Sounds For A Summer Night

Some weeks ago in this space we said that what was needed in the industry was a new sound, something novel to spice up what was getting to be a pretty routine output. Well, the new sound is here and it's the sound of the novelties.

It is not surprising therefore, to find "the Bikini song" by Brian Hyland on Kapp in the number one slot on the charts this week, while such gimmicky arrangements as "Yogi," by the Ivy Three on Shell; "Bongo Bongo Bongo," by Preston Epps on Original Sound, and "Kookie Little Paradise," by Jo Ann Campbell on ABC-Paramount are on the way up.

And now a new novelty—"Robot Man," by Jamie Horton on Joy—threatens to scare its way to national attention.

If one adds to these such novelty songs as "I Shot Mr. Lee," "Hot Rod Lincoln," "The Twist," and "Cholly-Oop," it becomes all too clear that there is a trend—although this trend seems to have been influenced in some cases by midsummer madness.

What all this proves is that the music business, spurred on by the great success of "Alley Oop" and "Mule Skinner Blues," has gone all out to produce more novelties, some imitative of earlier hits, but many interesting and original numbers in their own right. Of course, the first great novelty of the year was Mercury's "Running Bear," by Johnny Preston.

However, a word of caution. There can be too much of a good thing, and this is especially true of so perishable an item as a novelty. Nothing palls as quickly as the third carbon copy of what must, by definition, be a one-shot success. The wise record exec will be judicious in his choice of offbeat material, and, above all, will strive to originate rather than to imitate.

Terry Snyder Signed By United Artists

Art Talmadge announced the signing of Terry Snyder to an exclusive recording contract with United Artists Records. The label's Vice President and General Manager said that final arrangement with Snyder have been completed by David V. Picker, Executive Vice President and Don Costa, Director of Artists & Repertoire. The signing of Terry Snyder signals the kick-off of a new Sound Series to be released September 15th by United Artists Records. The series will be released on a new label Ultra Audio (using the initials of the parent label) a product of United Artists Records.

Snyder is credited with being chiefly responsible for the huge success of the Command line. Snyder's "Persuasive Percussion" album on Command is the top selling album on the Music Vendor charts. Snyder developed the ideas for other strong selling albums on the Command label including "Provocative Percussion."

The first album in the new Ultra Audio series will be "Mister Percussion" by Terry Snyder and the All-Stars and will be released as one of five albums to retail for \$4.98 in mono and \$5.98 in stereo.

Five More Labels Hop On Promo Bandwagon

Five more labels have announced their new fall lines as one of the most concentrated sales campaigns in the trade's history continues. The latest quintet of diskeries climbing on the season's promo bandwagon are Mercury, Warner Brothers, London, Decca and Coral.

Warner Brothers is releasing 10 new mono and stereo albums during this month and September. James B. Conkling, the label's president says, "by releasing fewer albums but ones with higher potential, we are giving our distributors a better opportunity to promote and sell each item." Conkling attacked what he termed the "buckshot method" of releasing albums charging that it tended to glut the market.

LONDON ACCENT ON DEALERS

London's sales campaign this year is attuned to the dealers. The label is offering them a 100 per cent paid ad program, a series of special double-pack LP's, a group of selected premium offers and availability of gift wrap material at reduced cost—all this in addition to the usual dating and discount plans.

The program was presented recently at the label's distributor meeting in New York's Hotel Manhattan.

It gives dealers a 10 per cent discount until September 30 on all London Records including the new August releases of twenty classical and four pop packages. Dating calls for one-third payments Oct. 10, Nov. 10, and Dec. 2, with a two per cent discount.

Each of the double-packs consist of two albums, poly-bagged together with front covers facing out. Dealers get 11 of these for the price of 10, plus the extra 10 per cent discount.

The premium offer includes many gambits. For instance, the consumer will receive a new American flag for two dollars plus the coupon enclosed with Mantovani's "American Scene" album. In the ad campaign, dealers will receive a sum for local advertising equivalent to 10 per cent of their purchases from the label until September 30. The money must be spent ex-

clusively on London product or the lines of any of its subsidiaries. To bolster this deal, London will undertake a \$150,000 advertising program encompassing 23 consumer magazines.

