SAMMY HAGAR, "GIVE TO LIVE", GEFLEN

Given Sammy's newly found household name status, anything the Red Rocker releases warrants immediate Rock Radio power play priority. And when the track is as lethal for the format as "Give To Live", well all we can advise is put in those extra phone lines, pronto. Sammy's latest solo offering quickly became the in-office fave; he's never been in finer throat, the hook could slay a dragon at fifty paces and the song's change of pace tempo makes it compatible with any rock station, any daypart, anytime. Fire it up!

ROGER WATERS, "RADIO WAVES", COLUMBIA

Recent research of 18-34's reveals that demo's all-time favorite group is ... you guessed it, Pink Floyd. With that in mind, waste no time getting behind the most inventive and commercial track out of the Floyd camp in years. Fast paced and upbeat, positive and contemporary, "Radio Waves" is a Waters electro-sound tour de force, loaded with snappy hooks along with Waters and Ian Ritchie's everything but the kitchen sink production. And wait'll you experience the stunning concept album!

HEART, "BAD ANIMALS" CAPITOL

Ballads don't come more active or immediate than "Alone"--witness this week's 118 power reports, 158 cume, 46 Top 5 phone locations, and 2* Trax, #3 Most Requested chart showings, all inside of 3 weeks! Unfortunately, you'll have to share it with just about every format except the all-rastafarian financial news channel, so dig deep into the Lp. You'll find heavy Zep-influenced power hitters like the title song, mid-tempo maulers, "Who Will You Run To" (the next single), "There's The Girl", and open-air multi-format ballads. They're on a roll.

THE OUTFIELD, "SINCE YOU'VE BEEN GONE", COLUMBIA

Any doubts about Rock Radio's ability to break new artists were quickly cast aside when the format helped power The Outfield's debut album past the double platinum mark. Second inning action finds the same Top 10 certified tag team of producer William Wittman and Outfield songwriter John Spinks delivering another instantly addictive, guitar-driven hook-a-rama. Amazing how they've developed their own sound so quickly and boy does it shine on "Since You've Been Gone". Look for long ball once again!

ENVY, "AIN'T IT A SIN", ATCO

Twisted Sister's Dee Snider has been a big fan of these 2nd generation Long Island rock 'n roll sisters for years, enough so that he produced their striking debut. Spend some time with this energetic and passionate pure rocker and you'll be a fan too. The Stile sisters-lead guitarist Gina and vocalist Rhonni-understand that melody, musicianship and self-assured vocals are key to female fronted power rock. The one-two punch of Rhonni's Benatar-like chops and Gina's four-wheel drive guitar makes "Ain't It A Sin" a first round knock-out!

STEVE JONES, "MERCY", MCA

Forget about Steve's safety pin past and prepare to be swept away by this mysterious and soulful left-field surprise. "Mercy's" guitar work imbeds itself in your psyche and refuses to let go, while Steve croons out a vocal that would make even Bryan Ferry stand up and salute. His work on Andy Taylor's latest album has brought him into the mainstream, and this totally accessible wall-of-sound delight keeps him moving in the right direction. Lawd, have mercy!

LITTLE STEVEN, "FREEDOM-NO COMPROMISE", MANHATTAN

Steven's powerful and important lead-off track hits Top 25 paydirt, as play ups at KRQR, WQFM, KZEL, WOUR, WHFS, WZZO, WKLC and five more combine with new air on KZAP, KROQ, WPYX and WXKE to muscle "Trail Of Broken Treaties" 28-25*, with 111 now playing, and Top 5 phones at KLAQ and WHMD, where "Catfish" Phil reports, "Incredible reaction from both males and females". On the album Steven offers more of the fervent fiery conscience rock that is his forte. Our faves: "Freedom", "Bitter Fruit" and the reggae rave-up "Native American" featuring The Boss on lead vocals.

DAN FOGELBERG, "EXILES", FULL MOON/EPIC

Dan's triumphant return to Album Radio continues with a full head of steam as "She Don't Look Back" repeats at #3 Most Added (39 New/128 Cume), and with 16 play increases, the track soars 38-17*! Phones? Top 5 at KBCO, WTPA, WDHA, KKFM and KRNA, with 40 reporting Good/Excellent response. Dave Kane, WCMF endorses, "The Fogelberg tune is currently my fave on the station. There's good early phone response". And Michael Davis, KFMG dubs it, "A hot tune with a lot of meaning!" The Lp is loaded with ample evidence of Dan's rock ability. Go immediately to Stephen Stills' "It Doesn't Matter", then proceed to the title track and the funky "What You're Doing".

MOTLEY CRUE, "GIRLS, GIRLS, GIRLS", ELEKTRA

The single's clearly one of the fastest reacting rockers in recent memory: two weeks on the street and this summer smash is already bangin' Top 5 phones at 30, including a handful who reported #1 phones OTB! 29 new, 104 cume and 8 early play hikes pump "Girls" 44-30* Trax, 7-2 Most Requested. Now here's the album that will help establish them as the Aerosmith of the '80's. We like "Dancing On Glass", "Bad Boy Boogie" and "Wild Side". You want reaction? Play the Crue.

RICHARD MARX, "RICHARD MARX", MANHATTAN

How do you follow-up an historical rookie artist first week of 123 OTBers? With another impressive Most Added finish, that's how! 28 more join this Marxist Party including WIYY, WBCN, KFOG, WRIF, KGON, WRXL, KGGO, KLOL and WCMF, mushrooming the two week cume to a staggering 151 and combining with a fat 41 (!) play increases, explodes the track 26-13*. Now for further unprecedented news: 60 stations already citing Good/Excellent calls (KSHE, WKLS, KUPD, WEBN, WIOQ, WGTR, KQRS, WQFM, WHCN, KLAQ, WTPA, WLWQ). Jean Cashman, WZTA exclaims, "It will be a huge hit!" And Tom Starr, WOUR reasons, "With the Eagles in a permanent holding pattern, we're glad Richard Marx robbed the nest and made off with what may be the summer song of '87!" Now discover the excellent depth to this dimensional artist: "Should've Known Better", the classy crossover "Endless Nights" and "Have Mercy".

AUTOMATICS

Depth Trax From Established Albums

BRYAN ADAMS, "HEARTS ON FIRE", A&M

Bryan's third Automatic track from the pistol hot "Into The Fire" Lp is already burnin' it up at Rock Radio. WIYY, WMMR, WLLZ, WRIF, WFBQ, KLBK, WAPL, WBAB, KATT and KEZE are among the 23 New, boosting the cume to a notable 54 and blistering the track 70-51*! Considering the infernal run Bryan has displayed ("Heat" peaking #2 Trax and Most Requested, "Into The Fire" currently on 137, 17 play ups and a scorching 11-6* Trax roll), the flammable theme seems most appropriate on his latest project. Look for the CD re-service on the Lp to add fuel to Bryan's "Fire"!

FROZEN GHOST, "END OF THE LINE", ATLANTIC

We were glad to be in on the ground floor with these rookie of the year candidates. We originally mentioned that although Lanni and Hassel are new artists, they are anything but music novices. "Should I See's" incredible run, peaking #5 Trax, displayed Frozen Ghost's ability to mix it up with the big boys on their own terms. Now it's time to deliver the Automatic from a debut Lp that radiates depth, maturity and excellence. "End Of The Line" is more of what made Frozen Ghost one of Canada's best exports since Molson. A finely crafted rocker with a hook-a-minute and those great harmonies. It's only the beginning for "End Of The Line".

GEORGIA SATELLITES, "THE MYTH OF LOVE", ELEKTRA

Atlanta's latest pride and joy is comin' right back at 'cha with another mighty one-listen mutha' that's every bit as potent as their three previous Automatics. And just in time, no less, what with those Petty dates now being announced. This could indeed be the hottest summer show of the season. Serve up "Myth Of Love" from the Lp, CD or that hot new live 12" sitting on your desk, and give the people what they want: more of that fiery, blistering roadhouse rock, Satellites' style. Already on KISS, KZAP and KEZO.

ROBIN TROWER, "PASSION", GNP/CRESCENDO

It's obvious now that when the listeners speak, Album Radio responds, and as is the case with Robin Trower there's always a soft spot for vintage guitar heroes. Witness the strong top 15 Trax showing of "No Time" and the respectable follow-up impact of the softer textured "Caroline". With "Passion", Trower returns to a more uptempo, tasty blues rocker performed straight from the heart, coupled with Robin's virtuoso axe work. Feel the "Passion", you'll get reaction.

(14 New/31 Cume)...With "Every Little Kiss" currently exploding across the street, and the new live radio-only CD now happily in the hands of rock radio programmers, you can bet the transmitter that this track will enjoy the universal exposure and full chart run it was denied before this guy was a household name/"Best New Artist" Grammy winner. Witness the 14 fresh spins (KFOG, WHCN, WKLS, WCCC, WEGR, KOZZ, WEZX, WPYX, WLNZ, KICT); the early 31 cume; the increased play at WRIF, CFOX and WKGR; the hefty 82-71* Trax improvement and the return to the Album Action Charts at 42* National, 38* Metro...KBCO's Doug Clifton sez of his 'best new release' choice, "The material is a year old but the live recordings give these songs new life". Take full advantage.

BON JOVI, "WANTED DEAD OR ALIVE", MERCURY

(13 New/95 Cume)...Based on the massive 34 Top 5 phone

mentions and the hold at #6 Most Requested, you can consider this bad boy still very much wanted. Wanted by the listeners and delivered by the format including the 13 new believers (WBYR, KISW, KTYD, KGB, KICT, KZRR, KATT, WAAF, KFMX, WRUF, KLBj, WRQK). While "Wanted Dead Or Alive" surges 32-29* Trax, eight increase play, 29 rotate in Power and 21 more provide Heavy emphasis. Electric or acoustic, you simply can't go wrong.

WORLD PARTY, "ALL COME TRUE", CHRYSALIS

While KPOI and KFMX increase the rotation, it's now enjoying heavy emphasis exposure at CILQ, KISS, KFMH and three more, with KISS also reporting Top 5 phones. The Album Action charts show a 45-43* national surge and a firm hold at 36* Metro. The mega retail volume move proves your listeners want to hear this superb live package. Give it to them.

MARSHALL CRENSHAW, "THIS IS EASY", WARNER BROS.

(12 New/12 Cume)...It certainly was easy for the 12 stations that added Marshall's latest track. Jumping on "This Is Easy" OTB are WRIF, DC101, WHFS, KPEZ, WIZN, WWTR, KBLE, WFNX, KSTM, KSQY, KZOQ and WMAD, where David Anderson finds, "Another mini-masterpiece from Pop Meister Marshall Crenshaw with 'This Is Easy'. Great production, soaring vocals, and splendid guitar licks. This song is what quality rock and roll is all about"...We will wholeheartedly echo those sentiments. Marshall is back with one of his most mature and polished efforts to date, and one that will certainly put a charge in those desired upper demos. Spend some time with 'This Is Easy' and we're sure you'll agree.

song..."and WXRK's Bob Kranes steps up "From Brewer country comes Fire Town. What a great sounding record. It sounds as though this band has roots that go deep into American rock 'n roll. More like no time lost for the five newcomers (KZAP, WEZX, WRKI, WMGM, KBLE) or the 15 currently playing including KRQR, KRXQ, KBCO, KTXQ, KLPX, WLNZ, KBER, WWZU and KATP. "No Love Lost" impacts the Hot Trax chart at 95* helped by early rotation increases at KRQR and KRXQ, and if we read our checklists correctly, which shows 14 considering/10 close, the i come will expand in a hurry in the weeks to come...Now sample but a few of the rave reviews from folks like Dave "Strong balance track" London, WEZX...Bob "Nothing like it on the air right now" Welch, WQBK...John "Fresh air to this music genre" McCrae, KRQR...Chip "Great!" PRETTY MAIDS, "FUTURE WORLD", EPIC

Our metal detector shows us that this one's got all the signs of success. It's already causing a big Buzz at retail, their video's about to be powered at MTV, and the metalshops have been on it for weeks. Pretty Maids, the premier pure rock attraction from Denmark have teamed up with long time producer extraordinaire Eddie Kramer (Zeppelin, KISS, Hendrix) to create this melodic, yet hard edged rocker. "Future World" starts in space and erupts into a 5:22 barn burner complete with frenzied frets, quick keys, and driving drums. The Future is now!

THE EDGE & SINEAD O'CONNOR, "HEROINE", VIRGIN

In this, the year of U2, they could practically put out a punk polka record and still get it played. Fortunately, this solo collaboration between The Edge and Irish singer Sinead O'Connor is of the highest quality. Instantly entrancing, "Heroine" from the "Captive" soundtrack sounds a lot like a soft version of U2 with a female vocalist.

FIGURES ON A BEACH, "NO STARS", SIRE/WARNER BROS.

"No Stars" is an energetic pop/rock performance that simply sparkles with driving circular rhythms. There's a back beat that literally grabs you from the get go and never quits, and when that macro sized hook kicks in you're wrapped for the duration. The haunting vocals and snappy bass line are as

exhilarating as they are captivating. Given the overall sound, the synergy and the dynamic appeal of this track, Figures On A Beach will be fixtures on the radio!

THE BEARS, "FEAR IS NEVER BORING", P.M.R.C./I.R.S

If King Crimson is still a factor in your market then better pay attention to The Bears. Fronted by ex-Crimson guitar virtuoso Adrian Belew, The Bears play it punchy and progressive, plus THEY ROCK! Now playing on WEBN, WXRT, KBCO, WHFS, WONE, KBLE and CFNY where Don Berns enthuses "Straight ahead rock n' roll with a full production and Adrian Belew too means you can be bullish with the Bears". Also getting attention: "Trust", "Superboy" and "Meet Me In The Dark".

VIGIL, "UNTIL THE SEASONS", CHRYSALIS

Given the formats ability to seek out hip, fresh sounding, and innovative music, Vigil's new release couldn't be more timely! This mid-tempo techno rocker has radio Buzzing...Check out these positive testimonials from KLAQ's Magic "Psychedelic Techno-rock" Mike...WFBQ's Jay "Good straight ahead rock and roll" Baker...WORZ's Michael "Liked it the first time I heard it" Lowe...WZTA's Jean "Very nice" Cashman and finally WMJY's Joy "Best song on the album" Crosslin. For balance, diversity and a bit of adventure, 'Tis the season for Vigil!

“Whitesnake can not be denied . . . the album outsells everything!

The stores can't get enough copies, the branch is out of CD's and it's not just the kids, adults are buying this record. 'Here I Go Again' will blow away the phones. Females . . . adult men . . . do yourself a favor and add this baby before they do across town.”

—Greg Mull/WRXK

WAX TO WATCH!

HUNTER, "DREAMS OF ORDINARY MEN", POLYGRAM

Produced by Todd Rundgren, this Aussie outfit delivers straight ahead Pop/Rock with loads of mass appeal potential. With those Rundgren-styled harmonies and that magnetic melody, toss in some fancy fret work, and this catchy pop tune packs quite the nice punch.

MICHAEL WHITE, "I KNOW YOU NEED SOMEONE", ATLANTIC

If you think this guy looks like Robert Plant on the album cover--wait 'til ya hear 'em. "I Know You Need Someone", produced by Mack (Squier, Queen), possesses strong melodies and tasteful guitar licks not to mention Michael's well-tuned pipes. It's White on!

BRUCE COCKBURN, "WAITING FOR A MIRACLE", GOLD CASTLE

Somewhere between Jackson Browne and Warren Zevon lies the new 12" from Bruce Cockburn. He has his political mindset on for this one and the message is cleverly delivered. The track is very melodic, possessing a smooth and memorable hook. You walk away from this one thinking.

THE CULT "Lil' Devil"

FMQB Hot Trax: 83-59*

1 Trax Gainer!

"'Devil' is even better than 'Love Removal Machine'. We can play it all day!" —**Summerfield Horner/KZEW**

"Smash of the summer" —**Elise Vander Borgh/KNCN**

"Top ten sales!" —**Christina/WPLR**

"Can't get enough!" —**Redbeard/KTXQ**

"2:55 of sheer rock and roll delight!"

—**Greg Mull/WRXK**

Relax, there isn't one! However, here are a couple of realities for you: **Dan Fogelberg's** "She Don't Look Back" is bulleting up the charts (37-19* breaker R&R) after two short weeks. This aggressive, contemporary rocker is already pulling adult **male and female phones**. With the full lp "Exiles" impacting now, you've made it clear **Dan Fogelberg** is winning for AOR radio. Watch for a special AOR only CD sampler coming very soon.

