## EDDIE MONEY, "PEACE IN OUR TIME", COLUMBIA

Eddie's one of those rare AOR born-and-bred artists who has evolved into a major crossover champion while remaining formatically fit and perfectly imaged. Just look at the 12-year-track record represented on the "Greatest Hits Sound Of Money" compilation and you'll see exactly what we mean. The production team that constructed his biggest hit, "Take Me Home Tonight", is behind the board on this newly recorded tune and they fork over another across-the-board winner. The singalong chorus is a snap to hear. The song's message is perfect for the holidays and, with lines like "break down the walls", connects with the history-making events in East Germany. Instant dual format explosion is a given.

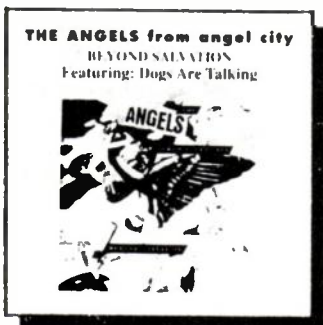

## MCAULEY-SCHENKER GROUP, "ANYTIME", CAPITOL

MSG's mid-tempo burner already has programmers smiling: Dave London, WQFM "#1 call out, #1 phones, #1 in Milwaukee. I'll play records like this anytime!" Dave Kane, WCMF "We've been playing it for the past month with strong calls and research." Marty Bender, WRIF "Couldn't wait on this one. Immediate response!" John Edwards, KBER "The finest testing rock 'n roll record we have!" Early airplay and accolades portend a big breakthrough for MSG, and it's fully warranted. The band's grown and improved considerably, with guitarist Michael Shenker showing off his Scorpions roots and singer Robin McAuley getting off one of his best vocals yet. On KSHE, KISS, KUPD, WLZR, WQFM, WCMF, WRXK, KBER, WRIF, WRXK and WZYC before the full-court promo press.

## LOVERBOY, "TOO HOT", COLUMBIA

The radio climate's right for a comeback from one of the original Canadian Invasion bands and this Bob Rock-produced all-digital ditty is the opening shot. "Too Hot" rocks a little harder than their classics, but the focus remains on Mike Reno's soaring vocals and Paul Dean's ragged guitar chops. Mary France, WIYY "Of all the reunion records, this is one of the best. We're getting lots of positive calls already." We're hearing about similar reaction from other markets where a tape was serviced ahead of schedule to cover some early concert dates: KQRS, WLZR, WONE WLWQ WLLZ WNOR and WCMF all report significant reaction.

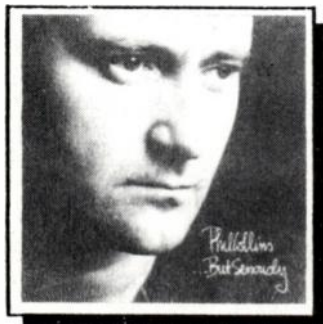

## THE ANGELS, "DOGS ARE TALKING", CHRYSALIS

WBCN's Carter Alan believes "The Angels should have been God for a decade" and he's not alone. Since their inception in '76, this seminal Australian band has developed a sphere of rabid fans both in radio and among musical peers, including Ian Hunter, Guns N' Roses and Great White, who launched their career with The Angels' "Face The Day". Like those bands, the Angels embody a bare-bones Rock N' Roll attitude with exceptional power-surge playing and unobtrusive production. You'll love this new Terry Manning-produced track's spoken intro, son-of-Zep guitar riffs, and furious pace. Mike Jones, KISW sez "The Angels are awesome Aussies! Those contrasting guitar rhythms on the intro just slay me!" Chris Herrmann, WHJY reviews "Fabulous! I love it"; and Chris James, WTPA detects "A nice end of year surprise."

## RUSH, "PRESTO", ATLANTIC

Atlantic delivered "Show Don't Tell" to radio two weeks ago and presto! It became AORs #1 Most Requested track overnight. The single remains in the lead again this week, outdistancing the #2 Most Requested entry by a 2-1 margin. Rush also finishes first with play increases (36) and nets another 17 Adds, prompting a 14-6\* Trax crunch. Michael Young, WIOT "Here's a band that keeps moving forward musically with each release, and their latest is yet another example of why Rush has been in the forefront time and time again." In terms of writing, execution and technology, Geddy, Alex and Neil have outdone themselves again. Back up the reactive leadoff with "Chain Lightning", "War Paint", "Scars", "Superconductor" or "Red Tide".

## PHIL COLLINS, "...BUT SERIOUSLY", ATLANTIC

With his trio of platinum plus solo albums, chart-topping soundtrack singles and his work with Genesis, Collins has dominated both Rock and Hit radio throughout the decade. And it's a safe bet that every format will get their Phil into the Nineties, thanks to his most stylistically-diverse and lyrically-serious album yet. "Another Day In Paradise" continues its 3-format lock, with 21 reporters upping rotation and a 12-9\* Trax spike. Did somebody say 'tempo'? With 60 minutes of music on the CD there are several ways to go. Our initial faves: "I Wish It Would Rain" (where Eric Clapton practically reprises "Let It Rain"), "Find A Way To My Heart", "Heat On The Street", "Hang In Long Enough", and "All Of My Life" (with Steve Winwood on Hammond organ).

## HOOTERS, "ZIG ZAG", COLUMBIA

WKLS, KTXQ, 91X, WNOR, WDVE, WTUE, WIXV, WEZX and eight more join the Hootenany, taking the three-week tally to 109 Cume and pushing "500 Miles" 34-26\* Hot Trax. And 12 play increases coupled with four Top 5 phone locations indicate strong audience reaction potential. **Erin Riley**, WMMR "If you've got the time, listen to the album in its entirety. You'll be doing yourself a big favor. The record's great, and I'm not just saying that because they're from Philadelphia." **Beaver Brown**, KDJK "Not only is '500 Miles' getting great reaction on the phones, but the rest of the CD is great as well." The Hooters get back to the basics on "Zig Zag" and fulfill the promise of their highly regarded debut album. Using a refreshing everything-but-the-kitchen-sink instrumentation, the band crafts a great Rock record with a slight hint of Folk influences. Pay close attention to: "Deliver Me", "Brother Don't You Walk Away" and "Beat Up Guitar".

## MAKE A DIFFERENCE FOUNDATION, "STAIRWAY TO HEAVEN, HIGHWAY TO HELL", MERCURY

Musically, this high profile collection is a total gas, with Bon Jovi's "The Boys Are Back In Town", Cinderella's "Move Over" (where Tom Keifer's vocals out-Pearls Janis), Motley Crue's "Teaser", and Ozzy's "Purple Haze" making strongest first impressions. Producer Bruce Fairbairn explains the song selection process: "No one went into the studio to make 'the definitive' cover version of any of these songs and no one band went in to 'out do' anyone else....We just asked each group to pick a song they've always wanted to record, written or performed by an artist or group who had been touched by drug or alcohol problems, and have some fun with it!" From a programming perspective the album offers format-exclusives from the creme de la creme of Hard Rock. And you don't need us to remind you of the importance of the album's message to the AOR audience. Kudos to everyone involved for making a difference.

## DEPTH TRAX

### BILLY JOEL, "THAT'S NOT HER STYLE", COLUMBIA

One Billy Joel Double Shot coming up: **John Lassman**, KQRS "Tremendous follow-up!"; **Phil Thompson**, KICT "Best track on the album!"; **John Amberg**, WKRR "Kick ass!"; **Tom Van Sant**, WIZN "Best rocker in eons!" Top 5 airplay and Top 3 Most Requested activity on "Fire" was obviously only the beginning of BJ's resurgence with Rock Radio. Bowing 88\* Hot Trax, "Style" slams home 14 New (WNEW, WFBQ, WAQX, WWCT, WZXL, WAPL), joining earliest birds WMMR (Power), KGON, WPYX, WKRR and KTYD.

### GEORGIA SATELLITES, "ALL OVER BUT THE CRYIN'", ELEKTRA

WBCN's **Carter Alan** steps up, "The Satellites' album has proved to have a lot beyond the single." Yes indeed, "Another Chance" only scratched the surface of the band's growth and evolution. "All Over But The Cryin'" is very mainstream, extremely pleasing to the ears, and already off and running at WKLS, KRQR, KOME, KGB, WKDF, KRXQ, KWHL, KLCX, KPEZ, KJOT, KDJK, WRUF and KFMH.

### GIANT, "INNOCENT DAYS", A&M

"I'm A Believer" made many, many believers at Rock Radio, peaking at #13 Trax, and enjoying heavy rotation at MTV. The follow-up's even sleeker and smoother with a sound that could and should cross. These vets can play, and if they keep coming up with material this strong, Giant will become the next hard rockin' band to bust big. New this week at KRQR, WGIR, KNCN and KFMH.

### L.A. GUNS, "NEVER ENOUGH", VERTIGO/POLYDOR

The album's over 300,000 with limited airplay. (Their debut's Gold with next-to-no airplay!) Now here's the song that 4 out of 5 MDs agree is the track to take L.A. Guns from metal to mainstream. The hook's a mother with plenty of vocal window dressing to make it stand out on the radio. Fresh air at WLLZ, KNAC and KNCN is only the beginning.

### SKID ROW, "I REMEMBER YOU", ATLANTIC

Who hasn't been waiting for the right opportunity to pound the piss out of this mass appeal mutha. Triple platinum success, the Aerosmith tour moments away, and the single's legal at CHR. It sounds like play time to us. Currently on 40 (WIYY, WMMR, WLZR, KQRS, WBAB, WHJY, KBER, WKDF, WHTQ, KAZY, WFYV, WAAF), "I Remember You" elevates 68-63\* Trax. Total detonation to follow.

### BODEANS, "WHEN THE LOVE IS GOOD", REPRISE

Here's a wonderful, overlooked beauty from a wonderful album. The BoDeans give Motown inspirational credit for this track and it's got a zip-locked freshness and spontaneity that's contagious. If you can find room on your over-extended playlist for a deserving developing band, then give this toe-tapper a shot. KZOQ did.

## REACTION TRAX

### ROD STEWART, "DOWNTOWN TRAIN", WARNER BROS.

Appearing as the week's Traxmaker at 17\*, "Downtown Train" instantly grabs air from the likes of WNEW, WLUP, WMMR, WEBN, KSHE, KYYS, WKDF, WRIF, KRQR, KUPD and KTXQ. **Mark Bretsch**, WWCT lauds "Rod at his best!"; **Kim Alexander**, WHCN praises "Great version of a great song!"; **Steve Becker**, KLCX remarks "The best I've heard him in years!"; and **Erin Riley**, WMMR closes, "I'm sure 'Downtown Train' will join in the ranks of a lifetime of successful singles!"

## DON HENLEY, "IF DIRT WERE DOLLARS", Geffen

(22 New/33 Cume)...When it comes to Don Henley, KLPX's **Jack Green** amplifies, "The hits just keep coming!" As for "If Dirt Were Dollars", WCMF's **Dave Kane** calls it, "Mean n' nasty!", and WAPL's **Garrett Hart** certifies it a "Smash-Ola!" Network CD TuneUp #42/Track #13!**

"#1 call-out! #1 phones! #1 in Milwaukee! I'll play a record like this 'Anytime'"

**Dave London, WQFM**

"McAuley Schenger Group have just delivered their most radio-ready track to date: 'Anytime,' a melodic, mid-tempo beauty that's not too hard for daytime airplay. It's along the lines of a great Scorpions tune. 'Anytime' is already generating Top 10 phones—a large number of those coming from people who don't even know the band!"

**J. David Holmes, KUPD**

"This track will go all the way! I think this could be the track to put **McAuley Schenger Group** on the radio station map! Immediate phones! It burns on the air and should be in power rotation for months to come!"

**Tom Scheppke, KISS**

"'Anytime' **McAuley Schenger Group** releases a song this strong, we'd be more than happy to play it. Instant phones and kicking some serious ass . . . that's no lie!"

**Dave Kane, WCMF**

"We popped this baby off the Album Network TuneUp and we're glad we did. It's a killer song!"

**Jim Pemberton, WRIF**

"'Give Me Your Love' from their 'Perfect Timing' LP is the finest testing rock 'n roll record we have. 'Anytime' was an obvious add for us. It's great to have it early on CD TuneUp #42."

### SHAWN COLVIN, "STEADY ON", COLUMBIA

Rock Radio has always been fairly tough on female singer/songwriters. But when the marriage is consummated, the rewards are tremendous: ie. Tracy Chapman, Suzanne Vega, Natalie Merchant. Shawn Colvin certainly has the potential as evidenced by her inviting debut. "Steady On" is textually in place for

AOR, and Colvin's penchant for sounding contemporary and familiar instills further confidence. Hear Shawn first on KTCZ, KTYD, KFMH, WDRE, WFNX, WHFS and WBOS.

**TESLA** "Love Song"... "Top 5 Requests! It keeps getting rock solid phones."

**B-52's** "Love Shack"... "This one is showing no signs of slowing down."

**BILLY JOEL** "We Didn't Start The Fire"... "Can you believe we've even gotten teen phones on this one?"

## MARK CRUZ, KXXR, KANSAS CITY

**ROD STEWART** "Downtown Train"... "It's classy, silky rock that moves your body and your soul."

**THE ALARM** "Sold Me Down The River"... "This is Rock N' Roll you'll be singing in the shower."

**JOE COCKER** "When The Night Comes"... "We picked this one months ago! It went to #1 in K.C. Our Midwest world loves it!"

**FIONA WITH KIP WINGER** "Everything You Do(You're Sexing Me)"... "Number one phones! This woman...this song is 100% Rock 40!"

**BONHAM** "Wait For Me"... "Crank it up! And get ready to spend the rest of your extra time answering phones."

## JIMMY STEAL, KEGL, DALLAS

**FLESH FOR LULU** "Time And Space"... "Real cool sounding song from a band that has a sound that could break big."

**MOTLEY CRUE** "Kickstart My Heart"... "It's a high octane nighttime phone burner, dude."

**MICHAEL MORALES** "I Don't Know"... "I think this is his most mass appeal record yet. He's coming off two consecutive #1's here."

**ROLLING STONES** "Almost Hear You Sigh"... "This is the ballad on the album with mega-potential."

**GREAT WHITE** "Angel Song"... "It's an undeniable hit!"

## RICK CARTER, 92X, COLUMBUS

**FIONA WITH KIP WINGER** "Everything You Do(You're Sexing Me)"... "All the staff cranks it when it comes up on their shows. We're seeing good call-out on this record, too. I'm out in the street yesterday, and I hear some girl singing, 'Ooooo, You're Sexing Me'. What a hook."

**SCORPIONS** "Can't Explain"... "Super first week phones on the Scorps. This one has a great intro that hooks 'em all the way through."

**AEROSMITH** "Janie's Got A Gun"... "Another '18 And Life', with this one. The kids are the first to react and you can bet the adults will follow."

**KISS** "Hide Your Heart"... "Medium, but consistent phone action on the Kiss record. The night audience is building this one into something."

**MOTLEY CRUE** "Kickstart My Heart"... "This is about to bust wide open on 92X. Judging by the initial response from the first week out, I'll probably be writing about this one for a while to come."

## CHI CHI COVERDALE, WRQK, CANTON

**WINGER** "Hungry"... "Kip is hot, especially with females, 12+. Our phones are hot for this one, especially at night."

**BILLY JOEL** "We Didn't Start The Fire"... "Our guy said the kids are starting to request this tune-it's so intriguing."

**FIONA WITH KIP WINGER** "Everything You Do(You're Sexing Me)"... "An instant success story for the evening show. #2 Phones! It's a big reaction record!"

## JIMMY HARNEN, REBEL RADIO, WILKES-BARRE

**POCO** "Nothin' To Hide"... "I'm crazy about this song! Richard Marx might have been listening to 'Take It To The Limit' by The Eagles when he wrote it, but it is simply a great song."

**SKID ROW** "I Remember You"... "Scott Shannon was playing this song back in April! I still think it sounds incredibly fresh and rockin'. Great call, Scott!"

**BONHAM** "Wait For You"... "In an era when everybody is trying to sound like Led Zeppelin, it's great to hear Bonzo's son showing radio what Zeppelin would really sound like if they were around today."

**ENUFF Z'NUFF** "New Thing"... "Multi-format smash. Great for CHR-AOR and of course, Rock 40!"

**STARSHIP** "I Didn't Mean To Stay All Night"... "Mutt Lange carries over his heavy Def Leppard arrangements heard on 'Love Bites'. But Mickey Thomas and the boys hold their own quite well!"

**TEARS FOR FEARS** "Woman In Chains"... "We're already getting phones on this one from all demos."

## METAL MONSTERS

### VARIOUS ARTISTS, "MAKE A DIFFERENCE FOUNDATION", MERCURY

Whenever artists rally behind a cause it's always a special event. Following the highly successful Moscow Peace Festival, comes the long awaited "Make A Difference" album. There's plenty of great tracks to choose from, like **OZZY OSBOURNE** doing "Purple Haze", **CINDERELLA** out-pearling **JANIS** on "Move Over", "The Boys Are Back In Town" by **BON JOVI**, "Teaser" by **MOTLEY CRUE**, plus tunes by **GORKY PARK**, **SKID ROW**, **SCORPIONS**, and the always popular "Various Artists" all-star jam. P.S., play "Teaser" a lot so Elektra's Jeff Cook can make some money off the publishing.

### BRITNY FOX, "BOYS IN HEAT", COLUMBIA

**BRITNY FOX** is off and running entering the TUFF TRAX chart at 27\*. In addition to being our good buds, they're out to prove last year's success was no fluke. You've been seeing the video on Headbangers Ball, and starting in February you'll be seeing them with **KISS**. Jump into the **BRITS** latest and check out "Hair Of The Dog", "Livin' On A Dream", the potential multi-format hit "Dream On", "Long Way From Home", "She's So Lonely", and "Plenty Of Love".

