### Hard Choices

**MOTELS, "SHAME", CAPITOL...** They may check out for months at a time, but when they come back in this kind of fine style, you know they can never leave. If you can't groove to this haunting melody draped in their signature style, shame on you!

**X, "BURNING HOUSE OF LOVE", ELEKTRA...** I have a somewhat fuzzy memory of maybe picking an X tune back in their media darling heyday, and considering the fate of that choice, find myself surprised at another front red shot. But, hey, aren't you also surprised at how melodic and commercial this one is? In fact, few new songs this week sound as good.

**CHEAP TRICK, "TONIGHT IT'S YOU", EPIC...** Speaking of comebacks, these guys have been on the verge a few times—only to pull the disappearing act after a few weeks. Well, tricksters, this time it's for real. "Tonight" offers a singalong hook big enough to drive a record store thru with personality and dynamics to spare.

**TIP: URGENT, "RUNNING BACK", MANHATTAN...** There's always room for well-executed pop, and this streamlined beauty fits just fine. Sure, it's formula in the first degree, but in the end that no fault vocal, guitar and arrangement do the job. Already on WERN, WQMF, WRAS and WHTG.

### Chain Reaction

**BILLY JOEL, "YOU'RE ONLY HUMAN", COL...** Bill takes advantage of the holiday week's light traffic, finishing #1 Most Added with 33 reports for a #51 Song debut...WCPZ's Kevin Young comments, "Billy can't miss these days. We added the 12' out-of-the-box and the phones are already ringing. Great upper demo fodder and an easy hit with the teens"...WDHA's Mark Chernoff predicts "a top ten hit"...WYDD's Dave Shedock sez "quirky but good"...KESI's Bob Linden cites the "very appealing melody"...And WJCL's Mark Miller hears a "nice, happy tune."

**Y&T, "SUMMERTIME GIRLS" 12", ARM...** The best week yet brings in another 23—as 54 on and ups from KMDD, KROR, KLPX, WRQX, and WEXX fire up a 57-41 Song Index underline, and Back Page Primers 50-39 for the #1 National move; 50-41 Metro...The comments to date say it all—this is their best work to date, perfectly timed for top down cruising—so take advantage!

**JEFF BECK, "GETS US ALL IN THE END", EPIC...** Across-the-board bullets—the lp gains 7-4 National/8-4 Metro, with "People Get Ready" underlined 8-4, and "Gets Us All In The End" underlined 85-49 on the Index...It's new on 19, now on 36...WMOH's Mike Boyle comments, "Jimmy Hall's vocals really stand out and that's hard to do with the great guitar work of Jeff Beck"...WCMF's Dave Kane adds, "I'm so glad that Jeff didn't put out another 'Fusion' album. This new album is so hot it sweats on the turntable. If this record were any more urban, it would be a major city in itself"...From Tim Drayer, WHTF, "Someone told Beck to jam and play rock and roll guitar again, and he listened."

**LOVE JUSTICE, "SWEET SWEET BABY", GEPHEN...** Again to Ted Edwards, who sez, "Remix or not, this is a SOTTO song, and the band's hotter than a pistol"...The 12" locks a sweet 16 adds, with 28 now playing, as the lp rebounds 49-47, and the 12" Primers 99-67, the third largest Index jump...Checklist builders include WJCH, WKJY, KOB, WYSP, WLVO and WPLR.

**GODLEY AND CREME, "CRY", POLYGRAM...** They're #2 Most Added with 25, as 35 current reports put "Cry" on the Song Index at #53... We ran it past the experts on this week's Checklist "instant capsule review" segment, and it scored 4 stars at 16 stations, with comments like this: Bob "haunting, mesmerizing" Walton, WRDU; Lee "excellent--home run" Roberts, KIGI; Larry "TE's a mother" Sharp, KZOK; Greg "could be the next 'Rule'" Gillispie, WQVE; Alan "smash" White, KILQ; Lex "very refreshing" Staley, WFVY; Bill "tremendous" Evans, WLUP; Anita "Eric kicks ass" Wright, KXZL; Neal "beautifully lush" Minsky, WPLR; and David "mystifying" Grossman, WCCC...In short, expect huge AC, CHR and AOR activity.

**JOHN CAFFERTY/BEAVER BROWN, "C I T Y", SCOTTI BROS/EPIC...** We still say you guys should have kicked in on this obvious killer weeks ago—nonetheless, it is filling in quickly—new on 23, now on 48, with ups from WCCC, KZOK, WKQO, KLPX and KXZL...Holdouts should be advised to take a hint from the 61-35, #4 Song Primer jump.

**TINA TURNER, "WE DON'T NEED ANOTHER HERO", CAPITOL...** The ballad scores the week's fourth largest gain in total points with an 87-46, the week's biggest Prime move, with 17 adds, 34 on, and ups from KAZY, WPLR, and WBRU...WKQO's Bob Ellis sez, "The hottest lady in rock and roll has another winner from the soundtrack. 'Hero' is a can't miss—almost everybody's interested in what she's doing musically."

**MOTLEY CRUE, "SMOKIN' IN THE BOYS ROOM", ELEKTRA...** They improve on last week's torrid Most Requested debut with an equally awesome 5-3 move—as 16 adds, 75 now playing, and 11 ups (WLKZ, WCCC, KATT, KZEN, WKJY, KISS, KLPX, KZEN) move the single 35-27, and the lp 36-29/41-31 Metro...KEZO's Joe Blood screams, "Two words say it in the local request/retail arena—Motley Crue. 'Smokin' is #1 phones by a landslide, and the lp debuts at #1 sales this week"...Ted Edwards, KOB, adds, "You can't get much hotter than the Crue in Southern California. Debut #4 sales"... With 800,000 units out the door in the first week, better think more than just the single.

# Chain Reaction

**JOHN PARR, "ST. ELMO'S FIRE", ATLANTIC...** The soundtrack and John's single lead the pack in terms of increased airplay points this week, and Parr's 22 play increases also top that department. The LP bufiles 20-10/20-11 Metro, with "St. Elmo's Fire" up 17-11, with 22 max mentions...One third of this week's Checklist stations rated the phones "excellent" as evidenced by the #12 Most Requested debut.

**R.E.M., "CAN'T GET THERE FROM HERE", IRS/MCA...** KFMO's Matt Effken warns, "For any R.E.M. non-believers, we're getting results in Lincoln. This is our #3 retail LP with #1 requests"...KBCO's Doug Clifton echoes, "R.E.M. had a strong retail debut, coming in at #4. Still strong phones for 'Can't Get There'"...Based on the 13-9 Most Requested move, calls appear to be up all over the place, man. "Can't Get There" adds 10 for 79 total, upped on WPLR and KLPX, for triple underlined: 32-28 Nationally, 37-34 Metro, and a 34-30 Song Primer.

## SIGNIFICANT SONGS

**PHIL COLLINS, "DON'T LOSE MY NUMBER", ATLANTIC...** Obviously the happening current track with 17 adds, ups at WLUP, KSHE, KILQ and WHJF, and a Song Index re-entry at #44. The LP reflects 11-9, 7-6 Metro.

**STING, "FORTRESS AROUND YOUR HEART", A&M...** The single dips to #2 (big deal!), as the #2 track bufiles 22-25 with 21 new, 70 now playing and 7 ups (WQVE, WCMF, KFMO, KLPX). Meanwhile, "Russians" is steady at 71, ditto "Shadows" at 80, while "Love Is The Seventh Wave" inches 83-77, and "We Work The Black Sea" enters at #91.

**HUEY LEWIS, "THE POWER OF LOVE" 12", CHRYSALIS...** Huey pulls into the #1 slot with 71 max mentions, #3 for play increases with 18, and a significant 12-6 Most Requested surge. We surveyed the field for phone response in this week's Checklist and found 49% rated the response "excellent"; 24% "good", 22% "fair" and only 5% "poor"...The verdict? Power plus!!

**DIRE STRAITS, "MONEY FOR NOTHING", WB...** It's now the #1 Most Requested Song on the radio, and airplay is right behind. "Money" charges 9-5, with 10 ups, only 2 down, and 45 max mentions. 95 adds to date. Should be saturation at this stage.

**PAT BENATAR, "INVINCIBLE", CHRYSALIS...** Airplay couldn't look better, as 4 adds, 106 now playing, and #2 for play increases with 20, moves the single 12-8. Top 5 requests include KILQ, WFBQ, WHJF, and WNCN, with the following phone breakdown courtesy of the Checklist: 22% said "excellent" calls, 39% reported "good" requests, 29% "fair" and 10% "poor"...Looks "good".

**COBEY HART, "NEVER SURRENDER", EMI...** The single hauls in another 7, as 95 now playing convert for the week's strongest LP debuts--at #20 National, #24 Metro, as "Surrender" gains 19-12, it lands the #5 upward movement with 15, and 28 max play. Here's the phone follow thru: 21% say "excellent", 40% list "good" phones; 31% peg it at "fair" status, and 7% say "poor"...We also found "Comrade Kiev" to be radio's next pick to click, as per the Choice.

**BRYAN ADAMS, "SUMMER OF '69" AND "DIANA" IMPORT. A&M...** With 35 weeks on the Back Page, Bryan's second only to Bruce when it comes to LP longevity. "Summer" smokes 20-13 Underlined, thanks to 20 max, 13 quality play hikes (WBBN, WCMF, WNEW, WKLS, WHJY, KISS, WLLZ, WTUE) and new air on KLOS, WPTX, WLAJ and WQVE, where Greg Gillispie gleams, "We first used '69' when the album came out and didn't get much response, but after seeing the show, this record's gonna be big and it goes back into rot"...Meanwhile, WNCN's Bob Bittens is "getting lots of calls for 'Diana'" with top 5 reports also coming from WTUE and WAQX and "4" or "5" play emphasis on WYMF, WQIZ, CILQ, KSRR, KORS, WMMR, WRIF, KMET, KLOL, WLLZ, WCMF, KATT, KOMA, and 6 more...Bang 'em both.

**BRYAN FERRY, "SLAVE TO LOVE", WB...** Out 7 weeks and still showing a solid build with WFBQ, KLOS, KFMO, WJRH and WJLP adding, as the count climbs to 91...KROQ, WLUP, WQIZ, WPLR, KZOK, KLPX and WHFS are among the 12 Checklist builders, with 17 maintaining and only 2 dropping. Building phones at WRXL, KICT, WEZZ, WAQX and WBRX; building sales at KZEE and CILQ, as "Slave" shores up a 29-22 Primer. With this kind of chart performance and Bryan's credibility, the time is now.

**BLISS BALLARD, "THE FIRE STILL BURNS", EMI...** The king of rock writing royalties chalks up the week's second highest LP debut at #26, as "Fire" ignites its fifth consecutive Song primer, scorching 54-36-26-24-17. New on 5 (WLUP, WFBQ, WCMF, KBLE, KFMO) now on 102 with KLOL, KSHE, KYYS, WRIF, KOMA, WPLR, WTUE and WAQX increasing play, and WQFM, WLAJ, KLOL and KLPX reporting power play. In our rate-the-phones jury, we found 12 stations listing "good" phones and 21 "fair". Now, one up the crosstown crew with the LP's excellent "Bernadette" or "Rebel".