Reality is **Ozzy Osbourne's Tribute** lp. With over 700,000 copies of this full-priced double lp already out the door, **Tribute's** 8* Billboard lp sales showing is no surprise. Perennial winners like **Trip Reeb, Rick Balis, Andy Lockridge** and **Oedipus** are utilizing the Ozzy phenomenon to their full advantage. It's apparent to them that Ozzy's multi-media exposure is infiltrating the consciousness of listeners 18-35.

Dan Fogelberg and **Ozzy Osbourne** have long been mainstays at AOR radio. 1987 finds them growing with your audience and demographic. EPA can only guarantee our commitment, dedication and follow through. The rest is up to you.

SUE ME, SUE YOU BLUES: EX-KMET JOCKS VS. KTWV

Alleging "fraudulent inducement to contract," ex-KMET, Los Angeles, jocks Jim Ladd, David Perry and Jack Snyder have filed separate multi-million dollar lawsuits against KTWV, its VP/GM Howard Bloom, and Director of Programming, Frank Cody. The trio, each of whom had put in eight years at KMET before being canned when the station switched to a New Age/Soft Jazz format in February, claims that management was already designing the new format when it signed them to new contracts last fall.

"They knew there was a good chance for a change in format, and when I asked them specifically, they withheld information," Perry told FMQB. "They were doing a massive research project and I asked them if they were going to do anything and they told me no, they weren't going to change the call letters or format, and I signed my contract under those conditions. And as we all know, it turned out to be less than truthful."

Attorney Jeffrey Feld, who is representing all three personalities, told us, "It's not a wrongful termination claim; we're not alleging that there was a wrongful firing. Rather we're alleging that there was a wrongful hiring."

Perry told us that he had been talking with crosstown competitor KLSX at the time he signed with KMET. Had he known of the format change, he would have opted for KLSX. Similarly, both Ladd and Snyder had other offers at the time. "All three of them had opportunities offered to them by other radio stations and they more or less shut the door on them, given the promises that were made to them by management at KMET," Feld said.

As part of his case against KTWV, Feld plans to introduce evidence that proves management was planning the format change at contract time last fall: A research report from Owen Leach that pre-dates the contracts of Ladd, Perry and Snyder. The report discusses the Wave by name, describes the new format in detail, and talks about its jockless presentation.

Ladd is suing for \$2.45 million; Perry seeks \$2 million; Snyder \$1.5 million. KTWV has 30-days to respond to the complaints. When reached for comment, Bloom told FMQB, "It's a litigated matter. I've been advised by counsel that I really can't comment."

MILES MOVES BACK TO TUCSON; TAKES KLPX PD

It's back to The Radio Ranch for KOME, San Jose Asst. PD/MD Larry Miles. But this time he returns to KLPX, Tucson, as PD. Larry fills an opening that's existed since Arin Michaels departed last month over those ubiquitous "philosophical differences".

Originally KLPX Production Director from '81-'84 before joining KOME for middays, Larry's move reunites him with KLPX GM Alan Browning, who was PD during Larry's first run at the station. Sez Miles, "Our working relationship in the past, the fact that I spent three years there and have market knowledge, and the experience I've gained here all factored into my return to the station. I leave Infinity with the education of my career. A year under Pat Evans and two with Ron Nenni have given me the confidence to go into this new position with a whole lot of ideas and experience."

Larry's experience at KOME includes middays and working in the programming department, before being named Asst PD. When Candi Chamberlain exited as MD, he assumed those duties as well. Most recently he pulled the 6P-10P shift. Cutting his AOR teeth at WMJQ, Rochester, under Al Peterson in the late 70's, Larry put in a year at WEZX, Scranton, ('80-'81) before trucking to Tucson in '81.

His plans at KLPX? "Other people have said many times that KLPX is a great radio station waiting to happen. Well, it's about to happen. Mark my words, in a year we're going to be consistently in double digits." KLPX is the only Tucson-based album rocker, but KUPD, Phoenix, has a translator in the market enabling them to make a mark in the Tucson ARB.

Regarding his replacement at KOME, Miles tells us, "They're going to explore all avenues and possibilities...anything is possible." Could that mean Ron's daughter, Chelsea Nenni, who just celebrated her second birthday, might be taking the gig? Or could it be another woman with a little more on-air/MD experience, who recently relocated to Silicon Valley via the Rocky Mountain way?

JIMMY AND STEVE OUT AT WSHE

Jimmy Roach and Steve Hansen are out at WSHE, Miami, after just six months in morning drive. The former WDVE, Pittsburgh, mainstays put in their last show on 'SHE Wednesday the 20th, although the station will continue to honor their contract until it expires in the fall.

"We felt we needed to make the change," was the only

THE EDGE (U2's guitarist) with SINEAD O'CONNOR "Heroine" (Virgin)

comment out of TK VP Programming Rick Peters. Jimmy wasn't talking either, offering a terse "no comment."

"She OM Charlie Kendall just joined his wife Lisa in morning drive, at least for the time being. Meanwhile, PD Michael DalFonzo returns to afternoon drive, Drew Townshend relocates back to middays with Tom Robinson doing 6P-10P and Rick Knight taking 10P-2A.

What's next for Jimmy and Steve? A trip back to Steel City the first week in June to host a commercial awards dinner and to entertain a couple of offers that they had postponed...until now.

BUCHANAN BAGS KAZY MORNINGS: LANGAN'S BACK AT KISW

New KAZY PD Trip Reeb has made one of his first moves since hitting Denver, hiring former KISW, Seattle, morning man Peter Buchanan for wake up duty. Although KAZY is still seeking a few supporting cast members, Peter will be the focal point of KAZY's new morning show, starting June 1. "We're going to do something in Denver that hasn't been done in a while," sez KAZY MD Tim Jeffreys. "Most of the AOR morning shows walk a pretty straight line here. There's really no wild, off-the-wall, deranged, demented, crazy, humorous, unpredictable, lunatic morning show on an album rocker here and that's what we intend to do."

Opening for Peter is part-time Rock Radio troubador Joe Walsh. Stated for morning drive the week prior to Peter's arrival, Joe's already sent his digital sampler, foot pedals and wireless headphones to KAZY. Think he'll play "Rocky Mountain Way"?

Saying, "I'm happy that Jon selected me as the best of three large breasted males he considered for the KISW morning job," morning drive vet John Langan returned to KISW, replacing the exiting Peter B. During his first tenure at the station ('79-'83), Langan led KISW to #1 in '81 as KISW became the only Seattle station to dethrone KIRO. He joins John Rody (a 13-year vet of mornings at KZEW, Dallas) who remains as KISW News Director and morning co-host. "I've always been a big fan of Langan," KISW PD Jon Robbins told FMQB. "He owned the Seattle market in '81 and is hell bent on doing it again." Langan's past includes stints in Caspar, Wyoming, San Diego, and a PD gig at KZZU, Spokane, for the past year.

WOLMARK EXITS RCA

After four years as RCA Director of National Album Promotion, Alan Wolmark exits with this statement, "In the past four years, RCA's album promotion effort has risen to the challenge and turned in formidable performances in championing the talents of Bruce Hornsby, Starship, Mr. Mister and Lou Reed, among others. I am now leaving this great team at RCA to seek further challenges and new horizons in the music industry. I have continued respect and affections for the RCA team, from Ed Mascolo on down. I wish them the best in matching and surpassing our recent successes." A veteran of record promotion, Alan's 10-year background also includes the Associate Director of National Album Promotion for Atlantic from 1978-1983, and a two-year stint as AOR charts editor for Record World Magazine. If you're looking to get a hold of Alan, the cellular phone should be installed on his Harley anyday now.

DIRTY SHORTS

Despite rampant rumors and a reported agreement, FMQB has learned that Miami combo WZTA-FM and WINZ-AM is not being sold to Group W Broadcasting. Yes, the two parties have engaged in preliminary discussions concerning a possible sale, but, no, WZTA and WINZ are not for sale. Station owners Gannett Broadcasting issued a memorandum on Wednesday saying that the stations were not for sale and that all talks with Group W have broken off, WZTA PD Pete Bolger told FMQB. Spokespersons at Group W confirmed those facts.

Devine Communications have turned down an offer of \$2.5 million to purchase WBYR, Buffalo, made by George Harris and ex-WGRQ, Buffalo, GM Jim DiFiglia. The Bear has recently realigned its air staff, hiring ex-WGRQ news ace Charley Seitz for morning drive, snagging Joy Thomas for middays from crosstown WYRK, and reuniting former AM drivers Tony McGoo and PD Mike Bensson in afternoon drive. Sez Asst. PD/MD Carolyn Wessell, "We're basically doing a morning show in afternoon drive. Everyone's trying to outdo each other in mornings, so in that daypart we've opted for a conversational approach with information and lots of music. Afternoons is where we go crazy." Look for the Bear to launch a major outdoor marketing campaign soon.

Meanwhile, crosstown WBEN-FM is no longer using Harris as a consultant.

Although he's keeping extremely tightlipped about such details as format, target demos, staff and exact sign-on date, Carmy Ferreri, former PD at KRXQ, Sacramento, did have this to say about WCCG, Charleston, SC: "We're not going on until we're completely satisfied with what we have...and I'm not doing mornings." So far, what Carmy has are the programming reins of owner John Galanses' brand new station, 97.7-FM, WCCG, Charleston. Although the natural choice of formats for a new station with a veteran AOR programmer in an AOR-less town is Album Rock, Carmy is not divulging even the slightest hints about the station's programming. Carmy did tell us however that he has assembled a staff (one which includes some high profile radio personalities with extensive Top 10 market backgrounds), although positions such as MD, Promotion Director, Production Director, and specific airshift assignments have yet to be determined. Look for 'CCG to debut "sometime in June", and stay tuned for further details.

Chrysalis Managing Director Doug D'Arcy has been promoted to the newly created position of President, Chrysalis Records International. D'Arcy, who is based in London, will now be responsible for all of the label's activities worldwide. The new post broadens the scope of his responsibilities, in that he will now also be responsible for all Chrysalis activities in North America, duties he will share with label Chairman Chris Wright. The move is part of a label plan to expand operations in the U.S. in terms of staff and artist development, including the construction of recording facilities in New York and Los Angeles. Concurrently, Chrysalis VP/Marketing and Creative Services Charlie Prevost has been promoted to Sr. VP/Marketing and Artist Development and will be based in New York. Look for an official announcement from the label sometime soon.

Fred Willms has been appointed Vice President and Chief Financial Officer of Capitol Industries-EMI, Inc., replacing Vice President of Finance, Charles Fitzgerald, who recently resigned. Willms, who has been with the company since 1968, will report to Capitol Industries-EMI, Inc. President David Berman, and comes to the post after serving as President of Screen Gems-Colgems Music Publishing for the past two years.

Capitol Records has promoted Tim Carr to Director/A&R, East Coast, from A&R Manager, East Coast.

Gene Sandbloom has been named Associate Director/A&R for MCA. Sandbloom joins the label after five years at KIIS, L.A., the past three as MD. We also hear that Mavis Brody (formerly Iron Mavis), now MCA Mavis, has also joined the label's A&R department. Meanwhile, KIIS has temporarily filled its MD void by naming Jack Silver as Interim MD. Silver is Associate Producer for Rick Dees, and has served under KIIS PD Steve Rivers before, when the two were MD and PD, respectively, at KMEL, San Francisco.

Bev Chin has joined A&M as Promotion Assistant. Chin had previously been working in college promotion with MCA/San Francisco.

Expect an official announcement to be made soon, but look for MCA Director of Artist Development Tim Devine to join Capitol as Director of A&R.

E PLURIBUS DIRT

On Saturday, May 30, former members of KCGL, Salt Lake City, will begin the first part of a two-phase project aimed at reintroducing the modern music format to the market's airwaves. Former KCGL GM Richard D. Rees, along with several other partners, founded Modern Music, Inc. and purchased airtime on crosstown KRPN. During Phase 1, "The Modern Music Experience" will be broadcast from 6:00 PM Saturday to midnight Sunday, with Phase 2 scheduled to include the addition of weeknights to the broadcast. Former members of KCGL's staff, dismissed when the station's new owners switched formats to Religious last October, will host the modern music programs. KRPN broadcasts Oldies during normal programming hours.

Paul Yeskel Promotions has moved. The new address is 7 Kerry Court, Old Bridge, NJ 08857. The phone number will also change to 201-679-9111, effective May 25.

Several recent changes in all departments at KSJO, San Jose include former KMBY, Monterey MD Patty Martin new to weekends; Karin Kelly, with sister AM KHTT news since 1985, now serving both stations as fulltime New Director; Jeanne Sadler and Kent Van Arnum joining as account executives; Russ Reynolds joining as Sports Director for KSJO and KHTT; Janet Philpott named assistant to the GM and Sales Managers; Mary Beth Powell named sales coordinator after a similar capacity at KFOG, San Francisco, and Beverly Wells named promotions assistant for the AM & FM.

The album is titled "Girls, Girls, Girls", so it's no surprise that Motley Crue's May 20 press conference broadcast from LA's NBC Studios via satellite to over 60 stations featured the band and a female who's who of radio. Hosted by WMMS' Dia, the 60 minute broadcast presented by Elektra and NBC Radio Entertainment also featured questions from KGB's Pam Edwards, KLOL's Dayna Steele, KIIS' Liz Fulton and Z-Rock's Boobie Bondage. The band fielded live phone calls coast-to-coast, played a lot of the new album and were basically their rowdy, hell-raisin' selves for the length of the transmission. They also announced dates for their upcoming tour with Whitesnake. The tour starts on June 19 in Tucson, with stops in Phoenix, Albuquerque, El Paso, Austin, San Antonio, Houston, Oklahoma City, Shreveport, Biloxi, Little Rock, Wichita, Kansas City and Des Moines.

After nearly two and a half years at WBMW, Washington, D.C., 16-year radio veteran Steve Drepperd (a.k.a. B.T. Stevens) has crossed the street to take on the Production Director chores at rival Classic Rock outlet WCXR, effective May 4. Drepperd worked his way up in the ranks at 'BMW from Production Director to PD, taking on the latter position in December when former 'BMW PD Bob Kaghan was awarded the National PD post for Metroplex Communications. He programmed the station's final book as a Top 40 outlet when 'BMW was the only CHR in the market to show an increase in ratings share. He and Kaghan also are co-owners of P-1 Productions Company, which does ID's and sweepers for most of Metroplex's client stations, as well as B104 in Baltimore and Power 105 in Albuquerque. Drepperd's priors include work for clients of E-Z Communications, Infinity Broadcasting, Metromedia and Doubleday Broadcasting, in production and programming. Also recently occurring at WCXR is PD Doug Gondek resigning as PD to concentrate solely on middays. Kaghan is overseeing the programming of the station for now.

Randy "Animal" Turner, former PD of Willmington, NC Top 40 outlet WVBS, has resurfaced on WRFX, Charlotte nights, effective May 18. According to 'RFX PD Bob Chrysler, "We made him an offer he couldn't refuse." In more news from 'RFX, the station is in the process of moving into a new studio and expects to be at its new location on June 6. The new address will be 915 E. 4th St., Charlotte, NC 28205.

At WIOT, Toledo, PD Keith Masters has announced the promotion of Becky Shock to Promotion Director. Becky also switches from 10P-2A to middays, replacing former midday

ROCK OVER LONDON
PLAYLIST

Show airing internationally during the week of May 31...with WNUZ, Talladega, Alabama, joining the ROL network.

SIMPLY RED/"GODIVA'S ROOM" (ELEKTRA)

Simply Red sound just like Split Enz on this unusual and exclusive - new song.

CHRIS REA/"LET'S DANCE" (MAGNET)

Time for Chris to move from the album charts into the singles charts, we think.

DANNY WILSON/"DAVY" (VIRGIN)

Yes, the Lp's every bit as good as "Mary's Prayer" suggests, and this is the new UK single from it.

WHITESNAKE/"IS THIS LOVE" (EMI)

The new UK release is a Foreigner-ish ballad.

iQ/"PASSING STRANGERS" (SQUAWK)

From the same stable as Def Leppard, a five-piece band with a distinct hint of Asia about them on this track.