### GOTHIC SLAM, "JUST A FACE IN THE CROWD", TORRID/EPIC

Rising from Jersey's seedier side, **GOTHIC SLAM** returns with their second release which was produced by former **RAVEN** drummer, Rob "Wacko" Hunter. We detect a bit more maturity, yet no compromises in the music. Tracks we love are "Why Not", "Violence Imprisoned", "Battered Youth", and "Thunder & Lightning".

### THE FRONT, "THE FRONT", COLUMBIA

Mix **THE CULT** with **THE DOORS** and you get the sound from one of the hottest bands to come out of Kansas City. This fivesome is ready to assault the airwaves with a vengeance. With the mighty power of Columbia Records, and McGhee Entertainment behind them, expect **THE FRONT** to sprint from the back of the pack. Listen to "Fire", "Pain", "Le Motion", and "Sister Moon".

**CONCRETE FOUNDATIONS:** About 30% of this week's Top 30 is composed of new releases from both major and independent labels. 30%!?! Making the biggest entry is **JOE SATRIANI**'s "Flying In A Blue Dream". The virtuoso's latest enters the Top 30 at #3, the Top 5 at #1, and makes this week's Blockbuster too! The other 8 debuts include **OVERKILL**, **VOIVOD**, **ACE**, **D.R.I.**, **WHITESNAKE**, **MSG**, the **SHOCKER** soundtrack, and **BABYLON A.D.** Shaker goes to **WHITESNAKE** even after it's entered the chart. Also creating a little stir for Shaker is the Enigma release **XYZ**, and Noise's very own **WATCHTOWER**. The Top 5 shifts everybody down due to **JOE**'s latest epic, but the expected are still making appearances (**NUCLEAR**, **SHOTGUN MESSIAH**, **BAD BRAINS**, **SOIA**). Enjoy the holiday Babes and Boys! **LISA PROSPER** - **CONCRETE MANAGEMENT**.

# Dear Metal Detectors

FASHION DISASTER!

This week's letter comes to us from Richard Sansabell of Seersucker, Guam, in the Phillipines, which is the home of our own Dr. Salvador. Richard writes: Help! I can't dress for shit. I keep buying slacks from the back of TV Guide. You know, the ones that are 4 for \$20 and you get the shoes for free. People continue to tell me that I am possibly the largest penis they've ever seen. Could it be my cologne? It's called "Cum To Me". Does it smell like cum to you? (I've enclosed a sample) I'm really not a bad guy, so could you please help me?

Dear Richard: You don't know this, but we've actually seen you before. And people are probably right! You are the biggest penis we've ever seen. First of all, buying clothes out of TV GUIDE is probably the most jerked off thing we could imagine. You are really a smacked ass! Let us give you a few pointers. Remember that polyester is the Italian equivalent of patent leather. Next, here's some designer names to stay away from: Munsingwear, Haband, MacGregor, The Fox, Big Yank, Dickie, anything with Sergio, and anything endorsed by bowlers. Finally, about that cologne. Cologne should not be a substitute for bathing.

## HOTTEST NEW TRAX

### THE CREATURES, "BOOMERANG", GEFEN

No one's got a voice quite like Siouxsie and she flaunts it and taunts it on this second full album from this Siouxsie And The Banshees offshoot. Their true colors shine on this new release. Siouxsie simmers best when she's putting on a cabaret styled tune and Budgie's in his glory with his exotic tribal

drumming. This textured, cleanly produced album should be high on your priority list. Check out "Manchild", "Fury Eyes" and "Killing Time".

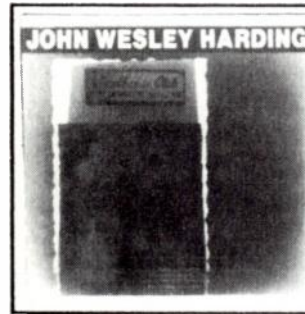

### DAS DAMEN, "MOUSETRAP", TWIN TONE

Das Damen's previous releases on SST Records fueled their fan base. This new effort, their third album and first for Twin Tone will gain more fans for this New York based band. Lead cut "Noon Daylight" highlights their psychedelic overtones matched with a pure rock base. They're currently in

Europe but look for them later this month to tour your city.

### JOHN WESLEY HARDING, "GOD MADE ME DO IT - THE CHRISTMAS EP", SIRE/WB

What a way to introduce a new artist. This pre-holiday gift offers up new music and a new talent. Harding, a U.K. native has Country and Costello in his blood. He's opened for Hothouse Flowers and John Hiatt and his new Ep highlights his infectious energy and vitality. Check out "Here Comes The Groom"

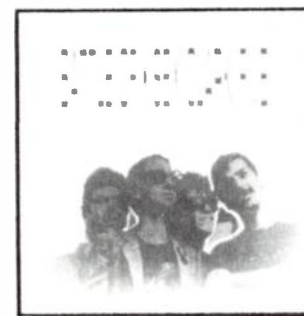

and a very bizarre acoustic version of Madonna's "Like A Prayer".

### WE ARE GOING TO EAT YOU, "EVERYWHEN", TVT

You may have seen lead vocalist Julie at the CMJ. She was the tall woman with the long, straight brilliantly flaming red hair. She also has an incredibly soft vocal style which blended with the band's powerful base creates a fresh inventive sound. Check out "Photograph", "Here Always" and "Heart In Hand".

### SEX CLARK FIVE, "BATTLE OF SEX CLARK FIVE", BLOOD MONEY

The Sex Clark Five seem to be known for their short songs. The album is a modern day "Get Happy!" with a total of 21 songs on the album. Three guys and a woman make up this Huntsville, Alabama band whose music is highly influenced by The Hollies and other late 60's popsters (DC5?). Cheerful strumming,

gentle harmonies and uptempo arrangements highlight their infectious music. The album is a musical melange of inventive and smart tunes with an edge. Check out the whole Lp.

### THE SNEETCHES, "THE SNEETCHES", ALIAS

The Sneetches formed in 1985 in San Francisco and quickly added the talents of two Englishmen to their ranks. This International outfit creates uptempo pop tunes with an edge. Check out their cover of The Monochrome Set's "He's Frank (Silent Return)". Their own tunes, "Love Comes My Way" especially,

Continued From Previous Page

highlight a slightly psychedelic influence with a pop slant recalling Todd Rundgren meeting XTC. The band are in the process of recording a full Lp due out next Spring. Look for their first ever U.S. tour late this Fall.

### VOI VOD, "NOTHINGFACE", MECHANIC

Since their inception in 1982, this Montreal based band has created music based on their fictional character "the voivod". Each album is a science fiction story depicting the voivod relating to his surroundings. "Nothingface" finds the band's current surroundings a mixture of influences leaning heavily accessible for Alternative radio. Formerly a "metal only" outfit, they've expanded their horizons and have the quality material to prove it. Check out "Astronomy Domine" and "Unknown Knows".

### THE ROCHES, "SPEAK", PARADOX/MCA

Female folkies have recently come into the spotlight, they're the next big thing. The Roches were there years ago, consistently expanding the barriers of contemporary folk rock. These three women mesh their voices and smooth harmonies perfectly. The lead cut "Big Nuthin'" is an uptempo tune with a gentle calypso beat. The video highlights the womens' talent at flying! Check it out.

## REVIEWS YOU CAN USE

### BRUCE MITCHELL, "DANCING ON THE EDGE", NARADA/MYSTIQUE

As this CD opens, a quiet passage slowly builds from an almost un-perceptible volume to background volume for the introduction of simple piano chords with synthetic backing, and 'South Winds' is soon off and running. A mid-tempo melody is stated with scaled-down counter point. It's the way much of Mitchell's music

is on this album. None of the arrangements are very dense, and while some moments contain quite majestic passages, the overall tone seems to be more quiet and introspective. The main players are piano and synth, with cameos from flute, percussion and violin. The latter two instruments are provided by Daniel Chase and Alasdair Fraser. Mitchell doesn't seem concerned with brash bursts of song, he creates a very placid musical world here. He puts to bed any myths that synths are cold instruments, unable to project emotion. With these ten pieces, Mitchell proves himself an evocative composer, and the role the electronics play in these expressive numbers cannot be ignored. While the title might suggest some type of frenetic musical happening, the music on the collection suggests a more content, comfortable, friendly setting.

### HUAYUCALTIA, "HORIZONTES", R.O.M.

If you enjoyed the recent **Ciro Hurtado** 'In My Mind' release, then you're in a prime position to pick up on **Huayucaltia** (pronounced Why-you-cal-tee-ah) and their second outing. It not only features Hurtado on guitar and guitar synthesizer, but as executive producer. The band's name comes from the language of the Aztec and

means brotherhood and unity. Appropriately enough the group's lineup, instrumentation and music all reflect this philosophy. Members hail from Mexico, Peru, U.S. and Columbia; and not only play traditional instruments like Andean pan-pipes and the cuatro (an instrument of the guitar family) but flutes and keyboards. The music is grounded in the guitar work and South American percussion, with melodies frequently given to the flute instruments; but it's not a high-intensity, busy music. Instead, these extremely melodic pieces are presented with a relaxed rhythm track. Both vocal and instrumental tunes will be found here. Despite the presence of synthesizers, the overwhelming characteristic here is acoustic instrumentation. Check out 'Cuzco' for a good starting point on this album. Kudos to R.O.M. for including a useful pronunciation guide with their bio information.

## ATTILIO, "ART TAKES A HOLIDAY", NU-VISION

Electronic music artists are unique in that they not only get to have their imprint over the style of music they write, but over the very sounds they use to present their music. This two-tiered form of creativity can be a very formidable task and sometimes leaves artists using old, tired, cliched sounds; but with people like Attilio, there's no such problem. His pieces are set in concise pop instrumental

format and not only are his thematic ideas enjoyable to listen to, but they are put in an environment of interesting rhythm tracks and unique sounds. His orchestration skills render these pieces right in texture without being too busy. The title, and 'Giving Up Time' are two noteworthy tracks.

## EXENE CERVENKA, "OLD WIVES' TALES", RHINO

With sparse arrangements and a folk feel, Exene's words come to life on this solo release. Inspiration for this album came from her writing with ex band-mate, guitarist Tony Gilkyson. Tony is the album's producer and main guitar player, taking Exene's songs, and putting them in a laid-back folky setting, with a more than slight country twang to it. It's an effective combination. 'Leave Heaven

Alone' is the key track here. It features backing vocals from Tony's sister Eliza Gilkyson (appearing on several other tracks, too) and addresses the familiar theme of environmental problems. There's a video out too, which is gaining attention. This is not the only stop to make on this release. Her easy singing style and insightful lyrics are extremely appealing and should find you tuning into other songs here.

### TOURS:

**A CHANGE IN ITINERARY** from last week's Narada dates rendered some of that information erroneous. Tingstad & Rumbel are not playing Green Bay, Wisconsin on the first of December as previously stated, but on the day before, November 30th. Their date with David Lanz on the 25th in Boston is still on, as is their December 3rd stop in Milwaukee, and December 4th show in Minneapolis with Lanz and David Arkenstone for the first of several Narada Christmas shows. Meanwhile, John Doan has also put together a Christmas program entitled 'A Victorian Christmas', which he will be presenting primarily in the Northwestern U.S. starting on December 3rd in Seattle, moving on to Newport and Astoria, Oregon for the 8th and 9th with Albany and Portland, Oregon following on the 15th and 16th.

## DIALOGUE

### RUSTY KIMBALL, KKCY, PORTLAND:

"This Dialogue is to let everyone know about a Portland artist named Attilio, that just might have a chance to break nationally. Attilio is a local music critic of some repute who has composed and performed a solo electronic recording that offers some fresh perspectives. Beyond the music, the single thing that gets me about 'Art Takes A Holiday' is its tongue-in-cheek approach to a musical genre that traditionally takes itself too seriously. Attilio has somehow transferred his dry sense of humor to an album that's worth a listen. I don't have to explain the excitement of breaking a local artist, but I would like to say thank you to the other programmers in the country who have listened to Attilio's 'Art Takes A Holiday', and agree with me that it should be on the air."

### MARK BENSON, WIOT, TOLEDO:

"Fave rave of the week is reserved for One Alternative. This band fuses rock, jazz, folk and new age, and the mix is refreshing...We're getting good phones on the Narada/Mystique Sampler, especially the new David Arkenstone."

### CHERYL CROSS, KEYV, LAS VEGAS:

"Before you stuff the turkey this Thanksgiving, give some listens to the great new Christmas releases. 'Have Yourself A Merry Little Christmas' on Rhino is probably the most versatile release to come along. Featuring The Roches, Dr. John, Nicolette Larson and much more, songs for every daypart on that one...We are all excited that Larry Carlton is throwing Christmas at his place this year, MCA should be proud. Narada is again offering a Christmas show, as is Musical Starstreams...Other great CDs to listen to are Kim Pensyl, Kurt Bestor, and Gold Castle is re-issuing Peter Paul And Mary's CD great stuff on the shelf. If I have not mentioned your CD for Christmas - call me (702) 736-9393. Still have a few more openings for our Christmas CD giveaway - if your label is interested, call. Have a great Thanksgiving!"

### JANE DAVIS, WRAS, ATLANTA:

"Thanks so much to Matrix and Peer Pressure for service on some items I had not previously received. You can reach me weekdays at 404-851-9393. Also, those of you cleaning out your closets can send me any leftover goodies - WRAS is putting together their Christmas packages for listeners right now, and I need CDs, Lps or cassettes of artists I play on the show. Send to: New Alternatives/WRAS/University Plaza/Atlanta, GA/30303. Thank you."

### MIKE EILAND, WLVQ, COLUMBUS:

"New from ITI Records, the label that gave us my favorite CD of the year (Darley Chinn's 'From The Closet'), is the group You Guys with 'Play De Doh'. The track 'Had Enough' got the phones rolling, and the rock 'n rollish 'Slow Down' had our mainstreamers calling in the second hour of the 'Jazz Brunch'...From Sam Riney's 'At Last', the track 'Fire' got a lot of 'who's that?' response, thanks in part to Mike Miller's blazing electric guitar solo. Riney and my show have something in common - sax appeal!...We received lots of great Christmas stuff. Can't wait to get on Larry Carlton's release. One listen and I was ready to go out and buy a tree!...The Steve Khan-produced 'Jigsaw' from Mike Stern is the fast mover this week. Again, it's our rock 'n rollers responding big time to this guitar-driven brunch funk! For kicks, I rolled Khan's version of 'Darlin', Darlin' Baby, his jazz fusion classic from a few years back. What the heck? It's an O'Jays remake, and those cats will be in town November 30th. What a dilemma - Ponty and Ciani will be here that night, too. For the love of money, what's a person to do?"

### MARK BRODSKY, WAPL, APPLETON:

"We've added the Kazumi Watanabe and the Himikami this week. 'Kilowatt' features some incredible contemporary guitar, and 'Moonwater' is bound to prove a valuable asset to WAPL's permanent jazz library...To Jody Jorgensen at American Gramophone: Pick me! Pick me! This displaced New Yorker would love the chance to venture to Gotham for what should be a great show with Mannheimer-Steamroller...Looking forward to some possible Xmas giveaways, so if you've got that quintessential holiday cheer on disc and are looking for prime exposure, give me a call. That's it for now. See ya!"

### KENNY ALTMAN, MUSIC WEST:

"Greetings - rockin' & rollin' with the aftershocks but, hey, we're tough. If it's anything less than a 5.5, we just throw 'em back!...Ray Lynch is currently in his twelfth week at #1 on Billboard Mag's New Age chart. 'Here & Never Found' and 'The True Spirit Of Mom & Dad' still seem to be the favorite radio cuts from 'No Blue Thing'...Jim Chappell's 'Living The Northern Summer' tour takes him this weekend (11/18) to the University of New Mexico at Albuquerque and then to Mallorca and Valencia, Spain for Thanksgiving weekend...Hoyt Axton will not be the opening act on the Spain dates...December 12 will be 'Music West Night' at the Great American Music Hall in S.F. - Jim Chappell/Teja Bell co-bill. Teja's 'New Spirit Of Christmas' CD single should arrive at your station this week. If you don't receive it, or if you don't have our full CD copy from last year, please call...Last but certainly not least is James Asher's 'The Great Wheel' - doin' okay so far, but still waiting for some of you to pick up on this great release. 'Celebration', 'Bagatelle', 'Jeunesse', 'Morning Light', etc., should fit in perfectly with your formats - please go back for another listen...Thanks to you and thanks to 'Dialogue' for the space."

While hundreds of thousands of East Germans romped through the Berlin Wall last weekend, many American stations were quick to spot a tie-in with the historical moment. KKBQ (93Q), Houston and WZGC, Atlanta dispatched morning personalities to West Berlin to broadcast live. Scores of other stations, including WHCN, Hartford; WFBQ, Indianapolis; WNOR, Norfolk; WRKI, Danbury; Classic Rock WKLH, Milwaukee and Classic Rock WCXR, Washington D.C. purchased multiple pieces of the wall for giveaways.

# Michael Monroe

PolyGram

From: Dave Loncao & Drew Murray

Over the past 2 months, a lot of people in many different aspects of this business of music that dominates our lives with extreme highs and lows have been saying:

- “What in the hell are you doing with this Michael Monroe project?”
- “You guys look foolish not chasing Michael Monroe.”
- “You guys are nuts for not chasing Michael Monroe—it's a smash!”
- “The Michael Monroe video with Axl Rose is killer. How come you're not getting more radio adds?”
- “Let us know when you're chasing Michael Monroe—we'll be there!”

Do you know how hard it has been to “eat” these statements for the last 2 months?

Deep down inside, we knew what we were doing was the right way to approach Michael's project. We wanted to make sure that we in no way, shape or form tried to hype this onto the industry during our launch. We wanted to build this project up from the street. We wanted to wait for Michael to get out on tour, where he hasn't been since the break-up of the legendary HANOI ROCKS. We wanted to be able to see Michael on stage which is the ultimate forum to create believers in what Michael does. We wanted MTV to be able to get started with the commitment they made to Michael's video on the first track “Dead, Jail or Rock 'N' Roll”. We wanted to have a good sales story and we knew it would be there because of the success of the Hanoi Rocks albums. The following stations wouldn't wait to play Michael's music:

WBAB, WKLC, WEZX, WSHE, KISS, WLZR, WQFM, WAZU, WGBF, WLAV, KJJO, KEZO, WYBR, KICT, KUPD, KRXX, KILQ, KNAC, KRZQ, KBOY, KBAT, WXLP, KAZY, WLLZ, KDJK, and Pirate Radio.