MERCURY STRESSES STEREO

Mercury's fall releases include 13 albums, 12 of which preem in stereo and monaural simultaneously. The LParade is led by Clyde McPhatter's "May I Sing for You," the rock 'n roller's first collection of standards. The lone exclusively monaural release is "Country Church Time," a C&W album by George Jones.

DECCA, CORAL ANNOUNCE PLANS

Decca outlined its "Rainbow of New Products" campaign at a recent meeting at the Hotel New Yorker. It consists of 30 albums, all but 2 of which are available also in stereo. At the same meeting, Coral previewed its fall program, highlighted by 13 new packages. The label is emphasizing heavy shipment of display pieces to dealers to help the new line. In addition, the entire Coral-Brunswick catalog excluding tapes, is being offered to dealers at a 10 per cent extra discount plus 2 per cent for cash providing a minimum order of \$50 is placed. Both the Decca and Coral deals expire Sept. 16.

Dot Plugs Billy Vaughn This Month

■ August will be "Billy Vaughn Month" at Dot Records. The label is fashioning a sales campaign around 18 of Vaughn's albums.

The drive will be highlighted by a discount plan offering a free LP for every 10 albums purchased, and a similar deal for EP's.

In addition to promoting Vaughn, Dot is also accenting several singles this month including Pat Boone's "Candy Sweet," Debby Reynolds' "I'll Pretend," Dodie Stevens' "No," Keely Smith's "Close," and Bobby Reed's "Monkey's Wedding."

Another Coast label, Silver Records, is raking in coin with "Think I'll Break Down and Cry" by **Peter James** . . . Juke Box Industry Asks US For Favorable Trade Terms

As we go to press, the jukebox industry is scheduled to ask the government to maintain tariffs on imported juke boxes and press other countries to lower their tariffs on American coin machines.

Hearing the appeal will be the U.S. Committee for Reciprocity Information which is securing the views of American businessmen prior to negotiating new international trade agreements in Geneva this fall.

Represented at the hearing are the Seeburg Corp., the Wurlitzer Co., Rock-Ola Manufacturing Corp., the AMI Division of the Automatic Canteen Corp., and United Music, Inc. The appeal is being made by Perry Patterson of the law firm of Kirkland, Ellis, Hodson, Chaffetz and Masters.

The trade feels that the government should defend its interests since it contends that the jukebox industry has never been an overly prosperous one. Of a dozen companies involved in producing coin machines during the past 20 years only 5 have survived.

Those remaining in the field argue that their survival is due mostly to increased concentration on exports, diversification of

production, and in one case, diversification through absorption by a larger concern in a different area of manufacturing.

American juke box manufacturers are worried over the decline in their exports which fell by 1,502 last year down to 15,640.

have announced production of 33½ singles in both stereo and monaural.

According to Meyer Parkoff of Atlantic, in addition to the increased gross profits reported by "two-speed operators," more than 100 operators in the metropolitan New York area have already adopted the new Seeburg jukeboxes which play 33½ singles in addition to 45's.

This may help allay the fears of some manufacturers who are wary of entering the 33-speed singles field because they doubt that operators in large numbers will start purchasing 33½ jukeboxes in earnest.

These doubts were reflected by one manufacturer who said, "as long as the teenagers still identify with the 45, and I'm not convinced the operators are really starting to buy the two-speed jukeboxes, why should I rush in and invest extra money in producing 33½ singles at this early date. I can afford to wait a little while longer."

'Artist of Week' Promo Upping Profits for Ops

Music operators in the northeast have reported as much as a 20 per cent increase in gross earnings since subscribing to Seeburg's new "artist of the week" promotion with its accent on 33½ singles. This was revealed at a meeting of 75 operators at the Waverly Inn in Cheshire, Conn., sponsored by Atlantic New York Corp., Seeburg distributors for Connecticut.

The operators were addressed by Gene Weiss of Columbia, Joe Mathews of Capitol, and two Seeburg officials, Jack Gordon, vice president in charge of phonograph sales and Bill Prutting, district manager.

Seeburg is presently engaged in a nationwide tour selling operators on its new machine which handles all seven-inch records, 45's, and monaural and stereo 33½'s. Columbia and Capitol are the only labels which

Stephenson Named AMI Ad Manager

■ William J. Stephenson, a Chicago advertising executive has been appointed advertising manager for American Music, Inc. He succeeds William Fitzgerald who was named director of advertising for the Automatic Canteen Co., of America, the parent firm of AMI.

