"Gone Too Soon"

WRITTEN FOR AND DEDICATED TO THE MEMORY OF

RYAN WHITE
(1971-1990)

THE LEGACY OF RYAN WHITE

AT 13, ALL-AMERICAN KID AND HONOR STUDENT RYAN WHITE LEARNED HE HAD A DEADLY DISEASE WITH NO CURE, AIDS. HE HAD CONTRACTED THE DISEASE THROUGH THE BLOOD PRODUCTS HE RECEIVED FOR HIS HEMOPHILIA. HIS HOMETOWN RESPONDED - NOT WITH COMPASSION, BUT WITH FEAR AND PANIC. WHEN RYAN WAS TOLD HE COULDN'T RETURN TO SCHOOL, HE DECIDED TO FIGHT BACK. HE WENT TO COURT AND WON. BUT THAT WAS ONLY THE BEGINNING OF HIS FIGHT TO EDUCATE THE PUBLIC ABOUT AIDS. THIS YOUNG TEENAGER DARED TO SPEAK OUT WHEN OTHERS KEPT SILENT. AND THE WHOLE WORLD LISTENED.

THIS HEROIC YOUNG MAN FOUGHT FOR HIS BELIEFS - AND HIS DIGNITY AND STRENGTH IN THE FACE OF DEATH ARE INSPIRING. RYAN DIED APRIL 8, 1990, BUT HIS LEGACY LIVES ON TO EDUCATE ALL ABOUT HIV/AIDS THROUGH THE RYAN WHITE FOUNDATION.

PLEASE SUPPORT THE ACTIVITIES
OF THE RYAN WHITE FOUNDATION.

Jive VP/GM Barry Weiss may not look much like Santa Claus, but his label's getting hotter than Christmas at the Equator, with four Top 50 albums in A Tribe Called Quest (#12), Too Short (#21), R. Kelly (#26) and this week's cover guy Shaquille O'Neal (#31). Not bad for a guy who not too long ago thought rap was something Saran made to keep his sandwiches from going moldy and "Yo" was an expression uttered by a dyslexic old Jewish man with a backache.

On The Cover

Jive's funk'n' hip-hop tower of raw power Shaquille O'Neal gets called for an offensive foul after this HITS Cover nod in honor of his slam-dunk "Shaq Diesel" album.

Bolton Debuts Huge As Frank Rules.... But Here Comes The Big Week

NO TURKEYS!!!

Sixed Pac

Controversial rapper/actor **Tupac Shakur** was arrested last week in New York for forcible sodomy and unlawful imprisonment of a 20-year-old woman at the Parker Meridien Hotel.

The 22-year-old rapper was detained with two other suspects after an unidentified woman alleged the singer and two other men held her down while a fourth male sodomized her in a hotel room.

Shakur faces a maximum of up to 29 years in jail if convicted. His N.Y. attorney **Michael Warren** said the charges are false and that the woman has already hired a lawyer for the purpose of filing a civil suit.

Meanwhile, Shakur is due December 1 in Atlanta to face two counts of aggravated assault stemming from an October incident in which he allegedly shot and wounded two off-duty police officers. He also faces an outstanding charge of simple battery for allegedly slapping a woman last summer when she asked him for his autograph. He was also arrested last March in L.A. for carrying a concealed weapon and two days later for assaulting a limo driver.

Dawn Rises Again

PM Dawn: "Stone Free" going stone cold crazy at Top 40.

MTV Greet '94

MTV will usher in the New Year on December 31 with "MTV's Live and Loud," a special musical event from Seattle featuring performances by **Pearl Jam**, **Nirvana**, **Cypress Hill** and the **Breeders**, capped off with a special New Year's countdown live from the stage of **Janet Jackson's** sold-out appearance at Madison Square Garden in New York City.

The 90-minute "MTV's Live and Loud," hosted by **Red Hot Chili Pepper** vocalist

Anthony Kiedis, kicks off at 10:00 pm (ET/PT), with "Janet's Live New Year Jam" following immediately afterward. Jackson will perform music from her new album while MTV on-air personalities report live and **Tom Freston** passes out and has his head dropped in Manhattan's famed Times Square. The two shows will then repeat in their entirety shortly after midnight. Yo, who needs **Guy Lombardo** when you've got **John Norris**?

As they sit down to their Thanksgiving dinners, retailers will be giving thanks for the fact that they're not scrubbing urinals in Northern Afghanistan. They'll also be giving thanks for another stellar week in the music world as Columbia's **Michael Bolton** blasted onto the chart at #3. Said blast underscored a changing of the guard in the Top Five of the Top 50 as **Frank Sinatra's** "Duets" barely eclipsed the Seattle studs for what is virtually assured to be a one-week reign in the top spot.

Why one week, you ask? Easy. As we were getting ready to blow out of here for the holiday weekend, both **Snoop Doggy Dogg** and **Guns N' Roses** were blowing out of the stores. Enthused early reports from retailers suggested Christmas had come about a month early as two of the most active buying groups converged on cash registers nationwide. And let's not forget the impact of **Beavis & Butt-Head** or **Elton John**.

So, who has the most active buyers — Snoop or Guns? We'll see ya next week.

Finally, we'd like to wish everyone a **Happy Thanksgiving**. Unfortunately, since our lives represent meaningless drains on the earth's natural resources, we can't.

PIC OF THE WEEK

No Wonder He Got Darryl

That's John F. Kennedy Jr., proving the ol' saying, "If cousin Maria can marry a schmuck like Arnold, I can pose for trade shots with music executives." John, who is pictured with Sony Music Exec. VP Michele Anthony and Sony Music Entertainment President and Chief Operating Officer Thomas D. Mottola, is intelligent, sophisticated and level-headed. If he ever decides to wear pants under that jacket, he could go far.

QUICK HITS

MTV adds this week are U2 (Island/PLG), Candlebox (Maverick/WB) and James (Fontana/Mercury). Bryan Adams (A&M) receives a rotation increase. US3 (Blue Note/Capitol) goes into Buzz Bin.

Blockbuster Gets Super

Blockbuster Entertainment Corporation has officially acquired the Super Club Retail Entertainment Corporation, a subsidiary of Philips Electronics, for 5.2 million shares of its common stock and 1.8 million packages of microwave popcorn. Super Club Retail is the largest retailer in the south-eastern U.S., operating 270

stores under the names Record Bar, Tracks, Turtles and Rhythm & Views. The company also operates approximately 160 video retail super-stores in 13 states. Philips Electronics now owns 7.6% of Blockbuster's outstanding common stock and 2.8 million used copies of "Hudson Hawk."

Horky

CLS Ruler **Charlie Horky**. He'd be pretty tasty with a side of stuffing and cranberry sauce. Happy Thanksgiving.

WILD CARD

TOM PETTY
MCA

The rocker's swan song for the label is a smashing Greatest Hits production with two new tracks, including this sensational single many are calling a "career best." The album comes smashing on at #6 nationally as the track tops the Album Radio charts and is ready for a big run at Top 40. PDs love it and this one's going. Even those turkeys, Tenenbaum & Gorklick, can't mash this one!

Solar Power

R.E.M., U2, P.M. Dawn, Soundgarden & Brian May, Sonic Youth, Annie Lennox, James and UB40 are among the 16 artists who have contributed live recordings to "Alternative NRG," a benefit album for Greenpeace coming out January 25 on Hollywood Records. The album title is a reference to the fact the entire album was recorded and mixed

using solar electricity. Former English Beat and General Public member Dave Wakeling co-produced the disc. Proceeds from sales will be used to support the organization's energy and climate campaign, which explores ways to halt the Earth's rising temperature, stop CIA involvement in the Latin American drug trade and discover who really killed JFK.