## ...WE'RE DONE WAITING!

...and you should be too if you want to catch the former frontman from what many people call the most important and most copied group of the 80's. Here's the voice that launched 1000 bands. See the face that inspired a million haircuts. Know what all the excitement is all about.

## THE MTV STORY

Currently launching “Dead, Jail or Rock 'N' Roll” from “Hard 30” and “Headbanger's Ball.” In addition, Michael just hosted “Headbanger's Ball.”

## THE SALES STORY

Right where we want it to be. First, out of the box with 45,000. Then, immediate re-orders and strong sales patterns in the right markets. Now at 80,000 units and growing. . .ready to launch!

In Michael's own words, “There are only two kinds of music. . .rock and roll. And when I die I want my gravestone to read: He rocked like f\*\*\*!”

## MICHAEL MONROE THE REAL DEAL AND FINALLY, THE TIME IS RIGHT!

Mellisa Etheridge and Joe Cocker, in Europe on separate tours, performed live with East and West German bands at a free concert at West Berlin's Deutschlandhalle on November 12. The ten hour music festival was put together on a day's notice by the City Of West Berlin and station SFB to celebrate the lifting of the 28 year-old travel restrictions from East to West Germany and to welcome incoming Easteners to West Berlin. Everyone involved donated their services for free. The indoor arena was at its 12,000 seat capacity, while an additional outdoor PA system and a live radio broadcast throughout West Germany brought the music to countless others. Cocker's set included "With A Little Help From My Friends", and Etheridge closed her set with the German words "frieden und freiheit -- jetzt und fur immer" (peace and freedom -- now and forever), which brought tears and cheers from the reunited Germans.

WZGC morning co-host **Scott Woodside** and producer **Amy Henry**, who speaks fluent German, flew to West Berlin on November 11, before making any arrangements to send transmissions back to the States. Luckily, Woodside was able to hook up with top-ranked German station FM 1006, who were broadcasting live from the Wall. The station allowed Z93 to use their facilities and supplied them with a producer for 3-1/2 hours, while up-linking to a satellite, all free of charge. Z93's feed was also sent to sister-station Classic Rock WZLX, Boston.

Woodside told **FMQB**, "It was an incredible experience. The emotion was just overwhelming. The guards didn't bother us and the people were very receptive. They were never allowed to dance, sing or write down their emotions on paper. The most memorable moment was when we met a man from East Berlin in a bar who's hero is Bruce Springsteen. He wrote a song about freedom and being caged like an animal. He said someday that he would go to America and give his song to Springsteen. We showed each other our passports and when he realized that I was American, he hugged me and said 'freedom', then he started to cry. You don't ever realize that you have the most valuable gift you could ever want...It's priceless...It's freedom."

Z93 also did a regular morning show feature, "Drive Thru Requests", at the border. The most popular requests were for Springsteen and the Beatles' German version of "I Want To Hold Your Hand".

WHCN paid about \$500 for 40 pieces of the Wall, each accompanied by a certificate proclaiming its authenticity. 'HCN gave away the pieces as part of a "Classic Rock Weekend". WFBQ included copies of Pink Floyd's "The Wall" and Peaches And Herb's "Reunited" with their giveaways. Listeners who wrote or faxed letters to WCXR, telling them in 25 words or less what the tearing down of the Wall meant to them, were awarded the souvenirs. The letters were judged by staffers and read on the air. When the "Salute To The Fall Of The Wall" montage of sound bites and songs of freedom aired on WKLH, the 10th caller won a piece of history. WRKI plans to donate its pieces to area high schools and libraries. WNOR's giveaway asked listeners to explain why they should receive a part of the Wall, and what they would do with it.

**THANKSGIVING WEEK SCHEDULE:** Due to the Thanksgiving holiday, station reports and comments should be called in as early as possible: **Monday/11-20 and Tuesday/11-21 9am-6pm.** No comments or reports will be accepted Wednesday/11-22. For your convenience, our FAX # is 609-424-6943. Thank you.

## BRAVERMAN BOOSTED TO ELEKTRA NATIONAL DIRECTOR OF MARKETING

LARRY BRAVERMAN

Elektra Entertainment Director of New Music Marketing **Larry Braverman** has been boosted to National Director of Marketing. "Larry has been an exceptionally versatile member of the Elektra Entertainment staff in his 9 years here," commented VP of Marketing **David L. Bither**. "He possesses a broad knowledge of our operations as well as a critical understanding of the

potential markets for our music. Larry will be a great asset to Elektra's marketing effort, and I look forward to working closely with him."

Braverman joined Elektra in '80 as National Director of College Radio. He has also served as Associate Director of AOR North/South, Promotional Market Mgr, Regional Market Mgr and Director of Production. Prior to his tenure at Elektra, Braverman worked for Sunside One, an independent marketing firm.

**FIREY RECEPTION FOR JOEL:** The CBS New York branch held a reception for Billy Joel, in conjunction with his new Columbia album **Storm Front**. (L-R): WBAB, Long Island's Bob Buchman, Columbia VP of Album Promo Paul Rappaport, Joel, and Carol Buchman.

## FIVE NEW LABELS PREPARE FOR LIFT OFF

You'll need to expand that record company rolodex to accommodate the new crop of record labels that are sprouting up. Five new fully staffed labels are in the works for next year. Geffen will reactivate Asylum Records from a West Coast base. Virgin plans to launch East Coast-headquartered Charisma Records run by Virgin Senior VP Marketing & Promotion **Phil Quartararo**. Former MCA Music Entertainment Group Chairman **Irving Azoff** has pacted with Warner Bros to launch a new, still unnamed label on January 1 based in Los Angeles. Disney Productions are set to unveil Touchstone Records presumably headed by Chrysalis topper **Mike Bone**. And BMG will open the curtains on a new L.A. based label in early '90.

It's no secret that Geffen's head of promotion **Marko Babineau** will helm Asylum's promo department. His Sharkness is currently scouring the land to assemble the rekindled label's field staff. **FMQB's Dirt! Dish** is picking up signals that Geffen National AOR guru **Hugh Surrat** will

Quartararo's move to New York will be followed by promotions for several Virgin vets: VP Promotion **Michael Plen**, VP Sales & Marketing **Jim Swindel**, National Promotion Director **John Boulous** and Midwest Regional Promotion Director **Phil Costello**. Details in next week's **Dirt!**

### **KLEIN NAMED SBK VP OF CREATIVE SERVICES**

GARY KLEIN

SBK Entertainment World Director of Creative Services **Gary Klein** has been named VP of Creative Services for both SBK Records and EMI Music Publishing. In his new position, Klein will be responsible for the exploitation of the EMI catalog, as well as the establishment and marketing of the EMI/SBK corporate image on a creative level. He will report to both SBK/EMI

Chairman/CEO **Charles Koppelman** and SBK Records Group President & COO/EMI Music Publishing Vice Chairman **Martin Bandier**.

"Gary Klein's contributions to both the visual and musical posture of EMI Music/SBK Records is well known internally," stated Koppelman. "This appointment allows the entire industry to recognize Gary Klein's contributions." Klein commented, "SBK, to me, is like a family. It's the Entertainment Company with a shot of steroids!"

Klein has been with SBK since its establishment in '86.

### **KROQ UPS LARGENT TO MD**

KROQ, Los Angeles has promoted weekend warrior **Lewis Largent** to MD. Largent, who joined The 'ROQ in '85, replaces **Larry Groves** who recently exited.

PD **Andy Schuon** told **FMQB**, "Lewis has been here several years. He has a good idea of where the station has been and a clear focus of where it should go. He's got a good attitude, he's intelligent, he's passionate about music but he's analytical in thinking too. He'll be able to handle the computer and meet with the record people and there are so many here."

Largent added, "I'm genuinely excited about this position, and feel super optimistic about the direction Andy and (GM) **Trip Reeb** have charted KROQ on. I just hope they don't make me wear real shoes and socks now. There are so many good songs out now, especially on the Alternative end. Many bands that are considered mainstream now had their beginnings in L.A. radio on KROQ. We're working hard to make sure that keeps happening in the '90s."

**THE LAST WORTHLESS EVENING:** Don Henley stopped by Geffen's Los Angeles office after the video shoot for "The Last Worthless Evening". (L-R): HK Management's Andy Slater, Geffen Prez Ed Rosenblatt, Pollack Media Group's Chairman/CEO Jeff Pollack, Henley, and Geffen's Mel Posner & Marko Babineau.

## ALL THE DIRT THAT FITS

**'MMS-ING AROUND:** Have John Gorman and The Buzzard kissed and made up? The former WMMS, Cleveland PD-turned-consultant confirmed reports that he and 'MMS OM Rich Piombino have had preliminary discussions about G-Man consulting his alma mater. "We both live in the same city and we should know each other," Gorman told *Dirt Alert!* "But there have been no formal conversations about me getting involved with the station again." Gorman, who had an "intense split" with 'MMS a few years ago after a decade-and-a-half of Buzzard duty, has no clients in Cleveland.

**DIRT STREET JOURNAL:** Cincinnati-based Jacor Communications (WEBN, Cincinnati; WFLZ, Tampa; WMJI, Cleveland; WPCH/WGST, Atlanta; KOA/KOAQ, Denver and others) have purchased KLOL, Houston from The Rusk Corporation. The station hoisted up a 329-pound pumpkin by helicopter and dropped it from 100 feet in the air over 2 cars marked "M" and "S". A Halloween-garbed crowd of over 3,000 watched in anticipation of "the smashing of M.S." 'BCN personalities Mark Parenteau, Tank and Larry "Cha-Chi" LoPrete provided on-air commentary of the event, with Parenteau making "squash" live on the air.

**BERNS RETURNS TO CFNY:** Former CFNY, Toronto PD/MD Don "Buzzband" Berns has returned to the station for afternoon drive, replacing Randy Taylor who transfers to Classic Hits Key 950 (CKEY) for weekends/swing. Berns commented, "What's quite evident is that I love this little niche in the radio bizz, and even though the opportunities are obviously few and far between, I've been anticipating joining the new team at CFNY since MacLean-Hunter bought the station some time ago. With the announced (and unannounced) plans for CFNY in the next 2 years, I'm excited just to be a part of it." Also rejoining CFNY is Live Earl Jive. Market sources say that CFNY has begun to swing back to a posturing closer to its original Modern Music format, with a Dance edge.

**LIVE FROM LONDON...IT'S STEVENS & PRUETT:** KLOL, Houston morning maniacs Stevens and Pruett broadcast "Live From London" at Bill Wyman's Sticky Fingers Club the week of November 13. Slated to match wits with "The Radio Gawds" were David Frost, Tears For Fears, Dave Clark, Gerry Marsden, Moody Blues' Justin Hayward & John Lodge, Aerosmith, Genesis' Tony Banks and Queen's Brian May.

**A&M LOCAL CHANGES:** Some minor reshuffling in the A&M field staff: Kelly Mills leaves her Minneapolis post for Boston, replacing Sue O'Connell who exits the label. Carolinas Rep Traci McPherson heads to Dallas replacing Mark Tindle who leaves The Big D for the label's national office in Hollywood. Taking Tracy's berth in The Carolinas is Jay Lewis. The Minneapolis slot had not been filled at presstime.

It features one-on-one interviews with the Fab Four who talk candidly about their lives and music, while combining photos, rare Beatles memorabilia and exclusive interviews. Billy Joel and Elton John also tell how the Beatles inspired their careers. The book does less to glorify the Beatles than to humanize them, stripping away the myths and media images to take readers backstage for a grand tour of the life that was the Beatles. Stations interested in giveaways should contact William Morrow Publishing's Carrie Sykes at (212) 889-3050. Somach is available for phoners at (215) 446-7100.

## HOME OF Rock & Roll (WRIF 101)

### 'RIF GETS KISSED

WRIF, Detroit night rocker Steve Kostan relived a scenario that took place 10 years ago when Kiss' Gene Simmons and Paul Stanley stopped by to guest host "The Seventies At Seven". In '79, Simmons and Stanley brought in a tape of an unknown band that they thought were "hot". That band was Van Halen. This time they brought music from D.C. Drive. Since D.C. Drive had been playing The Motor City for some time, fans were already quite familiar with them. Stanley (left) and Simmons (right) made sure that they got their chance to speak during their guest stint with Kostan, as they placed a gag order-on him with pair of hands on his "Kiss"er.

### THE DEAN OF 'DHA

WDHA, Dover PD Andy Dean recently won Billboard's PD of the Year Award for a small market and the New York City record community was on hand to help him celebrate. The station also commemorated the release of its N.J. Rock 7 unsigned bands CD. Pictured (L-R): Andy Dean, WDHA's Bob Linder and WDHA alum Mike Boyle.

### STREAKERS STRUT FOR THE STONES

No, this isn't a picture of Dr. Dirt getting loose after a busy day at the office.....it's just another contestant in the continuing flurry of "What would you do for Stones tickets?" contests. Five men and five women of Vancouver wore only Rolling Stones tongue-and-lips logos over their private parts and were taken by limo to the city's police department, airport, art galleries, and busy bridges, intersections and office buildings to run around and "strut their stuff". Each of the contestants won a pair of tickets to the Stones show.

### KGB-FM HOLDS HALLOWEEN AT THE HARD ROCK

KGB-FM held their 12th Annual Halloween Ball at San Diego's Hard Rock Cafe. Proceeds from this year's Ball went to fight child abuse. Among the prizes were tickets to every KGB concert for a year and a Gibson SG autographed by The Who. First prize went to the winged garygoles (rear), second to the frozen corpse in the bathtub, and third prize went to the triceratops turtle (front row, far left). Over-seeing the madness are (front row L-R): KGB air personality Jim McInnes, Hard Rock Cafe General Manager Howard Solomon and KGB Promotions Dir. Scott Chatfield.

## ROCK REPORT

Dark Horse is the name of the first book ever written about former **BEATLE** **GEORGE HARRISON**, just released via Stoddard Publishing. Written by veteran Beatle author Geoffrey Giuliano, the tome comprehensively details the story of "the quiet Beatle," from his beginnings in Liverpool to worldwide domination as a member of **THE BEATLES**. You'll discover the creative struggles Harrison had within the group, the breakdown of his marriage with model Patti

Boyd -- who later found solace in the arms of George's best friend, **ERIC CLAPTON** -- his plagiarism battles, and public disenchantment with his music. Containing an abundance of rare photos, readers will see George Harrison as never before; at home, in the studio, and backstage. Retailing for \$24.95, Dark Horse is an essential purchase.

With her new Lp, "Def, Dumb And Blonde," reaping critical praise as her best work since her **BLONDIE** days, The Rock Report caught up with **DEBBIE HARRY**, who told us what prompted her to reunite with old Blondie partners Chris Stein and producer Mike Chapman for the recording. "We got together because we knew each other so well and had done so many records together. There was a lot of frivolity," says Harry. "We really understood how each of us worked, so it was sort of like 'cut to the chase.' We didn't have any preliminaries, so the record went very smoothly."

"Pictures Of Money -- The First Ten Years" is the name of **EDDIE MONEY**'s new home video compilation just released through CMV. Showcasing "The Money Man" throughout his star-studded career, the video includes the following tracks: "Two Tickets To Paradise" (live), "Love the Way You Love Me," "Think I'm In Love," "Shakin'," "Take A Little Bit," "The Big Crash," "Club Nights," "We Should Be Sleeping," "Walk On Water," "The Love In Your Eyes," and "Let Me In."

Don't believe all those vicious rumors circulating about **DAVID LEE ROTH** rejoining **VAN HALEN**. The Rock Report has learned that Roth, along with new guitarist Rocket Richotte, have been busily preparing material for his third solo release. Roth was planning on working with producer Keith Olsen (**WHITESNAKE**) for the new Lp, but has decided to look elsewhere. Early word has it that the new Roth material is quite superb.

In the studio...With the next **BOSTON** album slated for release in the year 2000, Boston lead vocalist Brad Delp is currently recording a solo album with former Boston lead guitarist Barry Goudreau, with release scheduled for early 1990. While it seems that progress is going well on Delp's Lp, the same can't be said for **BRYAN ADAMS**. Scrapping most of the new songs he laid down with producer Steve Lillywhite (**U2/ROLLING STONES**), Adams is currently in England with **DEF LEPPARD** producer Mutt Lange re-recording tracks for a tentative March 1990 release.

Who says technorock can't be exciting? For all non-believers, check out "Change The Weather," the latest release by British trio **UNDERWORLD**. Formed in Cardiff, Wales, the group have created a promising effort rich in texture and bursting with heart. Produced by keyboardist Rick Smith, standout tracks include: "Mercy," "Sole Survivor," "Texas," "Stand Up" and the title cut. Having just finished supporting **THE EURYTHMICS** in America, a "Change In The Weather" will certainly do you some good.

## NEWS

**Press** scribe) who concentrates on their career up until the deal with Island was signed.

Meanwhile in London's publishing world: a new release from the company where **PETE TOWNSHEND**'s consultant editor, Faber & Faber. "Poetry: The Lyrics Of **SHANE MAC GOWAN**" is a collection of 31 songs from the man who brought you the immortal song title "Yeah Yeah Yeah Yeah Yeah". Probably for Pogues fans only, this one!

The **GIPSY KINGS** release a new album on November 20. Titled "Mosaïque", it's been produced in Paris by the man who brought them to the world's attention, manager Claude Martinez. The six gypsy guitarists from southern France take the writing credits on all but two of the LP tracks. They co-wrote "Cominando" with Ruben Blades and the first single "Volare" is their version of the old Domenico Modugno/Dean Martin song. To give an idea of just how big the band have become in the past year: they'll be playing two nights at London's Wembley Arena at the end of this month.