**GEORGE THORNGOOD/DESTROYERS, "HAND JIVE", EMI...** Another long haul performer continues to move through traffic with ease. The album improved 27-24/26-25, as "Jive" jams 30-24 Primer, a function of ups on KZOK, KISS, WTUE, KFMO and WMMR...Better than average spins on 24, and a 72 now-playing station roster. More quality adds as WNEW, WHJY, KISW, KLOS, KLBJ and WLLZ cash in on the LP's first single.

**EURHYTHMICS, "BALL AND CHAIN", RCA...** You gotta be impressed by the quality calls roll call: KYYS, KZAP, KLOL, WNEW, KLBJ, WJOT, WCMF, KATT, WHFS, WHJY, KFMO, KSRR, KZOK, KILQ, WLIR and WPLR--36 total now joined by WRKI, WRCN, WAQX, WBLM and 4 more. Or how 'bout 9 Checklist builders (KLBJ, KLPX, KZOK, WJOT, WTUE, KZAP, WPLR) with 15 maintaining, 9 considering and only one dropping. KSHE and KATT report improved phones, sales are up at WRCN, WBLM and WQAL while WQOQ noted building phones and sales, as "Chain" chugs 42-30. It's one of the LP's best rockers and it's all yours.

**BON JOVI, "IN AND OUT OF LOVE", POLYGRAM...** The fact that this album has already outsold the debut on significantly less airplay, should tell you something about Jon's street appeal. Take it from WYSP's Mark Didia, "Turning away a crowd of over 3000 fans at a WYSP free concert, Bon Jovi performed a blistering raucous set of sonic fury, so hot that it surpassed the 7800 degrees Fahrenheit mark, the point where rock melts! Last year Bon Jovi was sensational opening for Scorpions across America, but this year he owns the stage"... "In And Out" is in and on at WQVE, KMET, KORS, WSKS, WEZZ, WPLR for 46 to date, knocking down double primers, 45-37 Songs, 31-30 Metro...increasing on KSHE, KGB, WTPA and WTUE, with "4" or "5" emphasis play at WMMR, KSRR, WCCC, KSHE, WYSP, WLAJ, KLPX, KMET, KORS, WHJY, and WTUE...We Checklisted and found 9 building, 16 maintaining and 7 considering with WKDF building phones, WTPA building sales, and WHJY, WYSP and KXZL building phones and sales.

**HOWARD JONES, "LIFE IN ONE DAY", ELEKTRA...** We agree with WLIR's Larry "The Duck" Quinn: "He's here to stay and I congratulate him on his success"...Ho Jo reels in 9 more including WLUP, WNEW, WENE, WTRA, WRKI, KFMO and WTUE as the count climbs to 57. Max on WLAJ, WLIR and CFNY, now a major item up and down the dial.

**AC/DC, "DANGER", ATLANTIC...** Although the checklist indicated "Sink The Pink" and "Shake Your Foundations" had real potential, the leadoff 12" continues to ice the action...It's new on B for 16 to 2 weeks, underlined 60-42--plus, there's increased play at WRIF, WQAL and KXZL, with no decreases...The phone jury rates audience follow-thru like this: "excellent" 28%, "good" 34%, "fair" 19%, "poor" 19%.

# COCK ROBIN!

## The story continues . . .

**KMET, Music Director, Pam Edwards:** "Cock Robin's 'When Your Heart Is Weak' has just found its niche on KMET. We're pleased to be exposing a hometown band especially one whose lyrics are so solid! Sky Daniels is convinced this is top 10 material."

**KBPI, Music Director, Lynn Wells:** "We've been watching and listening to the Cock Robin album for a few weeks and now the time is right for 'When Your Heart Is Weak'. Its subtle hook and melodic beat will earn it instant female acceptance."

**KZEW, Redbeard:** "You want instant adult female phones? Just slide Cock Robin on in your middays! Its got the biggest bass line hook since Billy Ocean's 'Carribean Queen' plus it's fun to say that word on the radio!"

# Chain Reaction

- TALKING HEADS, "AND SHE WAS", SIRE/WB... At least covering yourself on the single is the smart move--but for those who think it a bit, shall we say, unconventional--"And She Was" is the way to go--it's new on 9, now on 34, and increased at WRCN, KILO, KRQR and KLPX, with a neat 63-47 Underline...Meanwhile, back at the "Road", 91 are on, WRXL, KFMQ, WBRU, WMGM and WTUE upped, with 4 down and 45 steady...And it's still a top 10 request item.
- TAXXI, "STILL IN LOVE", MCA... The Lp charts at #49, thanks to new air on WRIF, KSHE, KSRR, KISS, and KLOS--obviously a quality add week, and with ups from WLLZ, KATT, WCMF, WRCN and KLPX, "Still In Love" charges 70-56...Other key calls:KQRS, KOME, WHJY, WYSP, WNEW, KMOD, WBAB, and WYNF.
- ELTON JOHN AND MILLIE JACKSON, "ACT OF WAR", GEEFEN... Sure, Elton's ballads almost always hit the mass appeal mark and you've usually gotta go thru changes deciding what to do with them. This time he makes it easy with a straight ahead, hard charging smoker, so put it to work. #7 Most Added with 14; debut #90.
- THE FIXX, "A LETTER TO BOTH SIDES", MCA... It's new on WMMR, KRQR, KOME, DC101, KLAQ, WHJY and 5 more...Factor in a play increase at KATT, and ongoing action at WQFM, WNOR, WFYV, KZEW, KLPX, WDHA, WBRU and more, and we've got a #75 Song debut.
- RATT, "YOU'RE IN LOVE", ATLANTIC... Track #2 debuts at #95, with ups on KSHE and WSKS, and current reports from KGB, WEBN, WQMF, WAQX, KISS, WKQQ, KXZL, WBAB and more...Meanwhile, "Lay It Down" gains 19-16, with ups from KYYS, WSKS, WPYX, KLAQ, WTPA, WDHA and WEZX, with 8 max mentions and 28 more at "4" emphasis, still #4 Most Requested...The Lp is steady at #21 Nationally/#19 Metro.
- HELIX, "DEEP CUTS THE KNIFE", CAPITOL... Moving well in the fast lane, "Knife" slides 28-23, with ups from WKLS, WKDF, KATT, WRCN, WTPA, WGIR, WTUE, WAQX, WHJY and WPDH, with 48 steady and only 1 down...Now max at KISW, KLOL, WQFM, WYSP, KSRR, KLPX, KISS and several more; and 16 more at "4" level rotation...New on WEBN, WCCC, WCMF and WQMF...The Lp builds 28-27, steady at 23 Metro.
- HEART, "IF LOOKS COULD KILL", CAPITOL... The national album numbers show an 8-6 Prime move and the Metro totals reflect 11-8...The single gains 10-8 Most Requested, repeating at #6 Airplay, with ups at KLOS, WLLZ, WIOT, KKCT, WBCN and KMOD and 56 max mentions..."If Looks Could Kill" comes in at #100, now on WQFM, WDKF, DC101, KLPX, WOUR, KLBJ, WRCN, and several more...The Checklist has phones "excellent" at 28% of those surveyed, "good" at 40%, "fair" at 26% and "poor" at 6%.
- 'TIL TUESDAY, "LOOKING OVER MY SHOULDER", EPIC... Busting out of the Northeast like "Voices" did, track two crunches 96-76 for the week's 5th biggest Prime move, and we expect major tonnage in the weeks ahead...David Grossman, WCCC calls it "Another multi-format hit", while across the street, Bob Bittens at WHCN admits, "It didn't take too much arm twistin' to get us on a second track. 'Voices' continues to be a major request item, and the album has been in the Top 20, sales-wise, going on 12 weeks"...New on 8 (KLBJ, WHCN, WQBK, KLPX, WCCC) now on 16, increasing on KBCO, WGIR and WBRU, max at WBCN, WKQQ and WQBK.
- ARETHA FRANKLIN, "FREEWAY OF LOVE", ARISTA... New air on WNEW, KZOK, KMYZ and 2 more, coupled with ups on WCCC, WYDD, WRXL, WBRU and WMGM take "Freeway" 67-64, with "4" or "5" play emphasis at 8 including KMET, KBCO and CFNY...Smash or trash? A majority of our Checklists vote "smash". Bob Walton, WRDU, "We've gauged favorable response to Aretha, enough response in the right demographics to warrant regular airplay"...Again to David Grossman, "Aretha's 'Who's Zoomin' Who', with contributions from Clarence Clemmons, Peter Wolf, Annie Lennox and Carlos Santana--this album is tailor-made for today's rock radio."
- COCK ROBIN, "WHEN YOUR HEART IS WEAK", COLUMBIA... The crosstown play should have your phones lighting up in about a minute, so follow the lead set by KMET, WBCN, WYNF, KGB, KSJO, WBAB, KMOD, WCCC, KBCO, WPLR, WRCN, WDHA, KBLE, WIMZ, KLAQ, KFMH, KZAM, WLAV, WMGM, WRDU, WPYX, and many more who've put this pop hit to work. Pam Edwards, KMET, is "pleased to be exposing a hometown band, especially one whose lyrics are so solid"...Sky Daniels is convinced this is "Top 10 material"... From Redbeard, KZEW, "You want instant adult female phones? Just slide Cock Robin on in your mid-days. It's got the biggest bass line hook since Billy Ocean's 'Caribbean Queen' plus it's fun to say that word on the radio"...Seven new put "Heart" on at #92, with 27 total. Based on the above, we urge the 27+ considering to take a closer look.
- SCORPIONS, "BIG CITY NIGHTS", POLYGRAM... If you didn't take full advantage of this track first time out, this absolutely live version offers another chance. KGB, KLOS, WEZX, KISS and KLPX increase play as KLOL, KXZL and 2 more climb in for a 13 station total. The Lp repeats at 33 National, 35 Metro, up 56-55 in Songs. Serious interest in "Hurricane" (KRQR, KSRR, DC101, WMMR, KZAP) and "No One Like You" (WNEW, KRQR, WWCT, KMOD, WLVQ, KZAP, WMMR).
- KIM MITCHELL, "ALL WE ARE", BRONZE/ATCO... Just out and already on 17 including KISW, WNEW, WYNF, WYSP, KLBJ, WPYX, KZEW, KXZL, WOUR and WCMF where Dave Kane urges, "Play 'All We Are'. You won't be sorry!" Kim primes 100-94 and thanks to the Good Morning America appearance and Bryan Adams' tour this M.A.D.D. man's profile has remained high.
- THE HOOTERS, "AND WE DANCED", COLUMBIA... WRDU's Bob Walton nails it, "For beginning to end great rock and roll, it's definitely the Hooters. An album that is 4 or 5 tracks deep is a rarity. If you haven't listened to 'Nervous Night' all the way through, you're missing a treat"...You're also missing out on a happenin' hookburger--"Danced" waltzes 91-83 Underlined, increasing on WEZX and WKQQ, enjoying "4" or better spins at KISW, WMMR, WKQQ, KZEW, WHTF, WZZO, WEZX and WMGM...Think a few people might see them via Live Aid?
- MR. HISTER, "BROKEN WINGS", RCA... New action on WHJY, WYSP, KMYZ, WGRX, KZYR and 2 more keep it playing in Prime time, up 95-84 in Songs with WQFM, KLOL, KBCO, KAZY, WLAV, KILO, KSJO, KGB and KZAP among the key calls to date. Give it another listen.
- SUPERTRAMP, "BROTHER WHERE YOU BOUND", A&M... With Tramp's track record and this Lp's depth, we say it's time to open things up. For starters, "Still In Love" primes 98-87, with new air on KATT and WKQQ, up on KSHE, and above average spins on WLUP, KATT, KSHE, CILQ, WNOR and WQBK...Or how about "Better Days" which lands on the Index at #86, thanks to adds at KOME and KZEL, and power play on KISW and WLAV...And look for the 12" edit on the title track featuring David Gilmour's stunning axe work.

