record has that Steve Perry sound that's hot right now. And the Eurogliders' 'Heaven' touches on the Fleetwood Mac formula. Both cuts should pull in upper demos as well as appeal to women...Good to get hold of the double live Lp from The Who. 'Who's Last' brings back memories of that unforgettable tour."

WTUE, DAYTON, OH M.D.-BOB CLARK: "We would like to welcome Jan Neilson to our staff. She was acquired from doing part-time at WIOT, Toledo and will be doing the overnight shift which bumps Marshall Phillips up to 7-Midnight and Jay Fowler moves to sunshine hours. He'll be our midday person. Our thanks to all for putting up with our occasional lateness on various things during this transition period."

WQBK, ALBANY, NY P.D.-JOHN COOPER: "I'm looking forward to hearing the new Kinks album. The three songs I've already heard are excellent...Don't neglect the following albums now that the release rush has slowed: Tom Robinson, Bruck Cockburn, Eurogliders, UB40, and Los Lobos."

KILO, COLORADO SPRINGS, CO M.D.-ALAN WHITE: "At the risk of sounding redundant, Bruce, Bruce, Bruce, Bruce, (Bruuuuce)! I had the pleasure of witnessing both of the Denver shows and there's no doubt in my mind that he's one of the greatest live performers ever! I'm a fan for life...(AAhooooo) Los Lobos are roaming the airwaves at KILO. 'Don't Worry Baby' is pure rock and roll with a handful of Texas spice...Sammy Hagar will have the rock 'n roll troops armed and ready for combat in no time once they hear 'VOA'...Survivor's 'High On You' slides into rotation this week with its patented hook formula. Apply to the ears daily for a real good buzz, get it?...Twisted Sister 'The Price' leads the phone action again this week."

WRXL, RICHMOND, VA M.D.-PAUL SHUGRUE: "Los Lobos...Shades of Stevie Ray Vaughan and George Thorogood. If those two worked for you then don't miss 'Don't Worry Baby'. I could play this kind of music all day if somebody let me so I have to keep myself in check most of the time--but not this time! This song has the energy to satisfy the headbangers and the blues roots to activate the old folks...If you like Los Lobos, check out some other groups in the Texas/L.A. blues connection like the Thunderbirds, Blasters, Del Fuegos, Stevie Ray and, of course, Johnny Winter...I'm giving Thanks this week that the blues are still alive and rockin."

WBRU, PROVIDENCE, RI M.D.-AMANDA TEPPER: "After stating last week that people should use the comment section only to write about music they're playing, I'm going to break my rule and thank Jay Ziskrout and Mark Williams especially for showing me a great time at the CMJ Seminar last weekend. I'm convinced that BRU's niche as a commercial college radio station is still secure...This week's Master Blaster is David Bowie's 'Tonight'--Reggae tamed down so even hard core rockers should like it, and judging from the response so far, they do... Another reggae tune by UB40 is already selling well without any airplay around here so we're giving it a shot...Don Henley sneaks into heavy this week due to overwhelming listener response."

WZXR, MEMPHIS, TN M.D.-TOM STEIN: "Top 5 phones in Memphis: 1) REO 'Can't Fight This Feeling', 2) Frankie Goes To Hollywood 'Two Tribes', 3) Survivor 'Can't Hold Back', 4) Rick Springfield 'Bruce', 5) Deep Purple 'Perfect Strangers'."

WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN: "Well, whip out the balloons and the booze! WLIR is celebrating its 25th anniversary with a big bash tonight at Studio 54 in New York City. We've distributed free tickets to our listeners and the response has been overwhelming. This should prove to be a big night! By the time you read this, my old hangover will be a new hangover. So, next time you raise a glass--tip one for us...Speaking of Studio 54, last week P.D. Denis McNamara and I met producer Nile Rodgers. What a great gentleman! Nile lives in Westport, CT in our listening area. He couldn't stop raving about LIR. Thanks, Nile. By the way, he's currently producing the Mick Jagger record which could be the record of 1985...Well, with Thanksgiving almost here it's hard to pick my fave album of 1984. So far, Frankie's on the top of the list. We're five cuts deep on the album and I can't wait to host his show Saturday night at the Ritz...If I could rehash old news--why are so few stations on the Ramones? 'Howling At The Moon' is the most accessible song from the band in years. It was screamer of the week here. So, give them a shot. They've been carrying the banner way before the Clash, Sex Pistols, etc. ...Past 5:30 Phone Calls: Cy Curmin of the Fixx, Steve Strange of Visage, Katrina of Katrina and the Waves, Al Franken, and Peter Wolf...Screamer of the week voted by the WLIR listeners: Pet Shop Boys 'West End Girls'...Duck's pick-to-click: Madonna 'Over And Over'."

WKDF, NASHVILLE, TN M.D.-DAVID HALL: "The wheels are turning again. REO appears to be back b-i-g! 'I Do' wanna Know' is showing up great in call out. Looks like the audience is ready to welcome them back this time. I still like that title cut for REO at its rockin best...We're into sound-alikes this week: Giuffria will be to Journey what Klaatu was to the Beatles, and Eurogliders fill the void left by a lack of Fleetwood Mac. Philip Bailey with Phil Collins should not be overlooked. It's that classic Genesis sound, and hey! It's been a while since Genesis or Phil have had anything in the currents. Rick Springfield's 'Bruce' cracks me up. I'm sorry Rick's not making any money on it, but it's my number 1 request this week!"

WTPA, HARRISBURG, PA P.D.-BRUCE BOND: "Thanks a lot for including WTPA in the Autograph advertisement. I thought we were one of the first stations to play the song? That's OK. Its only my ego that hurts! I love New York and my trip was complete listening to the best disc jockey in the USA--Howard Stern! ...WTPA adds this week are happening: The Rick Springfield song 'Bruce' has a great title and is one of the top requested songs here in Nuclear City...The Red Rockers performing the Hooters song should draw some interest...And my top choice is from a Jersey girl named Fiona. 'Love Makes You Blind' starts off mellow and increases with infection. Along with the movie, this should be another Bonnie Tyler story, and Fiona is a great person also... Great seeing Danny Buch's wife, Sue, at the Rangers/Islanders game last week. My seat was next to Marv Albertitos. The Rangers 5-4 in sudden death!...The movie 'Silent Night Deadly Night' is the worst movie I've ever seen, and remember celibacy is not hereditary...Make it a good day!"

WCMF, ROCHESTER, NY M.D.-DAVE KANE: "With some help from the good folks at Atlantic Records, WCMF is the only station in the Nation to be sending a listener and a guest to see the final European performance of The Firm in London. Special thanks to Judy Libow for helping us out on this one...I know you don't need me to tell you this, but the Philip Bailey single will be a s-m-a-s-h, so go for it now! If the folks at Rochester found out that there was new product with Phil Collins, and we weren't playing it--well, I'd be history. Even if Phil Collins weren't so popular up here, we'd still be playing this infectious little number...Since you asked, my favorite on the Frankie album is the title track. Great music for highway cruisin'...Other than that, it's been a pretty slow week...Could-be-trouble department: Tonight is hockey night in Buffalo with Messrs. Moser and Dombrowski and God knows who else. Could be sick and depraved. Details to follow. Have mercy!"

WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA: "Life sucks, then you die!!"