Society magazine **Hello** last week reported that Mick Jagger's daughter **JADE JAGGER** is settling down to a quiet life as a flower seller in a London street market. 18 year old Jade made headline news in the tabloid papers earlier this year when her ex-beau Josh Astor was in court on a cocaine charge. Dad was known to be upset about the association and is now thought to be happier with Jade's new boyfriend, painter Piers Jackson.

**TERENCE TRENT D'ARBY** releases the first single from "Neither Fish Nor Flesh" this week, "This Side Of Love". He's currently living in his favourite city, London, until the world tour begins in South America in January. Chatting to **News From London**, D'Arby was ready to defend his rather disappointing UK chart status with the album (a new entry at 12, down to 25 and now at 39). He feels it has a lot to do with the fact that he wanted the LP to be released initially without a single to promote it and that's meant very little airplay on British radio. "I don't want to be obscure, I want to have my cake and eat it too", he confessed but refused to admit he was worried about album sales. "So far it's far too early to tell, it's only been out since 23rd October", he said optimistically. "It only came out last Monday in America; I'm hearing the reaction, the enthusiasm, the buzz is brilliant, they're saying the same about Japan, Australia and Europe. Britain isn't really important if you're in it for the money but I live in Britain and Britain is important to me. I don't think there's anything wrong with wanting to sell a lot of records and try to be bold and daring."

**NENEH CHERRY**'s next British release will be a four-track EP, due on either December 4 or 11 and featuring a re-recorded version of the "Raw Like Sushi" cut "Inner City Mama" as its lead track. It'll also have a new recording of "Kisses On The Wind" and a remix of "The Next Generation".

People who think **ALICE COOPER** is a load of rubbish have a chance to make their point next week. Alice is following up his British success with "Poison" and "Bed Of Nails" by playing a one-off show at the Marquee in London on November 23; tickets will only be available on the day and to buy one, punters must bring a bag of rubbish to the box office. Special bags to collect the rubbish will be available from the Marquee on the 23rd. A quick reminder: Alice Cooper's current album is called "Trash".

**GERRY RAFFERTY**'s solo career is captured on a best of compilation titled "Right Down The Line", out this week. With 11 tracks on the vinyl format and 15 on the CD, the album includes remixed versions of "Baker Street", "Whatever's Written In Your Heart" and "Bring It All Home".

There's been a late change over the choice of **BILLY JOEL**'s follow-up to "We Didn't Start The Fire". It's now "I Go To Extremes", released on Monday, when **CURIOSITY KILLED THE CAT** bring out "First Place" and **MILLI VANILLI** re-issue "Blame It On The Rain". Before its current American success, the song peaked at number 53 here in early August.

Last week's story that **LEVEL 42**'s Mike Lindup had told the **Daily Mirror** that none of the band had any idea about the AIDS-related illness of Alan Murphy, who died on October 19, is contradicted by a comment made by the band's Mark King in the December issue of **Q Magazine**. "We knew he'd been unwell for a while", says Mark. "Virtually the day after our video was shot he checked into the hospital. Then I was told by a close friend that he probably wasn't going to get through this, that he had AIDS. I got to Westminster City Hospital to visit him that afternoon and he died at 4:30". King and Lindup were at a memorial service for Alan yesterday at St. Mary's Church in Paddington, also attended by Peter Cox of Go West and Kate Bush, whose "The Sensual World" album Murphy played on.

Those **BEATLES** reunion stories are back again following the settlement last week of the publishing dispute between Apple, EMI and Capitol which has rumbled on for years. EMI's Bhaskar Menon said: "The Beatles' recordings are a unique legacy in the history of popular music which EMI has been privileged to represent since 1962. We are most delighted to have resolved all the differences which arose between us in recent years, and look forward to the continuation of our long standing and close relationship with the artists and Apple". The agreement means that all the lawsuits brought by Paul McCartney, George Harrison, Ringo Starr and Yoko Ono have been dropped and the rumourmongers of the British press can start speculating again about the Fab Three working together...and Paul McCartney is quoted as saying: "There are a lot of exciting possibilities. We might write some new music, we might even be able to do our film "The Long And Winding Road" about the Beatles."

The **JIVE BUNNY** takeover continues: "Let's Party" will be their third single, due for release on December 4. The mastermixing team of Andy Pickles and Ian Morgan were in the studio all last weekend putting it together. The record will include specially recorded guest vocals from Chubby Checker, Noddy Holder of Slade (stand by for "Merry Xmas Everybody") and Roy Wood, whose most famous seasonal offering was Wizzard's "I Wish It Could Be Christmas Everyday". Before that emerges, we'll get "Jive Bunny--The Album" on November 27.

**QUEEN** fans can add to their video catalogue on November 27 when the band release "The Miracle EP" featuring the promos for all four singles released from the current album: "I Want It All", "Breakthru", "The Invisible Man" and "Scandal".

Ex-Marillion mainman **FISH** has been appearing on stage in a sling this week after an altercation with a window in his Portsmouth hotel room last week. He reportedly became frustrated trying to make a phone call after the show and lashed out, causing 700 pounds of damage to the room and injury to himself requiring 13 stitches. Fish rounds off his first solo UK tour with a couple of nights at London's Town & Country Club last weekend.

A report on the cost of **COMPACT DISCS** in **The Independent** newspaper states that CD prices are likely to stay at their artificially high levels in Britain, even though the cost of each disc leaving the factory is now less than 1 pound. British manufacturers Nimbus say that top-line disc prices of 11 pounds or so leave no room for price cuts and won't drop by more than a fraction over the next few years.

# MAKE A DIFFERENCE FOUNDATION

## Rockers against drug and alcohol abuse

**T**hey call it the Make a Difference Foundation. The album that resulted makes their message come alive.

always wanted to record, written or performed by an artist or group who had been touched by drug or alcohol problems, and have some fun

Graham Parsons, Elvis Presley, Bon Scott, Hank Williams, Dennis Wilson, and many, many others whose music made such a difference in our

Gorky Park, Skid Row, Scorpions, Ozzy Osbourne, Motley Crue, Bon Jovi, Cinderella, and Drum Madness. They all came together in a spirit of commitment, remembrance and hope, dedicated to combatting drug and alcohol abuse. They donated their time, their services, and their talent to a goal they knew could save lives. Their hope was to make a difference.

The album that resulted makes their message come alive. Producer Bruce Fairbairn talks about how it all happened. "No one band went in it to 'out do' anyone else by trying to sound or play better than the next guy. We just asked each group to pick a song they've

with it! It was with this spirit in mind that the tracks were cut,...the album includes eight studio tracks as well as some live music from 'the jam' that closed the Moscow Music Peace Festival ... I'm proud to be a part of it!"

This album is dedicated to the memory of artists like Tommy Bolin, John Bonham, Jimi Hendrix, Brian Jones, Janis Joplin, Keith Moon,

lives and whose lives were so prematurely cut short. It is the hope of the Make a Difference Foundation that this album, which they call "Stairway to Heaven/ Highway to Hell" will truly make a difference and prevent any other lives from ending too soon.

**S**tairway to Heaven/ Highway to Hell is available on Mercury compact discs, chrome cassettes and records.

Could Stock Aitken & Waterman's chart supremacy be coming to an end? **KYLIE MINOGUE** had the lowest new entry of her career in the UK singles chart at number 17 with "Never Too Late", currently stuck at number four. Her last seven singles have all made the top two. 17 was also the peak position of their other young protegee **SONIA** with her last single "Can't Forget You"; SAW's latest discovery, a talented English singer called **JOHNNIE Q.** failed to make the Top 75 despite plenty of airplay for "I'm Not Gonna Stand For This"; and **RICK ASTLEY** no longer employs their production talents. No doubt the trio will be watching the progress of Sonia's next single "Listen To Your Heart" very closely.

**LIVING IN A BOX** will follow up their top five UK hit "Room In Your Heart" with "Different Air" also from their "Gatecrashing" album. Release date is December 11.

**SINITTA**, whose 1989 cover versions of "Right Back Where We Started From" and "Love On A Mountain Top" took her total of UK Top 40 hits to seven, releases her album "Wicked" on November 27. It includes those hits, the previous one "I Don't Believe In Miracles" and the probable next one, "Lay Me Down Easy", which follows as a single on December 4. It's a ballad this time, produced by Ralf Rene Maue, who also produced The London Boys.

Controversial rappers **PUBLIC ENEMY** have a new single out in the UK on December 11, "Welcome To The Terrordome", with a new album to follow in January. From the same label, next Monday sees the British release of Dutch mixer Ben Liebrand's new mix of "The Eve Of The War", from Jeff Wayne's "War Of The Worlds" album, and CBS have also signed **A GUY CALLED GERALD**, who hit the Top 20 earlier in the year with "Voodoo Ray". Their new single will be "Eyes Of Sorrow", out December 4 on a new CBS dance label called Subspace.

News from Denmark, where **GEORGE MICHAEL** is again using Puk Studios to record the follow-up to his massively successful "Faith" album. Work has just begun on the new LP. In other European studio news, Wisseloord Studios in Amsterdam is certainly getting popular with British artists. **SIMPLE MINDS** have recorded their forthcoming EP there and even called it "Amsterdam" (it contains a version of the Prince smash "Sign O' The Times" and an instrumental of the hymn "Jerusalem!"); **THE STRANGLERS** are working there too, with producer Roy Thomas Baker, an interesting choice for the former new wavers as Baker is known for very rocky productions with Heart, Queen and others.

**JUDAS PRIEST** are looking for a new drummer after the departure of Dave Holland, who's decided his days of touring with the band are over. He made his decision at a time when Priest are preparing material for their next album to be recorded in the new year. They plan to launch the record with an extensive world tour.

**GEORGE HARRISON** finally gets around to releasing his contribution to the "Lethal Weapon 2" soundtrack as a single this week. "Cheer Down" comes out as a double-a side with "Poor Little Girl", both songs featured on his current "Best Of Dark Horse 1976-1989" collection.

**CHRIS REA** achieved the rare feat of a second week at the top of the UK album chart this week with "The Road To Hell", staving off the challenge of **ERIC CLAPTON**'s "Journeyman" and **LEVEL 42**'s "Level Best", which entered at three and five respectively. **WET WET WET**'s "Holding Back The River" crashed from its entry position of two to 10 and in a relatively quiet week for new entries, **MICHELLE SHOCKED** had the next debut with "Captain Swing" at 31. **WILL DOWNING**'s "Come Together As One" appeared at 36, **NEIL DIAMOND**'s "The Best Years Of Our Lives" at 42, and two unlikely chart champs this week: comedian **FREDDIE STARR**, debuting at 41 with "After The Laughter", and **DORIS DAY**, jumping from 58 to 34 with "Portrait Of Doris Day". It isn't Doris' first album chart appearance: her "20 Golden Greats" collection made the UK Top 20 in 1979.

**TERRY MARSHALL'S DAILY INSIDER**  
P.O. Box 792, Concord, CA 94522... (415) 680-1177

**THE GRACES**: The Graces, former **GO-GO** Charlotte Caffey's trio, start their first national tour in Bloomington, Indiana. They'll be opening shows for **THE CALL** through December.

**KING SWAMP**: Bob Clearmountain will start producing the next King Swamp album in London at the end of the month, shortly after the band wraps up its latest North American tour.

**BAD ENGLISH**: Bad English plans to follow their #1 hit, "When I See You Smile," with "The Price Of Love."

**RUSH**: Rush released their 17th album on November 17th. "Presto" is their first studio release since 1987's Gold "Hold Your Fire." The Canadian trio co-produced the album with **RUPERT HINE**, known for his work with **THE FIXX**, **TINA TURNER** and **STEVIE NICKS**.

**WHITESNAKE**: David Coverdale says the title of Whitesnake's new album, "Slip Of The Tongue," was going to be "Assume The Position." "But," says Coverdale, "we thought we'd have trouble putting it on the record racks. Can you imagine what the cover would have been?" he added with a laugh.

**PRINCE**: Prince has hired the team that manages **ROD STEWART** and **THE BANGLES** to help guide his career. "Purple Rain" director Albert Magnoli has been serving as Prince's manager since last January, but will now have more time to pursue films. He just finished directing Sly Stallone's next film, "Tango And Cash."

**ZSA ZSA GABOR**: **ALICE COOPER** invited Zsa Zsa Gabor to attend **THE ROLLING STONES** concert with him in New York, when the two met on an MGM Grand flight from L.A. to the Big Apple. But her reply was, "Dahlink, I have my own stones." She did sort of reciprocate, though, by offering him some Christmas cookies.

**TEN YEARS AFTER**: Ten Years After kicked off a 17 city North American tour in San Antonio. They plan to return to the U.S. after the holidays for a longer stay. It's hard to believe, but the band just did their first video after all these years. It's for the song "Highway Of Love."

**"BRIDGE" PRODUCER MAY NEXT SALUTE THE GRATEFUL DEAD**: Terry Tolkin, producer of "The Bridge" album, with various artists singing the songs of **NEIL YOUNG**, says sales are really starting to take off now that Young has released his new album "Freedom." Although sales of about 10,000 had been projected for the independent release, Tolkin says he's now sold 40,000 copies and could hit 60,000 to 80,000 by the end of the year. The success of the album has him thinking about doing another tribute album, this one of Grateful Dead songs.

**BILL GRAHAM WRESTLING WITH AUTOBIOGRAPHY**: Concert promoter Bill Graham says publishers expect to issue his autobiography next year, but he's having trouble finishing it. Graham says the problem is that there is some history he'd like to tell about his quarter-century career promoting rock concerts, but he's uneasy about telling it while he's still in the business. "There are some things I'd like to say, yet I don't want to hurt my relationship with the artists and I'm not looking to offend anybody," Graham says. "If I were going to heaven tomorrow or to Egypt," he added, "I'd put some things in the book, wait around for a month to listen to anybody who wants to yell at me, then I'd leave."

**WHO, KINKS TO BE ACCOMPANIED BY SHEL TALMY TO HALL OF FAME**: When they are inducted into the Rock and Roll Hall of Fame, **THE WHO** and **THE KINKS** will be accompanied by the man who produced their early hits, Shel Talmy. Talmy, who has returned to producing only recently, has kept in touch with both bands over the years. **PETE TOWNSHEND** invited him to the concert when The Who played L.A. last summer, and Talmy remastered The Kink's releases on Rhino. Talmy will also be remastering his old Who productions for the boxed set MCA Records is assembling.

**STONES, ROXETTE HELPING WITH DISASTER RELIEF**: Help is on the way for victims of the two recent natural disasters, Hurricane Hugo and the San Francisco earthquake, from **THE ROLLING STONES** and **ROXETTE**. The Stones pledged \$500,000 from their "Steel Wheels" tour to the American Red Cross to aid victims of both tragedies. And, a heart felt contribution is coming from Roxette. The Swedish duo has teamed up with Tower Records, and proceeds from all the copies of "Listen To Your Heart" sold in the chain's West Coast stores will go to the Red Cross for earthquake relief. Roxette said they want to share the happiness of their second #1 record with people who can really use it. Roxette is the *only* Swedish band to have two #1 hits in America. **ABBA** only had half that many because "Dancing Queen" was their only hit to reach the top.

## THE WHO EXTEND FAREWELL TOUR SIX MONTHS TO PROMOTE DALTREY FILM:

The Who have decided to extend their farewell tour another six months from January to June next year to help promote a film that stars **ROGER DALTREY**. The movie, "Buddy's Song," is being co-produced by their manager Bill Curbishley. Now instead of ending with shows in London this fall, The Who will play more European, Australian and Japanese concerts, plus a show during the Cannes Film Festival, to draw attention to the Daltrey movie. The movie isn't even made yet. It will be shot in January.

## PET SHOP BOYS PLAN RARE AMERICAN APPEARANCE WITH LIZA:

The Pet Shop Boys are planning to perform with **LIZA MINELLI** when she is honored by the National Academy of Recording Arts and Sciences in L.A. later this month. They produced her new pop album. Neil Tennant and Chris Lowe are in the midst of working on the next Pet Shop Boys album now that they've just finished another project with **DUSTY SPRINGFIELD**. They've also been offered some soundtrack work, but their real goal is to get another Pet Shop Boys album out for their fans, then hopefully, play some shows in America. They were pleased with the way their concerts went in Japan and England last summer.

## NEW "SMOKE" TO BE RELEASED FOR ARMENIAN QUAKE AID:

A new version of **DEEP PURPLE**'s "Smoke On The Water," will be released next month, featuring a number of rock stars, to raise money for victims of last year's Armenian earthquake. **Ritchie Blackmore**, **Brian May**, of **QUEEN**; **David Gilmour**, of **PINK FLOYD**; **BRYAN ADAMS** and **IAN GILLAN** are among those on the record. The track will also be included on a "Rock Aid Armenia" video compilation that will be released at the same time, with clips contributed by **ASIA**, **IRON MAIDEN**, **BLACK SABBATH**, **DEEP PURPLE**, **YES** and **RUSH**. The single and video were organized by Life Aid Armenia, an organization established to raise money for counseling and medical care for victims of the earthquake.

## HEART READY TO MIX NEXT ALBUM:

Heart is just a couple of weeks away from finishing the recording of their next album. **NANCY WILSON** says in the six months they've been working on it with producer **Ritchie Zito**, they learned 30 songs, recorded 20, and will probably have more than 10 on the record, maybe even enough left over to go on their next one, too. Co-writing with them on the still-untitled project are **Holly Knight**, **Diane Warren**, **Kelly and Steinberg**, **Mark Spiro** and **Mutt Lange**. The band is planning another massive tour to start in March, about a month after the album is released. They plan to start in Europe and Nancy says this time, they'd like to play in Russia. Although there had been some discussion of **ANN WILSON** doing a solo album before another Heart project, Nancy says they wanted to keep the momentum Heart's got going after two mega hits. Ann still plans to do her solo album in the future, and Nancy is about to sign with **Steven Spielberg's** **Amblin Entertainment** for her independent project, the animated film "Dream Friends." She's got story credit and of course, is doing the music, but will give up her control of the rest of the project.