QUICK HITS

The Most Added singles this week at Top 40 are #1 Def Leppard (Mercury), #2 Beavis & Butt-Head (Geffen), #3 Rozalla (Epic), #4 Prince (P. Pk/WB) and #5 PM Dawn (G St/Is/PLG). Also, Kenny G (Arista) continues to grow with album sales building.

Brawl Jam

Cy Young award-winning Chicago White Sox pitcher Jack McDowell and Pearl Jam singer Eddie Vedder were involved in a barroom brawl in New Orleans' French Quarter in which the hurler was knocked unconscious by a bouncer.

Vedder, who reportedly started the fight by spitting in the face of another man, was booked

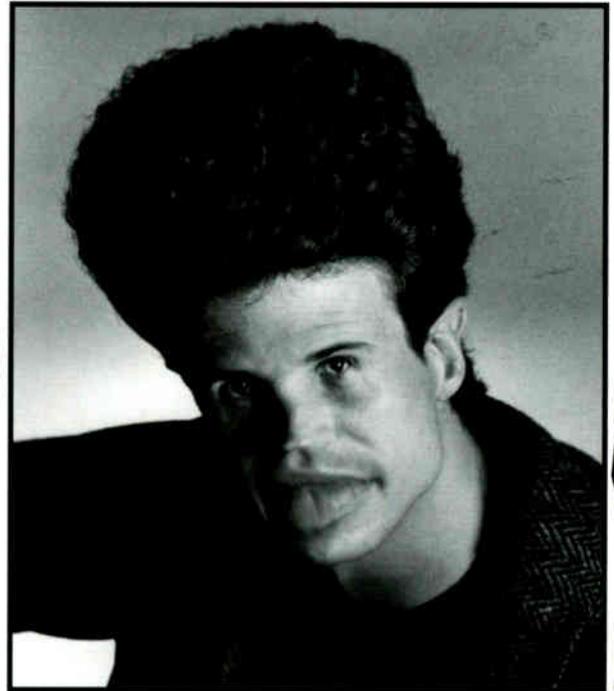

for public drunkenness and disturbing the peace, according to police Sergeant Elizabeth Wigginton. McDowell, a rock musician in his spare time, was treated for a cut lip and scalp lacerations. Said McDowell: "I thought the guy was a sportswriter." Added Vedder: "I thought the guy was a rock critic."

Make That Filet

That's **Meat Loaf** accepting double platinum plaques for his "Bat Out Of Hell II" from MCA Music Entertainment Chairman **Al Toller** and MCA Records President **Richard Palmese**. Meat Loaf told the two beaming executives that he so enjoyed his musical comeback that he's decided to wait 16 more years until his next hit record. Manager **Allen Kovac** was unable to be in the picture since the drawbridge over his alligator-filled moat was stuck.

What they'd look LIKE IF YOU WERE ON DRUGS

A&M Exec. VP/GM Jim Guerinet: Obviously baskets aren't the only things being scored at Clipper games.

Since It's Thanksgiving, These Guys Must Be Turkeys

The photo on the left shows **Rod Stewart**, **Bryan Adams** and **Sting** coming to the grim realization that the film, "The Three Musketeers," ranks just above "Ishtar" on the ol' cinematic scale. The photo on the right shows Sting Manager **Miles Copeland**, Adams Manager **Bruce Allen** and Rod

Manager **Arnold Stiefel** proving conclusively that **Charlie Sheen** ain't the only one who should never step in front of a camera holding a sword. Copeland wants everyone to know that his sword is the biggest.

HITs LIST

A Blatant Rip-off of a Good Magazine

WHAT WEASELS ARE WEASELING ABOUT THIS WEEK

- 1 **SNOOP DOGG:** Gold, platinum or county blues? 
- 2 **JAY COOPER:** Was this one sealed when Lee Phillips gave up his parking space?
- 3 **MARK SHIMMEL:** Add starting Kahane's car to his list of responsibilities.
- 4 **BOB KRASNOW:** Maniacs, Jackson Browne, Breeders, Linda & Metallica. His only bumper is Leshay. 
- 5 **LESTER KNISPEL:** No one seems to mind his nose in their business.
- 6 **CLIVE CALDER:** Obviously, there's room for two Clives. 
- 7 **GUNS N' ROSES:** Perfect gift for Stephanie Seymour.
- 8 **MICHAEL BOLTON:** A first week like that would make anyone forget about Nicolette.
- 9 **BEAVIS & BUTT-HEAD:** Coming up, the boys befriend an aging rock star & kick-start her sales.
- 10 **BRYAN HUTTENHOWER:** His fielding deserves a golden glove.

QUICK HITS

The adds this week at VH-1 are U2 (Isl/PLG), Celine Dion (550 Music)

and Wilson Sisters (SBK/ERG). Donald Fagen is in Five Star rotation and Jackson Browne (Elektra) is the Artist Of The Month.

Marky's Drawers Dropped

Calvin Klein has reportedly decided not to renew its contract with Marky Mark as the spokesman for their underwear line. The rapper won't be jockey-less for long, however. Marky is ap-

parently being pursued by Japanese investors to bankroll his own line of undergarments. Tentative names include "Funky Bunch," "Racing Stripes," "Wedgiewear" and "Strategic Bulge."

Hooray For Hollywood

Hollywood Records new signing **Brian Setzer** celebrates his exclusive, long-term booking at Euro-Disney, where the French are reticent and Mickey will have to do with a little less brie this winter. Pictured just before going home to watch their favorite TV show, "Who's The Boss?," are (l-r): Sr. VP Promo **Brenda Romano**, Manager **Dave Kaplan**, the very presidential-looking VP A&R **Bob Pfeifer**, Brian and VP Marketing **Jim Martono**.

HITS

NEAR TRUTHS

BY I.B. BAD, LOS ANGELES

Whose **active buyer** is *more* active, **Snoop** or **Guns**? We'll see next week when both albums hit the charts.... Look for **David Simone** to assume the helm of **PolyGram Music Publishing**. Simone's been hanging at Capitol in the Biz Affairs domain.... Speaking of publishing, despite chatter to the contrary, the **mega-deal** for **Michael Jackson's ATV** catalog is a done one, with administration duties going to **EMI**. Chatter has the deal in the **\$200 million** area, including acquisition bucks, but *not* including Jackson's own songs.... Final Jackson note has **Jerry Breslauer** exiting as the embattled superstar's Business Manager. Look for **Marshall Gelfond** to be the new numbers cruncher.... Speculators speculating that **Fred Rosen's** take from the **\$300 million Ticketmaster** deal is around the **10%** area.... Don't look for that much-rumored-about move by **Warren Entner** into the label fold. Expect a **joint venture** between the Manager and **Imago** to go down.... So who is the next *very hot* manager to be bought out by a major label and recruited into its executive ranks?.... **Sony/Pace** officially opens up shop in El Lay with

Simone Says

David Simone: Poly wanna President.

former Nederlander gunslinger **Hal Lazareff** manning the fort.... There are major rumblings of a restructuring of the **North American** division of an international music monolith.... Look for **Jay Cooper** to be accompanied to **Manatt, Phelps & Phillips** by fellow barristers **Jonathan Haft** and **Jerry Margolis**.... Then there's the tale of one **successful band**, with only a couple of albums left on its current worldwide deal. The band hates the UK label it's currently signed with, but is more than happy with its U.S. counterpart. An appeal to said company's international ruler is denied and the band is told to renegotiate with the UK. Is it shopping time?... **Cher** finished living the spa life in preparation for her appearance in the upcoming "Beavis & Butt-Head" video.... Rumors abound of one label creative exec. assuming management chores for one of said label's superstars.... Back in the land of **Promotion** in a brave new **BDS** world, wonderers are wondering how long labels will grade their Promo Depts. on the volume of adds, and not spins. Has "How many adds you get this week?" gone the way of the eight-track?.... A&M ruler **Al Cafaro** returns from the Big Apple. Were contract renegotiations on his itinerary?... In the wake of the shuttering of **Chameleon** by **Elektra**, tons of buzzing over the band **Kyuss**. Will they stay at Elektra or fall to major courting?.... **Capitol** silences critics of the disbanding of its Black Music Division by breaking **DRS** and **US3**.... Names in the **Rumor Mill**: **Mickey Shapiro**, **Dennis Fine**, **Alex Hodges**, **Nick Rhodes** and **John Reid**.... and the beat goes on.