Wurlitzer Sales Remain Constant

■ The Wurlitzer Company has announced that its sales for the first quarter of the year—April-June—maintained last year's level, but net earnings dropped \$38,621. Sales were \$7,532,471 compared with \$7,547,778 for the same period last year.

Real cool! KSTT celebrated its 14th anniversary recently by drawing 10,000 fans to its birthday party at Davenport Municipal Stadium, the largest crowd in Class "D" baseball thus far this season. The station is giving a prize to the girl with the best Texas tan, who has KELP emblazoned in white on her body. This feat can be accomplished by the judicious use of tape at the pool . . . Parker Named to Saxon Music

■ Herb Breger, President of Shell Records and the Saxon and Conquest Music Corporations, announced last week the appointment of Fred Parker as General and Professional Manager. Parker was previously with Shapiro-Bernstein, Julius La Rosa and Julian Stearns.

The Organization is currently riding high with the Shell record "YOGI" by the Ivy Three, which is distributed by Amy Records. The novelty, written and produced by the well-known team of Lou Stallman and Sid Johnson, is a follow-up to their Gary Cane chart-rider "THE YEN YET SONG."

Liberty Distributes Talent Disc

■ Al Bennett, president of Liberty Records, announced today that company had signed for national distribution of the Ben Harper single "Driveway Blues"/"Here Comes My Gal" recorded on the Talent label. Liberty is also releasing University Records' Freddie North single "Okay So What"/"How to Cry."

TAKIN' IT NICE 'N' EASY—This relaxed Frank Sinatra is the one who beams off the cover of his latest Capitol album, *Nice 'n' Easy*. The album was released July 25, simultaneously with a single record of the title song, "Nice 'n' Easy," backed with "This Way My Love."

Bill McGuire at Lormar Distributors says his firm is usually a barometer on what's going to sell—especially since the bulk of his sales are made to juke box operators. Bill says he sold 5000 of Brenda Lee's "I'm Sorry" before any other one-stop had bought any of this smash Decca disc . . . Now that the WBEE strike has been settled deejays are back in the groove at the all-colored station. **Larry Wynn** and **Bill** are swinging again, although **Herb Kent** left WBEE to join the WHFC set-up. On Saturdays **Lon Dyson** is handling the deejay chores at WBEE . . . Another local station that plays a tremendous amount of r and b discs is WOPA. **Jessie Copewood** now handles the 2 to 4 p.m. daily segment over WOPA while **Spurvis Span** conducts the midnight to 4 a.m. nightly session which is called "Spinning with Span."

At Apex Distributors, **Bob Cole** reports that they are considering pulling out several number from Tommy (Madman) Jones' album, "Just Friends." Numbers being considered include the title tune, ("Just Friends"), "Apex Blues" and "I Don't Stand a Ghost of a Chance." . . . **Marion (Doc) Oliver**, southern promotion man for Apex, reports he's getting action on the flip side of Billy (The Kid) Emerson's "I Never Get Enough" on the Mad label. The tune the southerners like, says Doc, is "When It Rains It Pours" . . . Consolidated Record Sales at 5954 W. Roosevelt Road has been appointed national distributors for the Mulcays' "You Call Everybody Darling" b/w "If I Didn't Care" on the Panlin (#7301) label. The Consolidated firm admits its not a general hit but it is smash for ops.

Local distributors of c&w records are bemoaning the lack of air-time here for their product. Formerly WJOB in suburban Hammond programmed many of these discs but now that **Leslie Atlass Jr.** has taken over the management it's become a "pop" station and is patterned much after WIND which Les' uncle (Ralph Atlass) transformed into the top Chicago station. One of the main c&w outlets now is the three hours programmed on Saturday nights on WTAQ in suburban La Grange . . . Singer One Stop reports good reaction to "Bottomland Blues" sung by Bill Tyler and the Cedar Valley Boys on the Bandera label . . . Incidentally **Vi Muczynski**, head of Bandera Records, now has Red Foley's daughter, Betty, under contract and is hoping for good sales on the Foley lass' "Stolen Honey" . . . A new 12 page catalog listing 800 different types of special-shank phonograph needles and their matching cartridges has been issued by Jensen Industries in suburban Forest Park, Illinois . . . WBBM has combined vocalist **Jone Allison** with announcer **Hal Stark** for an informal musical coffee break type show each weekday morning . . . **Elan (correct) Stewart**, red-headed singer from Vancouver, Canada, clicked big with "Breakfast Club" listeners on **Don McNeill's ABC** show the past week. She's a Scottish lass.