THE ROCK OVER LONDON TOP FIVE

- 1 (-) JOHNNY HATES JAZZ/"Shattered Dreams" (Virgin)
- 2 (-) ZODIAC MINDWARP & THE LOVE REACTION/"Prime Mover" (Mercury)
- 3 (3) WET WET WET/"Wishing I Was Lucky" (Precious Organization)

4 (5) THE CULT/"Li'l Devil" (Beggars Banquet)

5 (-) THE FALL/"There's A Ghost In My House" (Beggars Banquet)

This week's interview guest is Dennis Greaves of The Truth. Our Rock Request is George Martin's own selection from the anniversary Lp of the week, "Sgt. Pepper".

The second annual Montreux Rock Festival took place last week and Rock Over London was there rubbing shoulders with the stars and the people who make the stars. We chatted to many of the up-and-coming British bands who are being paraded as their record companies' hopes for the future, like iQ, IMMACULATE FOOLS and more established chart names like LEVEL 42 and CUTTING CREW. We also got together with DEF LEPPARD'S manager Peter Mensch who reported that the new Leppard album will now definitely have its worldwide release on July 10.

More Montreux scuttlebut next week, but meanwhile the British press has been full of stories about the ungentlemanly behaviour of those BEASTIE BOYS at the festival...much of it specially manufactured by the more sensationalist rags for a juicy headline or two. However, the TV companies, including the BBC, did find it necessary to dissuade them from using some of their favourite stage props and they expect to do a spot of editing before the Beastie set is broadcast.

And according to JULIAN LENNON, who is currently living a stone's throw away from Montreux, stories about his intentions to record and play with the remaining BEATLES are to be taken with a large pinch of salt...JULIAN says GEORGE HARRISON sent him a tape and asked if he'd like to take part, but he decided to decline the offer.

MUSIC NEWS

Continued From Previous Page

As the new independent TV chart show "The Roxy" prepares to go on air for the first time, the latest disagreement surrounding it is about the chart that will be used. The independent radio network uses the Network Chart, an alternative to the BBC-commissioned (and more recognised) list, and the "Nettie", as it's known in the business, differs from the BBC poll in one important way - like the Billboard Hot 100, it's weighted to take radio airplay into account. The producers of "The Roxy" want this airplay element to be removed, judging that it's irrelevant to a TV viewer - and thus confusing the audience even more as they would then have to deal with three different sets of numbers for every hit record: Beeb chart, Network Chart with airplay, and Network Chart without airplay. MRIB, the compilers of the Nettie, are resisting the move to adjust the chart. Meanwhile, more details about the format of the show itself: producer Alastair Pirrie reports that each programme will include five bands in the studio, 12 video clips and two full videos. Sounds promising: 19 records will thus be featured, which is well up on the weekly average on "Top Of The Pops". Furthermore, the Saturday morning repeat of the program will include updated chart information and a video vote allowing viewers to decide which of two videos will be shown the following Tuesday. DAVID BOWIE has already been booked for the first show so we await June 9 with great interest.

A new music video featuring TRAFFIC live in concert in Santa Monica in 1972 is out on May 29 in the UK from Channel Five.

As you were in the Lp chart, with the top four all holding their positions, which meant a second week at number one for Curiosity Killed The Cat. "Keep your Distance" added another 50,000 sales to its first-week figures of 100,000. It was, incidentally, the first debut album to enter the chart at number one since FRANKIE GOES TO HOLLYWOOD managed the same feat in November 1984. Surveying the rest of the Lp chart, we find but one new entry in the Top 50, and that a TV-advertised greatest hits compilation by TOM JONES. SPEAR OF DESTINY'S "SOD The Epic Years" debuted at 53 and REM'S "Dead Letter Office" at 60. Only one other new entry in the 100, with RICK WAKEMAN making his first album chart appearance since the summer of 1981 as The Gospels' snuck in at 94. Last week we omitted to mention the reappearance of the latest BEATLES CD releases on the chart - they were "Revolver" at 55, "Rubber Soul" at 60 and "Help!" at 61. All three slipped back a little this week; we're taking bets now on the entry position of "Sgt. Pepper's" in a few weeks.

The Eurovision Song Contest duly took place in Brussels on May 9 and Irishman Johnny Logan's "Hold Me Now" came out the winner. Logan won the Contest in 1980 with a song which went on to top the British charts, "What's Another Year", and he's the first artist ever to win the competition twice. The UK entry, Rikki's "Only The Light", finished in 13th place, our worst ever showing. Somehow we feel the British music industry may survive.

Most of the dates on the THOMPSON TWINS' British tour have been cancelled because of poor ticket sales. They're now playing just four dates including London's Hammersmith Odeon and they've issued a statement apologising to their fans saying they're confident that sooner or later the album will do well and then they'll be back. It's interesting to hear that the support on the TWINS' American tour will be LEVEL 42 who recently had no trouble selling out 8 nights at Wembley Arena plus large venues throughout the country.

In what seems a rather desperate move by Chrysalis Records, last year's "U-VOX" album is being mined again for a new Ultravox single, "All In One Day", released on June 8. The

12-inch will include a previously unreleased song called "Stateless".

ROBERT PALMER and BRIAN TRAVIS - UB40'S sax player - have been collaborating on a film; BRIAN directed the much-acclaimed video of his band's Russian tour last year...meanwhile singer ALI CAMPBELL has been doing a spot of producing for ex-prisoner PETE GILLETT whose friendship with one of Britain's most notorious jailbirds REGGIE KRAY led him to write the song "Closet Queen"...REGGIE is a UB40 fan and wrote to ALI asking for musical guidance.

And while UB40 are thinking about their next trip to Russia, two rock bands from the USSR have been invited over to London to perform at the Capital Radio Music Festival in July. Dialogue and Aria are the first Soviet rock groups to benefit from the upsurge of cultural exchange between our two countries.

Sixties rockers THE SEARCHERS and GERRY AND THE PACEMAKERS get together for a 25th anniversary tour which begins at the London Palladium on May 31. They'll also be joined by PETER SARSTEDT whose "Where Do You Go To My Lovely" was a number one hit here in '69. The Palladium show is being sponsored by a London estate agency who've also been going for 25 years and whose claim to rock 'n' roll fame is that one of their directors used to be a session backing singer for the DAVE CLARK FIVE!

The SMITHS have parted company with their manager of four months, Ken Friedman. His apparently autocratic style of management led to disagreements with the band over personnel and videos and it was Friedman who arranged for them to play in Europe this summer without confirming it first with the group. Ads for the festivals in Holland and Germany appeared with The SMITHS on the bill and misled many fans.

U2 fans have been warned to beware the bogus backstage pass...some unscrupulous person has been selling fake passes for the bargain price of five to ten pounds...Island records have said anyone trying to use one to get backstage at the band's UK gigs will find themselves back outside.

The English summer approaches (ha ha) and heralds the start of the outdoor concert season...Wembley Stadium is gearing up for the record crowds expected for U2, DAVID BOWIE and GENESIS and events at other sports grounds throughout the country will keep the groundsmen busy for months after. And Glastonbury's fields will definitely be muddy again now the festival's CND organisers have won their battle against the local council for a license...it will take place from June 19-21 and among those appearing will be ELVIS COSTELLO and VAN MORRISON. Other events for the weather watchers include a couple of events at Finsbury Park in North London - on June 6, Factory Records are holding a mini-festival under canvas featuring NEW ORDER and THE RAILWAY CHILDREN...THE POGUES headline at the "Picnic In The Park" on July 18 and on the same day, down in south-west England, SIOUXSIE AND THE BANSHEES, PUBLIC IMAGE LIMITED, NEW ORDER and SPEAR OF DESTINY perform at Plymouth's first ever outdoor rock event.

But in this business, winter creeps up very fast...tickets have just gone on sale for MARILLION'S UK gigs in November and December including 2 nights at Wembley Arena...the band's world tour will last 9 months.

GARY GLITTER proves you're never too old to rock as he sets off on yet another major tour supported by Scottish rockers THE FORCE who also headline a few dates north of the border...PETER GABRIEL will be supported on his UK dates by YOSSOU N'DOUR and his band the SUPER ETOILE DE DAKAR - N'DOUR sang guest vocals on GABRIEL'S 'SO.

GENESIS release "Throwing It All Away" as their next UK single on June 8, the B-side will feature "I'd Rather Be With You"...MIKE OLDFIELD'S new release is "Merge In High Places"...BOY GEORGE follows up "Everything I Own" with "Keep Me In Mind" - he shot the video for it during his recent stay in Barbados...it'll be interesting to see if George faces competition on the chart from fellow CULTURE-CLUBBER JON MOSS whose new band HEARTBEAT UK releas their first record "Jump To It"...half of Japan are about to reappear as the DOLPHIN BROTHERS - STEVE JANSEN AND RICHARD BARBIERI have a single out at the beginning of June...ex-Altered Images girl, CLARE GROGAN is back on the scene with a solo release called "Love bomb" and an album expected next month.

Still no news on when that SIMPLE MINDS live album will arrive...Virgin tell us the very fetching black and gold sleeve is sitting there just waiting to be filled...in the meantime we can expect the first single from it on June 8 - "Promised You A Miracle 'Live".

London Records is making the most of the TOM JONES revival with a 12-inch single, no less, featuring his 1965 UK number one "It's Not Unusual" in both its original and a new extended version.

The new ABC single "When Smokey Sings", out May 25, is the band's tribute to SMOKEY ROBINSON and fittingly sports a stomping, old-style soul sound - their biggest hit in a long time, we'd say. The fourth ABC album is on the way and it's called "Alphabet City", recorded in London and produced by the group in association with Bernard (Chic, Power Station) Edwards. The 11 tracks on the Lp are: "Avenue A", "When Smokey Sings", "The Night You Murdered Love", "Think Again", "Rage And Then Regret", "Archangel", "King Without A Crown", "Bad Blood", "Jealous Lover", "One Day" and "Avenue Z". The compact disc single release will feature an instrumental track not on the album called "Chicago" and a previously unreleased live version of their fourth hit from September 1982, "All Of My Heart", recorded live in Boston, Massachusetts in December of that year.

ROCK REPORT

THOSE OF YOU HOLDING TICKETS TO THE ROCK 'N CARAVAN '87 featuring the DEL FUEGOS, GEORGIA SATELLITES and TOM PETTY AND THE HEARTBREAKERS needn't worry about missing your show. The tour off this week, will proceed as scheduled despite a May 17 fire that leveled TOM

PETTY'S Encino, California home. Estimated damage was to the tune of \$800,000 but luckily TOM'S studio and master tapes were saved and only minor injury to a housekeeper was reported. Fire officials have ruled that the fire was the work of an arsonist as a flammable liquid poured on a wooden staircase touched off the blaze. JAMMIN' ME indeed!

STILL LIFE IS THE TITLE OF THE FORTHCOMING NEIL YOUNG record due June 23 from Geffen. Included on the Lp will be the following tracks: MIDEAST VACATION, LONG WALK HOME, AROUND THE WORLD, INCA QUEEN, TOO LONELY, PRISONERS OF ROCK 'N ROLL, CRYIN' EYES, WHEN YOUR LONELY HEART BREAKS, and WE NEVER DANCED. With YOUNG being signed to Geffen, the problem of what label the C.S.N & Y album will be released or has become quite a subject of intense litigation as Atlantic Records holds the rights to the reformed group. The reunion album is in fact just about finished and should be out by the end of the Summer. As we told you, the band began working on the project in Los Angeles last February with producer BILL SZYMCZYK. Some songs slated to appear on C.S.N. & Y's first studio album since 1970's DEJA VU are: COMPASS, HE'S AN AMERICAN, NOTHING IS PERFECT, THIS OLD HOUSE, TRY TO FIND ME, THE MONKEE AND THE UNDERGOG, CLEAR BLUE SKIES and BEFORE THE MOON IS FULL. Rumors of Summer outdoor stadium gigs are still being circulated.

GRATEFUL DEAD fans will see the light when Arista Records releases IN THE DARK next month. This Lp is the follow-up studio album to 1980's GO TO HEAVEN and will include new compositions from JERRY GARCIA and ROBERT HUNTER (TOUCH OF GREY, PUSH COMES TO SHOVE, WEST L.A. FADEAWAY, and BLACK MUDDY RIVER) BRENT MIDLAND (TONS OF STEEL), BOB WEIR and JOHN BARLOW (HELL IN A BUCKET and THROWING STONES). This is the band's last Lp for Arista. DEADHEADS will be glad to know that the group recently attained the rights from Arista to re-release selected albums from their back catalogue on compact disc. These cd's will be offered exclusively through mail order in the near future. The GRATEFUL DEAD are about ready to embark on an outdoor stadium tour with BOB DYLAN. Dates for this show have just been added in Eugene, OR as well as Oakland and Anaheim, CA. in late July. DYLAN and THE DEAD will be performing some songs together including MAGGIE'S FARM, SERVE SOMEBODY, TRUCKIN' and THE BEATLES' NOWHERE MAN.

JOCKO HOMO ALERT! You DEVO fans know what we mean and you'll want to get your hands on their just released E-Z LISTENING DISC available through Ryko Compact Discs. Featuring muzaky versions of their greatest hits like WHIP IT, GIRL YOU WANT, MONGOLOID, SATISFACTION, JERKIN' BACK AND FORTH and more. This thing is only available on CD and features full dimensional sound which is the only way to listen to these devolutionized spuds.

ROY ORBISON, an original rockabilly artist who perhaps possesses one of the most distinctive crescendoing voices, is gearing up for the release of his GREATEST HITS package coming this week via Virgin Records. The album will feature some classic ORBISON tunes along with some re-recorded material. One of the songs appearing on the disc is IN DREAMS, a tune that went to #7 in 1963 and recently made a comeback courtesy of the film BLUE VELVET. As a matter of fact, BLUE VELVET director, DAVID LYNCH, is lensing the clip for ORBISON. The video should be one to keep an eye out for because, if you saw the movie and remember the scene which the song was featured in, you'll need to fasten your seatbelt to watch it.

SPEAKING OF MOVIES, THE BEASTIE BOYS SCARED STUPID goes before the cameras in July and should be in local theatres by Christmas. According to THE BEASTIES we can liken this film to a THREE STOOGES comedy where MIKE D inherits a haunted mansion from his great Uncle and to claim the fortune, THE BOYS have to stay in it overnight. In more BEASTIE news, a video compilation featuring five clips from the LICENSED TO ILL album will be released through CBS/FOX Video on June 25. Included on the tape will be SHE'S ON IT (previously unavailable on any album), HOLD IT,

HIPSWAY: Hipsway kicked off a six week U.S. tour in Rochester, New York. They'll be playing clubs through June 13th in Atlanta. Their second single and video, "Ask The Lord", have just been released.

RUN D.M.C.: Nike may have the Beatles, but Addidas has Run D.M.C.. The rappers have their own shoe and clothing line due in stores at the end of July. The first items will be basketball shoes - Fleetwood, El Dorados and Broughams.

BOSTON TOUR TO HIT NINE CITIES: Tickets went on sale for Boston's first tour in eight years. The group announced at a

press conference in Boston that they will be playing nine cities beginning June 20th in Dallas at the Texas Jam. Other cities on the itinerary are Philadelphia, New York, Detroit, Los Angeles, San Francisco, Seattle, Chicago and Boston. Tom Scholz, leader of the band and inventor of "The Rockman", invented all the gear he will play through on the tour. He will also personally oversee all the technical aspects of the stage show. The six man band will be playing the quadruple Platinum "Third Stage" in its entirety, as well as songs from "Boston" and "Don't Look Back". Scholz also announced that he's presenting Greenpeace with a check for over \$200,000, royalties from the song "To Be A Man", that he pledged to the organization earlier this year.

WANG CHUNG TO OPEN FOR TINA TURNER: Wang Chung will be Tina Turner's opening act on a U.S. tour from August 10th to September 13th. The group says they're looking forward to the dates because, "Besides being longtime fans, we wouldn't pass up the opportunity to go on tour with the hottest pair of legs known to mankind." Wang Chung just shot a video for "Hypnotize Me", the third single from their album, "Mosaic". The song will also be used in the Steven Spielberg movie "Innerspace", which opens July 2nd.

WAGENER PRODUCING NEXT ALICE COOPER LP; READING FEST ON EUROPEAN TOUR: Alice Cooper returned to the studio to record his second MCA album. Michael Wagener, who mixed the "Constrictor" album after Beau Hill produced, is producing Cooper's new album. Alice and guitarist Kane Roberts co-wrote all the songs for the new Lp, which will be released in September. Roberts, meanwhile, will have his own album out on MCA this summer, also produced by Wagener. Alice will return to performing with a five week European tour beginning at the end of August, which will include a headlining appearance at the Reading Festival. Cooper is currently enjoying a Top Five hit in Sweden with "He's Back"; "Constrictor" is also in the Top 20 there.