# DIRT ALERT!

## IS A NEW ALBUM ROCKER ON THE HORIZON IN THE BIG APPLE?

The hottest story on the street is the rumored format change at WKTU, New York. Unconfirmed reports point to a segue from CHR to AOR in July or August, with new call letters WCRQ a possibility. Industry sources tell Dr. Dirt that a key KTU exec spent time at an Infinity sister AOR outlet two weeks ago, sitting in on programming/promotion meetings. According to the scuttlebut, WCRQ will position itself between WNEW-FM and WAPP, employing "Classic Rock" slogans, and emphasizing artists like the Moody Blues, Jimi Hendrix, The Beatles, Stones, etc. A new AOR in the #1 market would be an obvious shot in the arm to the format, but how does WNEW PD Charlie Kendall feel about a possible head to head battle? "I love a good war!!"

## CAPITOL STREAMLINES REGIONAL AOR DEPARTMENT

In a move designed to provide expansion into key major markets, Capitol Records has reassigned four regional album promotion directors. Former East Coast AOR Director Dave Morrell will now cover territory east of the Mississippi as Eastern Promotion Album Coordinator, while Stan Gleason moves from Southeast Regional AOR to Western Album Promotion Coordinator, tackling the western half of the country. Meanwhile, former regional directors Steve Pachter (midwest) and Randy Robbins (southwest) are named District Promotion Managers in Miami and Denver respectively. "It's a restructure that allows us to expand into markets like Miami and Denver where we didn't have a presence before", says National Lp Promo Director Bill Bartlett. "It also enables us to utilize our local promo people to their fullest." Look for Capitol to open up the Washington and Houston markets in a future expansion.

And, the self-proclaimed Billy Martin of promotion, Bob Osborn, returns to MCA as Album Promotion/Marketing Director--West Coast. Bob was handling regional West Coast AOR for Capitol prior to their restructuring.

## CROSSTOWN TRAFFIC

After 2 years with KATT, Oklahoma City, John Beaulieu returns to WTUE, Dayton as MD/PM Driver, replacing Bob Clark who will work in sales after he recovers from surgery. Send Bob a get well card c/o WTUE, 11 South Wilkinson St., Dayton, Ohio 45402

Jeff Carroll takes over the MD slot at KLBK, Austin vacated by John Michael Scott. Talk music with Jeff, Monday and Thursday noon-2:00PM at 512-474-6543.

We bad, we 100,000 watts: KBCO, Boulder has just signed on a new transmitter. As MD Doug Clifton puts it, "100,000 watts will help to improve our coverage of metro Denver/Boulder and the front range of Colorado"

## PROMOTION PROFILES

After 3 rounds with 24 bands over 9 nights, the WBCN Rock and Roll Rumble climaxed at the Orpheum Theater on June 28th for a sold-out battle of the bands, Boston style. Taking top honors in the 7th annual Rumble is--the envelope please--"Down Avenue". 12,000 plus attended over 9 nights with Lone Justice appearing at the finals as the surprise band.

Albany's WPYX said hello to summer with a mammoth poolside "Breakfast Club" bash at a local hotel. The day-long event was highlighted by an outrageous swimwear contest complete with outboard motor-strapped-to-the-back outfits and the old cigarette-dangling-from-the-navel trick. Morning maniacs Mason and Sheehan did their show live from the remote with hottubs and Caribbean cruises awarded as prizes.

A 175 mile bike ride was one of 5 events sponsored by WWCT, Peoria in its drive to raise \$20,000 to help battle Multiple Sclerosis.

# RATT

## IS CLIMBING THE CHARTS!

**"Lay It Down,"** the smash single (7-89546) and 12" (PR 734) is the most requested song in the U.S.

**"Invasion Of Your Privacy"** (81257) is the most requested album.

It's already Platinum. And it's still going strong. And the "Lay It Down" Video is in power rotation on MTV. So with heavy coast-to-coast airplay, there's no telling how far RATT will go. It just keeps climbing. Produced by Beau Hill. A Berle Company Production

**"THE THIRD WEEK OUT RATT'S 'INVASION OF YOUR PRIVACY' JUMPS TO #3 ON OUR CHARTS. SALES ARE PHENOMENAL. LOOKS LIKE THE YEAR OF THE RATT!"**  
— JIM GRAHAM, NATIONAL RECORD MART (PITTSBURGH)

**"CONCERNED AT FIRST ABOUT THE \$9.98 LIST— BUT IF RATT IS ANY INDICATION IT LOOKS LIKE THIS IS THE SUMMER FOR HEAVY METAL. NO. 1 FIRST WEEK AT THE CHAIN AND SALES CONTINUE TO BUILD!"**  
— BETSY HEADY, RECORD BAR (DURHAM, NC)

**"WENT RIGHT TO NO. 1 OUT OF THE BOX AND CONTINUES TO BLOW OUT OF THE STORE. WE ANTICIPATED IT TO DEBUT IN THE TOP 25 BUT IT HAS FAR AND AWAY EXCEEDED OUR EXPECTATIONS."**  
— GREG SCHMIT, TOWER RECORDS (PANORAMA CITY, CA)

**"NO. 1 AFTER ONLY TWO WEEKS— HAS TO BE THE FASTEST BREAKING LP OF THE YEAR SO FAR. NEITHER THE MTV/RADIO METAL BACKLASH NOR THE LIST PRICE CAN KEEP THIS RECORD DOWN."**  
— CAMELOT ENTERPRISES (N. CANTON, OH)

**ALSO #1 SALES: WICHITA, DAYTON, MINNEAPOLIS, CLEVELAND, MILWAUKEE, CEDAR RAPIDS, CHICAGO, HOUSTON, PHOENIX, PORTLAND, OR.**

# DIRT ALERT!

**CONGRATULATIONS TO PHIL COLLINS** on his two amazing sellouts at Madison Square Garden last week. After the second Garden spectacular (Tuesday, July 2nd), Ahmet Ertegun and Atlantic Records threw a great party for the bashful Genesis drummer. Lots of names made the scene including: John Taylor of the Power Station and Duran Duran; Jay Jay French of Twisted Sister; and the ubiquitous Nile Rodgers, who walked in with his pal Mick Jones, of Foreigner, in tow. Also spotted: Super-drummer Michael Shrieve, Liz Derringer, Bud Prager, and the couple that is quickly becoming entertainment's #1 media team - Carol ("Entertainment Tonight"/WNEW-FM) Miller and handsome husband Mark (MTV) Goodman. Lou O'Neill Jr. tells us from New York that Phil will do an upcoming episode of NBC's "Miami Vice" this fall in which he'll portray a game show host. And, wasn't Phil terrific on the Letterman Show last week???

**PEOPLE AT ATLANTIC** knew the Ratt album was going to be huge, but even they are overwhelmed. Only out a few weeks, the Lp is already Platinum and racing toward double. There is no question about it, Ratt will have one of the biggest records of 1985.

**AC/DC RETURNED TO ENGLAND** the other day to finish edits for their long-form video. For the first time in the band's career the video will be available to the consumer market. "Danger" is blasting through the roof.

**LOU O'NEILL JR.** interviewed California singer Kim Carnes last week at New York's Parker-Meridien and reports that Miss Carnes is as gracious and lovely in person as her image. The ever-classy Kim thanks Kal Rudman and FMQB Album Report for all the support throughout the years, and noted that Kal is one of the kookiest kats in the kitchen. As for her next single, Kim revealed it would be "Abadabadango" and noted that, "I've always picked my music and sometimes it's hard. For this album we cut 15 tracks and narrowed it down to 10." Incidentally, while in New York, Kim also did the "Today Show" and was interviewed by NBC correspondent and "Today Show" co-host Jane Pauley. Kim laughed, "It was lots of fun, but I can do without the 5:45 AM call."

**MICK JAGGER** is back in New York, as are other members of the Stones. Watch for more work on the album to continue in The Apple. The Quarterback understands that Mick, Keith, Bill, Ron and Charlie are very anxious to finish the record and lay out plans for their forthcoming American tour.

**THE ONLY SAD PART ABOUT IT** was that the man some of music's most popular entertainers gathered to honor last week at Avery Fisher Hall in New York was not there. The Quarterback was saddened to learn that the legendary John Hammond was not able to attend the soiree, but we're heartened to hear that he's feeling much better. On stage Benny Goodman, jazz guitarist George Benson, and Stevie Ray Vaughan had the crowd going wild. The highlight of the evening, according to Lou O'Neill Jr., occurred when Vaughan and Benson engaged in a sizzling guitar jam. The Epic family turned out en masse to lead the cheering for Vaughan. We spotted Don Dempsey, Dick Wingate, Ron McCarrell, Michael Caplan, Walter Winnick, Eliot Hubbard, Frank Rand, Dan Beck, and we're sure that we missed a few. Later, at a private party thrown by Epic Records at the Mayflower Hotel, Don Dempsey presented Gold albums to Stevie Ray Vaughan and his band Double Trouble, in recognition of RIAA Gold record certification for "Couldn't Stand The Weather", Stevie Ray Vaughan's 2nd record for Epic. Lou reports that the most emotional moment of the night occurred when Don Dempsey spoke so eloquently and movingly about the man who was not able to be there - John Hammond. Said Don, "John Hammond is a very special person. John Hammond is a man who's been laid-up recently, but who we know will be feeling better soon. He's discovered them all - from Bessie Smith to Stevie Ray Vaughan - with Bob Dylan, Bruce Springsteen, Aretha Franklin, Benny Goodman and George Benson thrown in between." Don Johnson, of "Miami Vice" fame, also attended the tribute to Mr. Hammond.

**CAPITOL RECORDS THREW A HUSH HUSH PARTY** for the Power Station last week at the New York club Area. Talk about wall-to-wall people. There was more room in the most recent can of sardines you purchased down at the A&P. It was ridiculous. Also a little crazy was watching the media go into a "feeding frenzy" when Don Johnson - star of NBC's "Miami Vice" - walked into the room. The flashbulbs clicked with blinding force.

**CHEAP TRICK AND REO SPEEDWAGON** combined for one of the most enjoyable shows of the year last week at Long Island's Nassau Coliseum. Most don't know this, but the brother of Cheap Trick drummer, Bun E. Carlos, was one of the 39 hostages who came home to America last week. As for C.T., the title of the new Epic album will be "Twitch". We hear it's most impressive. Key tracks include: "Surrender Your Heart"; "Long Hot Summer"; and "Rumors of You". The icing-on-the-cake about Cheap Trick live these days is that Steve Walsh, formerly of Kansas, is a travelling member of the band. REO Speedwagon, meantime, rendered a terrific set which had the audience standing on its feet. Although he was reluctant to admit it, Lou O'Neill Jr. was called on stage by lead singer Kevin Cronin and sang background vocals on "Roll With The Changes". O'Neill reports he'll stick to writing and leave the rocking to others.

**DON'T TELL A SOUL**, but Lou O'Neill Jr. has learned that English heavy metal masters, Def Leppard, have quietly moved the recording sessions to Paris, and the inside skinny - according to Lou - is that Leppard drummer, Rick Allan, is now utilizing a specially built percussion machine that permits him to drum one-armed.