- WQMF, LOUISVILLE, KY M.D.-REGGIE JONES:** "Mega thanks to the MCA people for getting us safely in and out of Chicago for the Triumph 'Thunder Seven' party. It was a great time!"
- WEZX, SCRANTON, PA M.D.-DAVE WEEKS:** "Rock-107 Rock Hits had a busy Veteran's Day weekend...It all started Saturday morning at 9 o'clock as we hosted the first Star Trek Convention in our area, which featured Jimmy Doohan from Star Trek as the guest. Jimmy plays Scottie on the TV show. Dreamwerks sponsored the show at the Sheraton Inn in Scranton...Then, on Sunday night, we co-produced a show with Parties Unlimited at Pep O'Brien's in Old Forge. The band was Blackfoot and they put on a helluva show...Veteran's Day festivities continued on Monday night at the station complex in Wilkes-Barre with ROCK-107 Rock Hits' Dave London hosting the final round of competition of 'Puttin On The Hits'. WBRU-TV 28 was on hand to video tape the winners and forward the cassettes for consideration in the final round of the national competition."
- KEZO, OMAHA, NB M.D.-JOE BLOOD:** "The Planet P Project would have been a great one-record set. As it is in its present two-record length, it tends to drag and get a bit repetitive, but there are a number of great cuts, nonetheless. The pink pressing, though, does nothing for the overall quality of the Lp. Besides 'In The Zone', we like 'The Boy Who Can't Talk' which sounds very Floydish a la 'Hey You' from 'The Wall'...The restored to original mono Elvis reissues on RCA are incredible. If you're any sort of a rock and roll collector or historian, you've gotta get a hold of these...Now that the CBS compact disc plant in Terre Haute is on-line, how soon before most major releases will be released simultaneously on vinyl and CD?"
- WRCN, LONG ISLAND, NY M.D.-JOHN GRAPPONE:** "I was going to start off my comments by giving you a great brownie recipe just in time for Thanksgiving, but there's too much music to talk about... 'Isolation' by Toto has got me hooked, I mean the entire record. Listen to 'Carmen' - great guitar playing, good vocals and just plain old foot-stompin' music...Bryan Adams has released his masterpiece. 'Reckless' shines from groove to groove...The Kinks have done it again with their latest 'Do It Again'. Having been a Kinks fan since their start, I anxiously await adding 'Word Of Mouth' to my at-home collection. I don't know many other people who own every single American release by the band...Surprise album of the week: 'Everything But The Girl'. Listen to it and say 'Wow!'...Before I go, have a Happy Bird Day '84."
- WZZO, BETHLEHEM, PA ASST. P.D./M.D.-GENE ROMANO:** "Hey, I can talk about what a hot rockin' music director I am hitting all those big shows this week. I think we all put too much emphasis on certain concerts that only a fraction of the audience cares about. A couple of shows here in Allentown this week proved to me that our new core listenership, 25-34, are a diverse group. Dan Fogelberg drew 6,000 fans per show. The political satire of Mark Russell drew 3,500. Yes, sports fans, for many a baby boomer, there is life after a rock and roll concert...Also, the Madonna album will be a giant. She is one of the most talented females around. Give the Lp a listen."
- WVCK, FLINT, MI P.D.-MARK MILLER:** "The time has finally come, and I'm sure Mike Bone, Jay Hart, and Louis Heidelberg are ecstatic to know that we've added Dokken! A lot of bands think they're ready for the big time--this band seems to know it! The song 'Just Got Lucky' is every bit as hooky as Ratt's 'Round And Round', or Motley Crue's 'Looks That Kill'. And on top of that, what really sets the album apart is the depth. 'When Heaven Comes Down' and 'Bullets To Spare' are great follow-up tracks which makes the band much more than a one-hit wonder. As I've mentioned before, I really believe this album is the deepest and most accessible metal album since 'Pyromania'...The Elektra support should finally be swinging over to 'Just Got Lucky', and your support should do the same!"
- WAQX, SYRACUSE, NY M.D.-AMY DAHLMAN:** "Don Henley may be the class act of the season! Listeners who haven't bothered to call in years are picking up the phones in reaction to 'Boys'. Could be just the tune to keep off the chill this winter...What's the problem with the Springfield?!! We think it's Rick rockin' at his best, and the phone reaction is wild with every play...John Parr hung in there and now he's on. His staying power with 'Naughty Naughty' during the great deluge is to be applauded...Like it or not, the album is out and Frankie Goes To Hollywood debuts first week retail at lucky 13...Rare opening at 95X WAQX, Syracuse. We're looking for a rock and roll attitude team player with production and promotion skills. T&R to: Ed Levine, 401 West Kirkpatrick, Syracuse, NY 12304."
- WCPZ, SANDUSKY, OH M.D.-KEVIN YOUNG:** "ADDS: Planet P, John Hunter, Billy Idol, Julie Brown...MOST REQUESTED: Bob Seger, David Bowie, Lennon, Roger Hodgson, U2...INCREASED PLAY: Tom Robinson, Rickie Lee Jones, Eurogliders, REO, 'Eddie & The Cruisers'...This week we put Tom Robinson into heavy--that's after great response from female as well as male demos. Looks like this one really found a home at CPZ...The Kinks are sounding just as fantastic as ever, as well as Don Henley...Speaking of the Eagles, the Timothy P. Schmit Lp goes into our Top 10 this week. Nothing wrong with letting our listeners know that you can still get that Eagles sound if you know where to look...The Bowie Lp is still a h-o-t item here this week. We move to 'Tonight'. It will sound just right in heavy rotation!"
- WMGM, ATLANTIC CITY, NJ P.D./M.D.-MIKE BOYLE:** "ADDS: Rick Springfield, Sammy Hagar (Re-add), David Johansen, Jethro Tull (Re-add), Phillip Bailey...CONSIDERING: Thompson Twins, Red Rockers, Eurythmics...MOST REQUESTED: Van Halen, Survivor, Twisted Sister, Molly Hatchet, Honeydrippers...INCREASED PLAY: Don Henley, The Kinks, Planet P, Giuffria...INCREASED SALES: Honeydrippers, J.Lennon, Survivor, Van Halen, Paul McCartney...I listened and listened to Linda Feder at JEM say it would grow on my ear and it did! I now 'Heard The News' from David Johansen...Saw a couple of different adds in the trades and an official add on-the-radio from my 'Philly Dirt King' so I became curious. This curiosity lead to an add for Columbia on the Philip Bailey song 'Easy Lover'. Phil Collins has done his usual magic with this Project...Good luck to a damn hard working lady! Polygram got a winner with Bobbi Silver!"
- KQDS, DULUTH, MN P.D.-BRIAN TAYLOR:** "ADDS: Eurythmics, The Who, Toto...MOST REQUESTED: Twisted Sister, Autograph, Bryan Adams...INCREASED PLAY: Autograph, Toto, Frankie Goes To Hollywood...INCREASED SALES: 'Eddie & The Cruisers', Julian Lennon, Frankie Goes To Hollywood."
- KSQY, RAPID CITY, SD M.D.-JEFF MICHAELS:** "ADDS: Big Country, Krokus, Autograph, Deep Purple, Bryan Adams, Billy Idol...MOST REQUESTED: Bryan Adams, REO, John Hunter, The Kinks, Pat Benatar...INCREASED PLAY: 'Eddie & The Cruisers', REO, Springsteen, John Hunter, John Parr, Giuffria, Bryan Adams, The Kinks...INCREASED SALES: Bryan Adams, Pat Benatar, The Honeydrippers, Julian Lennon, REO...Still on cloud nine after seeing Springsteen live in Denver on Sunday night. Four hours of the best concert 50 people from the Black Hills and I have ever attended! My P.D.-Jack Daniels, flew in on Sunday evening and made it to Nichols Arena just in time for the show. We both feel it was truly a privilege to see Bruce and I'm sure the other 18,000 fans attending felt the same way. We're still so fired up that we put 'Born In The USA' in hot rotation. Bruce is The Boss! It was a helluva show...Phones from females 25+ reaffirm our faith in John Hunter, so it's up to medium this week...Deep Purple continues to haunt the rock dinosaurs in the hills, and by popular demand 'Knocking At Your Back Door' goes in to follow on the heels of the extremely popular 'Perfect Stranger'...Special thanks to Bennett Kaufman and A&M for the tickets to see Bruce Cockburn last Saturday in Denver...Till next week, keep those records coming and rock on!"
- CILQ, TORONTO, CN M.D.-SAMANTHA TAYLOR:** "ADDS: The Kinks, Springsteen, Giuffria, Julian Lennon, Nazareth, Hanoi Rocks, Billy Idol, Big Country, The Who, Holly Woods and Toronto...INCREASED PLAY: Julian Lennon, Billy Idol, The Kinks, Springsteen...INCREASED SALES: U2, Honeydrippers, Julian Lennon, Bryan Adams, 'Eddie & The Cruisers'."

WXCS, HAGERSTOWN, MD M.D.-PAUL MICHAELS: "ADDS: T.K.O. 'Fight', General Public 'Tenderness', John Hunter 'Tragedy', Alphaville 'Big', and 4-3-1 'Animal'...CONSIDERING: White Wolf and Eurythmics...MOST REQUESTED: Twisted Sister, Duran Duran, Kiss, Peter Wolf, and Frankie Goes To Hollywood...INCREASED PLAY: Don Henley, Pat Benatar, Bryan Adams, The Kinks, and Big Country...INCREASED SALES: Prince, Duran Duran, Twisted Sister, Kiss, and Julian Lennon...After weeding thru quite a few mediocre metal releases in the past few weeks, one band has come thru---T.K.O. with 'I Wanna Fight'. Could be real big. It's very solid, tough, hard rock."