Lenny Garmisa, head of Garmisa Distributing Company emphatically denied reports circulating in town that he is giving up his Milwaukee operation. On the contrary, Lenny told us, he's adding several more labels to his Milwaukee operation.

NARM Attacks 'Jack Robbers'

The National Association of Record Merchandisers issued another warning to its members to maintain a constant vigil against the inroads of "jack robbers"—individuals engaging in unfair business practices while posing as legitimate rack jobbers. The NARM warning was accompanied by a letter which John Edgerton, of Record Supply, Inc., in San Francisco has sent to all his customers.

Edgerton cautions them against the "jack robber," and proposes that they ask him the following questions if they are ever approached by one: "How often does he service? What size inventory does he propose? How does he handle special orders? How many titles does he maintain in single 45's? What type of fixtures does he recommend? How about display materials and title cards? What are his other installations where his service can be checked? Is he a member of NARM?"

Edgerton believes that "most 'jack robbers' will leave before the list is completed, or they will be at a loss to answer intelligently, because they won't know the answers."

"This is due to the fact that the 'jack robber' is not a record man," Edgerton says. "He's simply out there trying to get the gravy without paying for the meal."

After quoting Edgerton's letter, the NARM statement went on to charge "jack robbers" with having "no interest in establishing sound and ethical business practices for the industry." It recommended that members of NARM distribute literature similar to Edgerton's to their members.

MOA Starts Early On '61 Convention

Hardly three months after the last convention held by the Music Operators of America in Chicago, the organization is getting off to a headstart on plans for its parley next year. The convention will be held at the Deauville Hotel in Miami Beach, May 15-17.

MOA exec Willie Blatt cited several reasons for what he hoped would be "the most successful meeting ever held under the auspices of the Music Operators of America."

First he said that with the tremendous strides made by the Coin Machine Council this year, the industry has a better public image, and coin men are now more interested in attending trade parleys.

Also making next year's convention more attractive, according to Blatt, are the economical accommodations "which will suit everyone's pocketbook." "In fact," he said, "rooms and meals will cost less than what we have paid for rooms only, at some of the hotels in Chicago during past conventions." This is the first MOA parley ever held in Miami Beach.

Blatt said that coinmen would have the opportunity of "making this both a business trip and a vacation for their families." He felt that this "would bring back the spirit and enthusiasm which we enjoyed years ago."

Blatt emphasized that "all types of amusement device manufacturers will be invited, to attract many more of the vending machine people." He said the MOA was doing this "since we realize that today, music operators throughout the country have diversified their businesses to the extent of operating just about everything in coin operated equipment."

Williams Promoted At RCA Custom

Ralph Williams has been appointed Manager of Custom Records, RCA-Victor Recording Division, according to J. P. Davis, vice president of the label's record operations department. Williams, formerly manager of general custom sales, will be replaced by Carl Reinschild.

Capitol has re-released it nationally . . . **Cathy Johnson** brings her lovely pipes into the Reef for one week . . . **Frank Holland** of Mutual Distributors is flipping over the potential for **Betty Madigan's** "I'm Glad That You're Falling" on United Artist . . . MUSIC VENDOR HIT PICKS OF THE WEEK

JOURNEY TO LOVE (Zizanee Music Inc., ASCAP) / **MISERY** (Score Music, BMI) - **Teddy Randazzo** - ABC-PARAMOUNT 10131

● Teddy follows his big one, *The Way Of A Clown*, with a double-sided chart contender. *Journey*, a pretty ballad with Latin beat, gets a smooth vocal from Randazzo, who's aided by string backing; while *Misery* is an uptempo swinger with unusual choral and combo backing. Either could follow *Clown* up the charts.