U2: U2 kicks off the next leg of its world tour in Rome. It's a 21 city European tour.

PHIL COLLINS: Phil Collins announced at The Cannes Film Festival that he and Julie Walters start filming "Buster" October 5th, almost one year after the project was first revealed. The \$6.5 million production is described as a romantic comedy about Britain's great train robber Buster Edwards and his wife, Jane. It will be shot on location in London and Mexico.

BOB DYLAN: The Bob Dylan-Fiona movie, "Hearts On Fire", is scheduled to open July 24th.

MICK JAGGER: Video director Zbigniew Rybczynski, whose video for John Lennon's "Imagine" is the first music video to compete at The Cannes Film Festival, will do the first video from Mick Jagger's new solo album. He's also just finished videos for Boy George, and for The Art Of Noise, which is also for the film "Dagnet '87". The director said it was Yoko Ono's idea to make a video for "Imagine".

PETER GABRIEL: Peter Gabriel kicks off his North American tour July 10th in Ottawa. All of his July dates are in the east and midwest.

ETHNIC INFLUENCES ON MAC ALBUM CAME FROM BUCKINGHAM: The ethnic musical influences on Fleetwood Mac's album, "Tango In The Night", can be attributed to Lindsey Buckingham. According to Buckingham, he had to turn to other sources for inspiration because, "If you don't draw from things other than what's on the radio, you're going to be regurgitating what has already been regurgitated." Buckingham says he's been listening to a lot of oriental music, particularly the Japanese instrument, cota, as well as Tahitian music.

TRUTH LIKE CONSEQUENCES OF NEW SOUND, LINE-UP: The

Truth started a six week tour with Eddie Money at the Greek Theater in Los Angeles. The band just completed a three-week, low profile "Debut" tour on the U.S. opening for Squeeze on Eastern college dates. Dennis Greaves of the band says the Squeeze tour was primarily to work out the show with the three musicians who are backing up him and partner, Mick Lister. With "Weapons Of Love" climbing the charts and the show going so well, Greaves says they hope to spend the rest of the summer touring the U.S.. They've already spent three days remixing "Cover Up My Face" to have it ready as a second single and are planning to shoot a video for it during a break in the Money tour. "Cover Up My Face" was one of the songs that convinced Greaves the old Truth wasn't working out. They tried recording that song, as well as "Winterland" and "Until It Burns", with the former line-up and producer Martin Rushent after they returned to England from an American tour at the end of 1985. Greaves and Lister didn't like the results and fired the other three band members. "Weapons Of Love", which took a full week to complete, was the last song done for the album. "It's got all the ingredients of the others," Greaves said. "We finally found a direction."

BRUCE SPRINGSTEEN: Bruce Springsteen has been in the studio recording with steel guitar player Jay Dee Maness of the Desert Rose Band.

ANDY TAYLOR LAUNCHES FIRST SOLO TOUR: Andy Taylor has launched his first tour since leaving Duran Duran. In Taylor's band are Patrick O'Hearn from Missing Persons, and Paul Hanson, who most recently was playing with the Vanilla Fudge reunion. Hanson was a student and teacher at Tim Bogert's Music School in Los Angeles before joining Vanilla Fudge and Taylor's band. Taylor played his first date in San Francisco and then joined the Psychedelic Furs tour.

KEEL: Keel has landed the coveted opening spot on the last leg of the Bon Jovi "Slippery When Wet" tour, running from July 21st through August 10th. Before that, Keel will be opening two shows for Motley Crue.

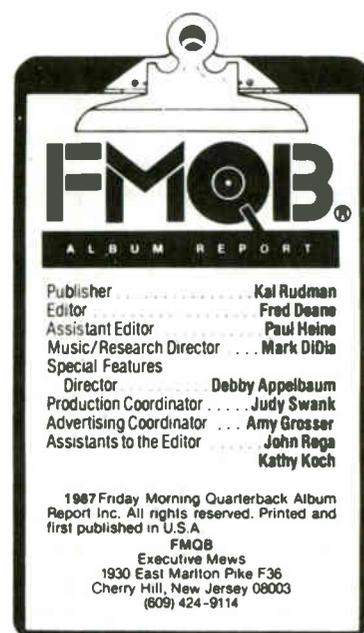

THE HOT SCHEDULE OF SUPERSTARS rocking in the NYC metro area in the next several weeks continues unabated. Genesis moves into Giants Stadium on Saturday and Sunday (5/30 & 5/31) with special guest star Paul Young. Billy Idol has many of his fans on pins and needles as he returns to Madison Square Garden on Tuesday, June 2nd. Other major shows coming to the Apple include: Bryan Adams with special guests, The Hooters, for back-to-back concerts at Madison Square Garden on Thursday, June 18th and Friday, June 19th, and a big blockbuster featuring heavy metal heros Deep Purple and support band Bad Company on Saturday, June 20th at the Nassau Coliseum. Also, Deep Purple and Bad Co. will rock the Jersey Arena in the Meadowlands on the 22nd of June. Finally, John (Capitol Theater) Scher has a blockbuster planned for Giants Stadium on Sunday, the 12th of July. It's Jerry Garcia and the Grateful Dead, and a man who's written many a hit during his long career, Bob Dylan. Bon Jovi will play one-nighters at Madison Square Garden on the 1st and 2nd of August (Saturday and Sunday). We hear that a third show should be announced momentarily.

PHIL COLLINS, MIKE RUTHERFORD, AND TONY BANKS of Genesis will meet the press and media mid-day at Giants Stadium on Saturday, May 30. The entire band will be on hand, and a surprise announcement might be made. Meantime the Genesis album has breezed past four million, and they are working on five singles so far. After all, when you spend ten months on the road as Genesis is doing, the impact is tremendous, and what this Quarterback hears about Phil Collins doing a big movie? Their last American date will be Sunday, May 31 when they return to Giants Stadium.

ALBERT BOUCHARD, VETERAN ROCKER and former member of The Cult, has been asked to rejoin the group and has agreed. Meantime, the band is working nonstop on a new album which is slated to be called "Imaginos", comprised entirely of songs that Albert was working on for his solo album, which was one of the most expensive unreleased projects ever recorded. Veteran producer Sandy Pearlman handled the honors. The Boston dates are July 2nd and 3rd at the Meadowlands Arena as part of a nine city tour, and they just added a third date.

POLYGRAM PRESENTS QUESTION of the WEEK

How would you define your station's image in your market? What effective image enhancing promotions, marketing campaigns and programming features has your station done lately?

TED UTZ, WMMR: "WMMR is the out-in-out number one, dominant radio station across the board. Everybody in town knows it. We're the music information source. We have every new record first. We're as close to all things to all people as we can possibly be... Our latest image enhancing promotion was the Louie Louie parade. With being all of those things that I just mentioned, it's nice for the listeners to know that we don't take ourselves too seriously. It's a very important element to be able to stand back and laugh and do something insane like a Louie Louie parade."

REDBEARD, KTXQ: "Not to be contrary, but what I think is our station's image is irrelevant. The perception of the audience is reality in media, so our audience, our cume, seems to perceive us as the new music station and adult rock & roll station. This is opposed to the widely held perception by people outside of our cume that we are a hard rock station. What we're doing to change the image with those who don't cume us is lots of public service promotions and a solid well researched T.V. campaign, we don't try to be crud or blue with our humor. We try to have a balance with males and females, blacks and whites on the airstaff to go along with the makeup of the community. The other thing that we really do differently than the other stations, not only here but around the country, is we really actively localize. It's come up time and time again in focus groups, that the only station that beats the drum for Texas and Dallas/Ft. Worth, the only one that plays local and regional bands is Q-102. We're real proud of that and we will continue that."

TOM EVANS, WIYY: "We are a heritage rocker and we absolutely own the concert leader position....We've taken the morning show to London and the afternoon show to LA for Grammy week. Right now, we're doing a 'One Millionth Song' promotion, which continues to drive home our heritage position. In March, we had a 10th Anniversary month long celebration with concerts and club dates and giveaways. It even included a 10th anniversary logo change. We just sent two

listeners to Paris to see Genesis. And, of course, once again this year, 98-Rock hosted the Preakness Steak Infield party at Pimlico where 65,000 rock and rollers partied with Tommy Conwell and the Young Rumlbers and 98-Rock. We love those small intimate gatherings!"

DAVE LONDON, WEZX: "That's very simple. We are an adult rock and roll radio station... Our target audience is 18-34 adults so before I do any type of image campaign or promotion, I've got to look at their lifestyle and their likes or dislikes. To do that, I go out on the street and talk to our target audience. This is an ongoing job for me. Once you've analyzed that information, you can apply it to different types of promotions. For instance, one thing we've done recently was a promotion where we sold gas for 10.7 cents a gallon. This was targeted to an 18-49 adult audience. It was very successful and very effective. We had traffic jams for over a mile. Another feature we have is an anti-drug and alcohol campaign where we have a high school senior come into the studio and record a 15 second PSA. This is great for enhancing our image in the marketplace and it gives us great credibility, not to mention the buzz it creates among the high school students. Maintaining and developing our image is a constant process with us and this is just a sampling of what we do."

POLYGRAM ROCKS RADIO ROCK N' QUOTE OF THE WEEK

"Let me be one of the first to shout the praises of Tom Kimmel! This guy has the goods of a soon-to-be major artist. His debut album '5 to 1' is loaded with great songs that could easily cross over. I think this record is real."

-J. David Holmes/KUPD

MARK CHERNOFF, WNEW: "WNEW-FM's image in the market is as the leading rock & roll radio station. We are very visible on the streets with all of our promotional items. We also do many live broadcasts, both of bands and of events such as being live from Asbury Park on Friday (May 22) with all of our jocks, plus live music from 4 different bands. We get involved with charities such as: TJ Martell, Cerebral Palsy and many others. We always remain on top of things with our concert information and ticket giveaways, and are always first in New York in playing new music. We aggressively pro-

mote the station and get involved with appropriate events as much as possible. Our giveaways included 20 Suzuki Samurais in 20 days to celebrate our 20th anniversary. We try to make our contests worthwhile and interesting to participate in. Our main product, however, remains our music, combined with the best jocks in New York City."

JIM TRAPP, KZEL: "KZEL is the heritage AOR in a two-AOR-market. We have a long standing reputation for a progressive and topical relationship to the market. This permits us, in combination with the liberal university nature of the town, to be musically aggressive. Our policy is to break new bands and play them often, taking some of the trendsetter status away from our CHR competition. ...Away from the turntables, we maintain close working ties with organizations like food banks, community task force on women's issues, and small business cooperatives that typify our long association with the community. Promotionally, we're very active, but the stress is on being adult rather than adolescent. This requires an avoidance of bad taste so as not to embarrass the potential 30+ listener. But it's important to remain light and to continue having fun as well, as this audience retains a very young mindset."

TOM SHEPPKE, KISS: "I'd like to be perceived as a rock station, but I know we're perceived as a hard rock station, and in some instances, depending on age, we're probably perceived as a heavy metal station. That's the nature of the beast, when you do play some of the harder stuff. I think at this stage of the game, musically we wanna continue to keep playing the harder edge stuff, but we also try to be in the middle, sort of like a pendulum swinging both ways."

DAVE KANE, WCMF: "WCMF image in Rochester couldn't be any stronger than it is right now, which is that of an 18 year heritage rocker that many people grew up listening to, and still remain the station of their choice. A lot of hard work goes into maintaining and improving upon the legacy and the heritage, and our promotions are geared towards the audience that grew up with us, taking into account where they're at currently in their lives. In the last 6 months, we've given away a 1987 Thunderbird, a brand new 17 foot motorboat, a 96 second run through a bank vault that netted the winner over \$10,000, and in celebration of our current 18th birthday, we're giving away an 18 year old mint condition Camero convertible. The strongest and most identifiable aspect about WCMF is that it seems we've just always been here playing rock and roll."

RON GARRETT, KRXQ: "Our image in our market is one that deals with new product. We tell our listeners that this is the station where they'll hear a lot of good, new music. We do a show on Sunday nights at 9 P.M. called 'Out Of The Box'. It features all the best new music to come into the 93-Rock studios in the past couple of weeks. This forces me to listen to all the new music that comes in for two purposes. Firstly, to be considered into the new show and to keep me in touch with all the new product for full time adds. Secondly, I can hear how it sounds on the air, and it gives us an opportunity to get early listener reaction. The station's programming as a whole, deals with a younger audience than that of our competi-

tor. We expose all kinds of new product from Motley Crue to The Long Ryders. We have a tendency to go on music early, which can be dangerous. This week, in particular, is a slow week for us since we're already on most everything that's new. Variety is the bottom line at KRXQ."

GREG MUNDY, KPOI: "98-Rock is the classic rock powerhouse and the rock of the '80's showcase. 98-Rock is the station that makes things happen in Hawaii. As far as image enhancing and programming features, we have recently taken on the Larry Bruce '10 in a row' format, which has been extremely effective for us and includes all kind of image enhancing possibilities, like 10 in a row CD giveaways, 10 in a row ads on television are great and anything revolving around the number 10 works wonderfully. Aloha from Hawaii."

KEVIN VARGAS, KWHL: "Our image is as Alaska's Home Of Rock and Roll. Our consistency in approach and presentation has identified to the audience that they know what they are going to hear (when they turn on K-WHALE) their favorite rock and roll. No liner, campaign or great scheme gets results as effectively as letting the product identify you. Anchor-age knows we play a wide variety, the rock classics, the hottest new music and the heaviest crunch in town. Our avoiding hard core heavy metal (the dance/Pop sound of the CHR's) and staying to the mainstream has successfully developed the perception of delivering our target audiences taste, and the numbers prove it."

JOHN FOSTER, KMOD: "As far as our image in the market, we have a very high standing rock and roll image and very dedicated listeners. During the month of May, we're giving away one CD player, along with a copy of the yet-to-reach-the-stores Beatles 'Sgt. Pepper' CD to one listener a day for 31 days."

DON BERNS, CFNY: "Our image in the market is that of the radio station, willing to take the most chances with different kinds of music, although the different kinds of music that we have played over the last 10 years causes some people still to think of us as a punk or electro-beat station, which is a tough hump to get over. The two most effective image enhancers that we have done for many years are: (1) The Casby Music Awards (formerly the U-Knows) which is probably the most expansive promotion done by any radio station, and is now carried coast to coast on network TV and in fact, has gone beyond a radio station promotion; which leaves (2) The CFNY Video Road Show, which is best described as an old fashioned sock hop done with videos and over a quarter of a million dollars worth of sound and lights. Without spraining my arm patting myself on my back (because I didn't really have anything to do with their promotion) this is without a doubt the most awesome, spectacular and effective way to reach a new audience that I have ever seen. Two years ago, we were drawing 4,000 - 8,000 people a night to Ontario Place. Two weeks ago, we drew 11,500 to Canada's Wonderland. We have also hooked up with a sponsor to bring the show at half price or free of charge to area high schools. The reaction at the schools is universal: to a school, they all say it's the best dance they have each year. This one really has to be seen to be believed."

BOB WALTON, WRDU: "Our image, quite simply, is the leader. We play the best new music first; we play the best of the classic rock and roll. We are involved in the community extensively. We're on top of all issues relating to the community. In short, we are 'the station of record'. We have attained this, both through programming promotions, i.e., sending someone to Paris to see Genesis

QUESTION OF THE WEEK

and by doing things like having a classic rock and roll weekend to raise \$4,000 for the Vietnam Veterans Memorial. We're a life-style oriented radio station."

HARVE ALAN, WCCC: "At WCCC, we are perceived as Hartford's rock and roll station, playing the best of the new rock and the classic rock that our audience wants to hear. We've been successful since this is a multiple AOR market, by imaging ourselves as 'your first choice for rock and roll'. Without being overly pretentious by making reference to being number one, our way is basically to plant the thought and let the listeners make their own decisions as to who's number one. Promotionally, we've made good use of the compact disc craze, both by talking about compact discs and by playing the most in the market as well as giving out compact disc players daily."

BILL BRUUN, KEZO: "Overall, our image is outstanding. The folks that built this place; Jim Eddens, Jim Carter, Don Davis, Greg Gillespie and Bruce McGregor have done a super job, not only imaging the station with the audience, but with the advertising community as well. A number of stations have perception problems, and a lot of stations don't know they have them, but these folks have addressed it on every level a number of years ago. The foundation has been extremely well built, we're just adding on the upper levels. Our main thrust is the return of our morning team."