**HOT!** When Katrina And The Waves performed in Los Angeles last week, the band received a special show of support when 3 of the Bangles materialized on stage to harmonize on the old Bobby Freeman classic, "Do You Love Me?". They were Vicki Peterson, Debbie Peterson and Michael Steele. It was a wild and raucous night. As you know, Katrina is out on the Don Henley tour these days and receiving a terrific response.

**BIRTHDAY BOOK FOR THE WEEK OF SUNDAY, JULY 7:** A special happy birthday wish to one of the legendary figures in rock 'n' roll - Mr. Ringo Starr. Born Richard Starkey in Liverpool, Ringo is 45 years young. French designer Pierre Cardin is 63. Johnny Carson's sidekick, Doc Severinsen, is 58. **MONDAY, JULY 8:** Steve Lawrence is 50. Jerry Vale is 53. Billy Eckstein is 71. Roone Arledge, of ABC News & Sports, is 54. **TUESDAY, JULY 9:** O. J. Simpson is 38. Best-selling author Barbara Cartland is a chipper 81. Mitch Mitchell, veteran bassist from the Jimi Hendrix Exp., is 39. **WEDNESDAY, JULY 10:** Arlo Guthrie, son of the legendary Woody Guthrie, is 38. New York super-lawyer John Eastman (Linda McCartney's brother) is 46. It was on this date in 1973 that John, George and Ringo recorded together for the first time in 4 years when they covered John Lennon's "I Am The Greatest", which was subsequently released on Ringo's album (12 years). Hard-to-believe-but-true: July 10, 1965 was the date "Satisfaction" hit #1 on the Billboard Charts, and marked the first time England's Rolling Stones sat at the top of the charts. Twenty years later, the Stones continue to roll. David Brinkley is 65. It was on this date in 1963 that Martha & The Vandellas recorded their biggest hit, "Heatwave" (22 years ago). Greg Kihn (born in Baltimore, MD) is 35. **THURSDAY, JULY 11:** It's 48 years to the day since the world of music lost the late and great George Gershwin. Gershwin was born in 1898 in Brooklyn, NY. Yul Brynner, the only man to ever portray the King of Siam in Rogers and Hammerstein's "The King And I", hits birthday #65. It was on this date in 1959 (26 years ago) that folk singer Joan Baez made her recording debut with Bob Gibson at the Newport Folk Festival. **FRIDAY, JULY 12:** Christine McVie, of Fleetwood Mac, is 42. Milton Berle is 77. Bill Cosby is 46. Rocker Walter Egan is 37. It was on this date in 1962 (23 years ago) that Mick, Keith, Brian, Bill and Charlie - the Rolling Stones - rendered their first ever live performance at the Marquee Club in London. **SATURDAY, JULY 13:** Roger McGuinn, founder of the rock band The Byrds, is 43. Roger was born in Chicago. Actor Harrison Ford, of "Raiders Of The Lost Ark" and "Witness", is 43. New York State Congressman Jack Kemp is 50. Did you know that Congressman Kemp once played pro football with the Buffalo Bills? He was their quarterback. Hard-to-believe-but-true, it was 12 years ago that Eric Clapton made his tremendous "comeback" concert at London's famed Rainbow Theater.

“Take On Me”

The First Track and Hit Video  
from the Warner Bros. LP  
Hunting High And Low

“Being initially exposed to the song and video simultaneously was a phenomenal one-two punch. The song is sheer summer pleasure, bouncy and full of spunk. The video is simply the best I’ve seen.”

Bob Walton, WRDU

“It takes an amazing video to get top billing in our radio recommendations, but that’s the haps with a-ha . . . Watch, listen and be aware — because this act will soon explode.”

Bill Hard

“The Friday Morning Quarterback”

“We’ll rarely suggest that you ‘see the video’ to better appreciate a song, but a-ha spins magic in the animated/action clip of ‘Take On Me.’ Once that keyboard hook sinks in, there’s no turning back.”

## Dirt Alert Continued

16  
CONGRATULATIONS TO HERNANDO COURTRIGHT, SR., who turns 81 on July 10th. The owner/manager of Los Angeles' #1 hotel, the Beverly Wilshire, attributes his longevity "to lots of champagne." FMQB notes that Hernando Courtright, Jr. is as much a go-getter as his famous father. Courtright, Jr. is managing a hot new band named Mass that has recently been signed to RCA by Greg Geller. Mass is a hard rock band from Boston with a Zep sound, and RCA will release the album, "New Birth", on September 20th.

LOU O'NEILL JR. HAS LEARNED THAT PRINCE is staying at the Berkshire in New York. The new material he's working on is said to be very different. By the way, Mr. Nelson's hair is cropped so short these days you might not recognize him. Lou spotted Prince, accompanied by a muscular bodyguard and a stunning blond, as he left Shelley's restaurant on West 52nd Street. The Rage of Rock was demurely dressed in a shocking pink outfit and sporting 5-inch high Cuban heeled black patent leather boots. Wonder why His Badness gets recognized??

SURPRISE: Lou O'Neill Jr. couldn't believe it, but John Lennon's 1965 Phantom V Rolls Royce touring limosine was sold last week at auction in New York for a cool \$2,487,012.50. Sotheby's estimated the limosine would fetch between \$200 and \$300 thousand dollars. The successful bidder was Jim Patterson, a Canadian businessman, who plans to exhibit the car in America for the rest of 1985, and to ship it north in early January to stand in exhibition at Expo '86.

## News From Rock Over London

It seems as if DAVID BOWIE is all set for a change of stage image! He's rumored to have fired his U.S. backing band and replaced them with a British lineup. Apparently, members of the cult band PRE-FAB SPROUT have been signed up together with THOMAS DOLBY's backing band to provide support for Bowie at LIVE AID. Critics say the change of musicians is all part of keeping Mr. Bowie's image up to date.

ERIC CLAPTON's new single "She's Waiting" is out this week over here on WEA. That's taken from his latest album "Behind The Sun", and is produced by PHIL COLLINS. But on this week's ROCK OVER LONDON, you'll hear the flip side of that release called "Jailbait", and that's not to be missed because it is not available in America.

STING's 12" version of "If You Love Somebody" is rush-released here this week on A&M. That's a re-recorded version which also features an 8-minute Jellybean remix. The B-side is "Another Day". As far as the album "The Dream Of The Blue Turtles" is concerned, it was interesting to note that it entered the British charts at #3 while a band with currently little American success, MARILLION, went in straight at #1 with "Misplaced Childhood".

The latest charity record idea to emerge is METAL AID FOR BRUSSELS. It's a benefit recorded by British and European heavy metal outfits to raise money for the families and victims of the recent Brussels soccer tragedy. Bands included are: SLADE, MOTORHEAD, and URIAH HEEP as well as ex-FREE and BAD COMPANY drummer, SIMON KIRKE.

FRANKIE GOES TO HOLLYWOOD are reported to have gone into hiding in Japan due to overzealous fans. It seems they're in the Land of the Rising Sun to play six soldout concerts at the 8,000 seat Kosenkin Hall. Special security has been brought in to protect members of the band from fans who have been camping out on the streets outside their hotel! Holly and the boys have been advised to stay indoors between shows for their own safety!

In addition to the ERIC CLAPTON track "Jailbait", tune into this week's ROCK OVER LONDON for "Northstar", a ROBERT FRIPP composition and he's joined by PHIL COLLINS on drums and DARYL HALL on vocals...RUSS BALLARD sings a ballad to "Bernadette"...DEBBIE BONHAM (sister of Led Zeppelin drummer JOHN BONHAM) stops by for a chat about her new singing career...And there's something new from the STYLE COUNCIL called "When You Call Me", a song you won't find on their "Internationalists" album...ANNIE LENNOX turns into the goddess Venus in the naughty bits department...The new young man has taken up residence at Rock Over London's #1.

ADDITIONS AND DELETIONS of musical talent continue to surround this week's LIVE-AID show. The most recent adds are ex-PINK FLOYD guitarist DAVID GILMOUR, who has stepped in on BRYAN FERRY's Wembley set, and THOMAS DOLBY who has accepted DAVID BOWIE's invitation to play keyboards during his 22 minute gig. As far as cancellations go, HUEY LEWIS AND THE NEWS top the list with their reason being the rising controversy over Ethiopian food distribution. Apparently HUEY and the band feel that the money being raised by USA FOR AFRICA is not directly reaching the famine victims. The emcees for the JFK show have been announced and they include CHEVY CHASE, DAN AYKROYD, and JOE PISCOPO. Television hosts for the national broadcast will feature the likes of BETTE MIDLER, SHEENA EASTON, BILLY CRYSTAL, and KENNY LOGGINS among others.

\*\*\*\*\*

BILLY IDOL IS BACK in New York's Electric Lady Studios working on the follow-up to last year's "REBEL YELL". KEITH FORSEY will again produce. STEVE STEVENS, the much talked about guitarist, is back after completing some tracks with the THOMPSON TWINS. The new IDOL record should be out sometime in October via Chrysalis.

\*\*\*\*\*

CHRISSIE HYNDE OF THE PRETENDERS and the British rock/reggae group UB40 have recently completed a version of "I GOT YOU BABE", the old SONNY AND CHER classic. The track, which will be released as a single this week on A&M, will also be included on UB40's upcoming album "BEGGARIDDIMS" due later this summer. Apparently, the duet was CHRISSIE's idea and she approached UB's singer OLLIE CAMPBELL who jumped at the thought.

\*\*\*\*\*

VELVET UNDERGROUND FANS BE AWARE of a NICO/JOHN CALE collaboration due next week from PBC Records. "CAMERA OBSCURA" is the title of the work which also features CALE in the producer's chair. JOHN has been a busy man recently on both sides of the Atlantic as he currently has a solo single, "MY FUNNY VALENTINE", released in Europe this month.

\*\*\*\*\*

TEARS FOR FEARS RECENTLY LENSED their latest video in Toronto to the new single "HEAD OVER HEELS". Filming took place in a library and features ROLAND ORZABAL falling in love with the librarian in a set of interesting shots. "SONGS FROM THE BIG CHAIR" is TEARS FOR FEARS second album and it has just recently gone Gold.

\*\*\*\*\*

SPEAKING OF VIDEOS, KUDOS must go out to TOM PETTY AND THE HEARTBREAKERS on their recent sweep of awards for their clip "DON'T COME AROUND HERE NO MORE". The band was awarded the honor of Best Video by the Montreux Golden Rose Television Festival, which is to television what Cannes is to the film industry.

\*\*\*\*\*

CHEAP TRICK COME BACK with a new album "STANDING ON THE EDGE" at the end of this month and they are already out supporting it by opening for REO SPEEDWAGON on their current tour. The album is being released by Epic.

\*\*\*\*\*

SINGER/SONGWRITER ROBERT HAZARD, best known for penning CYNDI LAUPER's biggest hit "GIRLS JUST WANT TO HAVE FUN", is currently working with members of ROD STEWART's band on a new album due sometime this fall. ROBERT's most recent album, "WING OF FIRE", was released on RCA in 1983 to much critical acclaim. HAZARD and a host of other Philly talent just took part in a benefit to aid the victims of the MOVE fire which claimed 55 homes. Also appearing in the charity concert were BILL COSBY and DAVID BRENNER.