KNCN, CORPUS CHRISTI, TX M.D.-BONNIE STACY: "ADDS: Giuffria 'Call', Los Lobos 'Baby', Bruce Cockburn 'Rocket', Eric Martin Band 'Stop', Armored Saint 'Can' and Julie Brown 'Gun'...MOST REQUESTED: Duran Duran, The Cars, Pat Benatar, and Bryan Adams...INCREASED PLAY: Bryan Adams, Don Henley, Duran Duran, Timothy B. Schmit, Autograph, and John Parr...It may be November where you live, but here on the Texas Riviera it was a beachin' weekend! Tri-Star Pictures is filming a movie in our area and we threw them an all-day/all-night beach party to help draw extras for the filming of the climatical beach scene. 10,000 devoted listeners showed up to enjoy local bands, bikini contests, freebies, and a day of learning what it's really like to make a movie. Slow torture! All kidding aside, though, it was one of our best beach parties ever, thanks to: 'The Legend!'"

WTOS, SKOWHEGAN/BANGOR, ME M.D.-KELLY GRAY: "ADDS: Planet P, Depeche Mode, Private Lives, Class Action, Giuffria, Philip Bailey, Fenton Robinson, Lonnie Liston Smith, Jean-Luc Ponty (single), and Malcolm McLaren (single)...MOST REQUESTED: Bruce Cockburn and Ramones...INCREASED PLAY: Eurogliders, Kinks, Deep Purple, and Freddie McGregor...Attention A&M Records and Chrysalis Records: We are dropping Bryan Adams and Pat Benatar from heavy rotation until we receive service on the albums! There is no excuse for late service on any Lps, let alone these two biggies which we have been on in h-o-t rotation since their release...WTOS is pleased to announce that we now have a jazz show Sunday evenings. Labels take note: Please send jazz product. We will play it! Also, due to increased popularity, the reggae show has been moved from Sunday mornings to Sunday evenings. We need any and all reggae product...Annie's Song Of The Week: Danny Elfman 'It Only Makes Me Laugh'."

WTCS, FAIRMONT, WV M.D.-SCOTT REPERT: "ADDS: Golden Earring, Deep Purple, Big Country, Los Lobos, Bryan Adams, Giuffria, Prince...MOST REQUESTED: Bob Seger, Frankie Goes To Hollywood, Duran Duran, AC/DC, Pat Benatar...INCREASED PLAY: Huey Lewis, Frankie Goes To Hollywood, Don Henley, Kinks...INCREASED SALES: 'Teachers' Soundtrack, Hall & Oates, U2, Honeydrippers, Frankie Goes To Hollywood...Just remember: When Martin Luther King, Jr. got to that mountain top--he could see our tower!"

KRIX, BROWNSVILLE, TX M.D.-RICHARD "ACE" BROOKS: "ADDS: Kinks 12", Big Country, Los Lobos...CONSIDERING: Armored Saint, Red Rockers, Ronnie Dio...MOST REQUESTED: AC/DC, Roger Hodgson, Van Halen...INCREASED PLAY: Giuffria, Toto, Billy Idol...INCREASED SALES: Van Halen, REO Speedwagon, Honeydrippers...Roger Hodgson checks in at #2 phones, and the album is burning up the stores. It's a great record. Play it if you aren't already on it."

WXKE, FORT WAYNE, IN M.D.-HAL BRANDT: "ADDS: Steve Perry 'Foolish', Survivor 'Promises', Queensryche 'Take', Danny Elfman 'Gratitude'...CONSIDERING: Stone Fury...MOST REQUESTED: Roger Hodgson, Don Henley, Billy Squier, John Cafferty, Kiss...INCREASED PLAY: Don Henley, Corey Hart, Julian Lennon...INCREASED SALES: Honeydrippers, 'Teachers' Soundtrack, 'Eddie And The Cruisers' Soundtrack, REO Speedwagon."

KFMH, MUSCATINE/DAVENPORT, IA P.D.-STEVE BRIDGES: "ADDS: Dream Syndicate, Blancmange 12", Big Country, Toto, Giuffria...MOST REQUESTED: REO Speedwagon, Bryan Adams, Frankie Goes To Hollywood, Pat Benatar...INCREASED PLAY: Bryan Adams, Planet P, Duran Duran, Deep Purple."

WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS: Tommy Shaw and Dennis De Young can both put another notch in their belts for continued success on PDH. Both Lps are selling very well, and the initial response was so good that we're expecting the same for Shaw's poignant 'Lonely School' and De Young's rocker 'Don't Wait For Heroes'. Looks like chart climbers to me...Well, Julie Brown's 'Homecoming Queen's Got A Gun' started out as a cute tune to spin in morning drive, and wound up jumping off the turntable. Immediate phones, and she moved into our Top 12 first week out. If Julie keeps it going, that goddess will be built a lot faster than even she imagined. We also giggled uncontrollably over 'Cause I'm Blond'. If you miss out on Julie, you might as well be a wallflower at the prom...My favorite new comer is John Hunter (love the scarves, John). His gutsy, some mighty fine piano, and it puts the dance in my pants at just the right time. A plus to John Hunter and crew...Thanks to Terry Cohen for another super night of seeing Cyndi Lauper. And congratulations to Cyndi on her achievement. It only seems right that a woman should make a milestone mark over the 'Fab Four'...General Public is so-o-o sweet on-the-air. Everyone just genuinely enjoys the song and calls remain positive. We've upped 'Tenderness' into heavy...A kind word goes to Randy Jackson from Zebra, who drove 45 minutes from a gig to chat on-the-air with us. Our many thanks, and a word to the wise: 'Lullaby' is a hit. Go back and check it out. Debuts at #2 on our Top 12. Sounds solid to me."

WWCT, PEORIA, IL M.D.-JOHN AMBERG: "ADDS: Duran Duran 'Wild', Philip Bailey 'Easy', Chicago 'You're', Billy Idol 'Catch', Sammy Hagar 'VOA', Giuffria 'Call', Pat Benatar 'Field', Bryan Adams 'Love', Madonna 12" 'Like'...MOST REQUESTED: REO Speedwagon, Julia Brown, Deep Purple, Dokken, Bruce Springsteen...INCREASED PLAY: Deep Purple, Julian Lennon, Roger Hodgson...INCREASED SALES: REO Speedwagon, Paul McCartney, Pat Benatar, Duran Duran...A million and one thanks to Steve Pachter of Capitol for everything he did to make the Billy Squier contest a huge success. Steve--you're a damn good Joe...Philip Bailey has stepped out on his own after a great career with Earth Wind and Fire, and his first single is a smash. With a little help from another Phil, namely Phil Collins, who produces, co-writes, and sings on 'Easy Lover', that song is a home-run! Excellent radio material...The Bryan Adams/Tina Turner duet is every bit as spectacular. Tina's voice is enough to make speakers blow out. That Adams/Vallance song writing team knocks out some classic guitar riffs. This song would cook even if Cyndi Lauper sang the other part!"

WIQB, ANN ARBOR, MI M.D.-DEBBI DALTON: ADDS: Honeymoon Suite 'Burning', The Fixx 'Shade', The Who, Alphaville, Billy Idol 'Catch', Red Rockers 'Blood', Nitefire 'Eyes', Rickie Lee Jones, Bryan Adams, REO Speedwagon, David Bowie, Dennis De Young...MOST REQUESTED: Roger Hodgson, Bryan Adams, Don Henley, Duran Duran, Sammy Hagar...INCREASED PLAY: Giuffria, Eurogliders...INCREASED SALES: Honeydrippers, Julian Lennon, Pat Benatar...Boy, it must be rough--doing mornings in L.A., hosting 'Solid Gold', to be extremely good looking, and now Mr. Dees you have achieved the ultimate: 'Eat My Shorts' is perhaps the funniest thing I've heard this year, and I have discriminating taste. If you haven't check out this Rick Dees classic, you better. Skip the A side and go right to the meat of this record...Okay, now for the serious stuff. We're gonna test a record from Long Island, a straight-ahead band called Nitefire. It's a 4 song Ep, and the cut 'Smokey Eyes' is worth a listen...Like everywhere else, the Honeydrippers is now #1 in sales and continuing to grow...And also in terms of sales, Duran Duran's 'Wild Boys' has spread like wildfire--but I still don't know why. I can't seem to like this cut no matter what I do...Special thanks to John Schoenberger, Mike Rose, Craig Lambert, and Dave Loncao and everyone else who made Saturday night a great night in the Windy City. You should have the new Triumph record by the time you read this and you'll know what the fuss was all about." And from Les Cook to John Schoenberger: "Good meeting you. Thanks for the inspirational words both in Chicago and in your comments last week. And, yes, The Fixx is in."