LETTERS

FAR TRUTHS

BY RACHEL FELDER, NEW YORK

Palm Sunday

Dave:

Who would have thought I'd be reduced to giving hand jobs to journalists? Enclosed please find a great promotional item for "Addams Family Values."

Best,
Susan Clary
VP Publicity
PLG

Dave replies: Thanks for the gesture, Susan, but you know that activity is exclusively reserved for Jenkins.

Watch Along the Rhino

Dear Roy:

In our relentless pursuit of perfection, we in Rhino publicity seek to create press materials that are as functional and fun as possible. Since we value your opinion, we're sending you this survey, figuring your feedback and suggestions will help us create press material that'll serve you better.

Since we also appreciate the value of your time, we made the survey fun and easy to complete in 10 minutes or less, and included an SASE so you can send it back to us right away. We have a special prize for you if you're among the first 50 respondents! Thanks for your help.

Your friends in Rhino publicity
Los Angeles, CA

Roy replies: Did I hear anyone say Otis Redding box set?

Davis Tries Harder

Dear Joe:

Someone pinch me. You mean a one-stop buyer actually listened to one of our advance cassettes?

This Frank Davis at Angott One-Stop is one sharp pinhead, but he's not the only one who thinks Ovis is a chart-topper.

Positive tests at over a dozen Top 40s like WYYS, WHHY,

Y93 and KTRS have convinced us to push the button for Ovis in January of '94.

I'm sending a copy to Ivana to get her blessing. Have a swell November.

Rich Schmidt
Director of Marketing
Restless Records

Joe replies: Forget Ovis, Rich... Davis only wants to know if Restless has an Underassistant Midwest Regional Promotion position open for him.

Life of Riley

Dear Joe:

I just wanted to thank you one more time for taking time out of your busy schedule and calling me, with what was very helpful advice. The A&R tip-sheets and demo review services are great sources, not to mention the fanzines. I have really been focused on getting a scout position and feel I may be close to getting my foot in the door.

Thanks again for all your help, and please keep in touch. Also, if I'm not out of line by asking, a mention of my name in "Buzzin'" in "Wheels & Deals" could be what I need to nail this scout position. Thanks!!

Peace,
Timothy Patrick Riley
Glen Parrish Mgmt.
Hollywood, CA

Joe replies: Timbo, my good buddy, the only chance you have of getting your foot in the proverbial door is to dress for success. In fact, here's a picture of the last person whose career we turned around by suggesting just a little bit of flamboyance.

We've all heard about the serious game of industry musical chairs a handful of labels are about to play, so it was particularly fun this week to hang out at the bash to launch the new-and-improved **Geffen** N.Y.C. office. Revelling in the label's oomphed-up E. Coast presence were **Mark Kates, Ed Rosenblatt, Wendy Goldstein, Hans Haedelt, Jill Johnson, Kathleen Murphy, Elliot Groffman, John Titta, Jim Merlis, Dennis Dennehy, Amanda Scheer** and **Joe Bosso**, who were on the lookout to score an early copy of the **Beavis & Butt-head** album in mid-schmooze... Needless to say, the bulk of that list was also at **Nirvana's** two shows here this week, as were **Ron Stone, John Silva, Janet Billig, Amy Fin-**

JFK Jr. Favos

Stereolab: A band with Democratic appeal.

nerty, Shelby Meade, Lauren Spencer and a heard of moshers... And speaking of kids, there were loads at the **Cranberries** SRO show at the Manhattan Center Ballroom (they must've spoken to the Waldorf about the joys of elevators at rock events) along with **Denny Cordell, Jesse Obstbaum, Eric Levine, John Vlautin, Karen Yee** and **Rachel Mintz**... It was worth braving the Grand to see **Stereolab** and **Unrest**. Checking both out were **David Bither, Bonnie Burkert, Jon and Tracy Leshay, Danny Kahn, Tommy Valentino,**

Beth Jacobson, Faith Henschel, Mary Marcus, Michael Goldstone, Jonathan Rifkind, Terry Tolkin and **Jake Ottman**. And let us not forget indie fan **John Kennedy Jr.**, who not only showed up, but was as much of an attraction to the audience as the bands were. Any chance of dumping **Daryl Hannah** for **Stereolab's** luscious **Laetitia Sadier** or **Unrest's** cool bassist **Bridget Cross**?... Later that night, the **Boo Radleys** (who rule) drew **Josh Rosenthal, Todd Bisson, Peter Shershin, Mitchell Cohen, Nick Cucci, Peter Koepke, Ken Friedman, Rebecca Carroll, Lauren Zelisko, Bryan Huttenhower** and our own **Karen Glauber** to **Limelight**... **MCA** hosted a gala record release party for **Jody Watley's** "Intimacy" at **Laura Belle** for **Universalites Glen Lajeski, Andre Fischer, Randy Miller, A.D. Washington** and **Bobby Shaw** with celebs spotted including **RuPaul, Lawrence Taylor, Jellybean Benitez, Andre Cymone** and **Andre Harrell**... Spotted at a CB's bill of **Best Kissers/Chainsaw Kittens/Mother May I: Mike Mena, Ken Weinstein, Bill Pfeifer, Tom Cording, Peter Rauh** and **Lewis Largent**... Guilty pleasure of the week: the "Carlito's Way" soundtrack on **Epic**, filled with '70s faves like "Lady Marmalade" and "Rock The Boat"... **Mike Gitter, Peter Wright** and **Andrew Stephanopoulos** were dancing to the **Mekons** at **Irving Plaza** this week. How come it wasn't more crowded for this oh-so-ruling band?... Hanging at **Counting Crows/Cracker** there the following night were **John Sykes, Gary Gersh, Kathy Gillis, Meryl Wheeler** and **Mike Stone**... Shows we're psyched about: **The Jesus Lizard** and **Curve** — not together, mind you — both playing **Irving Plaza** in mid-December, not to mention **Uncle Tupelo** at **Maxwell's** also that month.

THE RATINGS ARE IN...

U OR WIN HAUL

At first glance, it appears that the results of the summer Arbitron does not really say much for either the growth or demise of the Top 40 format. At closer range, three obvious trends surface: (1) The format is alive and well both at major and secondary level in markets where format-exclusive stations finish Top 5 both 12+ and 18-34. (2) Post-Modern leaning Top 40s with their strong, active-audience base continue a positive growth. And (3) while shares may have levelled off for Top 40s in general, a proliferation of stations at country and adult radio makes for exclusive ground for stations remaining in format. This time, we'll look at few "key" market battles, and acknowledge those market dominators in the format.

NEW YORK CITY: The story is the explosion of **Z100** who adopted a more aggressive posture toward new, fresh Post-Modern music. It worked. Both **WPLJ** and **HOT97** remained steady across the board. The interesting battle between Urbans **WRKS** and **WBLS** warms up as **Jerry Clifton** enters the fray and 'BLS heads more "street."

LOS ANGELES: More of the status quo. **Power 106** wins the street war. **KIIS** remains steady. **KROQ** off a bit but latest upward trend indicates book may have been bitten by ethnic weighting. **Naftaly**-led **KKBT** shows nice recovery.