RADIO ACTION

CFNY, TORONTO, CN ASST.P.D./M.D.-DON BERNS:
"I sat down with 'Two Fisted Tales', and you know what?--The Long Ryders definitely have one of the best albums out this year: strong, fresh, current, and rooted in the absolute best American rock 'n roll tradition. 'Two Fisted Tales' is loaded with real and potential hits. We're off and running with 'Gunslinger Man', 'I Want You Bad' and 'Spectacular Fall', which is sure making for a spectacular spring...Speaking of the weekend, it was a long one, what with The Victoria Day holiday. And in honor of ol' Queen Vicki, we all practiced our 'Primitive Love Rites'. Oh, is that a song by Mondo Rock, and is it running through my head because it sounds so damn good on the radio, and are these new mixes of the song available? You bet on all three counts!...Also running through my head these days is the Stage Dolls 'Commandos'---hook city, modern music, outstanding summer programming...Speaking of summer programming, (there will be no non sequiturs this week), the cool record of the week is the Arthur M. Baker remix of War's 'Low Rider'. The time is right for this song to make a comeback. Both mixes of the MCA import are worth your attention...Speaking of imports, The Men They

Couldn't Hang are back and 'Ghosts Of Cable Street' is without a doubt the most accessible song they've ever done...On the album front, Ivar sez, 'Nightclub it all day long with the Replacements.' (Ivar's always had a way with words)...I say check out the Bears too. If this one doesn't cross immediately, if not sooner to AOR, then I don't know what will. Straight ahead rock 'n roll with a full production and Adrian Belew too means you can be bullish with the Bears...And if you're not playing the Thrashing Doves yet, shame on you. 'Beautiful Imbalance', 'Jesus On The Payroll' and 'Biba's Basement'--nary a weak track on this one...Finally, thanks to the Godfathers and Gary Daly of China Crisis for stopping by for live mike interviews. Special thanks to Virgin for putting together the China Crisis Bowling Party. Rather than play American football in their 'spare' time, China Crisis likes to bowl. From all reports, they're much better musicians."

KSJO, SAN JOSE, CA M.D.-DAVE NUMME:

"It's nice to have Warren Zevon back. Too bad he couldn't find any good musicians to play with him. 'Sentimental Hygiene' is fabulous...Andy Taylor has a summertime hit with 'Don't Let Me Die Young'...The Crue is over-the-top with 'Girls'...And Petty is still #1 around here. Sorry to hear about your house, Tom...Special thanks to Ray Gmeiner and Michelle Meisner at Elektra. That Helmet Boy project should be a top priority for all smart programmers."

WXRK, NEW YORK, NY ASST.P.D./M.D.-BOB KRANES:

"First off, kudos to Lin Brehmer. His comments last week should not be taken with a grain of salt...Warren Zevon returns with his sarcasm in tact. Neil Young's guitar comes searing through. Undoubtedly Zevon's words and music will attain much attention...Wanna talk hip? Wanna talk now? Wanna talk wow? Then howl -- Omar & The Howlers is the most refreshing thing on the radio today...Tom Kimmel brings me back to the days of one-listen records. Boy, if 'Freedom' doesn't knock you over the head, then get a new head. Seriously, this is a song that must be on the radio. Tom is a lyricist that must be heard; it's as simple as that...From Brewer country comes 'Fire Town'. What a great sounding record. It sounds as though this band has roots that go deep into American rock and roll. Their potential is endless...The flavor this week comes from John Hiatt and Steve Earle. Earle is on the verge of breaking wide open, and we will be there when it happens...John Hiatt has always had a soft spot on my turntable, and he has given us a very palatable record. The playing is fantastic and I see a real nice build...Over and out."

WCCC, HARTFORD, CT P.D./M.D.-HARVE ALAN:

"If there was a dictionary released this week, next to the word 'Buzz' there would be Warren Zevon's picture. This record sounds great on the radio...Now that CHR is rolling with Hornsby's 'Every Little Kiss', what are we to do? Play it live off the CD...Other adds this week go to Fogelberg, Omar & The Howlers, Bowie's 'Time Will Crawl', Ozzy Live (which is #2 sales in the market), and newcomer, Tom Kimmel...Other than music this week, it's ALWAYS nice to beat the competition hands down. The latest Birch monthly has WCCC up to a 10.1 12+ and WHCN at a 7.7. Demo-wise, we are #1 in Men 18+, 18-34, 25-34, 25-44, 25-54, and Adults 18-34."

WDVE, PITTSBURGH, PA M.D.-ANTHONY ALFONSI:

"Omar & The Howlers 'Hard Times In The Land Of Plenty' reminds me of old Credence with some Bob Seger thrown in. It's some of the freshest music I've heard in a while...Ace Frehley's 'Into The Night' should do well for us. Phone requests will probably be strong...And I was right about Motley Crue. It came in at #1 Most Requested...Pittsburgh is Seger town. We're already getting calls on 'Shakedown'...With Bon Jovi we've been noticing

lately that when people call to hear 'Wanted Dead Or Alive', they ask for the acoustic version."

WYNF, TAMPA/ST. PETERSBURG, FL M.D.-CHARLIE LOGAN: "Today's lesson in contemporary lingo: hip -- became cool -- became fresh. If you're looking to upgrade your freshness quotient, the Replacements is the band. 'The Ledge' won't leave you over the edge but will bring you to that line of excitement that the great radio stations seem to thrive around...Omar & The Howlers is scorching stuff. Take one part CCR, one part Georgia Satellites and blend nicely with a dash of AC/DC, and you have a summer concoction certain to satisfy your thirst for new, exciting rock and roll... Warren Zevon's 'Sentimental Hygiene: Neil Young should always sound like this and with R.E.M. backing him up, Warren has never been so fresh...Suzanne Vega's 'Luka' is a brilliant song with an infectious hook. It's one of those songs that gets stronger with each spin and is certain to up female and 25+ numbers."

WGTR, MIAMI, FL M.D.-THE BEARMAN: "Memo to Atlantic Records/Frozen Ghost management: Would somebody please get us the Frozen Ghost compact disc? We'll play damn near anything you want from that disc, but please put one in the mail before Midnight tonight. Mui Bueno, baby!"

WBAB, LONG ISLAND, NY M.D.-RALPH TORTORA: "On the surface, the line-up on this Zevon would seem like oil and water. Well, maybe oil and vinegar! But, oh contraire! I never heard any of them sound so-o-o good. Bravo, Warren and company...I get on my hind legs and howl for the Mississippi hoodoc man this week. 'Hard Times In The Land Of Plenty' is a great tune (AC/DC meets the Fabulous Thunderbirds). And it's a great album too. There's at least five other tracks I could hear on the radio with 'Don't Rock Me The Wrong', 'Mississippi Hoodoo Man' and 'Lee Anne' being personal favorites... Very special thanks to Bernie Taupin for taking time out to visit us last week---Also, thanks to David Ross for visiting with him."

WLIR, LONG ISLAND, NY ASST. P.D./M.D.-LARRY "THE DUCK" DUNN: "One of my favorite new songs this week comes from Belouis 'Let It Be With You' and is produced by Gary Langan of Art Of Noise. Belouis has always enjoyed strong support in this market, and with the new John Robie remix, let's hope that Belouis enjoys strong crossover

support...China Crisis Sold-Out three dates here in New York and Long Island. Their final American appearance at the Malibu nightclub (which we taped for a radio concert) is one of the best live performances of 1987...Pseudo Echo's 'Funky Town' is still enjoying Top 5 phones on these airwaves. No doubt about it, this will be the band's first American h-i-t. It was the #1 single in Australia for many weeks...Special thanks to Marie McKee of Lone Justice; Graham Skinner of Hipsway and Vince Clark of Erase for phoning in live on-the-air... Special thanks to John Taylor of Duran Duran for phoning in live from Switzerland... Screamer-Of-The-Week: The Smiths 'Sweet And Tender Holigan'."

WXRT, CHICAGO, IL M.D.-LIN BREHMER: "It's too bad our competition is smart enough to disallow our previous market exclusivity with Suzanne Vega and Steve Earle. We have had great success with each of these artists who provide unbeatable upper demo credibility, and who both succeed on the basis of their originality and talent. In a few months you will be casually wondering how you could have ever had reservations about the appropriateness of Steve Earle on AOR. Remember when Robert Cray was inappropriate? Whether it's the Jimi Hendrix Experience or U2, it always seems the bands destined for greatness are those committed to a sound or musical vision that cannot be easily compared to anyone else. These are the bands that develop and last...Some very good new records go on this week: 'Carry The Torch' by Fire Town is a beautiful song. Those rich harmonies and chiming guitars make Fire Town's Lp a stand-out...The Wendy Waldman song 'Living In Hard Times' kicks ass. 'Living In Hard Times' is a credible mainstream rocker...And Eruce Cockburn has released his best song since 'Stealing Fire' with 'Waiting For A Miracle'."

WKLS, ATLANTA, GA M.D.-BETH KEPPLER: "Draw blood! The Excitable Boy plus R.E.M. and Neil Young. Pinch me, it must be wishful thinking. NO, one listen to 'Sentimental Hygiene'--which conjures up the most bizarre bathroom images--dispels all doubt. Zevon is a true original. He writes and sings like no other and this song only sounds better with age. Accept no substitutes...We resurrected 'Smash Or Trash' every weeknight giving listeners a chance to rate the new music. Past history has shown that they tend to judge unfamiliar music VERY harshly and, because of the time, the harder the rock the higher the rating. Bearing that in mind, the only song that got a majority of positive calls was Omar & The Howlers. Honest rock and roll can't be hidden...On the other hand, they

WBRU, PROVIDENCE, RI M.D.-ALISON STEWART:

"Warren Zevon has his tongue firmly planted in his cheek. 'Sentimental Hygiene' is not only a listener response record, it's a song whose appeal grows with every listen...Omar & The Howlers give you a reason to rock. With those love 'em or leave 'em vocals, 'Hard Times' makes for a great radio tune...Many people think that the Replacements are an acquired taste, but the song 'Alex Chilton' should transcend all Adventure Club mind-blocks. If you're tempted, try it!"

KYYS, KANSAS CITY, MO ASST.M.D.-ELLEN GERDES:

"KY102 just can't seem to keep its jocks in our Kansas City studios. First, Skid Row took off to L.A. for a 'Live From L.A. Broadcast'. Now, midday personality Paul Fredrocks will be flying to New York to do his show live in the NBC Studios on May 29th from 11AM-3PM EST. KYYS is working on this project with NBC's 'The Source'. Both KY and 'The Source' are looking for artists to talk to Kansas City. Contact Michael Hughes at 'The Source' at 212-664-2727 or Ellen Gerdes at 816-561-9102 at KYYS."

KRXQ, SACRAMENTO, CA M.D.-RON GARRETT:

"Thanks to Ray and Michelle at Elektra for the 'royal treatment' in L.A. It was great to share a star-studded evening with Motley Crue. Hanging out at the Rainbow with Ray and John Entwistle was real casual too. The best part of the trip was the chance to share ideas with Dave Numme, Bill Prescott, Mark Davis, Michael Davis and Ray. Thanks to all at Elektra Records for bringing us together. By the way, Ray, could you put a rush on my Helmet Boy catalogue?...Pamela Roberts, my programming assistant, says this about John Farnham: 'I'm in love with the new John Farnham. 'You're The Voice' is a totally hot track and I'm glad we discovered it early. John, sweetie, you can sing in my shower anytime. What a cool song!'"

WLWQ, COLUMBUS, OH M.D.-WENDY STEELE:

"By the time you read this, we would have seen Bon Jovi blow away central Ohio!!!"

KLOL, HOUSTON, TX M.D.-HARVEY "DR. K." KOJAN:

"You've just finished another grueling Monday music meeting. You've succeeded in getting Suzanne Vega on KLOL. Now comes Cult time. Time to sit back, relax and CRANK UP THE CULT! Our promotion director, Doug Harris, walks by as 'Born To Be Wild' roars out of Rick's office. 'That's awful,' he says -- so we turn it up. 'Just Horrible.' Quickly we flip the album over and throw on 'Lil' Devil'. His face brightens. 'Yeah!', he sez, 'Now that's hot!' Thirty-seconds later he's asking for a copy. 'Electric' is now #5 sales in Space City, right behind U2, Ozzy, Whitesnake and Bon Jovi...Well kiss my ace! With Frehley #2 requests and Top 20 sales without benefit of any airplay, we figure, heck, he doesn't need our help. No, no, no--just kidding. Ace goes in this week...As does longtime Houston favorites, Omar & The Howlers. Can you say gritty? Omar gargles with Draino... By the way, if you're still bemoaning the dearth of new music on the radio, you may be interested to know that KLOL now plays 60% currents during the day and 75% after 7PM and on weekends."

WWDC, WASHINGTON, DC O.D./M.D.-CURT GARY:

"Music Meeting #1 is over. No cuts, scratches, or bruises--so we'll just pop the champagne. In our first week, we've taken care of a little unfinished business. It's been a wild and wacky Tuesday here, and I've met some

wonderful record people. I think they've all found out early-on that the 'Very' is no wallflower, so welcome to the dance!"

KBCO, BOULDER, CO M.D.-DOUG CLIFTON:

"Best New Release: Bruce Hornsby 'The Way It Is, 86/87 Tour'. The material is a year old now, but the live recordings give these songs new life...Best New Song: Warren Zevon 'Sentimental Hygiene'. First of all, you gotta love the title, and with members of R.E.M. plus Neil Young helping out, Warren can't miss. I'm hungry for the Lp...Building: Bob Seger 'Shakedown', Richard Marx 'Don't Mean Nothing' and the Nylons 'Dance Of Love' all move into a power rotation. We've also added new cuts from Frozen Ghost 'End Of The Line' and Colourfield 'Heart Of America'...Instrumentals: Three new adds this week include Chet Atkins, the Yellowjackets and Acoustic Alchemy...Requests: Suzanne Vega, Dan Fogelberg, U2, The Damned and Mason Ruffner are hot!...Retail: U2, Suzanne Vega, Fleetwood Mac, Robert Cray, Crowded House, Nylons, R.E.M., Psychedelic Furs, Smiths, David Bowie and Tom Petty are the big sellers...Concerts: Bruce Hornsby And The Range kicked off the summer series at Red Rocks in front of an SRO crowd. His concert was quite different from those first shows that we saw at the Rainbow Music Hall last fall. Bruce seems much more comfortable in a concert setting now. He did a wonderful arrangement of Dylan's 'Girl From The North Country', and he ended the show with a beautiful new ballad for his third encore. I hope Bruce will have some time for vacation this summer, he certainly deserves it...Thanks: To Zak Phillips, our new RCA rep for the backstage visit with Bruce and Vanna Whiteside for delivering the CD player. Now my life is a digital reality...New to our KBCO weekend line-up: Former KTCL morning man, Gary Wolter."

KGB-FM, SAN DIEGO, CA M.D.-PAM EDWARDS:

"It's no more 'Hard Times' for Omar & The Howlers. They're on the path to fame and fortune. You can't help but rock back and forth when this band starts to jam...White-snake keeps the momentum going with 'Here I Go Again'. This album may be the surprise of the year. Once they start touring, reaction will be even more intense!...Besides being extremely topical, Jon Butcher's 'Holy War' sounds like nothing else on the radio. You can lift parts of it and make another soundtrack for the 'Jewel Of The Nile'. It's distinctive--you can't help but 'hear it' when it airs...Kudos to Polygram for the CD release of Bon Jovi's 'Wanted Dead Or Alive'. Everyone can find what they need on that one...Many thanks once again to the Glimmer Twins, Rock Dibble and Mark Gorlick, at Atlantic for bringing by Frozen Ghost. Arnold and Wolf are two of the nicest and funniest musicians one could ever hope to meet. Thanks once again for renewing my faith in rock and roll!"

WBCN, BOSTON, MA TAMI HEIDE, ASST. MUSIC

So, before I leave on my Portuguese tour, I'm trying to figure out if Suzanne Vega is the new Melanie, the new Joni Mitchell or maybe just the new Suzanne Vega. She's got a great deadpan sense of humor and has crossed over successfully from the coffee house circuit...Motley Crue has a great ad for their new album, and I can't wait for the press conference that we're airing...When I return we'll be all geared up for the Ninth Annual WBCN Rock And Roll Rumble."