MIDNIGHT / THE WILLOW WEEPS (Acuff-Rose Publ., BMI) - **Kathy Linden** - MONUMENT 423

● Teen queen Kathy's latest couples two Bryant tunes. *Midnight*, with smooth duo-voicing, gets an uptempo treatment, while *Willow* is a lovely slow ballad. Either could go.

AN OLD LOG CABIN (Stamps-Baxter, AME/BMI) / **FALLING AGAIN** (Loudermilk Music, BMI) - **Porter Wagoner** - RCA VICTOR 7770

● *Cabin* is a real country flavored side with subdued chorus background. Porter sings the sad tale of a son returning too late and finding the cabin, old oaken bucket and well for sale. Flip side is upbeat country tune with nice piano and drum work. Pick 'em.

EVERY STEP OF THE WAY (Pauline Music, Inc., ASCAP) - **Billy Borlynn** - COLUMBIA 41765

● Billy Borlynn makes his debut on Columbia with a beautiful ballad with just a touch of country flavor to it. String backing and chorus add a touch of tenderness to side. Should hear a lot from this disc and from Billy, too.

HEART BREAK STREET (Acuff-Rose Publ., BMI) / **THIS OLD HOUSE** (Stuart Hamblen Music, BMI) - **Wilma Lee and Stoney Cooper** - HICKORY 1126

● This is a real strong country chart contender done with fiddles, electric guitar,

and the Clinch Mountain Clan. Wilma and Stoney relate the story of the sadness they see on heart break street. Flip side is uptempo country rocker that is also done in fine style. Edge is given to *Heart Break*.

LET IT BE NOW / I'LL FOLLOW YOU (Lion Pub. Co., BMI) - **Little Buck** - DUKE 324

● A two-sided R&B disc by Little Buck. *Now* is a gospel styled call and response with the sax taking sixteen bars. *Follow You* is set in the same idiom but slower, and with organ added. Either could make it.

WHAT WENT WRONG (St. Louis Music Corp., BMI) / **IF EVER A MAN NEEDED SOMEONE** (Actual Music Corp., BMI) - **Johnny Oliver** - MERCURY 71662

● Johnny Oliver wails in mellow fashion the story of a man who has been jilted and asked the question *What Went Wrong*. Supported by strings and an almost silent harmonica backing, Johnny supplies a tender voicing to this age old problem. Flip is a bouncy tune with instrumental accompaniment and muted trombone solo. Both should get plenty of spins.

OVER THE MOUNTAIN ACROSS THE SEA (Arc Music, BMI) - **Johnnie and Joe** - CHESS 1654

● Johnnie and Joe come up with a light, danceable, version of *Across The Sea*. Backed by chorus and rhythm section duo projects neat rock-a-ballad flavor. Kids can do the Strand to it.

GIFT OF THE GODS (Winneton and Jmmskip Music, BMI) - **Joe Bellomo** - COED 533

● Melodic rock-a-cha-cha beat with violin and chorus backing. Vocal done straight in ballad vein. This should be a big one for Joe.

I'M GLAD THAT I'M FALLIN' (Ross Jurg-nickel, ASCAP) - **Betty Madigan** - UA 246

● Betty answers Hank Locklin's hit tune *Please Help Me I'm Falling* with a lyrical reading and clean sound that can make this a big one for her. Strong string backing.

THIS LITTLE RING (Singular Aim Music, BMI) - **Solomon Burke** - MALA 420

● First outing for Solomon on the Amy-Mala label is a beautifully done rock-a-

ballad ala Benton, with lush string and chorus background. *This Little Ring* should be the first in a long line of hits for this new talented teen.

ALLY CAT/COCOANUT GROVE (Famous Music Corp., BMI) - Dave Burgess - CHALLENGE 59086

● *Ally Cat* is a solid rocker sung by Dave Burgess and backed by a wild sax section and guitar. *Grove* is a slower instrumental that features sax and guitar solos. Both should show.

I GOT TO FIND MY BABY (Arc Music, BMI) / **MAD LAD** (Ro-Gor Pub., BMI) - Chuck Berry - CHESS 1763

● Here is another double sided hit from the pen of Mr. Berry. On *Baby* Chuck treats his many fans to a solid vocal. Gyrating fury are the guitar, piano and sax backing. *Lad* is an instrumental also with the famous Berry touch. Both should make it.