SEATTLE: "Steady As She Goes" is the battle cry of the Coffee House City. While **KUBE** continues to break the Street and Urban product, the new **Steve Rivers**-consulted **KPLZ** remains solid in the game, while station sales and rumors thereof continue to perpetrate the market.

ATLANTA: Another Post-Modern-leaning Top 40 scores big, this time in the deep South with **99X**. **STAR94** leaning decidedly Adult continues to grow in all demos, most recently striking gains in the latest trend. Many feel this city is the most under-radioed major market as for number of stations in a major market.

HOUSTON: Post Modern leaning **KRBE** capitalized on the national trend scoring heavy gains in all money demos, while winning 18-34. (This music works). Meanwhile street urban Top 40 **KBXX** fell off while adult-driven **KHMX** rebounded nicely.

TAMPA: The "Every Other Book" scenario continues on the Bay, this time with recently purchased **MIX96** making big gains in 25+ demos. Can a **Mason Dixon** syndicated morning show be far behind? The recent trend shows **Power Pig** rebounding nicely for Fall.

HARTFORD: The see-saw battle between **96TIC** and **KISS** saw-ed back to **WTIC-FM** overall, while adult demos remain a dead heat. The first fall book trend indicates this race is still too close to call.

INDIANAPOLIS: Dance-leaning **Hoosier 96** stole the show last spring, and for summer, **WZPL** rebounded. Recently, station trading in the market creates a situation where **WZPL** will be spun to a new company (perhaps **WHHH**?). The result of this impending sale could have a lasting effect on this midwestern battleground.

JACKSONVILLE: So here's the real deal. **WHJX** captures the Rhythm/Urban crossover audience. **WAPE** wins the non-ethnic adults with an adult Top 40 lean. The lines are drawn. Interesting side note, shared audience between the two stations actually decreased indicating a strong, loyal fan base for both.

MARKET DOMINATORS

KTFM	San Antonio	9.4	(9.1)
PRO-FM	Providence	7.4	(8.0)
FM102	Sacramento	9.4	(10.6)

The job **WPGC** has done in D.C. is textbook Top 40 dominance... **Q102** Philly wins in the streets and wins the war... **B96** has heritage and strong drive numbers in the Windy City... **WHYT** Detroit remains a steady force with a decidedly Urban appeal... The strong Hispanic dance

flavor of San Antonio is a glove-like fit for **KTFM**... And no call letters in the nation have more Top 40 heritage than **PRO-FM** as they continue to rule Providence... Biggest book in station history shows even higher in latest trend for **FM102** in Sacramento.

POST TOASTED By Ivana B. Adored

PAWED BY TOM CRUISE: It wasn't even a figment of my hyperactive imagination; witnesses as credible as **John Sykes, Amiira Largent** and **Rachel Felder** will corroborate that **Tom Cruise** made a beeline for me in front of **Stone Temple Pilot's** dressing room at Saturday Night Live, put his hand on my arm and said, "here's to ya." At the after-show party, he had to put up a front and act like he didn't know me, so **Nicole** wouldn't suspect anything..... Truth be told, I'd trade ten Tom Cruises for one **Greg Dulli**. The **Afghan Whigs** show in NYC moved me in ways a live show hasn't affected me since I stopped attending them chemically altered. The **Afghan Whigs** are the embodiment of all that is **genius** in the post modern realm. See them or you suck..... It was a major treat to be able to see **Nirvana** tape MTV's "Unplugged." And that's not just because it gave me an excuse to hang with

SHERRI TRAHAN:

So, When Are We Hanging With Madonna?

Mssrs. Waugh, Benjamin, Calderone and **St. Thomas**. The mega-highlight (for me) was the three **Meat Puppets** songs from "Meat Puppets II" that **Nirvana** performed with **Curt** and **Cris Kirkwood**, but you're probably not familiar with that album; in 1984 you were programming **Wang Chung, Nena, Corey Hart** and **Men Without Hats** records, right?..... **WE TOLD YOU SO:** **Ted Volk** from **Geffen** ruled supreme this week as he pulled in **KROQ, 99X** and **Q101** on the **Counting Crows** "Mr. Jones." All we can say is, "non-smoking on an aisle." Ask **Ted** for the band's live acoustic version of the **Psychedelic Furs** song, "Ghost In You." If it doesn't exist on **DAT**, it should..... Speaking of our impeccable instincts, MTV put **US3** into "Buzz Bin" this week, just as the album hits the street and the band gears up for their first tour dates, including the already sold-out **KROQ Acoustic Xmas Concert**. Remember where you read about **US3** first..... **99X, WENZ, WIIZ** and **KWOD** added the **REM/Natalie Merchant** track from the "Born To Choose" compilation this week. More things to be thankful for this Thursday. Can anybody help me close out **KTCL, Q101, KDGE, KEDG** and **KRZQ**? Just asking..... We love **Flop, the Doughboys, Gigolo Aunts** and **Redd Kross**. Still. As much or more than ever..... **Sherri Trahan** is the new Director of Alternative Promotion at **Maverick Records**. We're extremely psyched for her..... **MORE FUN THAN TRYPTOPHAN:** **Stabbing Westward, ms-lum, Sheryl Crow** and the awesome new **Bjork** video!

JAY HARDING REPRISE RECORDS (as of Jan. 1st)

Is it merely a coincidence that the person chosen to replace **Mark Neiter** as the National College Promo Geek at **Reprise** is **Jay Harding**, who currently heads up the **Want Adds**, the college promotion company that Neiter *just happened* to have founded? And why does **Steve Tipp** only hire people who've worked at **cable** college radio stations? Is this because he too came from a station with the output of a hairdryer? Conspiracies notwithstanding, we think Jay is awesome!

Cowboy Junkies, "Pale Sun, Crescent Moon" (RCA): Cowboy Junkies have always excelled at writing songs about love's triumphs and pitfalls. Their fifth LP is no exception. On "Anniversary Song," Margo Timmins explores, with her breathtaking voice, what we all crave—a special someone—and does so with beautiful simplicity. Brother Michael Timmins' heartfelt lyrics read like pure poetry. The only way to describe this amazing album is "musically passionate and lyrically haunting." So fear no more: Take that leap and fall in love.

POST MODERN

POMO PICKS

Edited by Karen Glauber

One Dove, "Morning Dove White" (ffrr): Scotland's One Dove are a rare treasure in the underground dance scene that has remained virtually unexcavated on this side of the Atlantic. Within their sonic walls of fleshy throb lurk stalagmites of distorted guitars (courtesy of Primal Scream's Andrew Innis), caverns of gauzy, lilting feminine vocals and cool eddies of deeply emotional lyrics. Whereas other dance/techno artists besiege the listener with concussive repetition to evoke a response, One Dove places paramount importance on the vitality of song.

Possum Dixon, "Possum Dixon"

(InterscopeAtl G): These L.A. dive bar faves release a debut LP full of angst-ridden lyrics about frustrations with employers and living in L.A. Led by the thumping stand-up bass and nasally vocals of Rob Zebrecky, their tunes carry a new wave flavor courtesy of noted Earle Mankey. "Watch The Girl Destroy Me" takes the listener on a tour of L.A.'s East Side, while Zebrecky anguishes over being dumped. Robert O'Sullivan's frantic piano work will "nerve" you throughout this fine debut. (Chris Carey)

Alcohol Funnycar, "Time To Make The Donuts" (C/Z): Seattle's Alcohol Funnycar careens onto disc with their first full-length offering, blazing the highway of indie cred and anticipation built on several smashing 7" documents and a searing CD-5. "Burn," released earlier this year. The manic punk pop that marked the highpoints of the band's previous work, strains to a steely and reckless perfection on the LP opener "Shapes" and the Husker Du/early Soul Asylum redolent track "All About It." Pure ethylene power, no smoke.