\*\*\*\*\*

BE ON THE LOOK OUT FOR A NEW SCOTTISH band by the name of THE BLUE NILE. The album is titled "A WALK ACROSS THE ROOFTOPS" and the first single is "STAY". This record claims to be the most sonically perfect since PINK FLOYD's "DARK SIDE OF THE MOON". The album was produced by the three band members who are PAUL BUCHANAN, PAUL MOORE and ROBERT BELL. Some of their biggest fans include JIM KERR of SIMPLE MINDS and TEARS FOR FEARS. This LP is available through A&M.

**WMMR, PHILADELPHIA, PA M.D.-TED UTZ:** "At this point, WMMR is ready to cover every angle there is on the biggest two weeks in Philadelphia music history. The 4th of July brought close to one million people to the streets for a free concert on Ben Franklin Parkway, with the Beach Boys, Charlie Daniels Band, Katrina And The Waves, Mr. T., Robert Hazard, and Jimmy Page and David Lee Roth, just to name a few. Just the thought of looking at and talking to that many people all in one place is incredible. It also helps to have ten foot WMMR banners all over the stage...Week two, of course, is Live Aid. JFK Stadium is already buzzing with every production crew on the face of the earth. Incidentally, we've had enormous response to our Live Aid Concert hotline. For the latest updates, give it a call at (215) 988-9799 ...In the middle of all this, and Erin Riley's vacation, we still had time for music updates. This week's adds are Bryan Adams 'Summer Of 69', The Fixx, and Billy Joel...P.S.: A new chapter in radio history must be set aside for the antics of WMMR morning man John DeBella and Joe Piscopo. At one point, Piscopo went to take a leak and DeBella followed him down the hallway into the now infamous WMMR men's room. Yes, live on the air. And this eventually led to the entire staff singing an a capella version of 'Under The Boardwalk' with Piscopo on lead vocals."

**KBCO, BOULDER, CO M.D.-DOUG CLIFTON:** "The Talking Heads top our requests this past week. Their new album also debuted at #7 on our retail chart...R.E.M. had a strong retail debut coming in at #4. Still strong phones for 'Can't Get There'...Our top seller continues to be Dire Straits. 'Money For Nothing' is one of the most active songs on the air. Still lots of listeners asking if that's really Sting...Speaking of Sting, his album debuts at #8 retail...Two hottest records this week are Billy Joel and Koko Taylor. 'You're Only Human' is a great addition to a wonderful package of Joel classics...Koko Taylor's new album definitely proves she's the queen of the blues. This is the best blues record we've heard in quite some time. An amazing lineup helps to add to the energetic vocals Koko belts out. Check out 'Come To Mama'...On July 1st at 2:30PM, KBCO signed on a new transmitter on top of El Dorado Mountain. 100,000 watts will help to improve our coverage of metro Denver/Boulder and the front range of Colorado."

**WBCN, BOSTON, MA M.D.-BOB KRANES:** "The 7th Annual WBCN Rumble is now a part of rock and roll history. Down Avenue was the winning band, chosen from 24 bands that competed in a battle of the bands. The preliminaries were held at Spit. After narrowing it down to eight bands, the semi-finals were held at The Metro. With two bands left in the competition, Down Avenue and Adventure Set, it was on to the Orpheum Theater on Friday night for a sold-out battle. Down Avenue is from Boston. They have been together for a little over a year and have proven themselves to be a band with a bright future. Over 12,000 people attended during a 9-night period. Thanks to all the judges who came from far and near to be a part of this...Also, thanks to Lone Justice, who were the surprise band on Friday night and who also played to a sold-out Paradise audience for a WBCN live concert on Saturday. This band is incredible. Maria McKee is something like you have never seen or heard before in your life. Her voice is exquisite and the music coming from this band is fresh. Do yourself a favor and see them live...Charles Lacquidara's Big Mattress Song Of The Week: 'Can't Get There From Here', R.E.M."

**WDVE, PITTSBURGH, PA M.D.-GREG GILLISPIE:** "Bryan Adams was here Sunday night and I can't believe I'm going to say this, but this show was damn near as intense as a Springsteen concert. 18,000 people stood and sang every word of every song for an hour and 45 minutes. Three encores, totalling eight songs, had people going nuts. We first used 'Summer Of 69' when the album came out and didn't get much response, but after seeing the show Sunday night, this record's gonna be big and it goes back into hot...Starting to get good response on the second Sting track 'Fortress', and now we've opened that up to all dayparts...The Talking Heads fans are out in the stores and spending money. The record jumped up to #5 in sales...Dire Straits is starting to make a move, Now that it's our #1 most requested song, it's headed towards top 10 in retail... The real retail story is Tears For Fears, continuing to hold down the #1 spot...The kids have been on the phone for Motley Crue since the day it was released, and after tabulating all the phone calls, the average age is 15½. Expect it to go down quickly, but it's an add and Elektra is out of the freezer, it looks like... The Godley & Creme record could be the new 'Everybody Wants To Rule The World'. We put it on our 'Exposed' program last night and I was surprised that the audience response was favorable."

**WCCC, HARTFORD, CT P.D.-DAVID GROSSMAN:** "til tuesday delivers another multi-format hit with 'Looking Over My Shoulder'...Aretha Franklin's 'Who's Zoomin' Who' - with contributions from Clarence Clemmons, Peter Wolf, Annie Lennox, and Carlos Santana, this album is tailor-made for today's rock radio...Corey Hart continues to draw great reaction from 18 plusers. Album and single both sliding into Connecticut's Top 15...Sting continues his reign over rock radio. This album is yielding five cuts in rotation and still growing!...'Back To The Future' is a soundtrack capable of yielding three more tracks out-of-the-box. Eric Clapton's 'Heaven Is One Step Away', Lindsey Buckingham's 'Time', and yet another track from Super Huey called 'Back In Time' highlight this album...Godley & Creme returns with a smash! 'Cry' is guaranteed to mystify all ears it comes in contact with...That's all the news that is news."

**WYDD, PITTSBURGH, PA M.D.-DAVE SHEDLOCK:** "Sales exploded on the new Benatar song this week, and we've moved 'Invincible' into h-o-t rotation...We're continuing to see progress on the Go West album. 'Call Me' continues to generate Top 10 phones and the re-mix sounds better with each listen...We've toyed with various cuts on the Phil Collins album over the past several weeks and now we'll focus on 'Don't Lose My Number'. The album's been a Top 5 seller since its release, so how can it miss?...Godley And Creme have released one of the classiest songs to come along in quite a while. I've heard all the talk about the video but I haven't seen it yet. The fact is, 'Cry' would work even without the support of a great video. We're giving the record a shot and we'll let the phones tell the story in the weeks ahead!"

**KMET, LOS ANGELES, CA M.D.-PAM EDWARDS:** "We are pleased to announce that KMET in Los Angeles is the first station in the country to add X's 'Burnin' House Of Love'...'All Oldies Radio?'--'Albums Out Of Retirement?'--No! We're making an earnest effort to change how AOR radio has been perceived in the L.A. marketplace. As record companies put less and less emphasis on their AOR department, it is up to us to regenerate excitement in the format and make and break records...Our 17th birthday party at the Hollywood Palladium last Saturday night was a smashing success. Extra special thanks to Rod Stewart, George Thorogood, Yes, Phil Collin of Def Leppard, Whitesnake, and Gene Simmons of Kiss for helping us celebrate. Also, many kudos to the record companies and the hundreds of artists who sent us ID's and birthday greetings!"

**WLIR, LONG ISLAND, NY M.D.-LARRY "THE DUCK" DUNN:** "Concert of the month goes to Howard Jones at the Jones Beach Theatre this past Sunday (yes, the promoter named the venue after Howard!). I was blown away by his personal rapport with the audience. Howard could do no wrong. He's here to stay and I congratulate him on his success...Fun song of the month goes to 'Watusi Rodeo' from Guadalcanal Diary. If you think you can't play this--just kick yourself in the ass from me...Just when you were knocked over the head with the Eurythmics 'Ball And Chain', Annie and Dave just released a gem of a non-Lp Import B-side with 'Grown Up Girls'. Blow me away!!! Why isn't this on the album?...Heavy phones and retail on Sting, New Order, Talking Heads, R.E.M., U2 and Dead Or Alive...Speaking of which--Screamer Of The Week: Dead Or Alive 'In Too Deep'...Thanks to Mick Talbot of the Style Council and Low Reed for phoning in!"

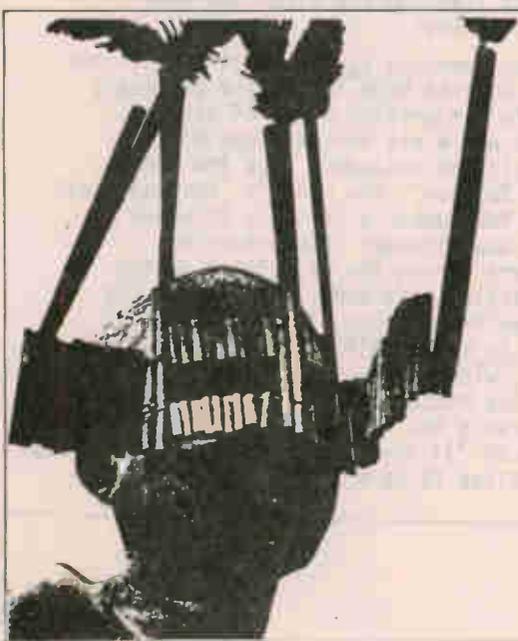

**WYSP, PHILADELPHIA, PA M.D.-MARK DIDIA:** "Turning away a crowd of over 3,000 fans at a YSP free concert, Bon Jovi performed a blistering raucous set of sonic fury, so h-o-t that it surpassed the 78° Fahrenheit mark, the point where rock melts! Last year Bon Jovi was sensational opening for the Scorpions across America, but this year Bon Jovi owns the stage! His live show is unsurpassed!...YSP lights up the sky in our 4th annual SKY CONCERT at the Vet after the Phillies/Cubs game--and of course YSP welcomes the world to Philadelphia!...It's big, babe--it's Live Aid. We'll broadcast the entire concert live both from Philly and London. We'll have exclusive live interviews, traffic reports, etc. See ya there!"

## RADIO ACTION CONTINUED

WPYX, ALBANY, NY P.D.-ANDI TURCO: "Summertime rolls in full swing as PYX-106 and over 4,000 listeners welcomed it live poolside all day to celebrate. Later, Mason and Sheehan kicked it off with over 1400 attending the Breakfast Club, one of which was Olympic Gold Medalist, Jeff Blatnic--seems he's a big fan. He even agreed to be Co-Chairman of the next Celebrity Golf Classic in September! It must be working! The latest Birch shows Mason and Sheehan with a 38 share men 18-34 and a 32 in women 18-34. Speaking of golf, here's my plea: PYX 106 will be celebrating our 5th anniversary in September. Mason and Sheehan will get it underway with the Second Celebrity Golf Classic on September 13. Proceeds will go to the American Cancer Society. We extend the invitation to all. So far we have local and national celebrities taking part. I know lots of you golf, so come up and be a part of it! ...Summer tours that should not be missed: 'til tuesday with Tom Petty, Phil Collins, Bryan Adams with Fiona, and Eric Clapton."