Ryder--and to think it could have been your baby band in front of those potential CD consumers. Oh well, your loss!...The air-waves certainly aren't at a loss for excellent music: Omar & The Howlers cook! Omar has been a station favorite since his days with Austin Records. Rick Van Gil, now at WLNZ, probably is the happiest programmer of them all. His ears recognized this man's talent over a year and a half ago. Hey, Rick, the picture of Omar still hangs proudly in the office...I'm gonna go sit next to Keith on our Birch throne: Number 1 18-34; #1 25-54 Men; #2 18-34 Women; and a cume of 76 with Men 18-34. Can you say market dominance?"

WRFX, CHARLOTTE, NC M.D.-MARY LONDON:

"For all those who have not yet considered the World Party 'All Come True' -- seeing is believing. Saw Carl last night--Killer show! Lennon revisited. A must for all formats."

WXRC, CHARLOTTE, NC M.D.-JUSTIN PHELPS:

"Shirley MacLaine would be proud! We had burned out Bon Jovi's 'Wanted Dead Or Alive' but when we started playing the acoustic version, the song came back to life! Still getting requests for this tune!"

WZTA, MIAMI, FL M.D.-JEAN CASHMAN:

"Glad to be back with FMQB and looking forward to a great year as ZETA 94.9...Richard Marx sounds great. It sounds like the Eagles. It will be a huge hit and I see a big crossover ahead for the record...Heart has given us a great record for women with 'Alone'. If it sounds anything like 'Alone', the new album will do even better than the last Heart record--they're on a roll. Guess they got their love lives straightened out...Suzanne Vega is doing extremely well. Normally, when you play a song like that, you get calls from women but we're also hearing from men who like it...If people who are into Rush are calling for 'Luka', there's definitely something about this song--we got instant calls when we added it!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER:

"Just took a look at the most recent Arbitron, and was very pleasantly surprised to see that we beat our competition in Adults 25-54 and came out #2 in Men 25-34. The Spring ratings should prove to be very interesting in this market...Looking towards music and enjoying some of the new music: Dan Fogelberg proves he can rock 'n roll with 'She Don't Look Back'... Steve Earle is my pick for this week--big crossover. 'I Ain't Ever Satisfied' is a tune you can keep humming over and over... Warren Zevon can't go wrong with 'Sentimental Hygiene', especially with Neil Young helping out. It's good to see Warren getting well-deserved airplay."

WRQK, CANTON, OH M.D.-GREG MORRISON:

"Warren Zevon's tasteful insanity stands out in this week's pile. If you haven't yet given it a spin, do yourself the favor... Getting surprising phones on Ace Frehley, so, of course, we're more than happy to oblige...Question: Why do you suppose Bon Jovi didn't slip the acoustic 'Wanted Dead Or Alive' into the album? It's clearly superior to the Lp version...Thanks for the CD's--Keep 'em coming--Over and out!"

WPYX, ALBANY, NY P.D.-ED LEVINE:

"The Warren Zevon record is typically bizarre and will do very well!...The success of the Whitesnake record continues to amaze me--#2 this week in retail, so we're on a second cut which is 'Here I Go'...We went out early on the Patty Smyth record and I'm happy to re-add it now. Either I do that or

DelBalzo won't give me a moment's rest...

Mason and Sheehan head to London next week to broadcast live. It's the 20th anniversary of the Beatles' 'Sgt. Pepper' album. I'll be there babysitting them, and my wife will be babysitting me...Finally, I want to welcome Grego to the big time. He's our new 7:00PM-Midnight guy, and is going to do just super for us!"

WLNZ, LANSING, MI M.D.-CATHY DOWN:

"It might be NBA Playoff time but if you glance at our music adds this week, you might think that the next big wrestling bout is coming! All seven adds are powerful, heavy duty strong songs by artists with names like Ace; Omar; The Cult and Zevon. It actually may be the first time that I cheer these maulers on!..It also feels like a wrestling match with the brash battle of product but as the saying goes 'the real champ always comes through'. As for the NBA Playoff's, I might live in Michigan, but my heart belongs to the Celtics so come on Boston!"

WCMF, ROCHESTER, NY ASST. P.D./M.D.-DAVE KANE:

"Had the good fortune of seeing Rock And Hyde perform the other night. They turned in a great performance, not only of the new material, but some favorites from their days as the Payolas as well. The show never lacked intensity and most of the time was captivating...The Dan Fogelberg tune is currently my fave on the station and there's been pretty good early phone response...Also good phones for Mason Ruffner...Boston tickets went on sale the other day and sold over 10,000 seats in just under 2½ hours. I guess people want to see this band!"

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS:

"Only in the world of rock 'n roll could Dan Fogelberg deliver like this: A h-o-t tune with a lot of meaning...Being an old Warren Zevon fan, what can I say besides PLAY IT! ...Best of luck to Tom Marshall at KNAC. I hope he doesn't spend a lot of time on the beach writing heavy metal poetry...And finally, that All-Star-Reunion-Concert with Helmet Boy was something else. I really didn't end up on stage that night, did I?"

WXXP, PITTSBURGH, PA M.D.-DEB BRADY:

"'Mary's Prayer' by Danny Wilson is, without a doubt, a HIT! It has the jocks talking and the listeners phoning...If you're not playing Pseudo Echo, see them live. They were h-o-t in Pittsburgh and audience response to 'Living In A Dream' and 'Funkytown' was amazing...Thanks to Jay Brooks and Elektra Records for helping to make our Cure Preview Party a success. 'Kiss Me Kiss Me Kiss Me' was a crowd pleaser for both old and new Cure fans. This should be a big year for The Cure!"

"Coming soon--you'll have a record from a group named Envy. These girls can play! With fantastic guitar work and robust vocals, 'Ain't It A Sin' is going to make these ladies the new queens of rock 'n roll! Anyone not adding this record out-of-the-box has cowdung in their ears! Move over Ann and Nancy, and make room for Envy...A big welcome back is in order for the man with the ballsiest voice since Jim Morrison: Warren Zevon's 'Sentimental Hygiene' is a song you'll be singing in the shower, in the car, and while it's on-the-air...Hottest phones, in order are: Motley Crue; Robert Cray; World Party; Jon Butcher; Heart; Bob Seger; Tesla; U2; The Truth; and the new cut from Whitesnake which, by the way, is so melodic that you'll be hypnotized by it...And who hasn't been drawn in to the World Party yet? Any song that pulls adult phones like 'All Come True' does, is a must for any station concerned with its target demos...Tom Kimmel's 'Mellancampesque' tune, 'That's Freedom' would make even the least patriotic person in this country be more than happy to do a kamikaze run to Iraq...And finally, Omar & The Howlers is probably the most fun you've had in a long time with your clothes on. How can a song about 'Hard Times' be so-o-o much fun?"

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS:

"A couple of years ago, when the trend was 'make your radio station CHR', this was one of the first medium markets to see multiple AOR. There were three for a metro of 245,000. In the last year we've seen a lot of multiple AOR markets spring up. Simultaneously, Anchorage has weeded out to one dominator. Guess who? Since September 18, 1982, the FM K-WHALE has been Alaska's home of rock 'n roll and over that time, consistently won. The competition and the challenge was enjoyable and it helped us learn a lot about ourselves. So, to all these multiple AOR markets, have f-u-n and may the best station (stations) win...If someone is looking for a great opportunity for personal growth, Carter B. is still accepting tapes and resumes for a definite and a possible upcoming opening! Desired are great production skills, but not necessarily the booming voice -- and, solid air work!"

WRCN, LONG ISLAND, NY P.D.-LENNY BLOCH:

"Eastern Long Island Birch numbers are in for this past Winter, and I'm pleased to tell you that WRCN is the dominant number one station! Our past shares in the ARB's are tough to swallow, since our signal covers one-fourth of the population in the Nassau/Suffolk market. These latest numbers give us an indication of how we're doing where we can be heard. We're #1 in every important demo, with a #2 18-49 Female showing. Thanks to all of our record company pals for their continued support. In the shadow of New York City, you've got to yell a little louder and more often to get noticed! It's almost Summer and we're the most-listened-to-radio-station in the Hamptons. Nothing could be finer!... Congratulations and welcome back, Jim DelBalzo...Thanks to Arthur Field and Capitol for the fun-filled evening with Rock And Hyde...Top Five sales on Long

Island: U2; Paul Simon; Suzanne Vega; Bon Jovi and Ozzy Osbourne...'Sentimental Hygiene' is as passionate as anything Zevon has ever done...Omar & The Howlers truck on through your speakers at a fast pace. You'll play this album radio exclusive eventually, so give it the go...A great line-up of shows this Summer at Jones' Beach including: Heart; The Kinks; Dan Fogelberg and Crosby, Stills & Nash. Long Island's concert leader will be there to support all of them!"

WQBK, ALBANY, NY M.D.-BOB WELCH:

"One of the best pieces of rock 'n roll to come down the Pike, hits the air this week: Omar & The Howlers should be an instant add everywhere, as it was here...We're getting Top five requests out-of-the-box on the new Warren Zevon...Also went on 'That's Freedom' by Tom Kimmel and The Cult's 'Lil' Devil', and our shot of the week goes to Stan Campbell 'Years Go By'...Thanks to Jay Miggins and Paul Hughes of CBS for a great promotion we just completed around our Jazz Show and the CBS Masterpiece Jazz Series. We gave away all 20 CD's and a CD player to go with it. We did the drawing live on-the-air, from over 700 entries--all of which came from only one point of entry... And, surprise of the week came when staff member, John 'Hambones' Hamilton announced he'd been tapped for a part in 'Ironweed' starring Jack Nicholson and Meryl Streep--now being filmed in Albany. 'Bones' plays a trolleycar conductor during the film's climax scene."

WDHA, NORTH JERSEY, NJ G.M.-BOB LINDER:

"I am very opposed to a proposed Bill restricting Digital Audio Tape (DAT) machines. Their broadcast applications could be substantial...Requiring the CBS 'anti-copying chip' to be installed in DAT machines will increase the number of records, tapes, and CD's to be manufactured with a section of music removed (a notch at 3840 hz) in order to trigger the new machines to stop recording. It's like burning down the henhouse to kill the fox!...With this approach to copyright protection everyone suffers, especially lovers of quality audio and music including our radio listeners. The frequencies removed from the music are right in the middle of the soundwaves the average person hears. In fact, the mid-frequencies are especially boosted for better clarity in radio broadcasts. The missing music would be that much more noticeable on the radio. We object strongly to the 'soundness' of this engineering solution...With last year's record profits for the record and tape manufacturers reported last month in many publications (including Billboard Magazine), we question how serious a problem is home taping...I believe it is the consumer's right to copy music he's already purchased for the purpose of listening in a car, or putting together favorite songs...I believe it is wrong to copy a tape or compact disc for someone else, to avoid purchasing that music...Yet, record company figures include both types of taping--yielding highly inflated numbers...I believe the answer is for a tax to raise the consumer's cost of blank tape. That, combined with a voluntary lowering of cost on pre-recorded music, would be most effective in dissuading anyone from copying music...I realize the importance of insuring payment to the writers, singers, and producers. But the economics of no real savings in copying music would better control the situation than legislation to limit importing the hardware or poorly engineered music clippers to limit their performance... In the future, FM radio will be broadcasting digitally. We can't stop technology. Digital tape recorders are the natural evolution of the cassette and the consumer should be able to copy his/her purchased albums to hear in the car or portable...I hope more consumers speak up!"

Ryder--and to think it could have been your baby band in front of those potential CD consumers. Oh well, your loss!...The air-waves certainly aren't at a loss for excellent music: Omar & The Howlers cook! Omar has been a station favorite since his days with Austin Records. Rick Van Gil, now at WLNZ, probably is the happiest programmer of them all. His ears recognized this man's talent over a year and a half ago. Hey, Rick, the picture of Omar still hangs proudly in the office...I'm gonna go sit next to Keith on our Birch throne: Number 1 18-34; #1 25-54 Men; #2 18-34 Women; and a cume of 76 with Men 18-34. Can you say market dominance?"

WRFX, CHARLOTTE, NC M.D.-MARY LONDON:

"For all those who have not yet considered the World Party 'All Come True' -- seeing is believing. Saw Carl last night--Killer show! Lennon revisited. A must for all formats."

WXRC, CHARLOTTE, NC M.D.-JUSTIN PHELPS:

"Shirley MacLaine would be proud! We had burned out Bon Jovi's 'Wanted Dead Or Alive' but when we started playing the acoustic version, the song came back to life! Still getting requests for this tune!"

WZTA, MIAMI, FL M.D.-JEAN CASHMAN:

"Glad to be back with FMQB and looking forward to a great year as ZETA 94.9...Richard Marx sounds great. It sounds like the Eagles. It will be a huge hit and I see a big crossover ahead for the record...Heart has given us a great record for women with 'Alone'. If it sounds anything like 'Alone', the new album will do even better than the last Heart record--they're on a roll. Guess they got their love lives straightened out...Suzanne Vega is doing extremely well. Normally, when you play a song like that, you get calls from women but we're also hearing from men who like it...If people who are into Rush are calling for 'Luka', there's definitely something about this song--we got instant calls when we added it!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER:

"Just took a look at the most recent Arbitron, and was very pleasantly surprised to see that we beat our competition in Adults 25-54 and came out #2 in Men 25-34. The Spring ratings should prove to be very interesting in this market...Looking towards music and enjoying some of the new music: Dan Fogelberg proves he can rock 'n roll with 'She Don't Look Back'...Steve Earle is my pick for this week--big crossover. 'I Ain't Ever Satisfied' is a tune you can keep humming over and over...Warren Zevon can't go wrong with 'Sentimental Hygiene', especially with Neil Young helping out. It's good to see Warren getting well-deserved airplay."

WRQK, CANTON, OH M.D.-GREG MORRISON:

"Warren Zevon's tasteful insanity stands out in this week's pile. If you haven't yet given it a spin, do yourself the favor... Getting surprising phones on Ace Frehley, so, of course, we're more than happy to oblige...Question: Why do you suppose Bon Jovi didn't slip the acoustic 'Wanted Dead Or Alive' into the album? It's clearly superior to the Lp version...Thanks for the CD's--Keep 'em coming--Over and out!"

WPYX, ALBANY, NY P.D.-ED LEVINE:

"The Warren Zevon record is typically bizarre and will do very well!...The success of the Whitesnake record continues to amaze me--#2 this week in retail, so we're on a second cut which is 'Here I Go'...We went out early on the Patty Smyth record and I'm happy to re-add it now. Either I do that or

Del Balzo won't give me a moment's rest...

Mason and Sheehan head to London next week to broadcast live. It's the 20th anniversary of the Beatles' 'Sgt. Pepper' album. I'll be there babysitting them, and my wife will be babysitting me...Finally, I want to welcome Grego to the big time. He's our new 7:00PM-Midnight guy, and is going to do just super for us!"

WLNZ, LANSING, MI M.D.-CATHY DOWN:

"It might be NBA Playoff time but if you glance at our music adds this week, you might think that the next big wrestling bout is coming! All seven adds are powerful, heavy duty strong songs by artists with names like Ace; Omar; The Cult and Zevon. It actually may be the first time that I cheer these maulers on!...It also feels like a wrestling match with the brash battle of product but as the saying goes 'the real champ always comes through'. As for the NBA Playoff's, I might live in Michigan, but my heart belongs to the Celtics so come on Boston!"

WCMF, ROCHESTER, NY ASST. P.D./M.D.-DAVE KANE:

"Had the good fortune of seeing Rock And Hyde perform the other night. They turned in a great performance, not only of the new material, but some favorites from their days as the Payolas as well. The show never lacked intensity and most of the time was captivating...The Dan Fogelberg tune is currently my fave on the station and there's been pretty good early phone response...Also good phones for Mason Ruffner...Boston tickets went on sale the other day and sold over 10,000 seats in just under 2½ hours. I guess people want to see this band!"

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS:

"Only in the world of rock 'n roll could Dan Fogelberg deliver like this: A h-o-t tune with a lot of meaning...Being an old Warren Zevon fan, what can I say besides PLAY IT!...Best of luck to Tom Marshall at KNAC. I hope he doesn't spend a lot of time on the beach writing heavy metal poetry...And finally, that All-Star-Reunion-Concert with Helmet Boy was something else. I really didn't end up on stage that night, did I?"