Nick Heyward, "From Monday To Sunday"

(Epic): The fact that Nick Heyward's original band Haircut 100 only managed to release one album with him at the helm ranks as one of the bigger tragedies in pop music. Now, more than ten years later, the fresh-faced spirit that dominated classics like "Love Plus One" and "Favourite Shirts" finds a rebirth on one of this year's most enthralling surprises. The crystal-pure guitar layers of the first single, "Kite," provide a smooth canvas for Heyward's trademark symphonic and percussive accents. A major and nearly forgotten talent has returned in peak form.

POMO MUGS

WHITE BOY STILL MILQUETOAST: Mercury's Mark "White Boy" Chotiner fools no one with his ludicrous B-boy posing. Hanging tough at San Diego's groovy 91X are (l-r) Bryan Jones, Mike Haloran, M.C. Harseed and Rob Dickson and Brian Futter of Catherine Wheel. Haloran found White Boy's display so embarrassing that he refused to come out from behind the neck of his guitar and kept waiting: "Stop it this minute! You clearly don't understand the social and ethical implications of affecting the persona of the gangster lifestyle and promoting the myth that crime is glamorous." Said White Boy: "Word to your mom!"

VERMONT VERMIN VEX VIRGIN: Yep, looks like the winter weather is already wreaking havoc with the staff of WEQX Manchester, as they are captured on film here abducting Miss Teen USA, Charlotte Lopez, after convincing the youngster they were only taking her on a hayride. They then whisked her to a remote outpost and subjected the little miss to repeated blessings of the new Best Kissers In The World LP until she agreed to star in the band's next video. Pictures just before their wial are Thad Monteiro, Fred "McGinn" Flinstone, Joy Johnson, Sue "Goilla" Gosselin, Godzilla, John Allers and Lopez.

THEY SHALL STRAY NO MORE: Pictured here are Hollywood's Michelle Robbins, Brian Setzer, WDRE; Malibu Sue and chloowner Charlie Greco just before they took up residence in the Disney-sponsored Biosphere 3 which will resemble a bad Las Vegas lounge.

PEDDLE TO THE METAL

OVER THE EDGE

Big news is the sale of **Ticketmaster** to **Paul Allen** for 340 million simoleons. That's Paul Allen as in **Microsoft**, which he co-founded, and **America On-Line**, of which he's a major shareholder. The marketing potential for artists that aren't getting support from radio/video is massive. Call **Larry Solters**, who'll be paying us an undisclosed fee to write this, and ask him how your artist can benefit... A total of 64 stations came in this week with major airplay debuts from **Beavis & Butt-Head** (also Top 5 Phones and Most Added), thanks to both the **Zombie** and **Megadeth** tracks; **Guns N' Roses** "The Spaghetti Incident?" ("Ain't It Fun") and the **Carcass** single. **Def Lepp** re-enters. At retail, **Candlebox** takes a nice, seven-slot jump, thanks to aggressive Album airplay; **Type O Neg** re-enters and **Motorhead** debuts. The Top 6 stays the same... **House of Guitars** reopened at midnight Monday (22) to sell the new **Gunners** and those who brought any can of pasta (from Spaghetti-O's to chicken noodle soup) received a buck off the CD or tape while cans got donated to a local charity who will distribute food to the needy. **A&M's** making sure the "Spaghetti" inner sleeve message of "go find the originals" is taken seriously by servicing 400 copies of **Nazareth's** "Hair of the Dog" to industry-types. We suggest they get to the consumers 'cause, as we all know, 75% of those who received the CD would never go *inside* a record store let alone *buy* something there, which reminds us... With the official Xmas shopping season kicking off, may we suggest that instead of calling your label buddies to send you swag that you in turn will give for presents, why not try *buying* it?... *Schwing this*: "Wayne's World II" soundtrack will include **Robert Plant**, **Aerosmith**, **Gin Blossoms** and **Joan Jett & the Blackhearts** with a remix of "I Love Rock and Roll," which will be the first video. In-store 12/14... **Brian Landau** is our hero... **Emerald Forest's** **Marla McNally** told us to "feel free to write about **Marilyn Manson**" (who last week's Weasel **Tim Bryan** warned us about) "at any particular junction." Since the only junction we've ever been to is "Petticoat," we've sent her a bill for the mention and a year-end ad and figure it's even... What manager is putting their band's new label on hold while the label puts their new video on hold and will this put the group's upcoming U.S. tour also on hold after the first of the year?... Did we get your Fave 10 of the Year?... Top 10 Rock at **The Box**: **Rush**, **Suicidal**, **Danzig**, **Tool**, **Sepultura**, **Pumpkins**, **Alice in Chains**, **Morbid Angel**, **Clutch**, **KMFDM**... Excuse of the week for no airplay: "I left it in the bathroom." On that note, hope you had a great holiday...

Larry Solters: We get an extra mil for naming the photo.

The World Sez: "FREAKIT!"

DAS EFX IS SPECIAL!

Don't play Das EFX's hot new single, "Freakit," around members of JAMS. They spasm around, bump into terminals and spill coffee. A sorry state of affairs and a very sobering sight.

"Freakit," from Das' 2nd album, "Straight Up Sewaside," is striking the right chord with KIPR PD Mark Dyllan, who said the song is heading "straight out of the sewer and straight to the top here in Little Rock. Even Hillary is gettin' down!"

Doc Wynter, APD at KMJM in St. Louis, in a pitiful attempt to land a job at Das' label, slathered: "Even I'm getting a little freaky with Das EFX!"

At retail, Keith McPhee of Sound of Market II in Philly, foamed: "They're representin' lovely!" (Ed. note: "Keith, time to get back to hunting and gathering...")

Manny Bella, East/West's VP of Promotion, gossiped: "After three short weeks 'Freakit' is gold-bound with sales over 400,000 units, and their CD is exploding at retail. With the enormous story emerging from radio and retail, Das EFX will be a contributing force in the ever-changing trends in rap — not to mention a world-wide military combine!"

We at HITS were flushed down the sewa with alligators, crocodiles and a bunch of cute goldfish. What a food chain!

MUSIC: For your holiday music rotation: Check out **Bebe & Cece Winans'** "First Christmas" LP (Capitol). In a more Adult/Jazzy vein, there's the "GRP Christmas Collection Volume III" (GRP), featuring performances by **B.B. King**, **Ramsey Lewis** and others. Also from GRP is "A Kim Pensyl Christmas." Having fallen on my face with past prophecies, I predict (gulp) that **Mint Condition's** "U Send Me Swingin'" (Perspective/A&M) will go Top 10, perhaps to #1. In the Quiet Storm corner, there's **R. Kelly's** "Your Body's Calling" (Jive) and **Keith Washington** with "Believe That" (QWest/WB). **RADIO:** Years ago, when I first arrived in L.A., my PD, **Jim Maddox**, said I sounded like a tux, which was cool, but the guy in jeans was

more fun. At the recent **YBPC** Aircheck Seminar, **Madhatter** stated that air personalities need to have the nerve to put their real selves on-air. Too many of us go on-air with the intention of being jocks. Better to go on with the intention of being *oneself* within format. As an air personality, you've got to believe that the real you is worthy and interesting. If you're having trouble getting your real self through the mic, here's one suggestion: Remove your headset from one ear. You'll hear what's going on around you, but your voice will come to you as it does in real life — with no processing. You'll be more inclined to speak as you do in life. Worked for me. As for content — read, observe, relax. And it will come. Later.