## GOLD, TOP 20 BREAKTHROUGH ISN'T CHANGING KIX:

The delayed reaction to Kix' album, "Blow My Fuse," has enabled them to get started on their next record. During their two month tour break, they've been able to write and demo four new songs. **Steve Whiteman** says working with producer **Tom Werman** again certainly is not out of the question. "He has a great ear and he doesn't try to change things around and make them uncharacteristic of the band," Whiteman said of Werman. "He knows when something's good and when something's not good. Tom says yes or no to the basic idea. Other producers try to build on the idea and sometimes that doesn't work." Whiteman says getting their first Top 20 hit and Gold record hasn't affected them when it comes to the new material. "We've never been one to write songs for the radio," he explained. "We've always hoped they'd pick up on it, but we never tried to change our style to just get on the radio. Obviously, we've never been that kind of a band if it took us 10 years to get here." Whiteman adds they're inspired by groups like **AC/DC** who "stuck to their guns" and weren't swayed after enjoying success with their "Highway To Hell" album.

**HUEY LEWIS:** Huey Lewis, who played an AIDS benefit at **BOZ SCAGGS'** San Francisco club last spring, is returning to the club this month to do another benefit -- this time for earthquake victims. Fans buying the \$30 tickets to the show on November 26th will see Lewis, joined by such sports stars as World Series MVP **Dave Stewart**.

**JEFF HEALEY:** Canadians are voting for "Entertainer Of The Year," an award which will be handed out next spring at their annual Juno Awards. **Jeff Healey**, **K.D. LANG**, **BLUE RODEO**, **TOM COCHRANE** and **KIM MITCHELL** are the nominees.

**ROBERT PLANT:** Robert Plant is planning to be on the road early in 1990 after he finishes his next album.

**BLACKFOOT:** Veteran southern rockers Blackfoot are back in action with a new album, "Medicine Man," due out early next year.

**GUNS N' ROSES JEEP RIPPED OFF:** Guns N' Roses may have what it takes to appear in concert with **THE ROLLING STONES**, but when it comes to simple matters like burglar-proofing their cars, they're just as vulnerable as everybody else. Just days after their concert in L.A. with Jagger and company, Duff McKagan's jeep was broken into. And, according to the musician, not only was the radio stolen, but the dashboard was so badly mangled, he had to have his gas gauge replaced. Curiously, McKagan says that his prized Corvette -- which was parked next to the jeep -- was untouched. But the jeep had a real sentimental value, because it was purchased with the money he got when the band was signed several years ago to **Geffen Records**.

## ELTON JOHN BREAKS MADISON SQUARE GARDEN RECORDS:

Elton John has broken the record for the most concert appearances at Madison Square Garden. His four dates at the venue on his current tour mean that he has performed there a total of 30 times for at least half a million people over the years.

## CUTE PEDESTRIAN INSPIRED FIONA'S "SEXING ME":

Kip Winger may be hot, but Fiona says she had the idea for the song "Everything You Do (You're Sexing Me)" long before she knew she was going to be recording with him. She thought up the line after watching a cute guy walking down the street. Although Winger is a friend, Fiona says it was her record company's idea for them to do something together, and she knew she didn't want to do a "wimpy ballad." She says "Everything You Do (You're Sexing Me)" underwent a major rewrite when she and Kip decided to do it as a duet. "Every single word was different except 'You're sexing me'," she explained, adding, "and musically, it was much different, more of a march." Fiona caught up with Winger in Denver while he was on tour, so they were able to record the song together in the same studio, unlike many of today's duets. Fiona has put a new band together and plans to start a two-month club tour the first of December. But don't look for her on the big screen any time soon. After her experience making "Hearts Of Fire" with **BOB DYLAN** several years ago, Fiona says she doesn't really think about acting anymore. The director, **Richard Marquand**, who did "Jagged Edge," died shortly after finishing it and the film was never released.

# QUESTION of the WEEK

Apart from the obvious superstar releases, what records are performing best for your station in terms of research, requests and/or sales?

## MIKE JONES, KISW/SEATTLE:

"The first artist this week's question brings to mind is Soundgarden. As you might imagine, my pre-release enthusiasm for this band was not shared by all my broadcasting brethren. 'It's noise,' they said. 'It's Alternative,' they said. 'We don't play 'War Pigs', why should we play this?' they said. Now, eight weeks after their major label debut hit the streets, I have been vindicated. Soundgarden has delivered Top 5 phones every week (#1

on a couple of occasions) and consistent Top 20 sales (albeit at more forward-leaning outlets.) Another surprise has been Bonham. Initially denounced by some as yet another Zeppelin take-off, 'Wait For You' was #1 in requests for six weeks. And now our call-out research shows that the more passive listeners are taking notice of these up-and-comers. The show with the Cult in six weeks should bring Bonham home in Seattle."

## KELLY CRUISE, WEGR/MEMPHIS:

"Probably the biggest success story here is the Bad English album. We got lots of calls for 'Forget Me Not', but 'When I See You Smile' pulled in an amazing amount of calls -- surprisingly from as many males as females. Local record stores are reporting excellent sales. There's a giant following here for the Smithereens and a growing number of calls and sales on the Alarm and Giant. For a debut album, Bonham has done very well. We've had 'Wait For You' in current rotation for about eight weeks, and it seems to be catching on really big right now. Instead of calls coming in for 'that song that sounds like Zeppelin', they're asking for it by name. Over the past two years, I think everyone has seen an increase in sales for new artist material and I believe it's a trend that will grow even stronger in the '90s."

## PATTY MARTIN, KLOL/HOUSTON:

"Joe Satriani is doing tremendously in all areas. In fact, the first week the record was in the stores, it was #30 on our sales chart. Week #2 it rose all the way to #3 on the sales chart. Same with Melissa Etheridge. Sales, requests, research -- all excellent...Add to the list: Smithereens, Bonham and Tesla, which is doing well with requests and research, but not selling that well."

## DAVE NUMME, KGON/PORTLAND:

"First, it is not necessarily correct to assume that superstar product will automatically test or perform best. Some major acts such as Dylan and the Dead perform poorly in call-out but are valuable on the air. However, major acts are doing well at KGON. Petty's 'Free Fallin'' has tested #1 for the past 16 weeks! All tracks from 'Full Moon Fever' have tested better and worked better on the air than any other new music we're playing. Stevie Ray Vaughan's 'Crossfire', Poco's 'Call It Love', The Alarm's 'Sold Me Down The River' and Billy Joel's 'We Didn't Start The Fire' have also tested Top 10 consistently. Generally, it takes longer for 25+ listeners to become familiar with new music -- particularly from an unknown artist. The Del Fuegos' 'Move With Me Sister' and Giant's 'I'm A Believer' have developed well and given KGON a fresh sound. Bonham's 'Wait For You' is a hit, and Jason And the Scorchers' 'When The Angels Cry' is a gem! The song shows great promise. So why aren't more people hearing it?!"

## PAM EDWARDS, KGB-FM/SAN DIEGO:

"Bonham sounds like a superstar and is performing like one too! Major sales, requests and positive research. Bad English has a superstar base and falls into the Bonham category in terms of response. Other bands doing well are Giant, Smithereens, Trevor Rabin, Fiona, Joe Satriani (this guy can do no wrong here!) and the Beat Farmers."

## QUESTION OF THE WEEK

Continued From Previous Page

### KIM ALEXANDER, WHCN/HARTFORD:

"We just added the Red Hot Chili Peppers record based on phones and sales -- those obviously from MTV -- the buzz on this band is incredible. That one is really the only 'out of left field' record that has a story. Fiona is pulling top phones (MTV again), but we've yet to see sales on this one. The new Hooters' record is getting some early calls -- that's encouraging. The really big stories are the majors though Rush tops the

request list again, along with the Grateful Dead, Eric Clapton, Kiss, Billy Joel, Motley Crue, etc. So what else is new?"

### JO ROBINSON, WLVQ/COLUMBUS:

"It's a programmer's/music director's dream to have so many great bands to play, especially when several of them are AOR exclusive! Bands that are not yet superstars performing very well for WLVQ include The Call (both 'Let The Day Begin' and 'You Run' have tested well); the Smithereens (retail's developing a story and phones are exceptional); Bonham (incredible retail, phones and call-out success); The Alarm (although slow to build, they're on fire now); Joe Satriani (mega phones, especially at night) and Lord Tracy's 'Out With The Boys' is beginning to show signs of a huge record."

## RADIO ACTION

### WBCN, BOSTON MD-CARTER ALAN:

"WBCN was very pleased to host a rare interview with Joe Strummer, formerly of The Clash. Joe was in town to do a show at the Paradise Theater and, even though he didn't play on the air, he did bring his famous 68 Fender Telecaster from which you can never find him parted. WBCN also hosted a wonderful interview with Dave Stewart of the Eurythmics, and the guitarist/singer/producer extraordinaire did play a few songs on the air...Thanks to Chrysalis records for helping us put together a fantastic Ten Years After broadcast. Alvin Lee's lost none of his blazing touch and the band served up a fiery combination of classics and material from the latest album. Flies On Fire did a credible warm-up shot, and you should check them out on the road...Of the new music, Max Q's 'Sometimes' has a terrific groove that rocks hard under Michael Hutchence's distinctive vocals. Even though Max Q isn't a household word, I feel this song delivers an irresistible hook that'll easily hold our listeners...Also, the new Georgia Satellites track 'All Over But The Crying' is a winner and has jumped hot out of the gate with plenty of early requests."

### KISW, SEATTLE MD-MIKE JONES:

"The Angels are awesome Aussies! Those contrasting guitar rhythms on the intro to 'Dogs Are Talking' just slay me! I also groove to 'Rhythm Rude Girl'. Finally, a current record to double shot with 'Marseilles'...Ya know, when you scrape through the clanking, industrial production and the voice honed with gravel (both of which I love), Tom Waits has some incredible songs. Rod Stewart has found one in 'Downtown Train', an easy outta-the-boxer this week...We welcome our new Atlantic rep, Tim Dalbec, to town with a doob-lay (that means you get two adds

in one week, Tim)...My Irish blood stirs for Fiona (other bodily fluids are bubbling as well, but that's between me and Ms. Flanagan). What's more, 'Everything You Do' sexes its way to Top 5 phones this week. 'Nuff said...And the staying power of Alannah 'I Can See For' Myles is rewarded with an add on 'Black Velvet'. Steve Young can attest to the performance of this tune north of the border, so we'll take advantage of yet another Canadian export."

### WHJY, PROVIDENCE MD-CHRIS

**HERRMANN:** "Rush continues to haul in #1 phones this week (5-1 over the nearest competition!) with nothing but glowing reviews from all I've managed to talk to. Interestingly, these calls are split nearly equally between 18-24 and 25-34 men...Pulling in lots of upper demo male phones is 'Love Song' from Tesla! Interesting. Don't be too stringent with your daypart on this song...Kix is also piling up the requests from all demos...My faves on the air this week belong to Lou Gramm and Kiss; 'Just Between You And Me' is as finely crafted a song as I've heard this year and has got HUGE hit/crossover potential, while 'Hide Your Heart' can lay claim to the hookiest chorus of the year...By the by, thanks to Drew Murray for arranging the Gene Simmons phoner, and to Dave Rose at Relativity for the chance to chat with Joe Satriani!"

### KBCO, BOULDER APD/MD-DOUG CLIFTON:

"Another nice box set from a veteran rocker -- Rod Stewart has had quite a long, successful career and 'Storyteller' covers all the best that his career has had to offer! 'Downtown Train' is a good upper demo track...The Ian McCulloch continues the sound of Echo And The Bunnymen in a fine manner. We start with 'Proud To Fall' this week... 'Living On The Edge' from Iggy Pop keeps sounding better with each listen...Thanks to Bob Mould for stopping by for a visit before his Boulder show."

### WBRU, PROVIDENCE MD-KARYN BRYANT:

"I realize that the last time I talked about the Red Hot Chili Peppers I said that I had one of the greatest times of my life. Well, this past Saturday night was even better. I caught their act again, and it was even better than last time...Then I took the guys out to see Eek-A-Mouse downtown. I wish you all could have seen Flea shankin'! It was a rare treat that I'll tell my kids about someday. 'Higher Ground' is drawing in lots of requests, and sounds even cooler than 'Knock Me Down' did. The video is a work of art, and should convince anyone who isn't playing them to do so immediately...Other hot shows in the recent past include the Eurythmics' show at the Centrum in Worcester last week. I always knew Annie was awesome, but she totally blew me away. Ted and I agree that this show should not be missed!...Also, be sure to check out the new Eat album. It's so cool even Ted can groove on it."

### Z-ROCK, DALLAS OM/PD-TRACY BARNES:

"A usual happenin' week of industrial strength rock and roll. Dude, is there some hot rock there or what? We're all over the 'Make A Difference' Lp, have six tracks in and they are smokin' with the Z-Rockers. Funny how Tom sounds like Janis! A great project and an excellent cause...Track #5 from the Motleys goes in at #31. 'Without You' we've felt since the C&D and is a major bigtime crossover...Rush slams in as World Premier #58, added three weeks ago, and debuting on the 50 at #27...And the fourth from my LA faves, L.A. Guns, cranks in at #46. Check out 'Cocked And Loaded'. Lotsa stuff you can play and your rockers will cream for...And, thanks to Ron Cerrito and Enigma for the L.A. trip for me to see XYZ at the Body Shop! What was I there for? I was blinded...Oh yeah, the Dokken project is hot and getting good phones. Live Coast To Coast broadcast #36 wrapped up Z-Tour #4 last night, and Cats In Boots are extremely hot. You can check these dudes out, okay? Thanks to Norm Osbourne and EMI, Coast To Coast concert #35 was also stellar with Billy and Mr. Big...Hot stuff, with #37 only four days away with Babylon A.D. 'Bang Go The Bells'!...C-Ya!"

### WMMR, PHILADELPHIA MD-ERIN RILEY:

"Of all the packages released so far, Rod Stewart's 'Storyteller' is my favorite. So many great songs, and I'm sure 'Downtown Train' will join in the ranks of a lifetime of successful singles...You'll be getting the Hooters' album sometime this week, so if you've got the time listen to the album in its entirety. You'll be doing yourself a big favor. The record's great and I'm not just saying that because they're from Philadelphia."

**THANKSGIVING WEEK SCHEDULE:** Due to the Thanksgiving holiday, station reports and comments should be called in as early as possible: Monday/11-20 and Tuesday/11-21 9am-6pm. No comments or reports will be accepted Wednesday/11-22. For your convenience, our FAX # is 609-424-6943. Thank you.

## WDHA, DOVER PD-ANDY DEAN:

"Wow! I witnessed a truly fantastic concert last night when I saw Eurythmics at Radio City Music Hall. Annie Lennox is the most captivating stage presence that I've seen since my first glance at Midnight Oil's Peter Garrett a couple of years ago. The song selection was great, with many of their hits reworked into fresh versions for the show. If you have the chance to see this band, do so. My only regret is that I've waited all these years to see them. Thanks to Diane Gentile at Arista and Paul Yeskel for a memorable evening...On to recorded music: The record which really hit me over the head this week is the new track from Gorky Park, 'Peace In Our Time', which features Jon Bon Jovi and Richie Sambora. The two also wrote and produced the song, which has a great bouncy melody. A killer sing-along chorus, and an obvious message...We also added the Kate Bush 'Love And Anger' track this week which is making such enormous alternative movement. Might this finally be the record that breaks this European star in this country? Her voice and style are no doubt acquired tastes, but I'm aware of the loyal following she has, and it sounds fine on the air...Congrats to Epic for getting to my favorite Bad English track, 'Best Of What I Got'. We've been playing this track for depth on and off since the album came out...The Rod Stewart box set looks absolutely beautiful...I'm looking forward to the next rainy weekend at home to really get into it, start to finish...Along with David Bowie, Rod Stewart is the prime example of a rock 'n roll chameleon, so successful at changing his musical styles through the years without compromising his huge success."

**THANKSGIVING WEEK SCHEDULE:** Due to the Thanksgiving holiday, station reports and comments should be called in as early as possible: **Monday/11-20 and Tuesday/11-21 9am-6pm.** No comments or reports will be accepted Wednesday/11-22. For your convenience, our FAX # is 609-424-6943. Thank you.

## WFRD, HANOVER MD-JEFF SOLOMON:

"Hey there, peeps, what's up? The overflow of great music continues here at the Rock...Rush's new tune, 'Show Don't Tell', is HOT! An excellent rocker...Very psyched that Geffen decided to release more 'Dirt' from Don Henley. One of the best tracks on one of the year's deepest albums...The Alarm score another winner with 'Devolution Workin' Man Blues'...I also like the Hooters new song, '500 Miles', a lot. It kinda departs from their signature style, but it's still very good...Nuff fer this week...catch ya on the rebound."

## WPYX, ALBANY MD-JOE MOSS:

"Rickie Lee Jones gets a long-awaited add this week...Rod Stewart's back in great form with 'Downtown Train', a beautiful ending to a fabulous collection in 'Storyteller 1964-1990'. This is one box that's been long overdue, and the remastered songs sound great!...Looks like Poco's got another smash on their hands with 'Nothin' To Hide', and we're also on three killer records with Melissa Etheridge's 'Let Me Go', Scorpions' 'I Can't Explain' and Kiss' 'Hide Your Heart'. This is going to be one hell of a Merry Christmas! Last night's 'PYX-106 concert event with Stevie Ray Vaughan and Jeff Beck was totally HOT, leaving the Sell-Out crowd hungry for more. Both bands sounded hotter than hell, culminating in a great guitar duel between Beck and Vaughan. The sound was superb, and it was great meeting both bands backstage, especially Terry Bozzio, who not only whacked out some great drum riffs, but had his wife and baby-to-be in tow and it was a blast shooting the s\*\*t with Terry. Thanks to Terry Coen at Epic for helping out with a great promotion which culminated in giving away a Fender Strat signed by Stevie and Jeff and an amp, along with those beautiful lithographs of the 'Guitar Shop' album. I've got blisters on my fingers!"

## WBOS, BOSTON MD-STELLA DENNIS:

"Linda Ronstadt's 'I Need You' and 'Trouble Again' sound great-get 'em on!...Take a shot on David Wilcox-should do well multi-format!"