**WBLM, LEWISTON/PORTLAND, ME M.D.-TOM WALLACE:** "It was fun to meet so many record promo types at our annual industry nite bash in Portland last week. A swell time was had by all. On to the music: The Adams and Turner duet continues to burn up the airwaves. Same goes for Toto, John Parr, and Deep Purple. Kiss still has the phones on fire and rumors of a concert appearance in these parts keep them flaming...Also big in the request department: Duran Duran, Honeydrippers, and Julian Lennon, with massive sales reported on all... Hope your Thanksgiving is a pleasant one, and may all your turkey be on the dinner table, not on the turn table!"

**WWTR, OCEAN CITY, MD P.D.-RICHARD REMSBERG, ASST. P.D./M.D.-GLENN STEWART:** "ADDS: Philip Bailey, Rick Springfield, Giuffria, Billy Idol (Re-add), Bruce Springsteen 'Shut', Rick Dees...MOST REQUESTED: Julie Brown, Huey Lewis, Bryan Adams, Rick Dees...INCREASED PLAY: Toto...INCREASED SALES: Honeydrippers, 'Teachers' Soundtrack, Julian Lennon'...From Glenn: "Philip Bailey's 'Easy Lover' is an easy pick-to-click. Phil Collins makes this sound like a new Genesis tune and there's one man you can't go wrong with...Julie Brown's 'Home-coming Queen' is not only a scream, it segs great with 'Girls With Guns', 'Concealed Weapons' and any 38 Special...Record company politics aside, Rick Springfield's 'Bruce' is funny as shit, coming as it does in the middle of Bruce-mania...Debby A. proved that a Philadelphia to Ocean City road trip is just as much fun as an Ocean City to Philadelphia trek. Debby, is it true that Billy Idol is on your answering machine?" ... From Richard: "Steve Feinstein wrote an excellent article a couple of weeks ago which portrayed an optimistic future financially for AOR. I was smiling while reading until my G.M. came in and dropped on my desk the N.A.B. letter about alcohol beverage advertising on radio and TV. There is a nationwide movement afoot to remove this advertising from the air. Beer and wine spots are being attacked by anti drunk driving organizations with the F.T.C. and in the U.S. House and Senate. Right now it doesn't look as if this advertising will be banned but remember cigarettes?! It can happen. If it does, I see the AOR financial outlook in not as rosy a light. I know that beer and wine advertising account for 30% of my station's billing and that revenue cannot be replaced. I believe it is imperative to begin to take action n-o-w to deal with this problem as an industry and I'd like to see some dialogue in these pages concerning appropriate action. The N.A.B. suggests running a PSA about drunk driving for every beer spot. Can you imagine the cluttered air sound? In the summer, we'd never play any records! I think a better course of action would be benefit concerts for victims of drunk driving accidents. I am trying to organize such a concert for late January for a 6,940 seat hall and if any labels have acts touring at that time, I'd like to see about booking them for a benefit show. Please call if you are interested. Besides that, does anybody else have some ideas on dealing with this issue?"

**KFMX, LUBBOCK, TX M.D.-WES NESSMAN:** "ADDS: Eurogliders, Sammy Hagar 'VOA', Billy Idol 12", Julian Lennon 'Too'...MOST REQUESTED: Rick Springfield, Honeydrippers, Kiss...INCREASED PLAY: Peter Wolf, Don Henley, U2...INCREASED SALES: Honeydrippers, Springsteen, Tina Turner, Prince, 'Eddie & The Cruisers'...The way some people describe their phone response to new records in the Quarterback, reminds me of the way some people describe their sex in Penthouse!"

**WFAL, BOWLING GREEN, OH M.D.-LORI WENSITS:** "ADDS: Billy Idol, Giuffria...CONSIDERING: Armored Saint, Jethro Tull, General Public...MOST REQUESTED: Pat Benatar, Survivor, The Honeydrippers, Iron Maiden...INCREASED PLAY: Don Henley, Twisted Sister, John Cafferty...INCREASED SALES: Duran Duran, Honeydrippers, Hall & Oates, REO Speedwagon...Will BG rockers ever get tired of the sensual vocals of Survivor's Jimi Jameson? About 20% of the females in call out will automatically request this modern day heartthrob. Giuffria has also been welcomed to WFAL's playlist with open arms. Are you sure that that's not Steve Perry on vocals?...Good luck to Mark Diller. I hope he has a smooth transition on his way to the Windy City!"

**WKLT, TRAVERSE CITY, MI P.D.-CHUCK POET:** "ADDS: Giuffria, Queensryche, Pat Benatar...MOST REQUESTED: Duran Duran, Sammy Hagar, Kiss, John Parr, Bryan Adams...INCREASED PLAY: Don Henley...INCREASED SALES: Honeydrippers, Bryan Adams'...From Chuck Poet: "The Planet P Project is great!"...From Terri Ray, Asst. **CHEZ-FM, OTTOWA, CN M.D.-GREG TORRINGTON:** "ADDS: The Kinks, Doug & The Slugs, Don Henley 12", The Textones, Eurythmics 12"...MOST REQUESTED: Frankie Goes To Hollywood, Bryan Adams, Prince, Honeydrippers, Duran Duran...INCREASED PLAY: Julian Lennon, UB40, Bryan Adams...INCREASED SALES: Honeydrippers, UB40, Frankie Goes To Hollywood, Juluka...So far we haven't seen Canadian releases on 'Revenge Of The Killer B's' and 'Los Lobos'. We'd certainly love copies if anyone is in the position to service us! We have, however, just seen a domestic release on Let's Active and response to airplay has been extremely favorable...Also, Red Rockers' 'Blood From A Stone' sounds fantastic on-the-air."

KRVV, VAIL, CO M.D.-MARO SELBY: "It's snowing hard and there are six semi's stuck on Vail Pass. Ski season is here. Yesterday KRVV gave away a free season ski pass to one of 5,000 contest participants...We took our time, but are very enthusiastic about adding Toto and Bryan Adams this week...Billy Idol walked straight from the Post Office into the air studio...The romantic side of The Whispers is perfect for our mellow moods."

KBLE, DES MOINES, IA P.D./M.D.-RON SORENSON: "ADDS: 4-3-1, Depeche Mode, Philip Bailey, Robert Marlow... INCREASED PLAY: Julian Lennon, The Waterboys, Steve Miller Band, Planet P, Culture Club, Los Lobos, REO Speedwagon, Pat Benatar, Frankie Goes To Hollywood, UB40...Finally, and just in time, a break in the merchandising madness. I won't say it was tough keeping up with the new releases, but the 26-hour days that I was putting in were beginning to take a toll. This week's short list doesn't lack for quality. 4-3-1 is a band to watch. Maggie Ryder is a talented singer and writer. We're going Animal!...Phil Collins' presence lends the necessary AOR credibility to get Earth, Wind & Fire's Phil Bailey a listen. And that's all 'Easy Lover' needs. The rest is in the grooves...With each day's headlines, Bruce Cockburn's 'Rocket Launcher' becomes more relevant. It's not often you get to play a hit record and do a service for humanity at the same time. I'd say, jump on it...Let's close this one with a little philosophy from Aztec Camera's 'Just Like The U.S.A.': 'The secret is silver, it's to shine and never simply survive.' I like that."