RADIO DOPE: Stations across the country are doing their part to feed the hungry during this holiday period. **KKBT** recently hosted a 12-hour drive for the L.A. and Orange County food banks. Across town, **KJLH**, with a live assist from **Freddie Jackson**, traded turkeys for canned goods in their "Thanksgiving Can Be Good" campaign. **WJMZ** (107.3 JAMZ!)/Greenville, SC netted over a ton of non-perishable food items for a local food bank... **Progressive Media Group** has purchased former Country-formatted **KQBR** in Sacramento and airs a New Adult Contemporary/Urban format called "The Breeze." Major players on this new venture are all L.A. radio vets: **Ricky Tatum**, President/GM; **Mary White**, VP/Director of Sales; and **Lawrence "L.T." Tanter**, VP/Director of Programming... **WMCS**, formerly **WMVP** in Milwaukee, held a big bash to retire the station's old call letters. The new letters stand for "Milwaukee's Community Station."... Trends: Another PD is

beefing about song lyrics. This time it's **WKWM/Grand Rapids PD Lee Cadena**. He states that he is not for censorship, just *common sense* on the part of companies in selecting the single with which they service radio... There is a (Touch) satellite in **WAGH/Columbus, GA's** future. All staff is affected except Sunday morning programming, morning man **Mack J** and PD/Afternoon man **Darryl Smith**. Where will **Mixtress Becky** land?... Ex-**WJNN/Dothan, AL PD Phil Davis** has landed on-air at **WIZF/Cincinnati**... **RECORD DOPE:** **Daria Langford** has exited **Mercury**. No word yet on where she'll land. Industry vet **Michael Johnson** of the label's Atlanta office has been elevated to VP/Promotion, and will be making the Big Apple move shortly... Two fresh new acts to watch (in person, if at all possible): **Tommy Boy's K-7** and **Motown's 7669** (Seventy-six, sixty-nine)... **IN THE MIX:** **Reggie Barnes, Jazzy Jordan, Troy Shelton, Carl Conner, Al Jai Wallace**.

STORM WATCH: This week, our Highness of High Pressure **Kandace** tunes into **WIZF/Cincinnati QS** jock **Greg Patterson** (pictured), who says there's no truth to the rumor that he'll move to Cleveland if the Bengals fail to win a game. Greg endorses **Native Black's** "Settle Down" (Design

Ent.): "This local talent is coming to a record store near you! Take a listen." On **Luke's** "The Caper" (Luke), he says: "It's a real cool cut," while the **Frank Sinatra/Anita Baker** collaboration, "Witchcraft" (Capitol), elicits this reply: "This song gives the Quiet Storm a different flavor. The response has been from older demos." Finally, Greg is high on **Tevin Campbell's** "Always In My Heart" (Qwest/WB): "The phones are ringin' off the hook!" **HIGH TIDES:** Best wishes to **Vaughn Harper**.

SPANNING THE GLOBE: Round The Globe Music, a radio marketing service, has joined forces with the popular "Rap It Up & Reggae" syndicated show. This joint venture offers Round The Globe clients a chance to purchase advertising space on the show. "Rap It Up & Reggae" features name DJs who can strut their mixing magic across the nation, thus providing excellent exposure for their skills. For further info, contact Globe Music's Lauren Coleman at (212) 947-5575... **UNCONFIRMED RUMORS:** Gangstarr's DJ Premiere will be spinning on WBLS Fridays from 10pm to midnight. Speaking of Gangstarr, look for a new CD to drop in January. No title as of presstime... Are there about to be even *more* changes in an already-crazy fourth quarter? What East Coast rep is talking to major players on the West? And will someone be re-locating? Time will tell... **MOVERS & SHAKERS:** It's official! Eric Brooks and Carmonique Roberts have jumped from Priority to Virgin

WORD!

Records, where Eric will head Virgin's street label (name to be determined). Carmonique will be responsible for college and street promotions. Give them a shout at (310) 278-1181. **JUMPING THE BROOM:** James Andrews of Immortal Records is getting married! The ceremony is scheduled for 11/27 in Marietta, GA. Congratulations, James and Sherelle from the JAMS crew!... **PARTIES, PARTIES EVERYWHERE:** Mercury artist Nefertiti celebrated the release of her debut album "L.I.F.E." at L.A.'s Bel Age Hotel, while Snoop Doggy Dogg cruised the L.A. Marina to celebrate the release of his "Doggy Style" LP. In Atlanta, Ichiban threw a bash for Kilo & Nuff Ruffness. And Gee Street Records hosted a party for Doug E. Fresh' new album at New York's Wells Club. **SHOUT OUTS:** Peace to Fared, Melle Mel, DJ Yutaka, Islam & the Zulu Nation... Big up to Bailey Broadcasting's Greg Johnson for his words of wisdom on black radio and hip-hop. Peace and I'm out.

DOWN WIT'...

BOB TORRES: Baghdad by the Bay, aka San Francisco, is home to one incredibly busy young man. For the past year, Bob Torres has played host/executive producer of the weekly TV show, "Video Fusion," and a rap show on KSCU radio in the Bay Area. He's got a strong ear for music and a taste for everything fine in that fabulous city. Of course, his rep will forever be sullied by this Down Wit' nod. Torres is hot on Black Moon's "How Many MCs" (Nervous Wreck), Poor Righteous Teachers' "Nobody Move" (Profile) and A Tribe Called Quest's "Award Tour" (Jive). He gives a shout out to "everybody who supports video and college radio shows. They help break artists from the street level, and play an important part in catapulting them to national fame."... On the strength.

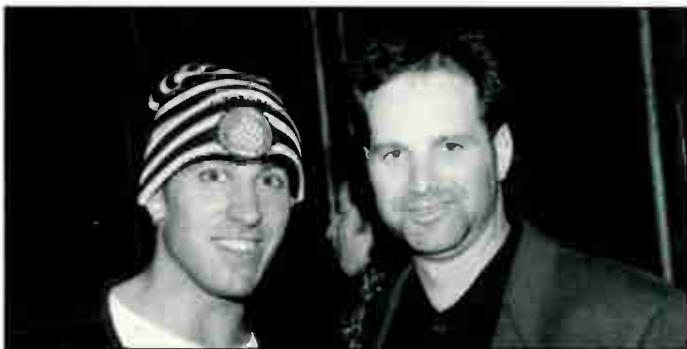

MINI MUGS

GOLDEN PARACHUTE: Trying to prove life doesn't necessarily end at 40, Mercury revives the old Parachute label to capture the Adult Alternative marketplace. The first release from the imprint is L.A.-based singer/songwriters **Lowen & Navarro's** new album, "Broken Moon." Taking time out from menopause to mark the occasion before hitting their weekly Bingo game at the church are (l-r): Mercury Sr. VP A&R **Bob Skoro**, Mercury Sr. Director Mktg. **Marty Maidenber**, **Dan Navarro**, Mercury Director A&R **Tom Vickers** and **Eric Lowen**.

KING & QUEEN: Finding out the quickest way to lose "respect" is an appearance in this magazine are **Coretta Scott King** (l), widow of the late civil rights leader **Martin Luther King** (r), and legendary "Queen of Soul," Arista recording artist **Aretha Franklin**, who hooked up in Atlanta to celebrate "Aretha Franklin Day," declared by the city's Mayor **Maynard Jackson**. When the duo found out where this photo was headed, they immediately ordered all copies of the pic destroyed along with the negatives.

HOW TO STUFF A WILD BIKINI: Publishing mogul **Marvin Jarrett** (r) marks the launch of his latest brainchild, Bikini magazine, with — what else? — a gala party at New York's Casa La Femme, where he hung with a glittering assemblage of celebrity impersonators, including this amazing clone of MTV Sports' host **Dan Cortese** (l), who hocked Marvin until he showed him the outtakes from the **Alyssan Milano** nude spread in the "zine's" premier issue. The party was halted midway through, though, when the smart drinks began to kick in.