WIOT, TOLEDO, OH M.D.-RICK VAN GIL: "My major problem this week was what to do with the best AC/DC tune in ages: 'Sink The Pink'. I mean, General Managers get kinda nervous over song titles so I had to lie to the old goat. I told him that the Iranians have this pink nuclear powered aircraft carrier and the chaps from AC/DC were tired of the old red, white, blue being pushed around so they wrote this tune calling for complete destruction of this floating fleabag! So now, our GM thinks that 'Sink The Pink' is the heavy metal counterpart to 'Born In The U.S.A.'...For a guy who loves to fix cars, Jeff Beck can really motor with his guitar! 'Flash' was well worth the wait. I wonder if he can tune up my Pinto to sound as great as this album?...The phone response to Dire Straits 'Money For Nothing' is just overwhelming as is 'Shout' from Tears For Fears and anything from Sting...Isn't it time for another tune from the Hooters? How 'bout 'And We Danced'?"

WZZO, BETHLEHEM/ALLENTOWN, PA M.D.-RICK STRAUSS: "We put John Parr in last week and got immediate audience reaction so 'St. Elmo's Fire' is burning the airwaves in power this week...Billy Joel is a core artist for us. His new 12" goes hot and heavy right away. The other unreleased track on the 'Greatest Package' sounds pretty decent."

### "Walking In The Shadow Of The Big Man"

On Elektra Music Cassettes & Records

© 1985 Elektra/Asylum Records, A Division of Warner Communications Inc.

WRDU, RALEIGH, NC M.D.-BOB WALTON: "It's great having the freedom to expose new songs. We've 'trashed' the old 'Smash Or Trash' and the 'Hour Of New Music'. Instead, on Tuesday nights, we spread out seven or eight songs over 3½ hours. In this way, we get a chance to spotlight them and still hear them in the context of the regular format. Promotion is very low keyed, but the word of mouth generated is already beyond our expectations. So far, we've gauged favorable response to Suzanne Vega, Aretha Franklin, a-ha, and Cock Robin. Enough response in the right demographics to warrant regular airplay. It's good image and valuable research...It's unfortunately too rare to have a great guitarist who can also write intelligent rock and roll. Mark Knopfler sets the standard and 'Money For Nothing' goes into heavy...And for beginning-to-end great rock and roll, it's definitely The Hooters. An album that is four or five tracks deep is also a rarity. If you haven't listened to 'Nervous Night' all the way thru, you're missing a treat...My favorite past-time these days? Listening to radio stations play Aretha Franklin and present her as a new artist. Better get out those almanacs!...Thanks to Paul Rappaport for helping with the coup de grace of the Summer of 106 - tickets to see Bruce in London...And thanks to everyone for the cassettes and other goodies. Our first summer has been the best ever."

WRCN, LONG ISLAND, NY M.D.-JOHN GRAPPONE: "I survived San Francisco. Talk to you next week."

WRKI, BRIDGEPORT, CT M.D.-MARK DEVINE: "We added a couple of great songs this week. Y&T's 'Summertime Girls' and Godley And Creme's 'Cry'. Check out the video for the latter--hot stuff indeed...John Parr is blowing out the phones. And so we moved 'St. Elmo' up to a heavy rotation!"

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN SMALL: "The biggest concert ever to hit Manchester came to town for an outdoor show last Saturday. Hall And Oates, in a show co-sponsored by ROCK101 and Silver Brothers Distributors/Miller Beer, pulled in 17,000 people for the first in a 'Concert On The River' series. Many thanks to Paul Barrette, Al Perry, the Hall And Oates organization, who treated local radio people like royalty, and everyone else who helped make this show a breakthrough and a promise for more good things to come for the city. The band was extremely pleased by the incredible reception they got and played a fantastic show. Everyone here at the station, as well as people in town, are psyched!"

WHTF, YORK, PA M.D.-TIM DRAYER: "What a great week for new product!!! The Godley And Creme 'Cry' is fantastic...The Tina Turner 'Don't Need Another Hero' has me hooked... The new Jeff Beck album is definitely one of his best! My favorite Beck track: 'It Gets Us All In The End'. Someone told Beck to jam and play rock and roll guitar again, and he listened...I am considering the Lone Justice track 'Sweet, Sweet Baby' and the 'til tuesday track 'Looking Over My Shoulder'. Both have tested well in our market."

WCMF, ROCHESTER, NY ASST. P.D./M.D.-DAVE KANE: "I'm so glad that Jeff Beck didn't put out another 'fusion' album. His new album is so-o-o h-o-t it sweats on the turntable! If this record were any more urban, it would be a major City in itself...The much sought-after adds this week on WCMF are awarded to: Y&T, Helix, Master tunesmith Russ Ballard, and we're in for seconds on Howard Jones... 'St. Elmo's Fire' looks like it's going to be the one that will break John Parr wide open in the business. Looking ahead to when this tune has run its course, don't forget to go back to his album for 'Love Grammar'...Calls are still on the increase for Mr. Parr and still extremely active for Tears For Fears, Dokken, Heart and The Firm...And, once again, play Kim Mitchell's 'All We Are'. You won't be sorry!"

KZEL, EUGENE, OR M.D.-VINCE MERTZ: "Program Director Martin is on vacation the 8th through the 14th. Music calls during that week will be accepted from 10A-12 Noon."

KGB, SAN DIEGO, CA ASST. P.D./M.D.-TED EDWARDS: "Since I've been out of touch for the last couple of weeks, I thought I'd go back and key in on what's been happening here as of late...This week: AC/DC 'Sink The Pink'. If you're in a position to play this band, then this is the tune...John Parr's 'St. Elmo's Fire'. Strong tune, high profile film, and lots of solid rotations make this one easy. (Plus I've always loved the name Elmo, ha ha!)...Recently: Bryan Adams' 'Diana'. Monster tune. (Put this sucker on the B Side, J.B.)...Motley Crue 'Keep Your Eyes On The Money'. You can't get much hotter than the Crue in Southern California. Debuts in sales at #4, right behind Tears For Fears, Scorpions and Ratt. We think this tune is the place to start...Lone Justice 'Sweet Sweet Baby'. Remix or not, this is a solid song, and the band's hotter than a pistol. A stone cold Southern California smoker...Scorpions - mega sales on this live/greatest hits package. Developing into more than a live option situation...Heart 'The Wolf'. The rockers on this album put the band right back into the spotlight. 'Wolf's at the head of the pack. Add to that, the big ballad and you've got a winner...Men At Work 'Man With Two Hearts'. Why in the name of common sense wasn't this tune the first to be released? Let's face it, this band needed something awesome to turn around the negatives that accumulated since the last release. This tune really helped me to appreciate the band again...Kicking Ass And Taking Names: Ratt, Sting, Bob Dylan, Supertramp, Motley Crue, Dire Straits, Bryan Adams, U2, Scorpions, and Phil Collins...P.S. Go Bubba!"

WHCH, HARTFORD, CT M.D.-BOB BITTENS: "Congratualtions to HCN's Paul Harris on his move to the Big Apple. Paul will be sharing the morning show honors with R.J. Harris at New York's WYNY. Paul has made a major contribution to HCN's success over the last four years. His creativity and enthusiasm will be missed. Meanwhile, Don Imus and Scott Shannon better watch out...Like a lot of people, my initial exposure to Godley & Creme's 'Cry' was through their incredible video. It actually makes MTV worth watching for 3:45 every day. Now that I've had a chance to listen to the song without the visuals, it's also become obvious that the music can stand on its own...More soundtracks hit HCN's airwaves this week with Tina Turner's powerful theme from 'Mad Max' and John Parr's 'St. Elmo's Fire'...We're getting lots of calls for the Bryan Adams import 'Diana'. Bryan's recent Connecticut show as one of the year's best so far. The guy really knowshow to work a crowd and there's not one throwaway song in his set...It didn't take too much arm twistin' to get us on a second 'til tuesday track. 'Voices Carry' continues to be a major request item and the album has been in the Top 20, saleswise, going on twelve weeks. And that'll do it for me this week."

CFNY, TORONTO, ON ASS.T P.D./M.D.-DON BERNS: "Paul Hardcastle's 'Nineteen' remains #1 for about a month now and is one of the strongest, if not the strongest, records of the year...Depeche Mode 'Shake The Disease', which has been a major hit, is now joined by its import flipside 'Flexible' in getting a ton of airplay here...Interesting to note that Dead Or Alive 'You Spin Me Round' (which was a hit for us close to six months ago) is now doing very well domestically in sales...Other strong singles include: Love And Rocket 'Ball Of Confusion'; Talking Heads 'Lady Don't Mind'; Bryan Ferry 'Slave To Love'; New Order's 'Perfect Kiss'; Dead Or Alive import 'In Too Deep'...Top airplay this week went to Duck You Sucker's 'Love Is Criminal', a real hot rock and roll tune...Propaganda's 'Duel'; Bamboo 'Come Day-o'; Doppelganger 'Communication Breakdown'; and Fine Young Cannibals 'Johnny Come Home' continue to be very strong for us...Based on the strength of 'Nineteen', Paul Hardcastle's 'Rain Forest' jumped high in airplay this week...Top album play went to Talking Heads 'And She Was'; Sting 'Love Is The Seventh Wave'; New Order 'Love Vigilantes'; and A-HA 'The Sun Always Shines On'...The New Order album continues to be #1 in sales followed by Bryan Ferry and the Talking Heads, as expected, jumped into the Top 10 as did R.E.M., with, what will no doubt be their biggest selling album to date...The John Foxx record, 'Stars On Fire', is the hottest single add this week...Also added were the following albums: Laid Back, Fishbone (Wow!), Kid Creole And The Coconuts (Wow!) and PolyGram's Vertigo sampler...You may want to check out the Jellybean mix of 'If You Love Somebody' for a change of pace...Now the Earl Jive Hit List: #1 - 'Axel F'; Biggest Gainer: 'Slave To Love'."

## "Trail Of Tears"

© 1985 Elektra/Asylum Records, A Division of Warner Communications Inc.

KZEW, DALLAS, TX M.D./ASST. P.D.-CINDY BAILEN: "I'm impressed with the depth of the Hooters album. We've added yet another track, 'Hanging On A Heartbeat'...Is AC/DC's 'Sink The Pink' really about playing Snooker? ...Listen to Guadalcanal Diary."

KMYZ, TULSA, OK M.D.-P. D. WITT: "Why do we have to wait for movies like 'Back To The Future' also 'The Legend Of Billy Jean' and 'St. Elmo's Fire' for great songs from Huey Lewis, Pat Benatar, Jon Anderson, and John Parr? C'mon, you guys have been holding out on us, haven't you?...Sting's album is as deep as his lyrics. Already, we are on five of them, for instance: 'If You', 'Russians', 'Fortress', 'Love Is The Seventh Wave' and 'We Work The Black Seam'. It is hard to pick a favorite, but 'Russians' has gotten the most response...For the staff here in Tulsa, soon we will all be at the famous Jim Ray 4th of July party with barbeques, bikinis, boats and beer. So, bye, I'll rock to you later!"

WBRU, PROVIDENCE, RI P.D.-PETER LITMAN: "A few raves are in order...'And She Was' is flat-out the best song of the year on the best album of the year...We added Lone Justice's 'Sweet Sweet Baby' because George Skaubitis insisted that if we did so, Maria McKee would bear his child. (We give the kid, at best, a 50/50 chance at a normal childhood!) Myself, I'm happy just to hear more of the finest female singer since Janis Joplin...Godley And Creme's 'Cry' recalls 10cc's 'I'm Not In Love' with its seamless production--Call it pop for Pink Floyd fans...Most importantly, Lars and I would like to thank all 137 BRU alums who made the first ever BRU Reunion a great success. To those who missed, shame on you! Special thanks to Bob Lewis and Don Berns -- cold sweat and all, let's fly to Nantucket again, soon!"