## WIXV, SAVANNAH MD-JAY Sisson:

"The Rod Stewart box set is an impressive achievement, but I always wonder why record companies occasionally print CD cases with the letter on the spine upside down? (Another recent example of this is the Bonham CD single of 'Wait For You'.)"

## WDRE, LONG ISLAND MC-MALIBU SUE/ROB

**GREENBAUM:** "It's mid New-vember already, can you believe it? Anyway, as always, everything is not regular radio. Song of the day promotion (our listeners get to meet a band) Squeeze, Joe Strummer and Eurythmics. WDRE's Sharon at the shore, The Sock and Jocelyn all gave toes up to the recent Buzzcocks reunion show at the Ritz...Thanks to Charlie at I.R.S. for coming out to the Island, and thanks to Mike and Michelle from SBK, and Lisa from Caroline for inviting us into the City. All food from both nights was appreciated...David Gahan of Depeche Mode called Malibu Sue...Past shreeeks of the week included B.A.D. 'London Bridge', B'52s 'Roam' and the Cure untitled...Alien Sex Fiend return to New York and George Carlin is on the phone later."

## WONE, AKRON MD-J.D.:

"This past week we concluded our two month-long promotions of showing off your W-ONE. We asked listeners to show off their W-ONE to the most people, in the most creative way. Up for grabs as our Grand Prize -- \$10,000. First prize was a trip to the Hawaiian Islands. Our Grand Prize winner painted the side of their house with the W-ONE call letters, plus the extra bonus (besides the great art work) was that they lived next to one of the major Freeways in town...Very special thank you's to Polydor's Gina Iorillo and Geffen's Kevin Rabat for helping out with the judging process...Special thanks to Mike Reno of Loverboy for calling in just before their performance last week in Cleveland, to tell us a-little-bit about the upcoming album 'Big Ones', and to Alan Pasqua of Giant for his call, as well."

## WIOT, TOLEDO MD-MICHAEL YOUNG:

"A big congratulations to Chuck Swaney of Capitol on the birth of his baby daughter. All the best, Snappy!...Wanna talk about a 'F.I.N.E.' track, Aerosmith's latest definitely fits that bill. Lyrically, it's one of those songs you could see the boys writing on a Saturday night, kinda tongue in cheek if ya know what I mean. There will be a big response to this one, no doubt in my mind...When Melissa Etheridge first hit the scene, our PD-Jim Steel went crazy. He said, 'Here's the artist of the '90s'. I laughed. Now she has two Lps under her belt and I'm realizing Jim was right. Melissa brings so-o much emotion to the airwaves, it's almost like a breath of fresh air. 'Let Me Go' is awesome. It's a one-time listen, instant-like song. Still, a lot of programmers don't believe in her, but she is for real and she does work. Take it from a fella who didn't believe."

## WRKU, YOUNGSTOWN MD-JOE PAIANO:

"Billy Squier delivers a passionate ballad on the edge. 'Don't Let Me Go' gives us a deeper look into Squier's talents. This is how a rock ballad should feel...Great White's 'House Of Broken Love' is the obvious choice to keep 'Twice Shy' alive. No testing required. With the success of this Lp, there's no valid reason to wait on this one...Melissa Etheridge is standing on firm ground with 'Let Me Go'. It's hard for her to miss at this point in her career--everything seems to be in place."

## WKLC, CHARLESTON/HUNTINGTON MD-MARK

**SAVAGE:** "With 1989 winding down, we just realized that our 10th Anniversary is right around the corner. Wow, already! I can't wait for the party! For any labels that would like to help out, we'll be needing artist IDs in any creative way that one can say 'Happy 10th'. We would also like some HOT merchandise to give to our listeners, if that's not asking for too much. (And by 'HOT', I don't mean stolen!) Just something for you reps to think about in the coming weeks...I am very happy to report that we are adding the sexiest Canadian that I know of, outside of Kim Mitchell, of course--Alannah Myles! 'Black Velvet' should launch Alannah into mega stardom!"

## KMJX, LITTLE ROCK MD-DAVID ALLEN ROSS:

"I'd like to thank Stan Gleason of Capitol for the smchooze and all the help with the Squier show...Many thanx also to Ron Carter of Chrysalis for the Tull promotion...Tip o' hat to Warner on the Rod Stewart box set. The single should hit all formats...Now that the X-mas rush is over, the baby bands should see some increased action. I'm still raving 'bout Lord Tracy and King's X. Listen to them!"

## KDJK, OAKDALE APD-BEAVER BROWN:

"I have to start this week's comments with one word: Hooters! Yes, they are back and I am one guy that's glad about it. Not only is '500 Miles' getting great reaction on the phones, but the rest of the CD is great as well. If you haven't seen them live, then you are missing one of the best live bands out now--period! Check out 'You Never Know Who Your Friends Are', 'Brother Don't You Walk Away' and my personal favorite, 'Mr. Big Baboon'. HOOTERMANIA RULES!...If you haven't listened to the Alannah Myles track 'Black Velvet', you be missin' out on a great

# RADIO ACTION

Continued From Previous Page

track. We played 'Love Is' here at KDJK and wondered why it was being ignored--don't ignore Alannah this time around!...Speaking of great ladies, how about that Melissa Etheridge? 'Brave And Crazy', in my opinion, is better than her debut, and that was a tough act to follow. Great job, Melissa. No more sophomore jinx for you. Call me, let's talk...There's just no getting around it, when Klaus and the Boys of Scorpions have a new track out, the people go crazy! 'I Can't Explain' needs no explanation, it's a hit!...The listeners also love Joe Satriani and his 'Big Bad Moon' with good calls for the Del Fuegos and the Smithereens...If you're looking for THE MONSTER off the new Whitesnake CD, it's 'The Deeper The Love', you heard it here first...A big howdy to Pamela Roberts at 93/Rock in Sacto, what a time. We'll have to do it again soon...Hey Mick, nice finger in the ad!"

## WKQQ, LEXINGTON APD/MD-STACY YELTON:

"Rod Stewart can tell me stories anytime! I'm always critical of any Tom Waits cover, and this one just thrills me. Anyway, who do you know who doesn't like Rod Stewart?...We had Webb Wilder in town this week. You've got to see this show. And I bet that after you do, you'll add 'Human Cannonball'...As my PD says, the beginning of Trevor Rabin's 'Sorrow' sounds like a Caribbean cruise. After that, it's smooth sailing in a sea of hooks."

## WPLR, NEW HAVEN MD-TOM BASS:

"Lenny Kravitz continues to outdistance much bigger names on our request lines and in the record stores of New Haven. This week, Lenny shows up in ninth place in WPLR's retail survey. You ought to be playing this record...Red Hot Chili Peppers are generating a buzz on our phones as well. 'Higher Ground' is so funky and so powerful, I don't see how anyone with ears can resist it...We found room for a couple of records that we're particularly passionate about this week: The title track from Rickie Lee Jones' 'Flying Cowboys' goes in. We had a lot of luck with 'Satellites' and the album is selling like crazy. Plus, who makes better upper demo records than Rickie Lee? Likewise, the lady that blew me away in Buffalo, Alannah Myles, goes on WPLR with 'Black Velvet'. This song captivates me. The more I listen to it, the more I want to listen to it. 'Black Velvet' is one of those records you play in your office and everybody else strolls in one by one and says 'who is that'?...Thanks to Steve Kline for coming down for no other reason than to show me his smiling face. Likewise, Eric Hodge. It's always a pleasure to go see a show with you. Thanks for bringing me to Ian Hunter and Mick Ronson at Toads...Terry Coen, thanks for the tickets to see Beck and Stevie Ray at Madison Square Garden, and Anne Marie at Reprise, and Dave Johnson and Jim Cortez at Elektra for letting me check out the BoDeans and Black Velvet not once, but twice...We've got a big week coming up with NRBQ back in town this Thursday, and the Yale/Harvard game in the Yale Bowl on Saturday. Linebackers with Doctorate Degrees and a future at NASA. Truly a special part of Americana!"

## WKRR, GREENSBORO MD-JOHN AMBERG:

"Thank you, Carl Groover and Katie Seidel, for a lovely evening at the R.E.M. concert. As usual, the band was excellent! Well, the holidays are coming down on us, and I have a special request to all my friends in the record biz. December 15-17 is the Third Annual 'Deck Your Walls For Special Olympics' at the Marketplace Mall in Winston Salem. The idea behind this is to sell and/or auction off rock 'n roll posters, memorabilia, and other tidbits we can get our hands on to benefit the Special Olympics. Rock 92 got involved last year, and we felt it was a success. This year we'd like to up the ante a little, so I am asking you, the local Promotion Managers of the Carolinas, as well as you, the National Promo folks, to reach into your grab bag and send me any posters, buttons, trinkets or any other promotional items you can spare. This is for a very worthy cause, and the fact that it takes place a week before Christmas makes it that much more special. For more information about 'Deck Your Walls', feel free to call me at 919-274-8332. Our mailing address is: WKRR, Rock 92, P.O. Box 36070, Greensboro, NC 27416. Our street address is: 2641-B Randleman Road, GSO, 27406. Your generosity will mean a lot to everyone involved. Send it out today! Thanks!"

## WAQX, SYRACUSE INTERIM PD-MEG

**STEVENS:** "Take a ride on the 'Downtown Train'--Rod Stewart knocks me out--his best in years. The box set is terrific and speaking of terrific, Syracuse has really reacted to A&M's Giant. We're out on 'Innocent Days'. Great to see A&M's John McHugh, Chuck Bliziotis and the one and only J.B. Brenner. The band's desire to make it is matched by those behind them. A rare combination...Also in town this week, Columbia's Jerry Blair,

Atlantic's Kevin Young and Reprise's Barb Balchick. Everybody loves Syracuse and can't forget Warner Brother's Jeff Criden in town for David Byrne's show--check it out. It's a night of Latin dancing and fun!"

## WPDH, POUGHKEEPSIE MD-PAM BROOKS:

"So, the week was tight, due to a playlist jammed with hot and very new material but I managed to edge in a few tasty treats anyway...Lots of phones helped to grease that small spot for Fiona and Kip and their sweat, hard work and obvious talents are combining to make 'Everything You Do' huge, although I must fess up that '(You're Sexing Me)' still makes me cringe!...The Rod Stewart 'Storyteller' package is a beauty, and since I've always loved 'Downtown Train', it's cool to have Blondie do it up in his special way...Now is the time for you to ring up Tom Kelly at Harris Communications to find out how much he loves Tom Waits. We know he's in 7th Heaven and that's not easy to achieve...Lord Tracy rules. 'Out With The Boys' smokes. I'm humming it in the shower and looking wildly about to find a spot for it...Caught the Red Hot Chili Peppers last night at The Chance. The place was a huge mass of sweating bodies. Need I say more?...Dear Mr. Bass: I've been thinking of giving up radio to waitress at Bulldog Lil's. How do you think my tips will be?"

## KTCL, FORT COLLINS MD-SAM FERRARA:

"I should have known better! I figured that my Top 10 list of '89 was complete. Heavy revision is to follow. Some possible late entries for me will include 'Automatic' from the Jesus & Mary Chain, Screaming Blue Messiahs' 'Totally Religious', 'Big Planet' from the Jazz Butcher, and Nine Inch Nails. All the above are garnering some light to medium phone action for us and are doing well for the local retail outlets...As our 15 Year Anniversary celebration comes to a close with year's end, we act as co-presenter for shows with Third World, Squeeze (!!!), Meat Puppets and the return of the Red Hot Chili Peppers...Big thanks to Brad at A&M for flying Paul Kelly in for an on-air interview/acoustic sitting. Did you wear the T-shirts?...Till next week, that's the dope from here."

## KFMU, STEAMBOAT/VAIL APD/MD-PAUL

**CAVANAGH:** "Eric Clapton's new masterpiece, 'Journeyman', has knocked the Grateful Dead out of the #1 phone position this week at KFMU, with 'Pretending'. The Dead are still pulling in #2 phones...Two great boxed sets in recent weeks are the Rod Stewart 'Storyteller' and the fantastic Tommy Bolin set. Tommy Bolin has always been a favorite in the Rockies, with his former ties to Zephyr, a Boulder-based band, and of course, his style. This collection will re-introduce you to one of the finest performers of the '60s and '70s--so, don't overlook it!"

**THANKSGIVING WEEK SCHEDULE:** Due to the Thanksgiving holiday, station reports and comments should be called in as early as possible: **Monday/11-20 and Tuesday/11-21 9am-6pm**. No comments or reports will be accepted Wednesday/11-22. For your convenience, our FAX # is 609-424-6943. Thank you.

## WGIR-FM, MANCHESTER MD-KAREN

**ANDERSEN SMALL:** "I was absolutely floored with the great Rod Stewart retrospective 'Storyteller' package! It's crammed with musical nuggets through and through! 'Downtown Train' goes in this week...Eric Clapton's the 'Journeyman' has so many great tracks we have to play more, so 'No Alibis' and 'Before You Accuse Me' also go in this week...We love Melissa Etheridge here at ROCK 101 so 'Let Me Go' will reach the airwaves as will Giant's 'Innocent Days'. Giant's new track sounds like a hit to me!...Many thanks to Lenny Collins and everyone from Epic for the chance not only to see, but meet two of the greatest guitarists around: The Stevie Ray Vaughan/Jeff Beck combination proved to be one of the most spectacular shows I've ever seen. Beck's guitar technique and feel is absolutely miles beyond anything I've ever experienced, and the opportunity to meet Jeff Beck and his fellow guitar shoppers, and Stevie Ray Vaughan and Double Trouble was amazing. This is a show NOT to be missed! Thanks to Jeff Beck, Terry Bozzio and Tony Hymas for signing a GUITAR SHOP lithograph, and to Stevie Ray Vaughan and Double Trouble for signing an album flat for our ROCK 101/United Way Rock 'n Roll Auction. These pieces will fetch big bucks! We're all geared up for this weekend...The

## KACV, AMARILLO PD/MD-JAMEY KARR:

"KACV is now operating at 100,000 watts. My very sincere thanks to all of you who have been so patient with us during this change. Thanks for all the promo stuff so far, but I'll be hitting you up for more, so beware!...The same week of our power increase, the last remaining AOR in town rolled over and went oldies. So, for now, it's just US. What a country!"

Georgia Satellites will kick off Auction Weekend with a Friday night ROCK 101 Birthday bash. Proceeds from this show will go to the United Way...On Saturday, the Second Annual ROCK 101/United Way Rock 'n Roll Auction gets underway. We're psyched. It'll be a great weekend!"

## WSOU, SOUTH ORANGE PD-STEVE APREA:

"Things are finally getting back to normal after the Testament remote at the Ritz. Its success will be highlighted in the weeks to come. Speaking of success, Suicidal Tendencies are well on their way as the strongest mover of our Top 20...Wrathchild America is 'climbing' the charts towards spots currently occupied by Overkill, 'Space' Ace Frehley and L.A. Guns...XYZ is still hangin' 'inside out'. Just a joke-hal hal...Speaking of good laughs, we had a hell of a good one with Steve Jones who took time out for a pleasure cruise on our Pirate Party vessel. A-Hoy-Mate!"

## WIZN, BURLINGTON MD-TOM VAN SANT:

"WIZN's 6th Birthday celebration is cooking! The phones are lit up constantly since everytime we play Jethro Tull or the Grateful Dead listeners call to win a couple of great trips to the West Coast to see those artists. Last week we gave away a busload of tickets to see Jeff Beck and Stevie Ray Vaughan, and next week one of our listeners will win an entire bus for him/her/self and 40 friends, to see the Rolling Stones. It's not the same old 'Win A Trip To Florida' boredom, that's for sure!"

## KRZQ, RENO MD-MAX VOLUME:

"Well, hello! Music, that's it! Music...The Bonham record is very, very good. Check out 'Bringin' Me Down'...Kix: It's so-o good to see Kix get a hit record. We've played 4 traxs from 'Blow My Fuse' and 'Don't Close Your Eyes' is still Top 5 phones...New Kiss, gotta love it...Thanks Katie, for the phoner from Gene Simmons. He's the best...We love the Smithereens...New Rush, awful good...Megadeth sure do a great cover of 'No More Mr. Nice Guy'...New Alarm song works real well...Junkyard is a cool band...Red Hot Chili Peppers! Try it, you'll like it. As a matter of fact, Red Hot Chili Peppers are good for you. They're a natural Vaso-Dilator, much like Amyl Nitrate...New Cure is hypnotic...And I still want you to play Vain, although a lot of programmers feel Vain to be a little bit adolescent, I, for one, enjoy songs about little girls that scratch and claw...I want to thank Burrus for the great tix to the Stones, and Robin for the Living Colour hoedown. I heard KDJK Mark Davis plays music from this century. It's great! I also must say 'hi' to all my friends in San O'Haze. Like the Poole man! See ya!"

## WRFX, CHARLOTTE MD-FRED MC FARLIN:

"Best of luck to Traci McPherson in your move with A&M to Dallas. We'll miss ya lots in the Carolinas. As Jackie Gleason would say, 'You're one of the great ones'...Thanx to Carl Groover, with Warner, for the tix to see R.E.M. in Greensboro. Speaking of Warner, I can't say enough about Rod Stewart's 'Downtown Train'. It's a classic Rod rock 'n roll ballad. Sounds great on the air-And to top it off, it's a cover of a song by one of my favorite performers of all time, Tom Waits...Also, the Smithereens' 'A Girl Like You' sounds great real loud...And my personal favorite new stuff is the Screaming Blue Messiahs, Eat, Mordred, the Pastels and Jones...Very finally, last week I said that the FOX has gotten local and/or national TV coverage for the last '6 weeks straight'. Actually, it's been 11 weeks! Congrats to John Boy and Billy and their Producer, Randy Brazell."