BEAT'S ME

BY ROY TRAKIN

PR=TV: West Coast label publicity jobs have always been more about booking acts onto TV, with the East Coast PR departments generally handling the mostly N.Y.-based national print consumer publications such as *Rolling Stone*, *Spin*, *Entertainment Weekly*, etc. In fact, the competition for television exposure is so intense, some labels are now going outside the ordinary label publicist pool and looking at talent bookers and others with strong TV backgrounds... Is Imago also looking to an utter dark horse as its new publicity head?... Fellow publicists threw a surprise party for Virgin's **Sue Sawyer** to help her replenish the personal possessions she lost when her Malibu home burnt down in the L.A. fires....

What big-name band is a phoner with a major market daily journalist and substituted a renowned comedian for the supposed interviewed group member?... So this is why rock critics are accorded such little respect: *Daily News* scribe **Jim Farber** wrote in a piece on aging rock stars that **John Mellencamp's** latest album, "Human Wheels," "should eventually go gold" on the day it went platinum... Ex-*Vanity Fair* scribe **Angela Janklow**, laughter of super literary agent **Mort**, is launching a new Time-Life entertainment magazine called *Mouth to Mouth*... America On-Line's "Record Industry Dirt Folder" is a repository for some of the wildest, most inside rumors in the biz... Geffen Records is the latest label to go online with CompuServe's Music Vendor Forum... What label is on the verge of signing their own spoken word imprint?... Just to clarify last column's item, publicity for both **Snoop Dogg** and **Dr. Dre** is being handled — and quite well — in-house by Interscope's **Lori Earl**... **Cary Baker** has just joined **Garth Brooks** co-mgr. **Pam Lewis' PLA** West PR firm, whose clients include **Diamond Rio**, **Charley Pride**, **Tracy Lawrence**, **Shawn Colvin**, **Darden Smith**, CEMA's "Right Stuff" label and, natch, **Brooks** himself... Long-time *Rolling Stone* researcher **Dulcy Israel** segues to *Entertainment Weekly* as Music Editor. **Dave Browne** remains principal music writer, but what's happening with **Greg Sandow**?... *Musician's* January issue will include a complete redesign and the return of one-time editor **Vic Garbarini** as a contributor... Is MTV "Big Picture"/*Premiere* editor **Chris Connelly** being touted for **Bob Costas's** NBC talkshow "Later"? Will **Costas** grab the slot on CBS after **Letterman**? Will **Rupert Murdoch's** wife relent and let **Howard Stern** host Fox's show?... Celebrating their 20th anniversary, **The Ramones** cover "Shapes of Things To Come," originally performed by **Max Frost & the Troopers** for the soundtrack of "Wild In The Streets" on their totally brilliant all-cover version CD, "Acid Eaters," featuring cameos by **Pete Townshend**, **Sebastian Bach** and **Traci Lords**... Ex-MTV publicist **Judianne Atencio** has relocated to Boulder, Colorado, where she can provide you with fresh brioche at (303) 786-8837.

WHEELS & DEALS

BY JOE FLEISCHER

NEXT BIG THING, PLEASE: Now that Beck and Jewel are safely tucked away in major label beds, Superchunk has elected to release their next album themselves on Merge/Touch And Go and Liz Phair worshippers will have to wait until she delivers Gerard another album before they work their weasely magic, what're shameless hypemongers to do? Well, unless you've been counting the days until the Pat Boone box set, you may have heard whisperings of an indie label that's on the verge of greatness. Alias is not only the label home of Picasso Trigger and small 23, but the label's Archers Of Loaf could have used a tank of "Weasel Off"

Loafing Around

Archers Of Loaf: Best thing since sliced...?

spray at the recent CMJ convention, with all the slobbering they endured. The Loud Family's "Plants And Birds And Rocks And Things" definitely scores as this year's great lost guitar-pop album. And, of course, each of the above-mentioned bands owes the label several more records. Maybe that's why chatters are chattering about a major distribution deal for this true indie. In the search for "Next Big Thingdom," this sounds like as good a place as any to start... 'SUP: The Miss Alans had not agreed to terms with Chameleon, despite reports to the contrary, but are, in fact, close to inking with another label. Expect an announcement here soon... Chico's finest, Mother Hips, blew into Smogtown on Monday to experience the full-court press from two West Coast-based majors, who are each about to present the band with deal offers. The publishing battle, which seemed to be settled just a few weeks ago, will now have to wait until the band officially moves into a label home... Edna Swap signs with EastWest, kudos to Lara Hill... Seed inks with Mechanic, congrats to Steve Sinclair. Look for a Spring 1994 release... Sony Music lands Scarce for worldwide publishing... Heatmiser turned out the heavies for their L.A. showcase last week... Virgin swarmed en masse over Sara Hickman's last L.A. gig at Cafe Largo. Hmm... Well Strung To Hang and Radio Flyer drew the most weasel attention at last week's BMI showcase at L.A.'s Club Lingerie... Big hitters crammed L.A.'s Raji's for Parthenon Huxley's new band Veg... Leave John Darnielle of Mountain Goats fame alone already. He's not signing with anyone until he completes his PhD in Literature (*that's books, guys*)... Give A&R whiz Chris Long a call at (213) 482-9985. Something ate his company coupla weeks ago... **HAVE YOU HEARD?:** The Swirlies' "Brokedick Car" on Taang!, Smudge's "Tea, Toast & Turmoil" on Shake/Half A Cow, Trenchmouth's "Inside The Future" on Skene!... **BUZZIN':** Joe McEwen, Scarce, Filter, Green Thumb.

MINI MUGS

NO HORSE SENSE: Even cowgirls turn to drugs when they're forced to take cheesy photo-ops with this wild bunch of losers. Cowboy Junkie singer Margo Timmins stopped by RCA headquarters to deliver the band's new album, "Pale Sun, Crescent Moon," and press the flesh with the inspiring RCA townfolk. Pictured desperately searching for their pulses are (l-r): RCA's Thomas Westfall, Dave Novik, Joe Galante, and Timmins, along with the label's Dave Loncao and Chris Hensley.