**WDHA, DOVER, NJ P.D.-MARK CHERNOFF:** "Just had the pleasure of Southside Johnny guest DJ'ing on my morning show. He's working on new material now and touring, including the Garden State Arts Center for an outdoor show this weekend. Truly a nice guy and a great interview!"

**KEZO, OMAHA, NB M.D.-JOE BLOOD:** "In the local requests/retail arena, two words say it all: Motley Crue. 'Smokin' is #1 phones by a landslide and 'Theatre Of Pain' debuts #1 sales this week blowing out Tears For Fears, which has been our #1 seller for the past two weeks. Now the question is, where's Cub Coda when you really need him? And when will the Brownsville Station catalogue be released, especially 'Martian Boogie'?...Other local movers include Talking Heads into the top 20 this week, so we'll go with a second track, 'And She Was'...I can't believe another Springsteen B Side previously unreleased. We'll have to 'Stand On It'...The Godley & Creme record 'Cry' should be this year's answer to their 1975 big hit, 'I'm Not In Love'. Talk about ten years later!...Concert-wise, we enjoyed The Hooters and Don Henley Wednesday, June 26th. Thanks to all the Hooters for stopping by to talk on the air, and they did an excellent job opening up for Don. I would have to rate The Hooters as being one of the top young American bands of today. Henley put on a good show as well and had one of the most high tech light shows I've seen this side of Genesis. Don was also very gracious backstage as well...As if that weren't enough, Friday, June 29th, Tom Petty And The Heartbreakers brought their 'Southern Accents' tour to Omaha. I've seen TP six times now and this show was, without a doubt, the best I've ever seen. The addition of the horn section and the female backup vocalists made the new arrangements really sparkle. It was a great show!! Thanks to Stan Lynch of the Heartbreakers for dropping by the station. We had a great talk. The stories we could tell! Also thanks to TP himself for taking the time to meet and greet us backstage. Special, special thanks to Sharon White of MCA and Jon Scott and Marsha of MusicVision. It was a night I'll long remember...Also thanks to George Thorogood and EMI for the custom version of 'Willie And The Hand Jive'."

**KFMQ, LINCOLN, NB M.D.-MATT EFFKEN:** "For any R.E.M. non-believers, in Lincoln we're getting results. 'Fables Of The Reconstruction' is our #3 LP retail, and #1 requests. If this trend continues, we'll know that this band has developed more than a 'cult' following."

**KNCN, CORPUS CHRISTI, TX M.D.-BONNIE STACY:** "ADDS: Billy Joel 'Human'; Elton John 'Act'; Phil Collins 'Lose'; Beach Boys 'Maybe'; John Cafferty 'C-I-T-Y'; The Fixx 'Letter'; Tom Petty 'Spike'; Heart 'Never', 'Looks'; Lone Justice 'Sweet'...CONSIDERING: Highway Chile, Godley And Creme, and New Order...MOST REQUESTED: Sting, Pat Benatar, Motley Crue, Ratt, Robert Plant...INCREASED PLAY: John Parr, Y&T, Tears For Fears...INCREASED SALES: Sting, Tears for Fears, Motley Crue...After a big disappointment this week, a second wind from Billy Joel is just what I needed. What upper demo female could resist this? Thanks, Billy, for always being right on target!...Motley Crue have outdone themselves in '85. 'Theatre Of Pain', while more commercially accessible, is certainly no compromise and shows a wealth of talent. Requests range from 'Home Sweet Home' to 'Keep Your Eye On The Money' to 'Raise Your Hands To Rock' (my favorite). One retailer has already sold-out his initial shipment! Thanks to the Crue, and Ratt too, for putting the rock back in AOR...Interesting fact: After canvassing six months of request action, Led Zeppelin and Triumph have tied for most-requested-band on Z101."

**WPDH, POUGHKEEPSIE, NY M.D.-PAM BROOKS:** "Let me just say again that it's super to see those 'overnight sensations', John Cafferty & The Beaver Brown Band, doing so incredibly well. I've been catching them around Connecticut and for the past eight years in local clubs, plugging away and entertaining to the max. You just can't keep good guys down, so hats off to one hell of a band! 'C-I-T-Y' is already lighting up the phones here...The airwaves in Poughkeepsie have been made sweeter by the addition of more new tracks from Talking Heads, Jeff Beck (I'm blown away by 'Flash'), and Night Ranger. 'Seven Wishes' is a jamming rocker, hot on the heels of the very successful ballad 'Sentimental Street', which really did well here. The group follows it up with the clean, straight-ahead, aggressive rock they're noted for...Our second pick from Beck's tasty new entry is 'Gets Us All In The End'. How can you miss with an album that has Beck's virtuoso guitar work plus Rod and the equally impressive Jimmy Hall doing vocals? 'Flash' is not a flash-in-the-pan. This album will take us straight through the Summer...The Talking Heads 'Little Creatures' rounds out the list and the sound this week and our second choice here is 'And She Was'...I cannot get over how much I love Tom Petty's 'Make It Better'. My absolute favorite song on-the-air right now. CRANK IT UP!...Thanks to Steve Schnur for the great night out. Howard Jones was superb! What a show, visually and musically. It was primo! By the way, the next time you're in the city, have Schnur take you to his favorite restaurant. They serve chips as appetizers and main course, P-B & J on whole wheat, Fig Newtons for dessert, and gin and tonics to wash it all down with! Steve, you're such a suave guy!"

For us, it's a personal accomplishment since we've never been able to fit them into our programming or even listen to them without first wanting to throw up. The track is good and shows that, if the band wants to develop a positive image and continue with this intelligent form of music, they could do it extremely well. It's an accomplishment for Motley Crue because it does demonstrate that they are of this earth and simply not a waste of oxygen. This is an excellent track."

**WMGM, ATLANTIC CITY, NJ P.D./M.D.-MIKE BOYLE:** "We're very proud to be the official station in Southern New Jersey for complete live coverage of the Live Aid Concert on July 13th. We'll carry the concert from 6AM until Midnight...Absolutely in love with the new Jeff Beck album. Jimmy Hall's vocals really stand out and that's hard to do with the great guitar work of Jeff Beck. No one should be shedding any tears about this one. Play it before it sneaks up behind and bites you on the ass...A big thank you goes out to Denise George of A&M for securing that Supertramp ID for us. Denise, look very forward to seeing you at the Camelot Music Convention here... And a big thank you to Bob Clark at Atlantic Records for the hospitality at the Phil Collins concert. **WKQQ, LEXINGTON, KY M.D.-ROB ELLIS:** "The Textones' record sounds so good on the air. It adds a real fresh, original sound to any current rotation...The hottest lady in rock and roll has another winner from the 'Mad Max' soundtrack. Tina Turner's 'Hero' is a 'can't-miss'. Almost everybody's interested in what she's doing musically...Elton and Millie - what a great combination! Don't wait 'cause you'll be late...And finally, it's not the next single but check out 'Still In Love' from Supertramp. John Helliwell's sax work is too cool on it...And speaking of Supertramp, a special thanks to Denise George and Al Cafaro of A&M for the dinner with John Helliwell. **WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR:** "We're on Jeff Beck's 'Gets Us All In The End' because it's got some of the best guitar playing of this or any other century, and because it will be keeping the hemorrhoid sufferers' lobby off our case! And they can be a real pain in the ass...Winning listeners' nominations in our Graham Parker 'Wake Up Next To You' morning promotion for odd bedfellows included: Jerry Falwell with Tina Turner; Tommy Chong with Princess Di; Grace Jones with Tattoo; and David Lee Roth with Margaret Thatcher! We'll leave the remaining one blank for you to fill in with two industry personalities of your choice. Winners received clock radios and the opportunity to see Graham opening for Clapton at Saratoga. After all these years of playing Graham on-the-air, it was loads of fun to get a chance to meet him up at SPAC. Thanks to Karen Durcot of Elektra, along with the inimitable Brad Hunt!"

**WVXX, CHICAGO, IL SCOTT LOFTUS:** "During the past three weeks, we've had Listening Parties at local record outlets for the new Ratt album 'Invasion Of Your Privacy', and Motley Crue and the new AC/DC album. All of which drew upwards of 400 people, and made WEA extremely happy co-hosts. Chicago now has an outlet that will air hard rock and metal groups that have been ignored in this market for much too long. We also had Don Dokken on-the-air as a special guest inmate (DJ) for an entire four-hour shift with great listener response. Finally, the inmates are running the prison and increasing the numbers!"

See ya at the beach...Kid Creole And The Coconuts have the goods on summer fun. Listen to 'Endicott'...Well, we've finally seen the light with Guadalcanal Diary. We've saddled up for the 'Watusi Rodeo' and 'Trail Of Tears'. Both cuts are worthy of rounding up...Aretha Franklin's voice once again adorns our airwaves. If you missed her duet with the Eurythmics, here's your second chance...Glancing through the alphabet, you must have noticed OMD and DOA, better known as Orchestral Manoeuvres In The Dark and Dead Or Alive. OMD's 'So In Love' is bound to cross-over many radio boundaries. Listen, listen, listen!...Dead Or Alive's 'Spin Me 'Round' is already #1 with aerobic enthusiasts. 'Lover Come Back' is equally powered with energy to heat up the phones - they keep ringing...But on a serious note, our local bands have a punch packed with dynamite which should explode in your face any day, if not already...Watch out for X's latest 'Ain't Love Grand' and on Arsenal Records, you'll find Legal Weapons' 'Interior Hearts'. It's very pasty rock hard. Bon appetit from the west."

 "We love playing comedy Lps on WFNX so it's no surprise we added the Joe Piscopo record. Aside from the rap with Eddie Murphy, there are some funny bits on this package. Check out 'Andy Rooney's Biography' and Joe's take-off on 'Good Morning America' with Rocky and Bullwinkle...If you haven't added Aretha Franklin's new record yet, you're missing the boat. This is a rock and roll record all the way through. If you don't believe me, listen to her duet with Peter Wolf on the track 'Push'...The high energy cooker-of-the-week is Elton John's duet with Millie Jackson, 'Act Of War'...While on vacation in L.A. a couple of weeks ago I had a chance to see a band called Chain Reaction. They put on one of the hottest live shows I've ever seen. After listening to their new Lp on Elektra, I was floored. If you played the Red Hot Chili Peppers, then this record can work for you. Check out 'Physical Graffiti'...By the way, could someone please tell Howard Jones not to talk so much between songs on his tour."

