CANADA'S TOP RECORDING STARS WILL BE THERE
TO AUTOGRAPH YOUR PHOTO ALBUM

A PICTURE IS WORTH A THOUSAND WORDS!

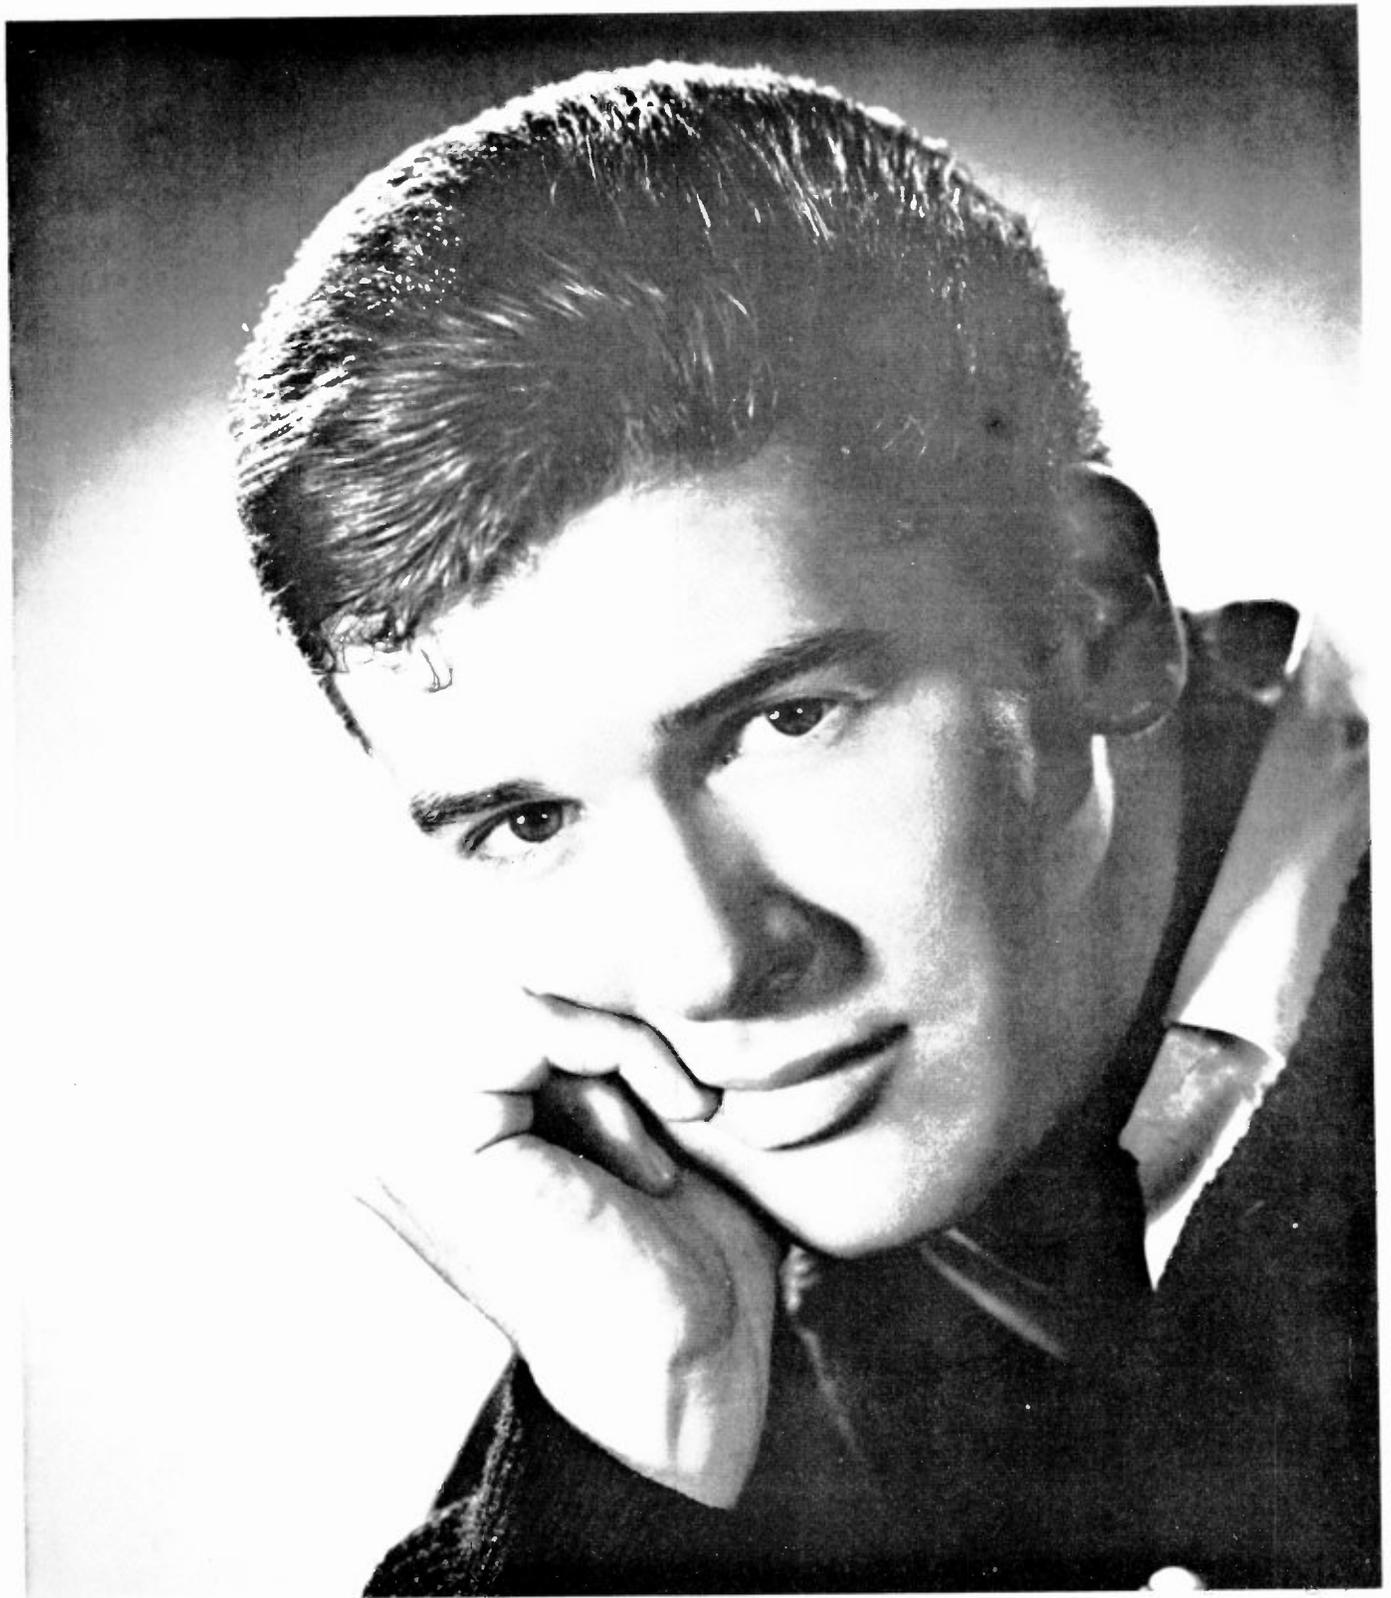

The image of any industry is dependent on its people. The Canadian music industry is no exception, and whether teenager, disc jockey, record company or ad agency executive, any star system must look to its artist's flair . . . imagination . . . personality . . . projection.

Herewith is Canada's first comprehensive study of the recording artists behind young Canada's music, THE MUSIC OF TODAY.

The RPM Star Line Photo Album will introduce you to the new finds of today, (and possibly) the stars of tomorrow.

To many, this collection will be a handy reference to the faces of the voices they have grown to know.