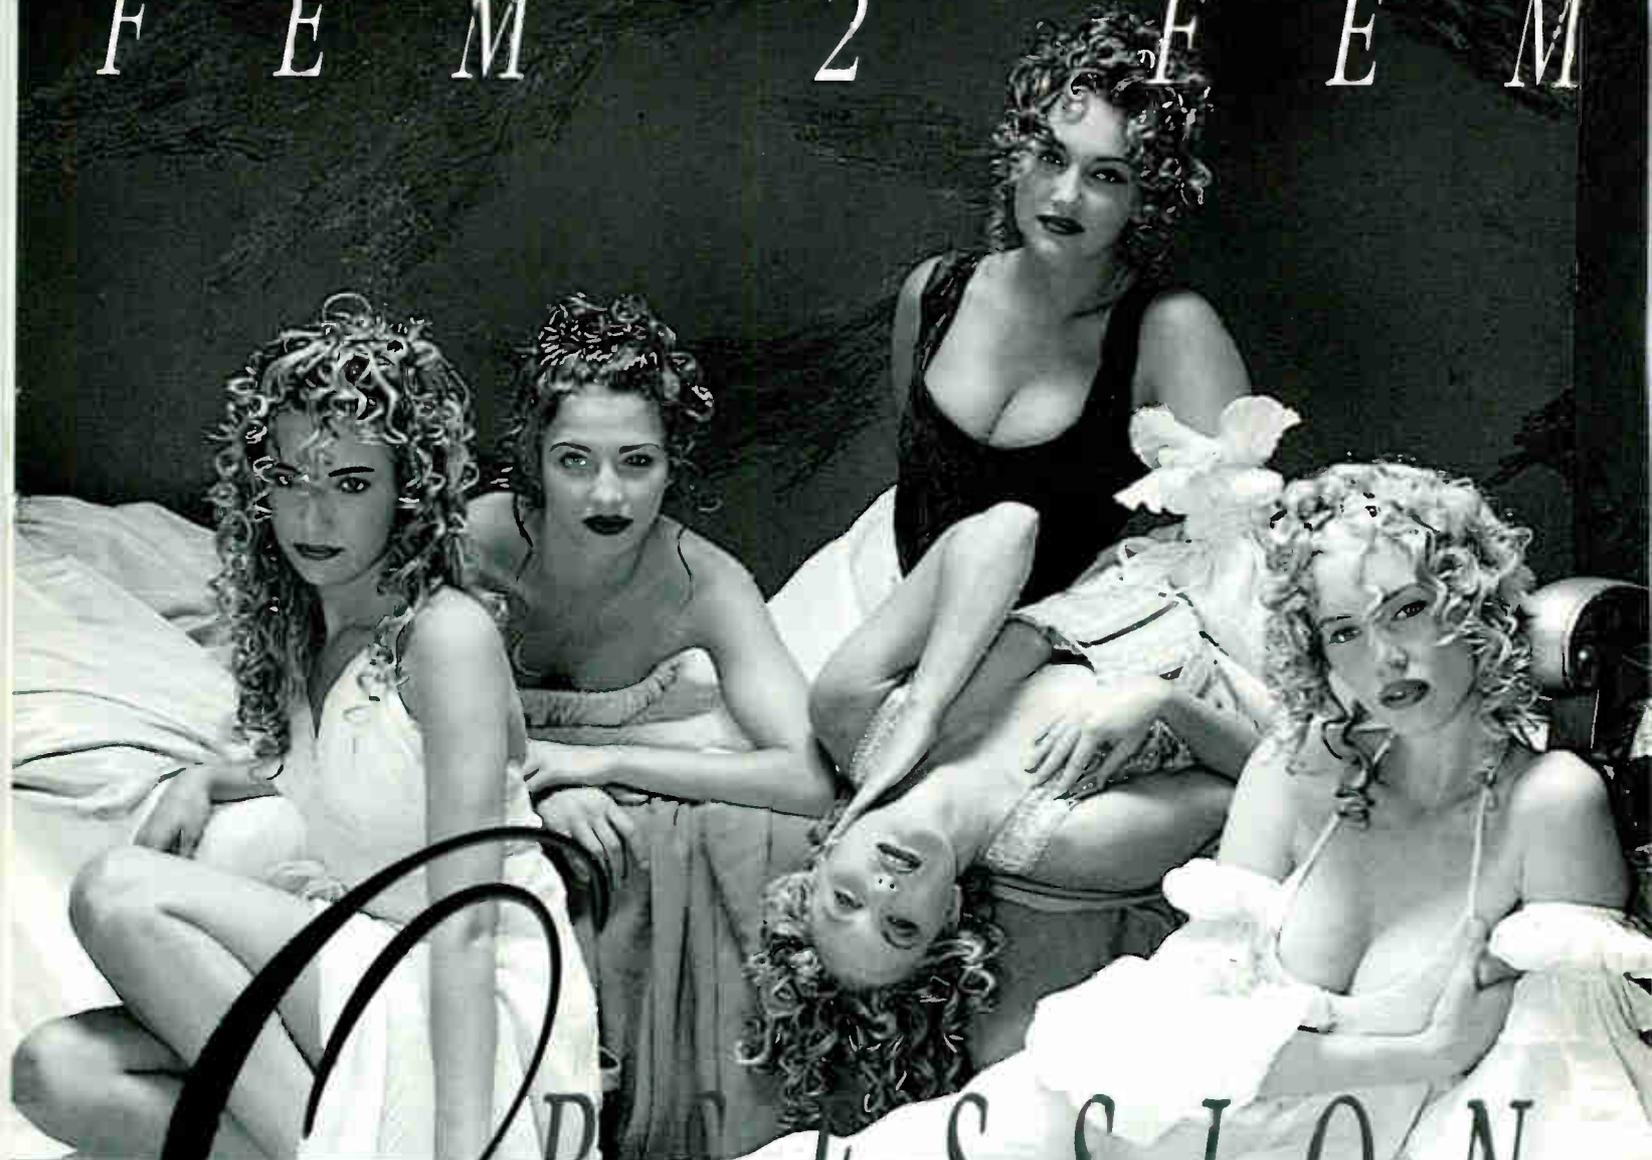

HEART-SHAPED BOSS: After performing a surprise acoustic set featuring songs from their just-released new album, "Desire Walks On," Heart's dynamic duo of Ann and Nancy Wilson discover that warm and fuzzy Capitol Prez Gary Gersh prefers his artists call him "Pookie." Giving new meaning to the term Capitol punishment are (l-r): Exec. VP Ralph Simon, the Wilson sisters (who Simon kept referring to as Carnie and Wendy), Gersh and guitarist Howard "Just Lost His" Leese.

THE ALTERED BEAST WITHIN: This photo was snapped just moments before Zoo's Matthew Sweet snapped himself, slaughtering and devouring management and label staffers. Pictured before the carnage are (l-r): managers Russell Carter and Tom Simenson; BMG's Heinz Henn and Michael Benjamin; Sweet; BMG's Pete Jones, and Zoo's Candy Masangale and Steven Pendergrass. Sweet was made to pay for crimes by serving 500 hours of community service performing dramatic readings of "The Best of Ivana."

HITS

WAVELENGTH

BY LENNY BEER & MICHAEL ST. JOHN

While everyone was rushing home for Thanksgiving treats, the action came down hot and heavy in broadcasting circles: As predicted here week ago, the winner of the Z100 Secaucus morning man search is none other than **John Lander**. Lander is a brilliant morning talent and his signing marks the final piece in the station's comeback puzzle. Credit **Steve Kingston** and GM **Alan Goodman** for closing this important deal. Lander has already been on the air doing some drop-ins, but we don't expect him to begin on "The Zoo" for approximately three weeks. Addendum: Look for longtime sidekick **Patti Steele** to join Lander for mornings.... Big action this week in the **Summit Communications** world as a press release announces that the representatives of the **Gordon Gray Trust**, which owns most of the outstanding common stock of the

company is seeking "strategic alternatives." What this means in English is that the company is for sale. Will the cable division be the

first to splinter off? Will management led by **Jim Wesley** attempt to purchase the seven station radio division? Will programming guru

Mary Catherine Sneed force them to buy us and close this rag? Look for these and other developments to go down quickly (as in before the New Year).... The rumored sale of **Evergreen's WAPE** and **WFYV** Jacksonville to **Carl Hirsch's Omni America** for \$19.6 million is official. Look for the duopoly's GM **Mark Schwartz** and "Big Ape" PD **Jeff McCartney** to remain in place.... Everyone in the business is laying down bets on whether the active rap buyer or the active rock buyer will prevail as newcomer **Snoop Doggy Dogg** and veterans **Guns N' Roses** hit the streets simultaneously with much coveted new albums. We're betting on the Dogg to debut at #1!..... In Cleveland, the **WJMO** sale to **Zapis** is finally complete.... Post Modern goddess **Sherri Trahan** segues to **Maverick** from **MCA** in a promotion
(continued on page 72)

WKSE Buffalo PD Brian Burns and lovely daughter Carly hang with Barney for some stupid promotion the station is doing to try to keep the station's ratings high enough to keep Burns out of the printed media. Amen!