## WRKU, YOUNGSTOWN PD-GARY JAY:

"From the entire staff and all of the two thousand people that had the pleasure to attend the Saraya show in Youngstown, I would like to say the following: Never in my many years in this business have I ever seen such a performance than I had last Friday night with Saraya in Youngstown! The band is one of the best, and Sandi Saraya just ignited the entire crowd with her un-real voice. The band came out for 3 encores. The crowd would not let them leave!...I would like to thank all of the folks at Polydor Records, especially Gina, for all of her hard work and efforts to pull this show together. Hey, Win, give this girl a raise. She deserves it! It was great to spend the day with the entire band, as well. We all went out for Chinese food and crazy cocktails afterwards...What more can you say about Saraya? They will be the band to rise to stardom in the '90s...Good luck, God bless and thank you to my friends and the friends of thousands. Saraya!"

## WVCR, LOUDONVILLE PAUL HARSELM:

"Wow! Testament at the Ritz! It was the loudest fuckin' show ever! They were great! The best! Wrathchild and Annihilator smoked. One thing, was Randy Piompage singing? By the time this is printed, King Diamond will have played here, and well,

there are some cats close to my house that King and I could take care of. (Just kidding.) I cannot wait. Overkill still rules #1 played and requested. MSG is a great record...Monster of the week: Gothic Slam 'Just A Face In The Crowd'."

## WEQX, MANCHESTER/ALBANY MD-FRAN

**KUSALA:** "First off, I'd like to congratulate our entire staff and management on 5 years of fine broadcasting! November 14th marks 5 years of operation for WEQX and we're looking forward to many more...The rock 'n roll keeps getting better and better all the time! This week we're going with Alannah Myles' 'Black Velvet'. We had tremendous success with her first single, and have every confidence in her as a vital and significant artist for the '90s...Another success story for us is The Ocean Blue, and we're throwing on 'Drifting, Falling' to freshen things up...Our listeners will be catching an earful of the new Michael Penn track, 'No Myth', along with Rickie Lee Jones' title cut from 'Flying Cowboys'; Neil Young's 'No More'; Poco's 'Nothin' To Hide' and Rod Stewart's 'Downtown Train' from Tom Waits...Rush has totally blown our phones with good reason, probably the best song the band has released since 'Moving Pictures' and without a doubt some of Geddy Lee's finest bass playing. I can't wait for the album-and neither can our listeners...Animal Logic finally makes it to Top 5 along with Warren Zevon and Kate Bush and Billy Joel are still holding strong...Be excellent to each other!"

## KNAC, LONG BEACH MD-MICHAEL DAVIS:

"Another one taken away from the big boys: KNAC is the official station in the Los Angeles market for 'The Batman' home video, complete with the 'Sunset Strip' party and hell raising race between the Batmobile and the KNAC pure rock patrol...We've had great response to Rush. Other big active records continue to be XYZ, Motley and Megadeth."

## KZYR, AVON/VAIL MD-KATE COLLINS:

"Our afternoon guy and production wizard, Bryan Thomas, exits this week for the snowier colder pastures in St. Cloud, Minnesota. We'll miss him and start up KMXK will be gaining a valuable pro!"

## THE JESUS MASTER AKA JEFFREY NAUMANN AND THE TROUT JESUS AKA PAUL BROWN, VIRGIN (212-463-0980):

"Well, have you all waited long enough? Many of your hopes that this Lenny Kravitz record 'Let Love Rule' would just shrivel up and blow away are evaporating like Gary Han's presidential campaign. Yeah, yeah, yeah -- look at the chart numbers. Yeah, yeah, yeah -- there's heavy MTV play. What you should be looking at are the group of stations currently playing and SUCCEEDING amazingly on 'Let Love Rule'. KRSP? KOMP? WIYY? KL0L? Look at our add this week for Lenny. Look at the quotes. Look at the phone story. Look at the demographics involved. And -- oh yeah, great sales. This record and this artist are winners. All types of stations. All sizes of markets. If you don't come to the celebration at this point, you are missing the boat BIG TIME. The stations who've put their collective nuts on the line for Lenny Kravitz are reaping the benefits. Lenny Kravitz is demonstrating the ability all over the country to move people. Audiences notice 'Let Love Rule'. We are in the business of communication. Also, let's examine one last facet of this story and that is the message contained in 'Let Love Rule'. It is very positive. Don't we all need to hear something of this nature, given the world we live in? Get excited. Make a f\*\*\*ing difference, for God's sake. We at Virgin now officially have eschewed obfuscation on this project. Be forewarned. This record is breaking. Do the right thing. Add 'Let Love Rule'."

## **JAY B. ZISKROUT, ARISTA (212-830-2256):**

"After just four weeks, 'Foolish Heart' from the Grateful Dead has risen into the rare air of the Top 5. Our high hopes are also being met by the explosive out-of-the-box sales and phone reaction. After just two weeks of commercial release, the album has already sold about 700,000 copies. Meanwhile, both the album and track are #2 Most Requested nationally. 'Foolish Heart' is the kind of song that requires more than one cursory listen to come home; so, if you haven't done so already, please give your listeners a break and put this one in your 'A' category today!... 'Hammer Swings Down' from Babylon A.D. is showing tremendous promise. The guys are slugging it out on the road every night as the airplay story continues to mushroom. Airplay from virtually every Metal Shop in the country is driving the track into the Top 10 on all the metal charts as support from a growing number of major rockers is bringing Babylon A.D. to your attention. Phones are strong, sales are building and full-time rockers that do call-out research, like KBER in Salt Lake, are reporting great results. If you have Z-Rock in your market, listen up Friday night (11/17). They are broadcasting the band's show live from Dallas...The Eurythmics' tour is selling out everywhere. If you have an opportunity to see them, don't blow it!"

## **SKY DANIELS, EPIC (213-556-4909):**

"Let's let radio speak for radio. Herewith are recent quotes from programmers: Slat's, WKDF 'Man, Epic has some of the strongest new stuff walking the planet. Nuclear Valdez is something we will deal with, and Diving For Pearls has the goods!' Have you checked these two out?...Chris James, WTPA's Harvey and the folks at Epic are probably scratching their heads wondering why we went after Stevie Ray Vaughan's 'House Is Rockin' - One listen is all it takes to find out why.' Chris, you're right! As we speak, Epic is producing a CD single and video of 'House Is Rockin'. Look for it in a couple of weeks...While on the subject of follow-ups, we are readying the second track from Alice Cooper. 'House Of Fire' will pick up after 'Poison's Top 10 success. In 1973 Alice Cooper was the biggest star in rock n' roll. In 1990 a new generation of fans discover Alice - the perfect 18-34 artist!...Bad English has the #1 record in America. Album Radio is clamoring for the 'rock' side of Bad English. Get ready for 'Best Of What You Got' in two weeks...Finally - Shark Island! Call Curtiss and J. David at KUPD and ask them about Shark Island. Epic lets radio speak for radio."

## **JEFFREY SHANE, CAPITOL (213-871-5733):**

"Check out this unreleased track of MSG. Last week MMR 76-48\* Newcomers chart. This week 38D Rock chart. Daytime chart 49D 49-27 this week, 36% play increase. WLZR in heavy, WRIF, WQFM, KUPD and KBER couldn't wait till next week! Therefore, everyone now has the record 'Anytime' you want you can add it...Great White's new track 'House Of Broken Love' continues to research excellent. KAZY said 'May be best testing record of the year'...Marillion passed the test of heavies. We're looking forward to the two showcases in N.Y. and L.A. The record is now really beginning to work...Havana Black will ship the beginning of January. This has to be one of the most exciting new bands to come on the horizon in a long time. Triple loop cassette on it's way. Check it out!...Finally, thanks to Tasha Mack and all the great radio in Phoenix. KUPD's Curtiss Johnson and J. David Holmes showed me a great restaurant and hospitality."

## **DAVID ROSS, RELATIVITY (718-740-5700):**

"Five short weeks, Top 15 track, Top 50 Lp in Billboard, Top 5 Requests all around - Joe Satriani will continue to amaze radio, retail and the general public. The tour, the video, the two new 'Guitar' magazine awards, it all adds up to super stardom...January will see the next track from the boys from Sweden, Shotgun Messiah. We'll fill you in shortly. Thanks for your support."

## **PAUL RAPPAPORT, COLUMBIA (212-975-**

**8616):** "Wow, I just saw the Hooter's video of '500 Miles'! I'm sending them out to our guys - ask for one. This is Americana at its best, along with great touching shots of people around the world, from the famous scene in Tienanmen Square to pictures of the Berlin Wall!!!! Talk about uncanny. Meanwhile, the stations who are playing '500 Miles' are getting great response and there is no better holiday record that you could play. The album is just out in stores and we have ignition!...We're back with 'Too Long In The Wasteland' from James McMurtry. For those who played 'Painting By Numbers', thanks and this one's for you - it seemed a unanimous call. James is now on tour with the Del Fuegos and doing great. And most importantly, James' album just keeps selling, selling and selling...And check out what's going on with this Loverboy record! It has leaked all over Canada and we were forced to put out some 15 IPS tapes to cover some early 'special presents' gigs. Now it's on in Minneapolis, Milwaukee, Cleveland, Columbus, Detroit, Baltimore, etc., etc. and pulling major phones. 'Too Hot' could explode big time."

## **JORDAN ZUCKER, A&M (312-298-9411):**

"Giant - Giant - Giant - / In the mail - on your desk / In the stereo / On your playlist / 1 - 2 - 3 / Soundgarden - Soundgarden - Soundgarden / Still on tour / Still kicking ass / Still getting added / Still selling records / We are, STILL waiting for your add."

## **JIM NEILL, RYKODISC (508-744-7678):**

"Questions Without Answers' is the first track from 'Rhyme' by The Church's lead guitarist Marty Willson-Piper. I'm tempted to say that this will tide you over until the new Church album hits next year BUT that would be doing a great disservice to Marty. This is an amazing album with or without regard to Marty's band affiliation. Play this gem and all will become clear. WDST, WRSI, WMDK, WKXL and at least 20 others are already converted. Many more next week. Watch for the video. Enter the contest and win a Rickenbacker. Have an oatmeal cookie. End of sermon...So - who's playing Bowie's rave-up of the Boss's 'It's Hard To Be A Saint In The City', but hasn't set up a Bowie Weekend or some such promotion yet? Give John or me a call and we'll get you rolling, by jingol. This is the year to give your listeners the gift of 'Sound + Vision'. If you've got log jam through the holidays, don't forget David's birthday is January 8. Same day as Elvis P's, you know...Timely Berlin Wall bustin' airplay tip: 'Helden', the German version of 'Heroes' from the box. Coming in early 1990: 'Space Oddity', 'Man Who Sold The World' and 'Hunky Dory'."

## **DAVID FLEISCHMAN, ATLANTIC (212-484-**

**6017):** "I've been talking about the project for eight months and the specific track for the last six weeks. Alannah Myles, 'Black Velvet', an early holiday gift for you and your station from your friends at Atlantic. Don't wait any longer. Close to 40 stations out-of-the-box on our first real week of chasing this hit. Here's wishing all of you a healthy and happy Thanksgiving."

## **ALAN OREMAN, COLUMBIA (213-556-4990):**

"Two brand-new tracks from 'Greatest Hits' compilations in your hands and hopefully on the air - Eddie Money's 'Peace In Our Time' and Loverboy's 'Too Hot'. The timing of 'Peace In Our Time' could not be more perfect. Talk about tearing down the wall! A smash!! Second is Loverboy's 'Too Hot' and that's

Please don't miss her performance...Saw **James McMurtry** last week here in L.A. and he and his band were rocking out. **Dave Grissam** from **Joe Ely's** band was on guitar and the band had an edge that gave new energy and meaning to **James'** already incredible lyrics. If he's out there in your neck of the woods, go see him...**Billy Joel's** 'That's Not Her Style' is the goods. Everyone who's playing this song is seeing very favorable reactions and the Lp continues to blow out at retail. ## CHUCK (SOON TO BE 'ONE TRAIN') PANOSSIAN, AMUSE AMERICA (212-213-

**9595):** "EZO, EZO, EZO - my three favorite letters from the alphabet! The boys are once again on tour, torching a town near you. A million (miles away) thanks go to all the wonderful radio people who've shown tremendous support as EZO perpetrated their markets: WHVY, WVCR, WOZZ, WFSW, WVBR, WDNW, WBSU, WBCN, WBIM, WERS, WXRC, WKNC, WUAG, WLOR, WTTU, WUFI, WMDS, KSLU, KFMG, KLA, KGUR, KSUN, KISW, KGMU, KSLC and everyone else who will be graciously thanked next time. Expect a new video of epic proportions from EZO sometime in January or February...Anyone interested in New Age music can look forward to a new project by **Kitaro** as well...I trust everyone's Halloween was ghastly enough. Mine was spent in a bloody and orgasmic frenzy of diabolical decadence with **GWAR** (two nights in a row! Thanx for getting me started, **Charity!**) **CMJ** was a mighty righteous experience as well...**Adam** from Alaska: I can't believe you made it! I rather enjoyed the almost heated and emotional display between certain Metal dudes on the Metal Artist Panel. You know how to pick 'em, **Jem!**...Enough babble for now. Call me if you need me!"

## STEVE SCHNUR, CHRYSALIS (212-319-

Yes, this is the original **Angel City** from Australia, the band which **Guns N' Roses** view as their mentors and the band which **Great White** has done covers of. Take the time to roll-over and listen. I'm sure that you'll be barking like a dog the first time around! But **BEWARE** - the track 'Dogs Are Talking' could excite you so much you'll piss on the rug!"

**THANKSGIVING WEEK SCHEDULE:** Due to the Thanksgiving holiday, station reports and comments should be called in as early as possible: **Monday/11-20 and Tuesday/11-21 9am-6pm.** No comments or reports will be accepted Wednesday/11-22. For your convenience, our FAX # is 609-424-6943. Thank you.

## KIM WHITE, EMI/ALTERNATIVE (212-603-

**8664):** "For those of you who look at the Alternative charts and think the **Red Hot Chili Peppers** is beginning to subside, think again. It continues to dominate the request line and has sold in excess of 40,000 copies in the first few weeks of November alone. MTV still holds firm in its commitment to break this band, as do we. I am purposely refraining from exclamation points while stating this wonderfully exciting news to prove a point - there is no hype - only the willingness for the general public to experience something we've known all along, the **Red Hot Chili Peppers**, after six years and four and one-half albums, are finally putting their dent in music's history books. They've influenced, they've been influenced, they've been ripped off, but most of all, they've been...Hey, what's up with **Arabian Prince**, our Brother Arab from the NWA posse? Have you checked this out (or what?). With hits like 'It's Time To Bone', 'Gettin' Down' and 'She's Got A Big Posse', sounds like a good contender for some excellent P.S.A.'s. Take advantage. **NO ONE VACUUMS LIKE A HOOVER!**"

## LINDA KIRISHJIAN, NEW ART (212-683-

**1807):** "If you know how the 'if a then b property of equality' works, try this: Programmers tell me that when they play **Lenny Kravitz** on the radio, they get phones. That's one of the best a-b's I know to clue one in on a reaction record. So to review: If **Lenny**, then phones. It's that simple. Let's go one step further in this equation. Those phones are heavy. Heavy = c in this equation, so if a=b and b=c, then a=c. More simply, if **Lenny** = phones and phones are heavy, then **Lenny** must be in heavy rotation! Do it today! Don't delay! Let **Lenny** rule! Your listeners are beginning to demand it."

## ANDI TURCO, MUSIC AWARENESS (818-

**883-7625):** "One of the hottest-sounding bands on the radio today has to be **Giant**. 'I'm A Believer' was a monster and now 'Innocent Days' will bring them home. No doubt about it, this record was made for today's Rock Radio...Every so often, a record will re-appear out of the blue. Great records seem to have a way about them which is exactly the case with **Alannah Myles** 'Black Velvet'. She is one of the hottest artists in Canada, and soon the rest of us will find out what all the excitement is all about. A lot of stations added it this past week including WLLZ, WCMF, WEGR, KFMZ, WHEB and WEQX...Last week on our conference call the positive feedback we got from stations playing **Trevor Rabin's** 'Sorrow (Your Heart)' was a good indication that this record will work for you. It is also generating excellent phone response where it is on the air. Look for **Trevor** on the road through mid-December...**Webb Wilder** will be touring with the **Georgia Satellites** bringing his brand of rock n' roll to a town near you. 'Human Cannonball' goes on KFMG, KEYJ, WPXC and others this week...**Ace Frehley's** interpretation of 'Do Ya' ranks right up there with the best of the remakes this year...As we look ahead to 1990, get ready for a new **Billy Idol** album that will knock you out...I quickly want to thank those participating in our last conference call. They are **Rad Messick** (WDIZ), **Beaver Brown** (KDJK), **Fran Kusala** (WEQX), **Patty Martin** (KLOL), **Island's Andy Allen**, and the dynamic duo of **Atlantic's** **Buch & Flash**. Look for another call to happen soon...I hope to see all of you at the T. J. Martell Holiday Party on December 2nd. 'Tis The Season! (HO, HO, HO). If you need more info just call...Thanks for reading, and have a Happy Thanksgiving."

## CLARISSA GARCIA, DEF AMERICAN (213-

**278-6699):** "Last Tuesday night, **Def American** artists, **Wolfsbane** and **The Four Horsemen**, played at the world-famous **Cathouse**. None other than **Katie Sagal** of 'Married...With Children' fame was there to witness the two new and talented groups. That night, some guy at the bar commented that I looked like the pirate lady who was there Halloween night. I was there on Halloween to see **Alice Cooper** (thank you, **Hanna**), but I wasn't dressed as a pirate lady. **Wolfsbane's** 'Live Fast, Die Fast' is out now and 'Manhunt' will be the next video. Another song to keep in mind is 'Shakin'. There were some England-only picture discs made for 'Shakin' that I'll try to get a hold of for ya. **Def American**, **Combat** and **Megaforce** have teamed up to bring you one of the most intense shows you'll ever see. **Wolfsbane**, **Dark Angel** and **Overkill** will be on tour starting November 24th. Don't miss out...This week's adventures include apartment-hunting in North Hollywood. One building manager (an older man) told me that he'd like me to move into the building because there are a lot of bachelors there. **Enigmite Ron Cerrito** suggested, 'Maybe if you promise to sit by the pool three days a week, he'll reduce the rent.' Uh-uh - I don't think so. I'm going back to Brooklyn, Brooklyn...Til next week, live fast!"