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR: " 'Do It Again'--Do they ever! When Ray Davies is at his rockin' best, The Kinks are untouchable...The Bryan Adams is so consistent that getting consensus on just a few cuts has been real tough. Fact is, the guy is as safe as milk and you can't go wrong no matter where you land on this one...After a week as WOUR's 'HOT PAJAMA PICK', in the morning, Los Lobos could have listeners howling at the request lines if the early signs are any indicator...Thirty seconds into the Philip Bailey, I knew we had a contender. The Collins' contribution is so apparent, even long before P.C. even opens his mouth, and when he does, that's the clincher. A definite add next week...We're pleased to see across-the-board acceptance on Frankie Goes To Hollywood...There's no doubt that the resurrection of REO had to hinge on a rocker. So Epic was right to lead with 'I Do'wanna Know', but that done, the ballad is already blowing it away on the phones. And this changeover is one that shouldn't catch you sleeping at the switch...Hats off to CBS for the spectacular 12" of assorted Springsteen nuggets...Honeydrippers squeaked into the number one retail slot last week and follow it up this week by opening up the gap on the rest of the pack...While number one requests belong to Purple's 'Perfect Strangers' again, we don't have a metal show, so anything with a real hard edge we play has got to have credibility to fit into our regular flow and Stone Fury does that beautifully. If you've overlooked 'Break Down The Walls', give it another listen...Those who have been lucky enough to work with Kevin Sutter already know what a great move Chrysalis has made. Those of you who haven't will find out quickly!"

"It's been a busy two weeks. The CMJ Convention in New York was great. Congratulations to Albert O. on winning the Best D.J. Award and WLIR for Best Commercial Station, both are well deserved. The artist panel was the highlight of the convention. Johnny Lydon from PiL and Flea from Red Hot Chili Peppers had me laughing so hard I thought I was going to pee in my pants. Speaking of Flea, he and the Chili Peppers stopped by WFNX last Monday for an interview. It was both funny and controversial...David Johansen's Lp is hot. If you're not impressed with the single listen to 'Sweet Revenge' and 'New York Doll'. Judging from the requests, these two cuts are the strongest. Overall, an excellent Lp for David this time around...Another great Lp on the air is from Los Lobos. This band deserves much more airplay than it's getting... Finally, the dB's 'Love Is For Lovers' is a hit record just waiting to be played. Don't let this one pass you by...Until next week, don't be alarmed."

INCREASED PLAY: The Pool.  
INCREASED SALES: Waterboys, Depeche Mode, Frankie Goes To Hollywood.

"They've probably never driven up Highway 9, or drank beer on the hood of a car with barefoot girls, but Frankie Goes To Hollywood gives good Springsteen. 'Born To Run' is number one on the phones in the first week...From the great Northwest come the Crazy 8's with a delightful album guaranteed to get your feet to movin', and your mind to thinkin'. We'll start with 'Johnny Q' but this is an Lp deep in fine songs... Keepers of the flame dept.: Los Lobos, the Del Lords, and the Honeydrippers keep the American rock 'n' roll spirit alive in Southwestern Ohio - three records that can help round out any rock 'n' roll format... Finally, is anyone else as pissed as I am about Georgia Championship wrestling being cancelled?"

- ADDS: David Johansen, "Everything But The Girl" Soundtrack, Psycho Bud, Eurythmics, Positive Noise.
- MOST REQUESTED: Bronski Beat, Pet Shop Boys, General Public, Eurythmics, Los Lobos.
- INCREASED PLAY: Bruce Cockburn, Frankie Goes To Hollywood, The dB's, The Ramones, The Vels, The Nails.

"As usual Gotham City was intense, active and fantastic. Thanks to Bob Haber of CMJ for putting this together - the seminar that addressed crucial issues regarding new music. To Paul Brown of Atco: A sincere thanks for your time, consideration and great New York/Mexican food. Thanks to Bob Laul of Serious Bob Promotions, and Linda Feder of JEM. Great to see you both again. I enjoyed our quick brunch, and rap. To Gayle Miller at BBC Rock Hour: It was a pleasure finally meeting you, and these New York Italian restaurants are as fine as usual. To Dave German at Arista: Although it was a wet Jets/Colts game, I can add the Meadowlands to my list of 'fields visited', and I think we solved all the problems of the industry while the Jets went down in defeat. Who knows, maybe I'll be doing color for the Mets... I'm a little disappointed that more major label record people didn't show up at the 'New Music Radio What's Next' panel...Musically, let's talk turkey. My new favorite is The Nails. It's something that you can sink your teeth into. It's American rock 'n' roll with hard pounding content and cutting lyrics... Listen to Bruce Cockburn. He surmises the South American political situation with two sides of vinyl. Let's be realistic about the trouble in Nicaragua. Listen to Cockburn...AOR: Wake up to the Ramones. They are another American band that brings home the bacon, while kicking the stuffing out of the turkey... Doing well: General Public, The Kinks (anxiously awaiting the Lp), Textones, Los Lobos, OMD, Depeche Mode, XTC, Devo, the dB's, Let's Active, The Vels, The Fixx, David Bowie, U2, Lou Reed, Aztec Camera, The Untouchables, the Bangles, Heaven 17, Honeydrippers, Romeo Void, and Red Rockers...This week's pick - 'Everything But The Girl'."

News From Rock Over London

We've had "The War Song" from Culture Club, "Two Tribes" from Frankie Goes to Hollywood, and now we hear whispers that STING hopes to sing out on the peace theme too with a song called "I Hope The Russians Love Their Children Too". And, apparently helping him to bring together East and West, is the Viennese Philharmonic Orchestra who should be playing on a forthcoming album.

DON'T ASK WHY THEY THOUGHT THIS ONE UP, but apparently the title of BANANARAMA's greatest hits video is to be "Hanging Round His Neck Was A Big Black Ball". This compilation clip will feature "Robert DeNiro's Waiting", "Cruel Summer" and "State I'm In". Also on the video front, apart from directing "Too Late For Goodbyes", SAM PECKINPAH hopes to direct a 60 minute special with JULIAN LENNON for worldwide TV and home video distribution.

If you don't know by now, PHIL COLLINS has announced dates for his solo world tour to begin in the U.K. in February. The little spin should take him to Europe, Japan, Hong Kong, Australia, and the U.S. For most of the year he's been on-the-road with GENESIS, but has also produced albums for ERIC CLAPTON and PHILIP BAILEY from Earth Wind and Fire. In the midst of all this, he's managed to find time to marry too. At the moment, he's working on this third solo album which will be released prior to the concert tour, and a single should be available in very early January.

ALISON MOYET's debut album "Alf" is out this week. It features 9 tracks including British hits "Love Resurrection" and "All Cried Out". All but one of the tracks were co-written by Alison, TONY SWAIN and STEVE JOLLEY. The exception is the track called "Invisible" which was specifically written by LAMONT DOZIER.

AND YET ANOTHER TRACK has been released from "Electric Dreams" in the U.K. This time it's HELEN TERRY's "Now You're Mine". At the moment, Helen's writing and recording songs for a debut Lp and we understand that some of the songs are to be co-written by BOY GEORGE and ROY HAY of CULTURE CLUB.

And it's that "whatever next" time of the year again. Yes, EMI have released DURAN DURAN's "The Wild Boys" in 5 different picture sleeves for each member of the band. And talking of "whatever next", some guys don't give up. ROD STEWART brings out a new release "Trouble" taken from the "Tonight I'm Yours" Lp.

THE WHO have released "Twist And Shout" from the "Who's Last" Lp. And PAUL McCARTNEY should keep the kids happy this Christmas with a new release from The Frog Chorus called "We All Stand Together".

THE KINKS 20th anniversary is being celebrated with the release of 3 new albums on PRT. "The Kinks Kovers" is 13 of their 60's cover versions; "Greatest Hits" features 18 of their songs from '64 to '70 including "Waterloo Sunset" and "Lola"; and finally, "The Kinks Collectables", featuring many B sides and less well known songs.

On ROCK OVER LONDON this week listen out for BIG COUNTRY's "Belief In The Small Man", which is only available at the moment on the British B side of "Where The Rose Is Sown". We'll also be finding out what goes on in "Room 101" with the help of the EURYTHMICS, the latest from ALISON MOYET, NICK HEYWARD, and DAVID BOWIE. Our interview this week is with the wild, or perhaps mild boys of rock, DURAN DURAN.

Just when you thought it was safe to go back in the music office again, you'll find three more superstar releases coming out of Santa's pack. Foreigner will once again find a home in heavy rotation with "I Want To Know What Love Is". FMOB's Kevin Gunn knows music almost as well as he knows hockey and his assessment of the record is, "The track is as different for Foreigner as 'Jump' was for Van Halen, and the quality is as good. It's a melodic, soft ballad and builds throughout via synthesizers. It will be as successful as 'Waiting For A Girl Like You'. It gleams! And wait till ya hear the choir at the end!"...You've got the 12" this week--expect the Bob Dylan "Real Live" Lp around the same time the New Year kicks in. Eight of the ten tracks have never appeared on any live album before and feature Bob's all-star-band consisting of Mick Taylor, Ian McLagen and Carlos Santana. The Lp was recorded during the Summer of '84 European tour during the last three shows in London, Newcastle and Dublin...1984 did not (we hope) signify the end of the world, so we can look forward to "2010", the movie, and of course, the Soundtrack too. The 12" title track performed by Andy Summers, reworks the original movie's theme song (remember the "2001" theme from Deodato?) and throws in his masterful guitarwork to make it the version of the future!