**INTERVIEWS**

PAUL YOUNG: "I couldn't get a job as a singer and I tried countless bands but the image at the time was the Robert Plant, loads of hair treatments, and I didn't fall into that category. So I wound up playing bass in a couple of bands. And in the end I kept insisting I should sing. Finally, I got it, because we went through a succession of bad vocalists. And I finally got the job and then I made that move into being a professional musician. That was about nine years ago." \*\*\*\*\*

Our MTV monitoring has revealed that some current videos are receiving a play, yet are not being listed in the official playlist. Fishbone and Nik Kershaw are among the artists whose new videos are receiving significantly more plays than many other clips that are listed....John Fogerty says he didn't want to make any music videos for his comeback album, but he was "dragged kicking and screaming into the '80's." Fogerty says he's now happy he did make two clips for his "Centerfield" album....Tim Pope directed the Style Council's video for "Walls Come Tumbling Down," which was filmed in Warsaw, Poland. "Making videos is a pain," says Paul Weller. "We spent three days shooting filming just to get three minutes of film! I wish we didn't have to do 'em really but it'd be impossible to do live shows everywhere." The band has also completed a video for "Come To Milton Keynes."...MCA Records in England is moving its video production department from marketing to the company's A&R division. MCA U.K. managing director Don Ellis says the move is intended to insure that videos are made for creative reasons and not "just as a crass marketing tool."...Iam Siam's "She Went Pop" was directed by Zbigniew Rybczynski, who used 400 screen edits to create the image of Rena Devere, the silver screen goddess. She is portrayed in the video by 48 different actresses. Rybczynski's latest project is a video for Angele Maimone, a French duo, for "Ultimo Ballo," an Italian Ballad. The clip was shot in Venice and in London....The homevideo compilation of four Madonna videos has been certified platinum by the RIAA, for sales of over 40,000 units....Billy Joel's next video will be for "You're Only Human (Second Wind)," one of two new tracks on Joel's new "Greatest Hits Volume I & II" LP.

## Record Action

**BOB CATANIA, ISLAND (212-477-7159):** "This week marks my first anniversary with Island Records. To say it's been an exhilarating experience would be an understatement. My knowledge of this business has increased ten-fold and, for that, I'm most grateful because learning is what it's all about. Also, to be a part of the success of Frankie and U2 makes me very proud. Quality music (and big bucks) was the draw of Island Records for me, and to be involved with those projects was a great thrill... In the next few months we will once again unleash some amazing music on you. You know Robert Palmer, Tom Waits, Marianne Faithful, and Grace Jones. You'll get to know The Waterboys much better and be simply amazed by product from Propaganda, Shriekback, Margin Ansell, Nicholas Tremulis, The Long Ryders, Bourgeois Tagg and Esquire. And, of course, the followups to Frankie and U2 will be most anticipated...By now, you've all heard that Bronze has switched its distribution to Atco. While we will certainly miss them, you can see that our hands will be full with the challenging Island music that is critical to our industry. Your support on all our projects, past, present, and future is much appreciated...One final note, even though it's not my project anymore, I urge each of you to continue your commitment to Kim Mitchell. I mean, the guy's got a new baby to feed and besides that, he's one hell of a major talent who deserves your support."

**LINDA KIRISHJIAN, COLUMBIA (212-975-1701):** "Check out the affidavits on the COCK ROBIN 'When Your Heart Is Weak' story in our ad this week. Jenny Wren has to take a back seat to her lover because he's now in the record business for real and his song is about to bullet!...For a great summertime hit, try ALISON MOYET's 'Love Resurrection'. I know we've had some early believers on this song out there who've already given it a try. Now the time is ripe for an instant replay. The video is due out in the next few weeks and Alison will definitely be appearing on 'Live Aid'...Two tracks you'll be feeling this week are URIAH HEPP 'Poor Little Rich Girl' (take it to the bank, guys) and MIDNIGHT OIL 'Best Of Both Worlds'. The Oils will be on tour with UB40 all summer long...As for BILLY JOEL, wait 'til you see this video. All I can say is have you ever seen Jimmy Stewart in 'It's A Wonderful Life'? Well...Try 'Snakes And Ladders' from MEN AT WORK...How did you like the Westwood One performance of THE HOOTERS July 4th weekend?...Remember GOWAN will be in your town soon."

**RECORD ACTION CONTINUED**

AL & J.B., A&M (212-469-2411): "No laundry list here--we're talking Tiffany's...Sting, Supertramp, and Bryan Adams are certainly making major contributions to our mutual interests and it's only getting better. Sting will be touring soon. Bryan has the hottest rock 'n' roll show on the road; 'Summer Of '69' will be a Top 5 record...You should have a reel-to-reel edit of Supertramp's 'Brother'. It sounds wonderful and is strictly for rock radio. A 12" will follow of 'Brother' backed with the next single, an edit of 'Better Days'...Y&T has delivered a nice surprise with 'Summertime Girls', perfect timing...Suzanne Vega's 'Marlene' gets immediate sales and phone response. This record is selling and growing just as planned...OMD has given us a shot at a hit record with 'So In Love'...The signing of Blue Nile is very predictable. This is the type of act that we thrive on. You should have the album and CD already. Expect a 12" of 'Stay' this week. CAUTION: This is a dramatic, sensual, captivating record. Please listen...The Textones 'Midnight Mission' has a lyric that everyone should hear. Burt and Bennett have done a great job sticking with this and it's starting to pay off...You will soon have UB40 with Chrissie Hynde doing 'I've Got You Babe'. Yes, it's a reggae record and it is a smash. Don't, repeat, don't let your competitor get the jump on you... We've also signed Billy Crystal. Billy and Nundo have just completed 'You Look Marvelous', in collaboration with Paul Schaefer. It's a scream, you'll have a 12" soon...Next up from the Payolas, 'It Must Be Love'... Thanks."

JEFF "CRUE CUT" COOK, ELEKTRA (404-921-4086): "Hi there, fashion plates. I know you're wondering what the latest fashion news for the summer will be. Well, I can tell you right now. It's crue cuts. Now some of you older programmers might remember this hair style from the 50's. Remember when your parents used to schlep you down to the barber shop for a head shave just before the bus left for summer camp? Well, have no fear, that's not what I'm referring to. No, I'm talking radio fashion, not tonsorial. All across the country, radio request phones are buzzing with requests for crue cuts! That's Motley Crue cuts. They're asking for anything and everything from the new Crue album 'Theatre Of Pain'. And if you play the song 'Smokin' In The Boys Room', you can watch the phones light up like a barber pole. The last Crue LP is triple platinum and there's every indication that this record could flat top it. What a hairy thought...Howard Jones' 'Life In One Day' is headed up the charts like a Yankee Clipper. Now that 'Things Can Only Get Better' is finally burning at album radio, look for 'Life In One Day' to be the second smash hit from Elektra's favorite redhead...Graham Parker has been making great records since most of us were little shavers. And radio is in agreement that 'The Weekend's Too Short' is a perfect follow-up to 'Wake Up', and a rocker that will make the hair stand up on your head without the use of Butch Wax...On your desk now the incredible Guadalcanal Diary 'Trail Of Tears' and 'Watusi Rodeo'. This band is going to be big and I suggest you comb the whole record because, track for track, this group has style...Finally, just in time for July 4th 'Burning House Of Love' by X. It's cool as a burr for the summer...And for your jazz fans (and yuppie friends), Sadao Watanabe. His setup will curl your locks."

PAUL RAPPAPORT, COLUMBIA (212-975-8616): "COCK ROBIN is ready to go BIG. Perfect for the format bringing in upper female demos, this record works and is already finding its way into heavy at early believer stations. The hook will ring in your ears for a long time to come...Two new twelve inches hit your desks today, the first is the new one from MIDNIGHT OIL - if you're looking for rock you won't find better out there than 'Best Of Both Worlds' (check out the guitar - major emotion reminiscent of Hendrix)...Our second is 'Poor Little Rich Girl', a tremendous piece of music by URIAH HEPP which could be a stone smash at album radio...I don't know how many have been following this GOWAN record but whenever he plays, or 'Criminal Mind' is on the air, he sells out record stores with his 'Strange Animal' album. Again, check out the video. It is a Sony award winner and one of the best and most different you'll see...Next up, ALISON MOYET, PART II - the hit 'Love Resurrection'... And on the subject of BILLY JOEL. Harken to the last release which produced six smash singles. Do you remember not playing them in time and having to put them in recurrent because of their strength after Top 40 bit you on the butt?! Learn thy lesson well and ye shall beat down thy Top 40 competitor!"

ROB STEINBERG, SECOND VISION (212-334-9260): "The Scorpions: Update. Last year the Scorps rocked more live audiences than any other act on the road. This year we have documented evidence of their record-breaking tour, with the most powerful double live concert album of the decade, 'World Wide Live'. Radio anthems such as 'No One Like You', 'Big City Nights', 'Still Loving You', 'Rock You Like A Hurricane', documentary footage of other Scorpions classics, and inside views of the band's antics on the road have been filmed and cemented on celluloid with a movie of epic proportions. Second Vision will be marketing and promoting this movie while DMA will book screenings around the country. The movie covers the course of the Scorpions 1984 World Tour and is based on live footage from over 24 different concerts on four continents. At this time, many of you are familiar with the promotional concept we are engaged in as explained by your PolyGram reps. This is an absolute rock and roll first and will be a history-making event culminating with exclusive live surprises at the end of the summer. 'World Wide Live' is at 400,000 units. For more information, call us and check the next Update coming soon to a trade near you."

SEAN COAKLEY, ARISTA (212-489-7400): "As a perfect followup to your long weekend, tune in to the latest from C.S. Angels, appropriately titled '7 Day Weekend'. The first 12" is the heavenly 'I'm Falling'...Now that you've got Aretha's album, be sure to go deeper than 'Freeway'. Peter Wolf and Carlos Santana add their magical funk to 'Push'. When the dust settles on this album (maybe a year from now) the album rockers with the winning instincts will have been the ones who played her before closing their ears and their minds. Any programmers having trouble legitimizing a hit song by Aretha (with the BIG MAN from the world's biggest rock band) to their audience, ought to concede defeat and go sell shoes. The winners say 'Yes': KMET, WNEW, KBPI, KAZY, WBCN, WRXL, KBCO, etc. Are you a winner or a hostage?...Mama's Boys drew more than 400 people to an in-store in Duluth last week. Thanks KQDS for your support in breaking this band in your market. 'Letting Go' is the new 12"...'Return to Waterloo' is the title of Ray Davies' new soundtrack/film which he made with support of RCA home video. The film is opening in several cities this week."

JON SCOTT, MUSICVISION (818-906-1995): "What Is This!!! What Is This??? What Is This????!! What Is This. Period."

MICHAEL SCHNAPP, IMPORTANT/RELATIVITY RECORDS (718-995-9200): "LOOK OUT FOR THE NIGHT!!!!!!!!!!!!!!!!!!!!!!"

BENNETT KAUFMAN, GOLD MOUNTAIN (213-469-2411): "As hot as it is outside, the heat in here is sizzling, as the Textones 'Midnight Mission' gets some great new adds including: WYSP, WDIZ, WRUF, WOUR, WBSW, WKQQ, KMOD, and KLBJ. This record is doing great in several markets and does nothing but move up all the charts. The video has been acquired by all video outlets and the tour starts next week in New England. As I'm writing this, I anticipate the Textones will have several chart debuts this week...Keel is real! The album turns around and moves back up the Billboard charts. Most of you are now realizing that your metal listeners are out there and they're hungry for what they like the best - rock 'n' roll. 'Easier Said Than Done' is a great track for your nighttime airwaves. You got it!...The second Hyts album comes in two weeks. Look for a 12" of the 'American Way' on Monday, July 15th."

The Airplay Index is our ranking system for the amount of play on albums as a whole. We determine rankings by totalling the emphasis points on cuts.

The methodology for our Top 50 markets Metro Index is the same as our Airplay Index, but instead of using the full sample base, we calculate the ranking from airplay reports from the Top 50 markets as defined by Arbitron.