MY HEART HAS A MIND OF ITS OWN (Aldon Music, BMI) - Connie Francis - MGM K12923

● Connie comes right off her smash hit *Everybody's Somebody's Fool* with another country flavored ballad. She couples a duo tracked voicing with a fine fiddle and rhythm backing that marks this disc for hitsville.

I DON'T KNOW WHY (Tray Music, ASCAP) - Ernie Maresca - SEVILLE 107

● *Why* is a hauntingly beautiful upbeat ballad with a blend of flute and subtle rhythm section that make it very listenable. Vocal by Ernie Maresca keeps the light bouncy balance of voice and instruments throughout.

Len Levy Visits Top Rank Distributors

■ Len Levy, Top Rank's national sales director, will visit distributors throughout the country this month instead of waiting for them to come to him. Forsaking the usual convention setup, Levy and his field staff, will visit distributors in their home territories, plugging twelve new LP's. The albums will sell at \$3.98 monophic, and \$4.98 stereo.

MUSIC VENDOR LP PICKS OF THE WEEK

LET'S GET LOST - Johnny Nash - ABC PARAMOUNT ABC 334

● Johnny Nash, a young singer whose magnetic charm and talent appeal to thousands, has another hit on his hands with *Let's Get Lost*. This album showcases Johnny's talent in a combination of ballads and up-tempo songs. Three different instrumental combinations—a jazz group; a light rhythm combo; and a strong orchestra each provide backing for four numbers. Selections include *That's My Desire*, *Together Lost In A Trance*, *Alone Together* and other tunes to think and dream by along with Johnny Nash.

STRING ALONG WITH THE KINGSTON TRIO - CAPITOL ST 1407

● Sure to climb the charts is this newest package by one of America's favorite vocal groups, The Kingston Trio. They lead off with the two sides of their latest single, *Bad Man Blunder* and *The Escape Of Old John Webb* and continue with ten delightful ballads such as *Leave My Woman Alone*, *Everglades* and *Colorado Trail*.

RALLY 'ROUND! - The Brothers Four - COLUMBIA CL 1479

● This is the second album for the boys. Their first entitled *The Brothers Four* was a national best seller and contained the smash hit single *Greenfields*. This LP includes *My Tani*, their current chart rider, and a host of folk ballads, love songs and tongue-in-cheek novelties. Among them are: *Follow the Drinkin' Gourd*, *The Gallant Argosy*, *Hey Liley*, *Liley Lo*, and *Nine Pound Hammer*. For a real good time everybody Rally 'Round The Brothers Four.

DARIN AT THE COPA - Bobby Darin - ATCO 33-122

● Bobby Darin's opening night at the world famous Copacabana was an SRO affair and so was his entire engagement. This

LP recorded in its entirety at the Copa is an excellent sampling of his night club act. Bobby's two chart smashes, *Mack The Knife* and *Bill Bailey* are featured as well as *Clementine*, *You'd Be So Nice To Come Home To*, *I Can't Give You Anything But Love*, and *Alright O.K. You Win*. Mr. Darin proves that he not only is a singing star but a night club showman as well.

THE BLUES AND THE BEAT - Henry Mancini - RCA VICTOR LSP 2147

● Henry Mancini and a long list of top musicians provide modern, listenable music comprising the blues and the beat which are in essence the structure of jazz. A blue feel is inherent in *After Hours*, *Smoke Rings*, *Mood Indigo* and the others on the first side. The jazz beat is preserved on *Sing, Sing, Sing*, *Big Noise from Winnetka* and the others on side two. The overall pack offers fresh, new and appealing musical sounds in the form of jazz.

HITS FROM THE HILLS - The Merrill Staton Choir - EPIC LN 3703

● A first for the Merrill Staton Choir—an album of popular tunes with a vigorous beat, presenting a dozen country-flavored favorites in up-tempo danceable arrangements by Merrill Staton and Earl Sheldon. The choir lends itself beautifully to the rhythmic accents of a dancing mood. Billy Hill, one of the great country-and-western songwriters wrote seven of the pieces represented among which are: *In the Chapel in the Moonlight*, *The Glory of Love*, *Have You Ever Been Lonely* and *The Old Spinning Wheel*.

MUSIC VENDOR ALBUM SURE BETS

STRING ALONG — The Kingston Trio — Capitol T1407. The fabulous threesome are ready to climb the album charts again, breaking in this week at 36.