# Record Action

THANKSGIVING REPORT DEADLINE: MONDAY (11-19) 10AM-5PM, TUESDAY (11-20) 10AM-7PM, NO REPORTS WEDNESDAY.

JUDY LIBOW, ATLANTIC (212-484-6062): "On your desk Wednesday, November 21st--the stunning new single/promotional 12" from Foreigner entitled 'I Want To Know What Love Is'. Let's all give thanks..."

MARKO BABINEAU, GEFEN (1-213-278-9010): "'How To Build A Perfect Beast'. Ingredients: A Don Henley album, a turntable, a steady hand, and a massive musical mind. What I am saying is that even a nitwit can hear this one! Let's start from the top: 'All She Wants To Do Is Dance', is 'Dirty Laundry' Part 2, and an instant radio song. For you earthdogs who like straight ahead, bang it out, rock your socks off, 'A Man With A Mission' is our get-down smoker. Other faves: 'You Can't Make Love', 'Not Enough Love In The World', 'Drivin' With My Eyes Closed', and of course, the title track 'Building The Perfect Beast'. We even have the perfect country song entitled 'You Must Not Be Drinking Enough'. You've noticed, we saved the best for last. If you ever come to L.A., and you want to dine at the best cuisine center, then you must make a pit stop at the Sunset Grill, especially if you want to get Don's autograph! The lyric content blows me away and I know it'll affect you the same way...One other record I must scream about is the continued success of Sammy Hagar's 'VOA'. Two weeks out, over 40 stations deep, we're shooting the works on this track. If you've seen the live show, then you know that has Sammy hang about four feet from the ceiling. He breaks into a chant that you can't help thinking about as you leave the show. He says, 'VOA!' Don't miss this rocker! This song is the essence of Sammy Hagar. Forty-five other programmers can't be wrong...By the way, I had a very warm and wonderful time at the CMJ marathon. Thank you very much to all the sports who were on my AOR panel. Thanks for helping out one surprised moderator. P.S.: Brother Bill: Hope you feel better...And a very special Happy Birthday goes out to the Red Rocker's Boss, Mr. Ed Leffler (AKA E. L. Maniac)!"

DAVID FLEISCHMAN, ATLANTIC (1-212-484-6017):

"Tis a few days before turkey day and all thru Atlantic the pace was quite busy, you might even say frantic the Drippers are cookin and Julian is too not to mention the buzz and sales on U2 Frankie's In Hollywood, Parr's on the charts and Twisted Sister keeps winning our hearts Ratt is still selling, AC/DC's in gear and Big In Japan will be big over here Airrace and Blackfoot are also in line and Fiona is singing that 'Love Makes You Blind' Zebra does 'Bears', and soon 'Lullaby' as Atlantic keeps pumping the hits, and that's no lie 84's been terrific, and you're part of the reason Atlantic says 'thanks' and wishes you a Happy Holiday Season!

PAUL YESKEL, ARISTA (1-212-489-7400): "Oh, what a dilemma! I'm sitting here trying to decide which cuts to highlight from the new Kinks album 'Word Of Mouth'. The problem is that it's impossible to limit this album to just a few key songs. This record is so damn good that I have to recommend the whole thing! After all, when you're h-o-t, you're h-o-t, and the Kinks are on fire!...Our Love and push for Krokus will certainly never die. Every week we show more growth, and more strength in market after market. Most of you have listened and reacted. The rest of you will have to find out the hard way. Krokus' MTV Thanksgiving Special takes place this Saturday, November 24th and will include the world premiere of the 'Our Love' video...Well, your grace, time is over. Top 40 gets Billy Ocean's 'Loverboy' this week. To the stations that will eventually be forced on it, we're saving up our 'I told you so's'...The buzz continues to build each week for 'The Gap' from the Thompson Twins. If the Top 40 in your market is playing it, you should pay close attention to your research because initial reaction is very strong and we may be on the verge of something big...There's some great new albums out besides the obvious like Bryan Adams. I'm in love with the Frankie Goes To Hollywood album. That band has a future and a half!...I've also been getting into the Waterboys. Go back and re-listen to this record...Finally, welcome aboard to John Mrvos. I'm sure we'll all feel his input in the coming year!"

AL CAFARO, A&M (212-826-0477): "There is a question as to whether 'It's Only Love' will ever be a single, so it is now the sole possession of album radio. Bryan's single is all over CHR radio. Take advantage of 'It's Only Love'. Bang it...As Tommy Shaw hits the road with The Kinks, we are working another cut. Is it 'Fading Away' or 'Come In And Explain'? Give each a listen please. Keep in mind the next single will be 'Lonely School'...Roger Hodgson has moved into h-o-t rotation and stayed there! Requests for the most part are strong. It has taken some time to establish Roger's identity with the consumer, but with your efforts introducing and backselling the record and our well-placed time buys, we are starting to see a nice re-order pattern. The video jumped 12-10 this week on MTV's 'Video Countdown'...General Public sold 38,000 records last week. Yes, that is a lot of records. They are touring, selling out and getting rave reviews. 'Tenderness' is happening CHR. This band is breaking...Those of you who had success with 'Desert Moon' might want to dig in to 'Don't Wait For Heroes'. 'Desert Moon' was a Top 10 single in Billboard and 'Hero' is next. If you play those pop hits, be there now on 'Hero'...UB40 is quietly getting added to major market stations. It's selling very well and will continue to do so throughout the holidays. It looks as though UB40 will perform on MTV's New Year's Eve broadcast. This is a great shot for them. It could surprise you...We have a special limited edition for radio airplay only titled 'East Memphis Music, The Hits From The Stax Era'. It is filled with classics. It features Otis Redding, Al Green, Sam & Dave, Aretha, Eddie Floyd, Wilson Pickett, and many others. Contact your local A&M rep if you're interested. It's a gem...In February you will have the new Supertramp album. A little birdie just told me that David Gilmour is doing the guitars. Now that's incredible!"

MICHAEL PRINCE/THE FAT MAN (ON THE ROAD--THANK GOD), ATCO (212-484-6400): "Was that really Michael Piccozzi looking simply marvelous, just marvelous, in Philly last week? What a party! DiDi is still missing...As for music, Airrace is starting to sell and getting phones where played. So, if you're not, please give this one another listen...In the 'out-this-week' department: Whitesnake, 'Live In The Heart Of The City'. Coverdale at his best. Since you did, thanks for reading!"

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "Bob Dylan real live! Featuring Mick Taylor, Ian McLagen and even Carlos Santana on a track. The Lp was just recently recorded in Europe from one of the most successful tours of the year featuring Bob and Carlos Santana. 'Highway 61' rips and is reminiscent of the Rolling Stones. Even Taylor's guitar has that old Stones flavor to it. Destined to be big--the twelve inch on your desk this week...Eurogliders keeps building. A lot of stations go to medium and some major notables into heavy this week!...If you're not hip to the Phil Bailey/Phil Collins 'Easy Lover', find the Lp or the 12" fast. Forty stations rolled this week and CHR is blowing it out--this will be major...Plus, a very good start on the Red Rockers 'Blood From A Stone'. Reports have it that Bruce recently checked out one of their shows, dug it and stayed after to hang out with the guys. Hey, that's credibility!...And how about this Toto record?! Jeez Louise this baby is H-O-T!... 'Not Such A Bad Boy' is the next track to emerge from McCartney and check out 'Foolish Heart' from major crooner Steve Perry. This could be his biggest yet!"