WXXP, PITTSBURGH, PA M.D.-DEB BRADY:

"'Mary's Prayer' by Danny Wilson is, without a doubt, a HIT! It has the jocks talking and the listeners phoning...If you're not playing Pseudo Echo, see them live. They were h-o-t in Pittsburgh and audience response to 'Living In A Dream' and 'Funky-town' was amazing...Thanks to Jay Brooks and Elektra Records for helping to make our Cure Preview Party a success. 'Kiss Me Kiss Me Kiss Me' was a crowd pleaser for both old and new Cure fans. This should be a big year for The Cure!"

"I am very opposed to a proposed Bill restricting Digital Audio Tape (DAT) machines. Their broadcast applications could be substantial...Requiring the CBS 'anti-copying chip' to be installed in DAT machines will increase the number of records, tapes, and CD's to be manufactured with a section of music removed (a notch at 3840 Hz) in order to trigger the new machines to stop recording. It's like burning down the henhouse to kill the fox!...With this approach to copyright protection everyone suffers, especially lovers of quality audio and music including our radio listeners. The frequencies removed from the music are right in the middle of the soundwaves the average person hears. In fact, the mid-frequencies are especially boosted for better clarity in radio broadcasts. The missing music would be that much more noticeable on the radio. We object strongly to the 'soundness' of this engineering solution...With last year's record profits for the record and tape manufacturers reported last month in many publications (including Billboard Magazine), we question how serious a problem is home taping...I believe it is the consumer's right to copy music he's already purchased for the purpose of listening in a car, or putting together favorite songs...I believe it is wrong to copy a tape or compact disc for someone else, to avoid purchasing that music...Yet, record company figures include both types of taping--yielding highly inflated numbers...I believe the answer is for a tax to raise the consumer's cost of blank tape. That, combined with a voluntary lowering of cost on pre-recorded music, would be most effective in dissuading anyone from copying music...I realize the importance of insuring payment to the writers, singers, and producers. But the economics of no real savings in copying music would better control the situation than legislation to limit importing the hardware or poorly engineered music clippers to limit their performance... In the future, FM radio will be broadcasting digitally. We can't stop technology. Digital tape recorders are the natural evolution of the cassette and the consumer should be able to copy his/her purchased albums to hear in the car or portable...I hope more consumers speak up!"

Ryder--and to think it could have been your baby band in front of those potential CD consumers. Oh well, your loss!...The airwaves certainly aren't at a loss for excellent music: Omar & The Howlers cook! Omar has been a station favorite since his days with Austin Records. Rick Van Gil, now at WLNZ, probably is the happiest programmer of them all. His ears recognized this man's talent over a year and a half ago. Hey, Rick, the picture of Omar still hangs proudly in the office...I'm gonna go sit next to Keith on our Birch throne: Number 1 18-34; #1 25-54 Men; #2 18-34 Women; and a cume of 76 with Men 18-34. Can you say market dominance?"

WRFX, CHARLOTTE, NC M.D.-MARY LONDON:

"For all those who have not yet considered the World Party 'All Come True' -- seeing is believing. Saw Carl last night--Killer show! Lennon revisited. A must for all formats."

WXRC, CHARLOTTE, NC M.D.-JUSTIN PHELPS:

"Shirley MacLaine would be proud! We had burned out Bon Jovi's 'Wanted Dead Or Alive' but when we started playing the acoustic version, the song came back to life! Still getting requests for this tune!"

WZTA, MIAMI, FL M.D.-JEAN CASHMAN:

"Glad to be back with FMQB and looking forward to a great year as ZETA 94.9...Richard Marx sounds great. It sounds like the Eagles. It will be a huge hit and I see a big crossover ahead for the record...Heart has given us a great record for women with 'Alone'. If it sounds anything like 'Alone', the new album will do even better than the last Heart record--they're on a roll. Guess they got their love lives straightened out...Suzanne Vega is doing extremely well. Normally, when you play a song like that, you get calls from women but we're also hearing from men who like it...If people who are into Rush are calling for 'Luka', there's definitely something about this song--we got instant calls when we added it!"

WKFM, FULTON/SYRACUSE, NY P.D.-STEVE BECKER:

"Just took a look at the most recent Arbitron, and was very pleasantly surprised to see that we beat our competition in Adults 25-54 and came out #2 in Men 25-34. The Spring ratings should prove to be very interesting in this market...Looking towards music and enjoying some of the new music: Dan Fogelberg proves he can rock 'n roll with 'She Don't Look Back'...Steve Earle is my pick for this week--big crossover. 'I Ain't Ever Satisfied' is a tune you can keep humming over and over...Warren Zevon can't go wrong with 'Sentimental Hygiene', especially with Neil Young helping out. It's good to see Warren getting well-deserved airplay."

WRQK, CANTON, OH M.D.-GREG MORRISON:

"Warren Zevon's tasteful insanity stands out in this week's pile. If you haven't yet given it a spin, do yourself the favor... Getting surprising phones on Ace Frehley, so, of course, we're more than happy to oblige...Question: Why do you suppose Bon Jovi didn't slip the acoustic 'Wanted Dead Or Alive' into the album? It's clearly superior to the Lp version...Thanks for the CD's--Keep 'em coming--Over and out!"

WPYX, ALBANY, NY P.D.-ED LEVINE:

"The Warren Zevon record is typically bizarre and will do very well!...The success of the Whitesnake record continues to amaze me--#2 this week in retail, so we're on a second cut which is 'Here I Go'...We went out early on the Patty Smyth record and I'm happy to re-add it now. Either I do that or

DelBalzo won't give me a moment's rest...

Mason and Sheehan head to London next week to broadcast live. It's the 20th anniversary of the Beatles' 'Sgt. Pepper' album. I'll be there babysitting them, and my wife will be babysitting me...Finally, I want to welcome Grego to the big time. He's our new 7:00PM-Midnight guy, and is going to do just super for us!"

WLNZ, LANSING, MI M.D.-CATHY DOWN:

"It might be NBA Playoff time but if you glance at our music adds this week, you might think that the next big wrestlingmania bout is coming! All seven adds are powerful, heavy duty strong songs by artists with names like Ace; Omar; The Cult and Zevon. It actually may be the first time that I cheer these maulers on!...It also feels like a wrestling match with the brash battle of product but as the saying goes 'the real champ always comes through'. As for the NBA Playoff's, I might live in Michigan, but my heart belongs to the Celtics so come on Boston!"

WCMF, ROCHESTER, NY ASST. P.D./M.D.-DAVE KANE:

"Had the good fortune of seeing Rock And Hyde perform the other night. They turned in a great performance, not only of the new material, but some favorites from their days as the Payolas as well. The show never lacked intensity and most of the time was captivating...The Dan Fogelberg tune is currently my fave on the station and there's been pretty good early phone response...Also good phones for Mason Ruffner...Boston tickets went on sale the other day and sold over 10,000 seats in just under 2½ hours. I guess people want to see this band!"

KFMG, ALBUQUERQUE, NM M.D.-MICHAEL DAVIS:

"Only in the world of rock 'n roll could Dan Fogelberg deliver like this: A h-o-t tune with a lot of meaning...Being an old Warren Zevon fan, what can I say besides PLAY IT!...Best of luck to Tom Marshall at KNAC. I hope he doesn't spend a lot of time on the beach writing heavy metal poetry...And finally, that All-Star-Reunion-Concert with Helmet Boy was something else. I really didn't end up on stage that night, did I?"

WXXP, PITTSBURGH, PA M.D.-DEB BRADY:

"'Mary's Prayer' by Danny Wilson is, without a doubt, a HIT! It has the jocks talking and the listeners phoning...If you're not playing Pseudo Echo, see them live. They were h-o-t in Pittsburgh and audience response to 'Living In A Dream' and 'Funkytown' was amazing...Thanks to Jay Brooks and Elektra Records for helping to make our Cure Preview Party a success. 'Kiss Me Kiss Me Kiss Me' was a crowd pleaser for both old and new Cure fans. This should be a big year for The Cure!"

"Congratulations and good luck to crosstown P.D.-Tom Marshall on his new gig in Long Beach...Our sincere condolences to the family and friends of Bill Stambaugh. Many of us at 94-ROCK worked under Bill and his presence at Albuquerque radio will be greatly missed."

WAQY, SPRINGFIELD, MA M.D.-JOE MARINO:

"Coming soon--you'll have a record from a group named Envy. These girls can play! With fantastic guitar work and robust vocals, 'Ain't It A Sin' is going to make these ladies the new queens of rock 'n roll! Anyone not adding this record out-of-the-box has cowdung in their ears! Move over Ann and Nancy, and make room for Envy...A big welcome back is in order for the man with the ballsiest voice since Jim Morrison: Warren Zevon's 'Sentimental Hygiene' is a song you'll be singing in the shower, in the car, and while it's on-the-air...Hottest phones, in order are: Motley Crue; Robert Cray; World Party; Jon Butcher; Heart; Bob Seger; Tesla; U2; The Truth; and the new cut from Whitesnake which, by the way, is so melodic that you'll be hypnotized by it...And who hasn't been drawn in to the World Party yet? Any song that pulls adult phones like 'All Come True' does, is a must for any station concerned with its target demos...Tom Kimmel's 'Mellancampesque' tune, 'That's Freedom' would make even the least patriotic person in this country be more than happy to do a kamikaze run to Iraq...And finally, Omar & The Howlers is probably the most fun you've had in a long time with your clothes on. How can a song about 'Hard Times' be so-o-o much fun?"

KWHL, ANCHORAGE, AK M.D.-KEVIN VARGAS:

"A couple of years ago, when the trend was 'make your radio station CHR', this was one of the first medium markets to see multiple AOR. There were three for a metro of 245,000. In the last year we've seen a lot of multiple AOR markets spring up. Simultaneously, Anchorage has weeded out to one dominator. Guess who? Since September 18, 1982, the FM K-WHALE has been Alaska's home of rock 'n roll and over that time, consistently won. The competition and the challenge was enjoyable and it helped us learn a lot about ourselves. So, to all these multiple AOR markets, have f-u-n and may the best station (stations) win...If someone is looking for a great opportunity for personal growth, Carter B. is still accepting tapes and resumes for a definite and a possible upcoming opening! Desired are great production skills, but not necessarily the booming voice -- and, solid air work!"

WRCN, LONG ISLAND, NY P.D.-LENNY BLOCH:

"Eastern Long Island Birch numbers are in for this past Winter, and I'm pleased to tell you that WRCN is the dominant number one station! Our past shares in the ARB's are tough to swallow, since our signal covers one-fourth of the population in the Nassau/Suffolk market. These latest numbers give us an indication of how we're doing where we can be heard. We're #1 in every important demo, with a #2 18-49 Female showing. Thanks to all of our record company pals for their continued support. In the shadow of New York City, you've got to yell a little louder and more often to get noticed! It's almost Summer and we're the most-listened-to-radio-station in the Hamptons. Nothing could be finer!... Congratulations and welcome back, Jim DelBalzo...Thanks to Arthur Field and Capitol for the fun-filled evening with Rock And Hyde...Top Five sales on Long

Island: U2; Paul Simon; Suzanne Vega; Bon Jovi and Ozzy Osbourne...'Sentimental Hygiene' is as passionate as anything Zevon has ever done...Omar & The Howlers truck on through your speakers at a fast pace. You'll play this album radio exclusive eventually, so give it the go...A great line-up of shows this Summer at Jones' Beach including: Heart; The Kinks; Dan Fogelberg and Crosby, Stills & Nash. Long Island's concert leader will be there to support all of them!"

WQBK, ALBANY, NY M.D.-BOB WELCH:

"One of the best pieces of rock 'n roll to come down the Pike, hits the air this week: Omar & The Howlers should be an instant add everywhere, as it was here...We're getting Top five requests out-of-the-box on the new Warren Zevon...Also went on 'That's Freedom' by Tom Kimmel and The Cult's 'Lil' Devil', and our shot of the week goes to Stan Campbell 'Years Go By'...Thanks to Jay Miggins and Paul Hughes of CBS for a great promotion we just completed around our Jazz Show and the CBS Masterpiece Jazz Series. We gave away all 20 CD's and a CD player to go with it. We did the drawing live on-the-air, from over 700 entries--all of which came from only one point of entry... And, surprise of the week came when staff member, John 'Hambones' Hamilton announced he'd been tapped for a part in 'Ironweed' starring Jack Nicholson and Meryl Streep--now being filmed in Albany. 'Bones' plays a trolley car conductor during the film's climax scene."

"Omar & The Howlers--As I say, with a name like that, they've gotta be good--and they are! Their 'Hard Times In The Land Of Plenty' rocks, plus they blew away the audience when they opened for Stevie Ray Vaughan here last week--a Sold-Out show... The new Warren Zevon takes a few listens but will, most likely, be on everyone's lips long into the Summer (you can definitely hear the tasty Neil Young influence)!...Yes, the Whitesnake album is selling like hot cakes here, but if you're like me and feel that 'Still Of The Night' is a little hard to swallow, 'Here I Go Again' is a real winner and gives lead singer, David Coverdale, the credit he deserves as a fabulous rock 'n roll singer...If you weren't in Memphis this past weekend, you missed it! The 10th Annual Memphis-In-May World Championship Barbeque Cooking Contest was insane--beer and barbeque out the kazoo! We all made 'pigs' out of ourselves!"

WIXV, SAVANNAH, GA M.D.-VIRGIL THOMPSON:

"Months ago a friend of mine raved about a guy named Steve Earle, and an album called 'Guitar Town'. He said it was too bad a lot of people still hadn't heard of him and after hearing the album myself, I had to agree. I gave away our CD copy of 'Guitar Town' because we weren't playing it, but I'm holding on to 'I Ain't Ever Satisfied'. This is a good song by a great artist and we're glad to be a part of MCA's project in making Steve Earle known to the public. He's had tons of great revues and now it's time for tons of airplay...In the 'we-just-can't-ignore-it' category is Ace Frehley's 'Into The Night'. We've had many requests for this tune after only a few featured plays, and strong early sales put Ace on the list...Just a word to anyone that may have REO Speedwagon to town. If you have the opportunity to work with their organization, definitely do so. Their entire management was fantastic and very thorough, not to mention the friendliness of the band and crew. All in all, a first class act!"

WOUR, UTICA/SYRACUSE, NY M.D.-TOM STARR:

"With the Eagles in a permanent holding pattern, we're glad Richard Marx robbed the nest and made off with what may be the Summer song of '87...We've always been convinced that if Dan Fogelberg rediscovered the plug, the format would re-discover him. Next to Gary Hart, who needed an image overhaul more than Dan? 'She Don't Look Back' is just the tune to do it...Unless you're sitting on your ears, you're already treating listeners to Warren Zevon's new one... We're anxious to hear what Roger Waters has to offer, having recently Sold Out 12 buses in less than two days to see his old bandmates in Toronto next September. They went so-o-o fast, we're thinking about setting up trips to the trial once the date is set...The acoustic version breathes new life into Bon Jovi's 'Dead Or Alive'. Listeners are responding with big phones...You probably thought you knew 'Sgt. Pepper' inside out. One listen to the CD will fix that notion! It's sort of like going 20 years without knowing you needed eye glasses, and then suddenly seeing the world the way it's meant to be seen!"

WCLZ, PORTLAND, ME ASST. P.D.-LORETTA

CRAWFORD: "Nicholas Tremulis gets my vote for new lead singer of Little Feat--Forget about Robert Palmer. This guy's got Lowell's soul and the slide playing is killer...Stan Campbell blows me away!!! This is one of '87's underdogs--Play it and have no regrets...U2 moves into heavy. Better late than never...We've got a busy Summer ahead. Looking forward to a full-filling three months before hibernation time again."

WHMD, HAMMOND/BATON ROUGE, LA M.D.-"CATFISH"

PHIL COLWART: "Warren Zevon is a sick-o--add this 'Hygenic' track and you won't regret it...Pay attention to Little Steven. We're getting incredible reaction to this record and our callers are both female and male. 'Trail Of Broken Treaties' is definitely worth a play on your station... Danny Wilson's 'Mary's Prayer' should be a good upper demo record...The same goes for Richard Marx 'Don't Mean Nothin'...Happy to hear John Farnham has landed MTV's coveted Hip Clip Of The Week. This ex-Little River Band singer has the voice!... And finally, on MTM Records, Hege V is rockin' and rollin'. We originally liked 'House Of Tears' but switched emphasis to 'Burial Ground Of Broken Hearts'. We don't regret it."

KBAT, ODESSA/MIDLAND, TX M.D.-DRU DAWSON:

"The Omar & The Howlers track is the ultimate sexist song--could be better than 'Welcome To The Boomtown'."