## JILL COHN, MEDUSA (213-390-9969 X124):

"I got an extremely great gift this week, can't talk about it, but you know who you are, and you know what you've done, and I think you're the greatest!! Well, I've also got to say I'm having fun hearing the different views about the last package you just received. Something for everyone, right?...**Jailhouse** gets into the air-waves this week with the support of WHVY, WMMR, KXAX, KJOT, WAIF, KPGA, WBMB and KYMC. Be sure to check out 'Modern Girl' on **Headbangers' Ball**, as well as listening to **Jailhouse** on **Metal Shop** December 1-3...**Coven** continues to be strong, especially with stations like WBNY, WRFL and WWVU pumping it up to #1 on their shows. Thanks to all you thrashers, and be sure you check out 'Ted Bundy/Silent Night' as it's a great follow-up to 'Propaganda'...I guess I don't need to lead you to that metal track on the new **Elvis Hitler**...All of you are instinctively gravitating towards the soon-to-be 'smash' single; 'Crush, Kill, Destroy' from **Hellbilly**...Lastly, I saw the **Fire Merchants** the other night and they were very cool. Check out 'Saladin' from their debut Lp - it was heavy live and I know some DJs like the dimension it adds to their shows...Talk to y'all next week, bye!"

## STUART BRIAN, NOISE INTERNATIONAL

**(212-334-9268):** "With all the hub-bub going on in the Soviet Bloc, now is the perfect time to show support for your Slavic brothers and sisters by adding the WatchTower track, 'Mayday In Kiev'...Coroner is very happening on both the radio and retail front. In January we are looking at a fresh Coroner tour, video and CD single...Mordred is on the road with Nuclear Assault and to quote the band, 'Every day's a holiday.' (Sorry.)"

## KATHIE REED BARR, ROADRACER/RC

**(212-219-0077):** 'ANNIHILATOR ROCKED NY!! At Sundance and The Ritz, you finally got to see what the rest of the country has been learning over the last two months, Annihilator is one of the best live bands to come along in quite a while!!! Thanks to all who have come out to check them out!! By now you should be jammin' on the new Annihilator 12" 'Word Salad' b/w 'Human Insecticide Live'!! Crank that baby up!!!!...King Diamond has finally had his official MTV Headbangers' Ball debut, for the ever-loving 'Sleepless Nights'. Hint! Hint! Remember the contest and the trip to LA - that's still legit!! Get your listeners writing postcards and getting ready for you and them to meet King Diamond and tour Universal Studios with him as your tour guide!!!!...HEY - what's with Gang Green and you??? Don't miss out on this beer-guzzling giant!! If you have any respect for world affairs, you should be jamming on 'Tear Down The Wall' - in honor of the new-found unity in Germany!!! If you're just looking to sleeze out and have fun, 'Church Of Fun' is for you!!! Don't forget my Metallic National Anthem - 'We Can Go' - paying tribute to the 'real' bands!!!!...Watch for Toxik to be coming your way on tour with 'The King' and company - and 'Think This' should be getting you to THINK about playing some of the finest melodic metal that NY ever produced!!!!...Keep a lookout for the Brazilian squad to be in your area soon. Sepultura LIVE. Your neighborhood will never be the same."

## RUSSELL GERROIR, CONCRETE

**MARKETING (212-645-1360):** "Let me introduce you to the world of a traditional Concrete Thanksgiving. Start with an appetizer of Beau Nasty's 'Shake It', Keel's 'Evil Wicked Mean & Nasty' and Heist's 'High Heel Heaven'. For the main course (this is where you really pig out), I suggest a smattering of the following: the 'Shocker' soundtrack (Megadeth, Dangerous Toys, The Dudes Of Wrath or Bonfire - you choose); D.A.D's 'Sleeping My Day Away'; Babylon A.D's 'Hammer Swings Down'; Britny Fox's 'Standing In The Shadows' and MSG's 'Save Yourself'. After you politely burp, excuse yourself and wipe your mouth, you're ready for dessert. I recommend a hearty one, none of this wimpy stuff, start with Mortal Sin's 'I Am Immortal' and back it up with Law & Order's 'We Don't See God'...Lastly, you can look forward to returning to work and finding both The Angels and a brand new 12" from Onslaught. And that is the perfect Concrete traditional Thanksgiving. So, with these directions firmly in hand, have a Happy Thanksgiving."

## CHERYL "FA LA LA" VALENTINE, METAL

**BLADE (212-645-6208):** "Did I mention how much fun I always have hangin' out with Amy Downing, Matt Dacey, Alexandra K. and J. J. Weinstein? Unfortunately, we didn't get to hang out quite enough at CMJ...(Sung to the obnoxious, never-ending tune of 'Mary Had A Little Lamb') 'We've got Princess Pang on tour, we're for sure, Mr. Big's their cure; D.R.I.'s new album's out and it is very good! Every date that Lizzy did, 'Master' mind, in 'Disguise'; Every single Borden show went slick as motor oil! Mike Monroe hosted MTV, did you see - MTV? All three hours for you to see, he did some old Hanoi Rigor's got a new lead dude, he's real crude, let's get nude; Mortis-heads are everywhere, get Freaked, it truly rules! Intruder has some brand new thrash, throw a bash, Mr. Death's a smash; their way cool song 'The Killing Winds' is not about a fart! Check out Nosferatu, Helstar's new -- album for you; Prog-metal Nosferatu, look out it's Dracula! Now don't be a bum, put Fates at ONE, you're a scum if they're not at ONE; they're tourin' East on they're way to Europe - they deserve to be oh-so huge! Aren't you glad that this is done, lie in the sun, have some fun; aren't I glad that this is done, it's too darn repetitious! I am here, yes, all the time, drop a line, spend a dime; I am here yes just for you and now my song is through!'...See ya!"

## JOHN GOLD, PROMOTION (212-877-6443):

"Hey - But who can say what the Piper might play? You found me followin' too. But I feel - like I'm so 'Lonesome Again'. In a wholly democratic state gets the most votes for the BEST SONG on the COMPLETE Lp David Della Rossa 'Nothin' But Trouble'!!! Figure that one out - now folks. I wouldn't want us to get carried away or anything: 'Lord Knows' this record could break with 'My Gypsy Rose'. '(She's A) Holy Roller'. 'Any Ol' Time' which, incidentally, is the best and most well produced (in Germany) track - an 'Oh! Celia' among the title and the 'Miss Understanding'. Did you get all that...REMEMBER: Frankie Banali (Quiet Riot), Randy Rand (Autograph), Gordon Copley (Formerly Lita Ford), Barry Brandt (Former Angel) and many, many, many more - are - PRAYIN' - ta GOD - that's Jesus Christ, of course - for this EXTREMELY CAPABLE, TALENTED, ETHEREAL, HARD, ROCKIN' ROLL, MUSICIAN - How could you forget? ## BRUCE FLOHR, RCA (213-468-4177):

"On tour now: Hoodoo Gurus, Bullet LaVolta, Del Fuegos, and coming soon: Primitives, Stone Roses and Peter Murphy. 'Secrets' is the next hit from The Primitives. The album is Top 3 Alternative...The Stone Roses record will not die. 'I Wanna Be Adored' is breathing new life into the record. Wait until this band comes to the States!...Peter Murphy's new 12" is getting listeners and programmers anxious for the record. It will be the first record you receive in the new year...Michael Penn will be hitting some stations in the next couple weeks. His debut album 'March' is getting massive acclaim from press, tons of airplay and video exposure that rivals the release of 'Batman' on video cassette...Graham Parker's new album 'Human Soul' is a great departure from his previous work. This man has no contemporaries...Please check out Human Drama's new album 'Feel'. This band has been one of L.A.'s biggest draws for the last three years...Red Lorry Yellow Lorry are back with an actual single 'Temptation'...Coming up, some powerful new stuff from Mary My Hope...I am going to see my pal Magic play tonight. I used to play pick-up games with him and James Worthy, you know."

**THANKSGIVING WEEK SCHEDULE:** Due to the Thanksgiving holiday, station reports and comments should be called in as early as possible: **Monday/11-20 and Tuesday/11-21 9am-6pm**. No comments or reports will be accepted Wednesday/11-22. For your convenience, our FAX # is 609-424-6943. Thank you.

## STEVEN JOERG, BAR-NONE (201-795-3809):

"The Ordinaires, World Saxophone Quartet and Butthole Surfers on the same bill for the final night of New Music America as part of the Nest Wave Festival here in NYC! This event promises burning memories. I haven't seen the Surfers in more than half a decade and my excitement is matched only by the fact that another Van Morrison show was added at the Beacon Theatre. I got's ' score for tix...I grew up in Chicago and I always believed that WXRT was the greatest Rock station in the known universe. Travels to foreign U.S. cities reaffirmed that belief. Last week, The Ordinaires CD single edit of 'Kashmir' was added at WXRT - I'm buzzin'. A second round of Midwest live dates will be happening by popular demand; stay tuned here...The Glass Eye tour surges forward. Thanks to all the fine stations who have welcomed the band with open arms and microphones. Ultra-original American rock rolling music with monster bass does wonders for the soul. Remaining dates: NYC (11/23); Naugatuck, CT (11/24); Washington, D.C. (11/25); NYC (11/28); Cambridge, MA (11/29); Northampton, MA (11/30); Hoboken, NJ (12/1); Atlanta, GA (12/6); Dallas, TX (12/15); Austin, TX (12/16). More gaps to be filled, and the entourage will head west after a holiday season at home...I saw the Jazz Butcher's first night of his current tour and he kicked out the relative jams. He also proclaimed Bill Drummond's 'The Man' (on Bar-None) as the best album of last year before launching into a righteous cover of 'The King Of Joy'...New Bar-None productions: The second full-player Rage To Live, it grips and rises - helps out in any crisis - and the debut from Illinoisan Otis Ball, all geared up to spread as much Holiday warmth as possible. Expect these after Thanksgiving to help you digest. Soon again."

## STEWART MORALES, TORRID (914-664-

**3885):** "Gothic Slam is haaaaaapening! Radio chart debuts are haaaaaapening! The band's new killer Lp, 'Just A Face In The Crowd' enters the FMQB Metal Detector at #29 and CMJ Hard Rock at #31! This disc definitely has something for your metal audiences...Another band gaining ground is Trash Broadway. Be sure to check out 'Showdown' in addition to 'Eyes On You'. We've got giveaways with these guys so let me know if you're needing anything...More good news, MTV has accepted the new (edited) Mucky Pup video for 'U Stink, But I Love You', finally. Look for it on the 120 Minutes Show real soon. It's haaaaaapening. Be haaaaaapening!"

## JERRY RUBINO, ROUGH TRADE (212-777-

**0100):** "And so I sit here eating my seafood salad and plantain chips, rippled of course, and I'm hoping that Pam at WNUR would stop yelling at her mice...So how about that Steve Kilbey record, pretty damn good, huh? Thanks to all who are going with it, now let's get it on that radio chart trampoline. There's no reason why not. Kilbey, the voice behind The Church, had mucho success on most of your stations last year with 'Under The Milky Way' and 'Reptile' from the 'Starfish' record. This should follow suit. Besides 'Fireman', some others have gone with 'Consider Yourself Conquered' or 'Something That Means Something'. Let's begin to take this to the top, and get set for a blowout in January when 'Transaction' goes for its radio takeover, with 'Favourite Pack Of Lies' hitting the airwaves in Spring...Our A&R guy, Terry Tolkin, (yeah, the guy who put together 'The Bridge') just told me about a deli that's carrying 'chicken soda'...So you say you haven't yet listened to the Galaxie 500 Lp 'On Fire' yet? Well the ears up at WBCN did, and had no second thoughts about adding it a couple of weeks back...Let's start a fund to send Helen at WFIT some more crayons...It's been good to see some of you going back to the Band Of Holy Joy record and giving it that second and third listen that it does need. I remember the problems both college and commercial radio had with the Pogues first few releases. You learned to like them, right? Expect a tour and new Lp from Band Of Holy Joy in the Springtime of '90...I've decided all I'm bringing to the Gavin Convention is my glove and bat. Mena, you better have left field reserved for me...Get set for the new record from Opal. The band that brought you 'Happy Nightmare Baby' back in '87 now release 'Early Recordings', a collection of mostly never-before available songs. The opening track 'Empty Box Blues' is currently in video production. Watch for it soon, play it now...Here are some names I'm being forced to type in: Dave Lombardi, Steven Joerg, Deanna Krickus and John Monroe. Now I feel better...What, no Cy Young award for Mike Scott? Well at least the Utah Jazz are off to a good start...Super-Segue Of The Week: 'The Walls Of Least Resistance' by Map Of The World, 'Blues Before And After' by The Smithereens and 'Consider Yourself Conquered' by Steve Kilbey. Later."

## JIM WELCH, COMBAT (718-740-5700):

"Well, here I am with my first dialogue in my new position as Combat Records product manager. As you may know, Bridget Roy (who I wish all the luck in the world to) has taken a job with the new Columbia metal department, leaving me with a record label to run. Anyone who needs anything from Combat, just feel free to contact me and I'll help you out...So onward with the

news of the week: Dark Angel is going to be out on the road with Overkill and Wolfsbane, supporting the new 'Ultimate Revenge II' soundtrack Lp. The record also features Forbidden, Death, Faith Or Fear and Raven, and has some tracks not included on the video...Devastation and Faith Or Fear are also tearing up the road with Sepultura, all of whom were unbelievable at their area shows. Call me for tour dates, lists, interviews, etc...Make your travel plans now for Milwaukee Metal Fest #3 at the Central Park Ballroom. It's Dec. 2nd, and we've got Death, Nuclear Assault, Sick Of It All and Ludichrist representing Combat and In-Effect. Seventeen bands in all, and really no reason to miss it since the show is on a Saturday!...Again, if you need anything regarding Combat, call me!! I look forward to working with all of you."

## JONI SOLOMON, CHAMELEON (213-973-

**8282):** "What a crazy week! Just back from the LIVE 105 party in SF - many thanks to Steve, Richard, Julie and all at KITS! What a great time, complete with great bands! The Alarm, Hoodoo Gurus and Ocean Blue - what a triple bill! HOT, HOT, HOT!...Many, many congrats go to the new MD at KROQ. Way to go, Lewis! I knew you could. Excellent choice, Trip!...Also, congrats to Jerry Giddens of Walking Wounded on the birth of his new little son, Robert Antonio!...On a final note (yes, I'll keep it short this week), think Dramarama, Radio Tokyo Tapes, John Lee and The Bonedaddys! Look for the Bones and Walking Wounded on the road, too. This way you can get 'wounded' and 'boned' in person!...Best, etc."

## MISSI CALLAZZO, MEGAFORCE (201-254-

**6533):** "Finally! Overkill are victorious! They rule! Doesn't it look amazing with the #1 and #2 albums both on Megaforce??!! I thank all of you, mainly because I gave up sex for Overkill to become #1 and at least it was worth my time! We must keep them at #1 for 1,000,000 years...Check out EEEEElimination on Headbangers' Ball. They are on the road, see them live!...Ace Frehley is moving up, up, up! Ace is very into doing interviews. Call me if you want one...Icon are on the road. Check them out, give me a call for tix and giveaways!...After 12 weeks at #1, Testament drop to #2! The 'Ballad' is hot on MTV. Thanks!...Report Megaforce at #1!"

## LORA PORTER, RELATIVITY/COMBAT/IN-EFFECT (213-212-0801):

"One, two, three, let's go! Go where you ask? To Nuclear Assault land! Nuclear Assault take the #2 spot in the one and only CMJ, and #3 in FMQB. We here at In-Effect records want to send mega thanks to you guys, and say keep up the good work!...Joe Satriani is all over the place; MTV, radio, press, etc. 'But how is it selling?', you ask. Joe's first week out he made a #50 debut in Billboard, and this week (week #2) he jumps to #27 with a bullet!...Be sure to watch MTV's Headbangers' Ball on Saturday the 18th. Shotgun Messiah will be hosting part of the show. Shotgun Messiah are also going out on tour starting Dec. 5th. They'll be out with Pretty Boy Floyd...Have you heard the new Killing Time Lp, 'Brightside'? If you haven't, YOU ARE LAGGING! Formerly Raw Deal, Killing Time hail from New York, and are one mean outfit! Check it out!...Forced Entry are picking up and - hold on - we're working on a tour!...Speaking of tours, Dark Angel are going out on the road with Wolfsbane and Overkill, and don't forget about that amazing Nuclear Assault/Mordred tour - hot stuff folks!...Before I go I have to mention a masterpiece - the new Voivod Lp 'Nothing Face'. Congrats to Charity at Mechanic for being part of such a godly creation!...See ya!"

# NUCLEAR VALDEZ

## A CONVERSATION ABOUT NUCLEAR VALDEZ

### PROMO GEEK:

"What do you expect me to do in November with a song called 'Summer'? Can you get 'em to change the lyrics to... and it snowed, and it snowed, and it snowed all winter?"

### A&R GENIUS:

"Well, you must understand, 'Summer' is a reflection on the Cuban Revolution in the Summer of 1959. It's a universal song about seeking domicile."

### PROMO GEEK:

"Yeah, but you gotta understand what I'm up against. These radio guys are topical. Now, a song about Thanksgiving; *that* I can use."

### A&R GENIUS:

"I don't think you give radio enough credit."

## "SUMMER"

BY

## NUCLEAR VALDEZ

War fell upon an island  
When a single handed man  
Raped the land of simple men

In the year  
Nineteen fifty nine  
Red was more than just a stain  
It became hunger pains

As they flew away up high  
Tears fell from the sky

It rained and it rained  
And it rained and it rained  
All summer

Hope soon becomes a poison  
Working in a factory  
Sewing dreams to memories

Far away in a dying place  
A wife will miss her husband's face  
Curse her race for their disgrace

As they flew away up high  
Tears fell from the sky

It rained and it rained  
And it rained and it rained  
All summer