## RECORD ACTION CONTINUED

- BOB CATANIA, ISLAND (212-477-7159):** "Tour power from Island: U2 is selling-out their December dates in an average of 30 minutes or less; Frankie Goes To Hollywood will sell-out all the dates on their debut American tour; and now add Motorhead to that list as ticket demand is huge for their just announced dates. The message here is clear: Not only do these acts perform on-the-radio, but their appeal is also street level in that they can put people into the concert hall. These days that's a rare combination...Frankie live is just as magnificent as recorded Frankie. They reproduce the incredible Trevor Horn production on stage with an unbelievable energy level that puts most veteran bands to shame. If you can get tickets, don't miss it. Meantime, 'Two Tribes' continues to tear up the charts with big request action and the album will be gold as you read this. Not bad for a debut album, and a double one to boot. Platinum plus bound!...'Wire' from U2 is already a proven album rock smash at over 50 stations. Now that you have the 12", there's no need to wait any longer to program their next hit...'Killed By Death' is rapidly emerging as the sleeper track off Motorhead's 'No Remorse' album. Major adds include WLLZ, KISS, WBCN, KQAK, WAAF, and others. Their huge sales base and this more commercial sounding track make 'Killed By Death' a great album rock natural. Look for the leather jacket albums in the stores soon...The Waterboys are getting rave reviews in England in support of U2. Now catch them here as they open U2's sold-out December dates!"
- ANDY ALLEN, RCA (212-930-4518):** "White Wolf was born in Toronto in 1975, when founding member/group leader Les Schwartz combined talents with Toronto-born drummer Loris Bolzon and lead singer/keyboardist Don Wilk. The band played Ontario's bar circuit for more than six years as Farmer and later as Slamm before moving en masse to Edmonton in 1981. Guitarist/vocalist Cam MacLeod (known for his work with Andromeda and MacLeod) and Rick Nelson (guitar) joined shortly after, and the group changed its name to Warrior. The years 1981 through 1983 saw Warrior build a strong following and emerge as Western Canada's premier heavy rock band. Excitement generated by such overseas publications as Kerrang also piqued international interest in the group. The tempo accelerated when Warrior masters were shopped at Midem, the international music convention in Cannes, France. Efforts at Midem produced solid offers from six European labels (Heavy Metal, Music For Nations, etc.) interested in signing the band. RCA Canada, meanwhile, which had been watching Warrior with great interest, introduced the master tapes to its American, British, and Australian counterparts in July, 1984. Although Warrior changed its name to White Wolf shortly after signing with RCA, the band has not deviated from its original musical direction. 'Standing Alone' is metal music, no doubt, but just this side of bone crunching, characterized by strong melody lines, powerful vocals and guitar solos. The album was recorded at Thunder Road Studios, with co-producers Jack Richardson (Alice Cooper, Bob Seger) and Danny Lowe (Hammersmith, Prototype, Painter) at the controls. White Wolf has produced an album that will leave you howling for more."
- JON SCOTT, MUSICVISION (818-906-1995):** "Little did we know that when we invited Charlie Prevost as a guest on our radio show on KCSN here in Los Angeles that we would be the first station in America to play 'Relax' by Frankie Goes To Hollywood. Many thanks to Charlie for turning us on to it and congratulations to the KCSN staff for continuing to play Frankie. A gut instinct (archaic, I know) told us to keep playing it even though a lot of radio stations tried to ignore this band. Now 'Two Tribes' has established Frankie and we predict 'Relax' will now be a #1 smash...Since it's Thanksgiving, we all have a lot to be thankful for, especially for the gut feeling that the good Lord has given us. Too many people out there are losing it, not using it. Let's be thankful we're in this great music business together."
- BENNETT KAUFMAN, GOLD MOUNTAIN (213-469-2411):** "I had the pleasure of seeing Bruce Cockburn last weekend. Without a doubt it was one of the most enjoyable shows I've ever seen. 'Rocket Launcher' really set the tempo and, when they went into 'Lovers', that brought the sold-out crowd to their dancing feet. Adds this week on 'Rocket Launcher' include: DC101, KLBK, KNCR, and WLAV. This record is still climbing. Listen to 'Rocket Launcher' in the context of other songs you're currently playing, and hear how well it fits in! No question, it works!...New adds this week for the Textones include: KAZY, WLAV, and CHEZ-FM. The band is set to start a U.S. tour in 2 weeks. The video for 'Standing In The Line' is coming soon. Many thanks to: Dick Merkle, Scott Jameson, Zak Phillips, John Hayes, Alan White, Doug Clifton, John Bradley, Tom Carey, and the all-nighter Lynn Wells."
- DEBBY APPELBAUM, HOT TRAX PROMOTIONS (609-424-8588):** "Well, 'The Boys Of Summer' may be gone, but those Bad Boys of Rock N' Roll are alive and rockin' in Ocean City, MD. Yes, I had the rare honor of visiting Glenn Stewart and Richard Remsberg and, believe me, everything they say about those guys is true--and worse! Thank you guys for a truly wonderful time. You've proven to me that a seashore town can be a blast even in November...To Richard: I think 96-Rock kneepads would be a great follow-up to 96-Rock panties, don't you?! ...To Glenn: Pure Luck won you that Trivial Pursuit game--certainly not your knowledge of French. I want a rematch before 1985!"
- LINDA KIRISHJIAN, COLUMBIA (212-975-1701):** "I'm so excited! We didn't even have to stress to you what a great song the Philip Bailey/Phil Collins is. We got over 40 adds out-of-the-box! 'Easy Lover' is destined for multi-formatted-ness!...Steve Perry's 'Foolish Heart' is almost a Top 40 breaker. This song is the ultimate song from the album. Play it again for your listeners...The Eurogliders are racing up Mr. Bill's Charts in the height of competitive product...It's time to break another act here at Columbia! Bruce's 'Born In The USA' is the hottest song on-the-radio. CHR is giving it more attention than ever! Guess who played it first and will still push it to the forefront?...By the way, Kevin the Gunn wanted me to tell you what I said to him at the New Music Awards in New York City last Friday. And I quote (me): 'I'll tell you, this Eurogliders' record is one record that album radio introduced to the American public. It's one of those records that CHR had to recognize because album radio played it first and proved it's a h-i-t!...I hear from little birds at radio that second tracks are beginning to emerge from McCartney and Toto's Lp. They are 'Not Such A Bad Boy' and 'Angel' (respectively)...Out this week: Bob Dylan--a very special 12" of 'live' 'Highway 61 Revisited', from the electrifying tour of Europe with Carlos Santana, the 'Easy Lover' 12"--too late, it's already out-of-the-box, Romeo Void--two smashing new versions of 'Say No' and soon to be out, the already on-the-air 'Careless Whisper' by WHAM! featuring George Michael...Don't miss the Bangles on David Letterman this November 23rd...Congrats to the Psychedelic Furs for finishing their world tour this week. We'll celebrate at Cafe Seiyoken!...And to Dave and Evelyn Remedi on the birth of Laura Anne!...We love you!"
- DEDE WHITESIDE, I.R.S. (Idiots Rescuing Stubbs) (415-549-2500):** "C.B. Stubblefield goes by the name Stubb, short for Stubbs, which was the name of the bar-b-que place he ran in Lubbock for 15 years. On Sundays this West Texas hot spot would come alive with smoked ribs, smokin', cool and sizzlin' music. His friends, including Joe Ely, Muddy Waters, George Thorogood, and Stevie Ray Vaughan, would eat and party for free if they were broke. But last March, Stubbs went broke himself. The I.R.S. hit deep with a lien for \$50,000 that shut the doors on the world's best and most fun bar-b-que. Two weeks ago, the Driskell Hotel and the Austin Opera House became hosts to an effort by Mr. Stubbs' friends to get those antsy I.R.S. revenuers off his back. The art auction at the Driskell raised enough alone to settle the debt with the I.R.S., and restart Stubbs bar-b-que business. The I.R.S. picnic and concert not only fed 1200 people the best hot spicy pork back in Texas, but left folks spinning through the night to the Maine Brothers, Terry Allan, and the ever-incredible, one-and-only, Joe Ely. My special thanks to the governor of Texas, Mark White, who issued an official memorandum for the cause, and to all of Stubbs' friends for making C.B. Stubblefield a free man and a future guaranteed to be filled with bar-b-ques...Fantasy news: If any of you AOR folks out there have jazz shows, and aren't getting service, call me and I'll put you on the list... Upcoming releases include L. Subramaniam, and Stephen Grappelli, Red Garland, with Ron Carter and Kenny Burrell, and Art Pepper Quartet, also Duke Ellington and his orchestra recorded in 1962 and never released, and by December 1st another 30 original jazz classics."