KQWB, FARGO, ND M.D.-TY BANKS:

"Still trying to sell the Long Ryders to the country. After adding it, we cannot help to crank it when it comes on. An incredible rock 'n roll song...Also, we hope we can go with Omar & The Howlers in the next week or so...Finally--Lee, you were right about Mondo Rock. It really, really works!"

WGLU, JOHNSTOWN, PA M.D.-BRIAN WOLFE:

"There's some great new music out there right now and I believe just about all of it is on this radio station. I am getting real offended by those who feel certain records are good for the station. How do they know what's good for the station?...Lots of action on the new Bob Seger and Motley Crue records, but again--that was expected...Little America continues to be strong and Richard Marx goes heavy this week...Two records that I am seriously looking at are a great one from Fire Town and also Marshall Crenshaw has a great one out now."

KATP, AMARILLO, TX P.D.-JACK RANDALL:

"Saturday night, the KAT brought Stevie Ray Vaughan and Omar & The Howlers to town for a great night of Texas rock 'n roll. If you haven't woken up and played Omar's new one yet, then you better clean out your ears--it sounded even better live. Don't miss the show if it comes in your direction. Stevie also sounded great, as usual, and hadn't looked better in years...It was a great week for Texas rockers as we also added the new Charlie Sexton off the 'Beverly Hills Cop II' Soundtrack."

WHTQ, ORLANDO, FL M.D.-SLATS:

"If there's three words to describe this Richard Marx track, it's 'not just hype'. Talk about a sweet song!...Also, this is a Virgin week for us with medium adds for Warren Zevon and Cutting Crew...We are giving serious consideration for Suzanne Vega for next week and Steve Earle has one that hits ya in the ribs."

WBLM, LEWISTON/PORTLAND, ME M.D.-ROBIN

MATHIEU: "It's great to hear new Warren Zevon on the radio. Listeners seem to think so too. There's already a nice buzz on 'Sentimental Hygiene'. It reminds me of 'Blood And Roses'...Sales are skyrocketing since we added Suzanne Vega. Top twenty in the past two weeks...My pick of this week is Omar & The Howlers. Texas blues with Bon Scott-like vocals. You're cheating yourself if you haven't listened further than 'Hard Times'. Watch this one explode!"

KBLE-FM, DES MOINES, IA P.D./M.D.-RON

and making me wonder again why we haven't heard from her more regularly. Wendy, keep in touch from now on, okay?...Also on the adult side of things, we quite like the new Bruce Cockburn. Usually as relevant as 'Film At Eleven', Cockburn is less overtly political on 'Waiting For A Miracle'. Good song...The Shellyar Orphan album is most interesting. I hear influences ranging from T-Rex; Appoloosa; Fairport and Renaissance through the Kronos Quartet and Dream Academy. Not for most, but if you lean strongly adult, check it out!"

WMAD, MADISON, WI DAVID ANDERSON:

"Good afternoon Mr. and Mrs. North America and all ships at sea; This is my last transmission from the great Midwest...Last week everyone was talking about the Richard Marx/Eagles connection. This week the same thing's happening all over with Fire Town and the Byrds. 'Carry The Torch' is a brilliant, catchy, pop record that recalls the Byrds in their heyday, and Fire Town still manages to leave their imprint on this song...Another mini-masterpiece from Pop Meister Marshall Crenshaw with 'This Is Easy'. Great production, soaring vocals, and splendid guitar licks. This song is what quality rock 'n roll is all about... And now a few parting shots--er, ah, thanks to the record reps--all 27,000 of them! It's been a pleasure to work with you and get to know you. Thanks for your help: Kevin Carroll; Nancy Stein; Craig Lambert; Dave Rememidi; Gary Triozzi; Rick 'I Don't Smoke' Sudakoff; Phil Costello; Phil Dempsey; Bill Johnson; Judy Barrahal; Louis Heidelmeier; and Mike Shied...I had eight good and bad years in Madison, but now it's time to move on grasshopper. WMAD has been turned completely around, thanks to the efforts of Tom Teuber; Bill Robbins and myself in the Programming Department. What's the saying? 'Leave while you're on top'-- 'MASH'did it and so am I! I have a very positive feeling about the move to Philly and working with Helen Leicht and David Dye at WIOQ. Look for lots of good things coming from us this year. That's it from here. Go Cubs! TOM TEUBER IS A GENIUS!"

KGRQ, CASPER, WY O.M./P.D./M.D.-FRED LEEMHUIS:

KFMQ, LINCOLN, NE M.D.-JOE SKARE:

"The self proclaimed real bad boys of rock 'n roll--Motley Crue--already have the phones lighting up like crazy. If you want reaction, play 'Girls, Girls, Girls'...Bob Seger moves to Top 5 phone status with 'Shakedown', and The Cult scores again with 'Lil' Devil'. The album is selling like crazy here. My favorite track is 'Peace Dog'. These guys can really s-m-o-k-e. The Cult is a metal force to be reckoned with...Warren Zevon; Neil Young; and R.E.M.! How can you go wrong with a combination like that? The excitable boy sounds better than ever with 'Sentimental Hygiene'. Welcome back, Warren!...And, speaking of comebacks, I think Dan Fogelberg is gonna score big with 'She Don't Look Back'. Great to hear Dan rocking again."

KQDS, DULUTH, MN M.D.-WADE LINDER:

"Whitesnake catching on fast with a ballad-like beginning that captures you, until the song explodes into the powerful rock rhythm Whitesnake is known for...Mondo Rock is a fun party song with a punchy out-breaking rhythm...Jude Cole is h-o-t. What a song! Positive feedback from the phones...David Bowie's 'Time Will Crawl' is most like his earlier work. It fits good with our classic direction... World Party is brainy and bluesy."

WGIR-FM, MANCHESTER, NH M.D.-KAREN ANDERSEN

SMALL: FROM P.D.-JON ERDAHL: "There are a couple of tracks that are out right now that should be blowing your listeners away! 'Weapons Of Love' by The Truth should be an automatic at any station that claims to be playing rock 'n roll. We just put this one on a week ago and it's ready to move to heavy. The new Autograph 'Dance All Night' should be on everyone's power list. This track means Summer, and if your station is the place where you'd like everyone to hang out--play this song. You don't want this Summer to be known as the Summer that never was at your radio station, do ya? My top is down, let the Summer begin...Warren Zevon, my man, is back. He's already got me howling at the moon. This guy has been on my happenin' list for a long time. This one sounds so-o-o good I even clipped my fingernails and flossed this morning. When Warren speaks, people should listen and play... Finally, I'm back in the Manchester groove this week as Ace Frehley gets the nod. Ain't it great to have some good old fashioned rock 'n roll back again?...That's it from the home of smoking headphones. Enjoy the music!...FROM KAREN ANDERSEN SMALL: 'Ditto!'"

KNCN, CORPUS CHRISTI, TX M.D.-ELISE VANDER

BORGT: "Kudos (what exactly does that mean anyway?) to Elektra and their wonderful advertisement for Motley Crue's 'Girls, Girls, Girls'. Daring, aren't they? Speaking of the Crue, they pulled #1 requests followed by EZO; Tesla; Jon Butcher and Whitesnake. Yes, this town be jammin'!... Isn't it great to hear all those artists you remember from your younger years, back in the spotlight again? Dan Fogelberg is really kicking on his latest...Warren Zevon's voice is a definite hook, and I'm glad to see Omar & The Howlers on a major label finally. We Texans knew it should've happened years ago...I'll be in Austin to see Tom Petty on Friday--so, until then, talk to ya later."

REO came to Greensboro last Thursday and we were lucky enough to put two contest winners on stage to sing with the band. Of course, I had to be there too! It was a great night and a great show...Thanks to Dave Ross at Chrysalis for the World Party show last night in Charlotte. You'll kick yourself if you miss these guys live...How can Warren Zevon miss with R.E.M. and Neil Young backing him up on 'Sentimental Hygiene'? It was simultaneously recorded by Westwood One. The band was truly impressive--the sound quality was amazing. Sooner or later the band will be as big in the rest of America as they are in Boston. Thanks to the following people for all their help: Paul Brown and everybody at I.R.S.; Mark Seymour and Hunters And Collectors; Michael Roberts from Loud And Clear management; Warren Scott and Harry Bouris from The Channel; Dinky Dawson and especially Sam Copper and Bob Vermouth of Westwood One for their technical assistance."

L. Cool J 'Bad'...INCREASED PLAY: Warren Zevon; Danny Wilson; Mojo Nixon... Spear Of Destiny is destined for heavy rotation very soon. This is a great rock/dance record... Another of my current favorites is Danny Wilson's 'Mary's Prayer'. This is a great song--heartfelt and genuine. It goes to heavy this week...AOR radio was treated with two Michael Stipe projects in the same week: OFB and Bigtime. To this one, Michael lends his tones on the track 'Dreamin' Of Eternity' and he lends his production skills and back-up vocals to Hugo Largo on 'Relativity'... The remainder of R.E.M. is found along with Neil Young on the new cut from Warren Zevon. This one goes out-of-the-box and into heavy. Virgin is such a hip label! 25% of our heavy rotation is their product...Pick-of-the-week: Omar & The Howlers. This is beer drinking good time rock 'n roll."

RECORD ACTION

JEFF "THE GIMP" NAUMANN, VIRGIN (213-278-1181):

"It's unanimous, WARREN ZEVON 'Sentimental Hygiene' is a smash. Thank you album radio for an amazing first week with over 130 out-of-the box adds. Mr. Zevon's full album will be at your station by June 4th and believe me, it is a masterpiece. 'The Captive' soundtrack performed by THE EDGE of U2 I've been writing about the last two weeks is now out. 'Heroine' (again, not the drug) is the track to go with and should get immediate audience reaction. 'Heroine' has the same feel and sound as U2's 'With Or Without You' only with a female vocalist, Sinead O'Connor... DANNY WILSON'S 'Mary's Prayer', THE CUTTING CREW'S 'One For The Mockingbird' and SPEAR OF DESTINY'S 'Stranger In Our Town' continue to build quickly. Even T'PAU'S 'Heart And Soul' is getting quality call letters, i.e., KBPI. Don't overlook this summertime natural from T'Pau...I love BRUCE HORNSBY'S live CD. It's a killer!"

ED TRUNK, MEGAFORCE (201-254-6533):

"Another big week for ACE FREHLEY! This album is still picking up heavy adds for 'Into The Night' and requests are strong everywhere. 'Frehley's Comet' was the second highest entry of the week on Billboard and entered Z-Rock's format at #10 airplay and #5 requests! This seems to be the story everywhere, as 'Into The Night' shapes up to be a legitimate hit. Also, adds are starting to come in for 'Rock

Soldiers' and 'Calling To You', as the album blows out the door at retail. The video for 'Into The Night' has just hit MTV in breakout rotation, and Ace is in the middle of completing two solid weeks of massive worldwide media exposure. Over 60 stations have already added 'Into The Night', please give this a spin if you're not already, and watch the requests explode!..The big surprise here at Megaforce has been the success of ANTHRAX. 'Among The Living' is at 68 with a bullet in Billboard this past week without a video, tour, or major radio. Now a video for 'Indians' is about to hit next week, a tour will kick off next month, and they recently hit #1 in the Hard Report and CMJ metal radio charts...OVERKILL'S 'Taking Over' tour is finally underway in America, look for this album to really take off...TESTAMENT is also preparing for a major tour of the U.S. They will be playing the Dynamo Open Air Festival in Holland on June 5, second billed to STRYPER...Thanks this week to WDHA, WBAB, WSOU, WRTN and everyone else for hosting interviews with ANTHRAX...Please don't forget ACE FREHLEY and 'Into The Night' The COMET is still hitting hard everywhere!!!!

MIKE CORCIONE, RELATIVITY (718-995-9200):

"SCRUFFY is still going strong this week. Many of you are starting to go on second cuts. I recommend, 'Never Never', 'Time Never Forgets' and 'Upside Down'. Look for a 12" of 'Never Never', and 'Time' in about two weeks. The Cat Boys hit the West Coast this week, and then they head to the Dixie States. For everyone that knows Nick Cucci over here at Relativity, please give him a call and comfort him in his hour of need. Ya see, I won't send him down to New Orleans to see Scuffy. He says he wants to do the Southern Leg of the tour. Nice Nick. Anyway back to business, look for the new PUSHTWANGERS' ep on your desk any day. The cut is 'Strangler From Behind', and that it will too. Speak to you about this soon. Anyone that needs Scuffy CDs, give me a call. Later, Gaters."

MICHAEL PRINCE/ALEX MILLER, ATCO (212-484-6400): "The band we've been raving about for weeks, ENVY, has arrived at rock radio. Envy features the explosive talents of two sisters - Lead guitarist Gina and vocalist Rhonni Stile. Their first release 'Ain't It A Sin' is being met with great enthusiasm, check out the front page pick. Don't wait to listen to Envy, and don't hesitate to add it this week. A debut song as strong as 'Ain't It A Sin' deserves your immediate attention...Since you did, thanks for reading."

DAVID ROSS, RCA (212-930-4518):

"It's time to jump on board with JOHN FARNHAM leading the way. 'You're The Voice' seems to be capturing listeners by storm... Major action this week included KSHE and KRXQ with others sure to follow...SHY 'Break Down The Walls' is going to be the rock 'n roll staple. Good early action at retail and on the phones is going to make us work harder and harder to bring this band to the forefront...AUTOGRAPH'S 'Dance All Night' is continuing to sell albums and garner requests...BRUCE HORNSBY'S live CD, which hit radio this week, has made an impact like I've never seen before. With 25 radio stations readding 'Every Little Kiss', it's just a matter of weeks until this track emerges on the top again...Be on the lookout for BERNIE TAUPIN'S new 12" 'Citizen Jane'--this track will really make Bernie fly...Thanks to everybody for being so cordial last week. We all had a wonderful time. Thank you for your continued support ...Wine tip this week: 1973 Rose D.T.."

PROGRAM PRODUCERS

ED PINKA, RADIO INTERNATIONAL (212-302-1670):

"It's Summer in New York, already? 80° and climbing. The only thing hotter could be that new English band. Yeah, that one burning up the FMQB charts--it's true, no, THE TRUTH. And they'll be our interview guests on this week's ROCK OVER LONDON, along with new tunes from SIMPLY RED and CHRIS REA. Get the best new rock and get it first, on ROCK OVER LONDON."

MJI BROADCASTING: GARY, ROMONA, ABBE AND LYNN (212-245-5010):

"Gary, Romona, Abbe and Lynn at MJI Broadcasting are proud to announce that MJI will simulcast with HBO 'Welcome Home', a national tribute to the Vietnam Veterans on July 4th at 9:00PM, EDT. The All-Star Concert Gala will feature performances by CROSBY, STILLS AND NASH; JOHN FOGERTY and JOHN CARLIN, among others, taped earlier that day at RFK Stadium in Washington...To all our 'SGT. VIDEO NEWS

June 19th marks the opening night of MOTLEY CRUE'S "Summer Of Love" tour. And, in keeping with the theme of their new album, "Girls, Girls, Girls", their stage show's gonna merit more than a PG-13 rating. Drummer TOMMY LEE disclosed details of one tour prop that's bound to land them back in trouble with PMRC - A giant, mechanical pair of legs. The CRUE tour kicks off in Tucson, Arizona...THE FABULOUS THUNDERBIRDS finished recording their follow-up to "Tuff Enuff," in Memphis. The new album is called "A Hot Number," and it'll be out late next month. The T-BIRDS will headline the 5th annual T-Bird Riverfest next Monday, in their native Austin, Texas. Also performing will be ROBERT CRAY, CHRIS ISAAK and GREGG ALLMAN...ERIC CLAPTON, PHIL COLLINS and BRYAN ADAMS are just a few of the artists scheduled to play at the PRINCE'S TRUST BENEFIT on June 5th and 6th. In its eleventh year, the concert benefits underprivileged kids in England. Last year the concert was aired as a cable TV Special and it's expected to air again on American TV later this summer...It's been nine years since the band, "BOSTON" has been on tour. But last week it was made official: BOSTON will make a U.S tour this summer. The tour kicks off June 6th in Dallas and winds up August 14th in Worcester, Massachusetts. It'll cover nine cities.

INTERVIEWS

DAVID BOWIE: The subject matter generally on the album seems to be split between personal romance, personal feelings of love, and some kind of settlement or indictment of an uncaring society--Particularly the response of what's happening in major cities, in terms of the homeless, of people who are just totally uncared for, in terms of education or being fed properly or being housed properly.