STUNNING TURENDOT LEADS OFF FALL RED SEAL SERIES

Leading off RCA's Red Seal fall series are two operas. The first is a three disk set of Puccini's last opera, the magnificent *Turendot* (LSC-6149) with a dream cast of Sopranos Brigit Nilsson and Renata Tebaldi, Tenor Jussi Bjoerling and Basso Giorgio Tozzi in the leading roles. The second, a three LP set is Verdi's *Il Trovatore* (LSC-6150) with Soprano Leontyne Price as Leonora, Tenor Richard Tucker as Manrico, Bass Giorgio Tozzi as Ferrando and in his last operatic recording Leonard Warren as Count di Luna. Both LP packages contain complete librettos in Italian and English. Also included are biographical notes on each of the performers and a synopsis of the opera. These two thrilling performances were recorded in the Rome Opera House and produced by Richard Mohr. For the first time these complete sets are available at new popular prices. Formerly sold at \$14.98 for Regular LP and \$17.98 for Living Stereo, they can now be had for \$9.98 and \$11.98 respectively.

Additionally, RCA Victor's fall lineup of classical recordings includes the very beautiful *Scheherazade* (LSC 2446) which after numerous recordings continues to fascinate us all; the *Nutcracker Suite* (LSC-2328) by Tchaikovsky which remains a perennial concert favorite; the *Pines of Rome* and *Fountains of Rome*, the two most popular of Ottorino Respighi's three tone poems are brilliantly performed by the Chicago Symphony Orchestra directed by Fritz Reiner and finally Morton Gould and his orchestra play brilliant excerpts from Bizet's *Carmen* (LSC-2437), while the enticing cover should add considerable sales appeal.

SPECTACULARS FROM MGM

An imaginative series of *Spectaculars In Sound* produced by MGM A&R executive Eddie Heller comprises five LP's devoted to Sound for the true Hi-Fi enthusiast. The enormous talents of Roger King Mozian were called up to help create both *Spectacular Percussion* (E-3845) and *Spectacular Brass* (E-3844). The first fea-

tures top percussionist Willie Rodriguez, with Eddie Costa on vibes, alto and flute solos by Dick Meldonian, and jazz trumpet solos by Phil Sunkel. Selections include *South Of The Border*, *Carioca*, and two originals by Roger King Mozian—the crackling *Repercussion* and the sinuous *Asia Minor*. The latter, *Spectacular Brass*, encompasses show hits, wonderful standards and a pair of originals by Roger (Journey's End and Blue Brass). King Mozian adds more excitement to the package with his own trumpet magic.

The three others in the series include *Spectacular Harmonicas* (E-3846), for which Richard Hayman scored nine arrangements showcasing the range, versatility and tonal color of harmonicas; *Spectacular Accordians* (E-3856) features Charles Camilleri and Orchestra playing *Jungle Fantasy*, *Domino*, *Bolero* and nine other numbers; and *Spectacular Harps* (E-3836) featuring Robert Maxwell. Bob includes his famous ballad in the present program along with several other originals: *Chapel In The Pines*, *The Simple Things*, *Hong Kong Holiday* and *Lefty's Hideout*.

Each album in the series of MGM *Spectaculars In Sound* provides a parade of spectacular, exciting, mysterious sounds that make the entire series a "must" for the true high fidelity fan.

ROCK-OLA'S "TRI-FONIC" Switch Gives Flexible All-Purpose Sound System

Another sure fire profit maker for the operator is the exclusive Rock-Ola three way "Tri-Fonic" switch and dual channel amplifier which permits instant conversion from monaural to stereophonic sound. With the Rock-Ola 1960 all-purpose phonographs you don't have to add auxiliary amplifiers, power supply packs and the like. You don't even have to plug-in any wires. With the TEMPO II all you have to do is flip-a-switch and instantly you can convert to stereo from monaural. With Rock-Ola you have no cost for expensive conversion parts because all components for stereo and monaural play are integrated into one phonograph...only extension speakers are needed and many locations already have these. Now in 1960 you can buy an all-purpose stereophonic phonograph for the same price you used to pay for just a monaural machine. Stop in at your local Rock-Ola distributor today and get the full story of Rock-Ola's profit making full flexibility features.