## RECORD ACTION CONTINUED

28

STEVE LEEDS, LE FRAK (212-586-3600): "It's quite frustrating to see album radio abandon one of the few pure rock and rollers. But I suppose nobody really cares about absolutes anymore. We're all so concerned with immediate gratification, e.g. \$, that even jive hybrids can make the big time in this era of disposable entertainment. Create nothing and look for the quick fix. The electronic media has always been now oriented. It's always been the press who've looked beyond. The core audience continues to erode while radio fiddles trying to find itself. CHR radio today has 'I Love You Love', the first single release in 1984 from Joan Jett And The Blackhearts. I suppose you want to wait for one of your competitors to play it first. Okay, but once again, the thunder will be stolen from album radio...Seen crusin' thru the Big Apple! It was nice to see: Mike Harrison, Bruce 'Thumbs' Bond, Amanda Tepper, and David Einstein...Call Danny Buch about the new radio format for 1985 - P.A.R."

RICH SCHMIDT, RHINO (213-450-6323): "'The Homecoming Queen' is blowing away the phones without a gun. Julie Brown adds KBPI, KWFM, WDIZ, KZEL, WAPL plus others. This is not a marginal record. It means instant phones, instant reaction...Congratulations to Mad Max at 91X for his move into the P.D. chair. Hey, Max, are you still sore at me?...With only a few priority records coming from other labels, isn't it time to give Rhino a shot...Good speaking with Jon Sinton at the B/A office and thanks for the recommendation. ...Question: What does it take to get The Roz on the phone? Winners to receive any five records from the Rhino collection."

JAY HART, ELEKTRA/CHICAGO (312-595-6000): "New life at Elektra, getting elektrafied in Elektraland. Greetings from the record company with that funny looking new logo (what is that, a pig's tail?). Current projects include, obviously, the Cars 'Hello Again' - one of the fastest breaking from 'Heartbeat City'...Timothy B. Schmit 'Playing It Cool' (nice album cover, Tim) is proving itself, amid a few radio doubts, to be a record that will be there if given that rotation commitment. Ask WRIF and a number of others who just moved it to heavy...You're right, the Adressi Brothers and Johnny Rivers did have songs entitled 'Slow Dancing' but so does Lindsey Buckingham. It's a great mid-tempo record that's a perfect follow-up to 'Go Insane'. Check it out...This week we'll also be knockin' for Dokken and the new 12" entitled 'Just Got Lucky'. Dokken and Dio are currently getting lucky on the road...You'll also be receiving a new 12" from Belfegore entitled 'All That I Wanted'...Enough of the tender love songs, how 'bout Metallica, currently selling at your favorite headbanger location. Metallica is now on Elektra and about to melt down your airwaves. Check out 'For Whom The Bells Toll'...Had the opportunity to see The Cure's excellent show in Chicago last week. Where did all those fans come from? The timing looks right for these guys...Elektra's Xavion is out with Hall And Oates on the 'Big Bam Boom' tour. G.E. Smith - whew! Too much!...Happy birthday to 'Sweetmeat' and all the KSHE staff on their 17th birthday. Happy Thanksgiving, too."

JAY McDANIEL, MCA (404-447-6405): "The long awaited and highly acclaimed Triumph Lp has arrived! 'Thunder Seven' has made its debut and immediate reaction to the cut 'Spellbound', to all who have heard it, proves this record will be on everywhere...Giuffria's single 'Call To The Heart' and the Giuffria Lp have both broken through big. I can't say enough about the tremendous radio reaction on both AOR and CHR. Giuffria is a smash!...Our Fixx single 'Sunshine In The Shade' continues to see major AOR airplay as the single explodes at CHR. The audience awareness of The Fixx is hot and so is 'Sunshine In The Shade'...Planet P and 'Pink World', the double concept Lp with a real message to the world, continues to gain new believers. The lead tracks, 'Behind The Barrier' and 'What I See', along with a hot video coming, will explode this Lp ...This week we are releasing the Joan Jett And The Blackheart single 'I Love You Love Me Love' from the retail active Lp, 'Glorious Results Of A Misspent Youth'. Many AOR programmers are getting a great reaction to the cut 'New Orleans' also...Stone Fury and 'Break Down The Walls' has kicked in each week with more major stations. We are seeing an immediate sell through at retail and a retail request active record developing...A special 12" of the cut 'Gratitude' re-mixed from our just released Danny Elfman Lp is being rush released...The Bronski Beat will be out soon, but has been temporarily delayed. Bronski will be huge."

**VIDEO NEWS**

ANNIE LENNOX and DAVE STEWART of Eurythmics have just gone on their  
 first vacation in over two years, but the hard-working duo didn't leave  
 until they had finished a couple of videos from "1984," their sound-  
 track album to the film of the same name. The first video, 'Sexcrimes,'  
 was filmed on location in Dublin and South London, and for the first  
 time we'll get to see Annie Lennox play guitar. The second video is  
 for the song "Julia"...New songs by MADONNA and JOURNEY will be part of  
 the soundtrack for the movie, "Visionquest." The film's theme song  
 will be released at the end of January as a video. It's a new song by  
 Journey called, "Only The Young." Madonna is also contributing two new  
 songs, "Gambler" and "Crazy For You." Madonna performs these in the  
 movie as well - it's her first screen role. The album is due out  
 February 11th while the film opens a month later. Also included in the  
 film are songs by John Waite, and the Style Council...So you wanna be a  
 rock 'n roll star? Well, film producer ALAN LIVINGSTON is looking for  
 a young male actor to play a nerdy high school student - who becomes a  
 rock superstar. The film is entitled, "Ronnie Finkelhof, Superstar,"  
 and Livingston describes it as a fairy tale come true. Interested  
 actors should contact Livingston at: 141 El Camino Dr., Beverly Hills,  
 California 90210.

PAUL McCARTNEY: "I think of myself just as me...I don't have to analyze  
 me like you guys do. It's not my job. I can just be. And so I don't  
 go around thinking 'Good morning, ex-Beatle'...but I definitely was in  
 The Beatles and they were a great group, so it doesn't bug me at all.  
 But I just get on with things. I don't go around analyzing it."

"Sam Peckinpah has completed two videos for Julian Lennon. One is for 'Valotte,' and the other is for 'Too Late For Goodbyes.' Both are described as being 'of classic simplicity.' Peckinpah also plans to work on an hour-long special on Lennon's burgeoning career...ABC uses animation by Alan Best in their video for 'How To Be A Millionaire'...John Taylor is working on a 'surrealistic' video for Duran Duran's 'The Wild Boys'...There are rumors in the U.K. that Renault paid a handsome sum to have a Renault 5 car featured heavily in Bonnie Tyler's video for 'Here She Comes.' The French-made car is seen in shots including the Tower Bridge. Britain's Independent Broadcasting Authority has a rule against videos that include advertising."

G.E. SMITH, WHIZ GUITARIST CURRENTLY OUT ON THE ROAD with Daryl Hall and John Oates on a 95 city tour, has been a very busy man. Before departing with Hall & Oates, Smith lent his talents to Carly Simon by co-producing the first single off her new Lp called "Tired Of Being Blond". Carly's album is due in February of '85. Smith was also part of the group of musicians to help out head Stone Mick Jagger on his upcoming solo album due any day now. AS WE REPORTED, MEATLOAF has been searching for a new drummer to replace Wells Kelly, who died in Northern London two weeks ago. Apparently The Loaf has found a replacement, who by coincidence is named Andy Wells. The new drummer is from a local London band called The Pencils and is 25 years old. Meatloaf and the new line-up are currently on a 35 city tour of Britain.

\*\*\*\*\*

NRBQ, WHO HAVE JUST RETURNED from a successful European tour, are scheduled to appear in George Romero's "Day Of The Dead". This movie is another in the series of horror movies following "The Night Of The Living Dead" and "Dawn Of The Dead". The band will portray zombies in the motion picture currently being shot somewhere in Pennsylvania. The band has no complaints. Aside from being in their first major motion picture, they get paid well - \$1.00 plus lunch. Look for the film in the new year.

\*\*\*\*\*

PHILIP NORMAN, THE AUTHOR of the definitive Beatles biography "Shout! The Beatles In Their Generation", has just released a book about another popular British band The Rolling Stones. This book, titled "Sympathy For The Devil - The Rolling Stones Story", published by Simon & Schuster, is another terrific book. There are many books out on the market now dealing with "The World's Greatest Rock 'n Roll Band", but we must say this is one of the most informative and well written of them all. Keep an eye out for it, it makes a great stocking stuffer.

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets, as defined by Arbitron.
