Mercury artist **Terri Clark** got up early yesterday morning (Sept. 29) to surprise radio personalities and PDs around the nation with the news that they had won 2003 CMA Broadcast awards. These folks will pick up their trophies at the CMA Awards show, broadcast live on CBS Nov. 5.

McCarthy Exits CC To Grab A Hump

WQIK & WROO/Jacksonville PD **Jay McCarthy** is leaving Clear Channel after four years to become the PD of Infinity's Country **KMLE/Phoenix**. **KMLE** has been without a programmer since Infinity VP/Oldies **Tim Maranville** — who also programmed **KOOL** and **KZON** — was named PD of Infinity's **KFRC-AM & FM/San Francisco** in early September. **Maranville** had been in charge of **KMLE's** programming since last November,

when **KMLE PD Jeff Garrison** transferred to the OM post at **KILT/Houston**.

McCarthy has only been in Jacksonville since early May. He transferred there from the PD posts at **CC's WWYZ/Hartford** and **WPKX/Springfield, MA**. He was PD/MD/Promotion Director/morning personality at **WTND/Poughkeepsie, NY** when he was named **WWYZ MD/evening talent** in August 1999. He was elevated to PD in April 2000 and added PD duties for **WPKX** 18 months ago.

CC/Jacksonville OM Gail Austin is now on the hunt for a PD for the pair. Send her your info at Clear Channel Jacksonville, 11700 Central Parkway, Jacksonville, FL 32224.

Kaufman New WSIX PD

Clear Channel/Nashville Director/Marketing & Broadcast Operations **Keith Kaufman** has been named PD of Country **WSIX**. He succeeds **Mike Moore**, who recently left for the PD post at Entercom Country **KWJJ/Portland, OR**. The news comes just a week after **CC Regional VP/Programming** and **WUSY/Chattanooga PD Clay Hunnicutt** was announced as Director/Programming for **CC/Nashville**. For those keeping score, this was a bit of a change in plans at **WSIX**. While **Hunnicutt** will remain heavily involved in the station, it was decided that, considering his Regional VP/Programming duties, **WSIX** should have a dedicated PD like the rest of the stations in the Nashville cluster do.

Heartiest congrats to Capitol/Nashville Sr. VP/Promotion **Bill Catino**, whose daughter Kim gave birth on Sept. 26 to Emily Rose O'Leary — Bill's first grandchild. He refuses, however, to answer to "Grandpa." He prefers "Don II." (Can you even imagine the party at a wedding between the Catinos and the O'Learys?)

Rosalie Allen Passes

Rosalie Allen, the first woman inducted into the Country Music DJ Hall of Fame, died Sept. 24 at her home in California. A singer, performer, recording artist and radio talent, Allen was known as "Queen of the Yodelers." She was a pioneering voice for female artists and disc jockeys and had tremendous impact as the host of her own show on New York's WOV. She parlayed her radio success into a television program and New York's first country record shop. Allen also wrote for several country publications and recorded for RCA.

R&R/Bullseye: Listeners Pick Horizon Award Winner

This week's R&R Country Callout America by Bullseye question posed to 200 Country listeners: "If you could vote in the Country Music Awards, which of the following nominees would you choose to win the CMA Horizon Award?"

Among the total sample, **Blake Shelton** led with 31%, **Gary Allan** was second at 22%, **Darryl Worley** was third at 20%, **Joe Nichols** was fourth at 18%, and **Buddy Jewel** was fifth with 9%.

Shelton, in fact, led in seven of eight age/sex demo categories. He was tops among P1s, P2s, males, females, 25-34s and 35-44s. His 23% was

second among 45-54s, where Darryl Worley was first 1 with 25%.

The total sample rankings for each artist were fairly consistent across all the cells. For instance, Gary Allan, second in the total sample, placed second in six categories. Third place total-sample finisher Worley was third in five of the eight categories. Nichols, fourth in the total sample, was fourth in five categories and third in three others.

Most surprising in this poll was the showing of Nashville Star winner Buddy Jewel, who placed fifth in every category.

For complete breakouts — including men and women, 25-34, 35-44 and 45-54 — check out the R&R Country Callout America by Bullseye research page in the Sept. 26 issue of R&R.

Toby Keith was recently offered \$1 million for his 2-year-old thoroughbred, Cactus Ridge. Keith declined the offer and was rewarded Sept. 27 when Cactus Ridge raced to victory at Arlington Park, IL. The horse set a record time at the track, kept its perfect record intact with a three-length victory and won a \$90,000 purse. Cactus Ridge is being touted as the fastest 2-year-old in the nation.

Keith Urban will host the second annual Max It Out benefit for bacterial meningitis in Nashville Oct. 4. The dinner, silent auction and performance by

Craig Morgan recently hosted a drunk-driving documentary for the ABC affiliate in Louisville. The hour-long documentary, *Broken Hearts*, is scheduled to air in December. Morgan was compelled to participate because of an accident his wife was in that involved a drunk driver. She was pregnant with the couple's daughter, Alexandra, at the time. "We almost lost our daughter due to someone getting behind the wheel while they were impaired," Morgan says. "I hope that my participation in this program will make someone think twice before drinking and driving."

KEVIN DENNEY

"A YEAR AT A TIME"

"It's always an honor to have another artist record your song and even more of an honor when it is someone who sings the way Kevin Denney does." - Jay DeMarcus, co-writer/Rascal Flatts

PICKED 89% ON AFTERMIDNITE

"Kevin is what Keith Whitley would've sounded like if he were still here. The format needs him right now - he's the perfect fit."

153 Country reporters. Songs ranked by total points for the airplay week of 9/21-9/27. Bullets appear on songs gaining points and/or plays or remaining flat from previous week. If two songs are tied in total points, the song with the larger increase in points is placed first. Songs below No. 1 and down in points and plays for three consecutive weeks are moved to recurrent. Most Added is the total number of new adds officially reported to R&R by each reporting station. Songs unreported as adds do not count toward overall total stations playing a song. Most Increased Points lists the songs with the greatest week-to-week increases in total points. Station Weight = AQH Persons + (Market rank X 10) divided by 4180. Total Audience equals Average Quarter Hour Persons times number of plays (times 100). Each daypart on each station is assigned an AQH number.
