O'JAYS "Sing A Happy Song" (Philadelphia International/CBS) **GORDY ANDERSON** is shoutin' **LEVIATHAN!!** The O'Jays & Earth/Wind/Fire are probably the hottest soul acts out there
DIRE STRAITS "Lady Writer" (Warner Brothers) **CHARLIE LAKE** is already on the case on the fine new follow-up. One of the heaviest new groups to come along in years. Go,go.
TEDDY PENDERGRASS "Turn Off The Lights" (Philadelphia International/CBS) **FRANK DILEO's** first project for the label is to get Teddy. Ol' Frank's a killer, be forewarned!
IAN HUNTER "Such A Night" (Chrysalis) **BILLY BASS & SCOTT KRANZBERG** feel this is the one to wind "Hunter" back up for an assault on your top 40 charts. Don't overlook it.
JEREMY SPENCER BAND "Cool Breeze" (Atlantic) **VICENT FARACI** feels he can bring this one in like a "Cool Breeze." Very good recording that has mucho potential. Check again!
EODIE MONEY "Maureen" (Columbia) **ED HYNES & DON COLBERG** have the label getting ready for an explosion. "Money" has a giant following that buy everything be releases.
CRUSADERS "Sweet Life" (MCA) **MARGO KNESZ & SANDY LIFSON** said, "Poe Kat we know you've got the "sweet life," but get off your ass and bring this record in." Ok,...ok.

JIM GRADY "I Got What I Came For" (Chanterelle) **JOE OWENS & CATHY WEIDMAN** are going all out to get this well produced record. Already getting attention at **WQRK WFJA KTAM**.
OLIVIA NEWTON JOHN "Totally Hot" (MCA) **LARRY KING & ROB SENN** are putting on the big guns to bring the superstarlet home. In those terms I'd like to bring her home myself.
ADDRISSI BROTHERS "Ghost Dancer" (Scotti Brother/Atlantic) **BEN/FRED/TONY SCOTTI** are certain to bring the talented Addrissi Brothers back to life. Simply a great record!
LENE LOVICH "Lucky Number" (Stiff/Epic) I had the pleasure of spending time in her presence at a recent cocktail party and loved her too death. **MILLER/SWEWART** are off!!!
CHUCK BERRY "Oh What A Thrill" (Atco) **REEN NALLI & BROTHER LOVE** are "thrilled" to have the old time rock & roller on their label. Sounds like the Chucker of.....old.
ERIC CARMEN "Haven't We Come A Long Way" (Arista) **PALMESE/KARAMANOS/LEJESKI** rush out the wailer's new release that is his best in sometime. Don't hesitate on this....one.
RUNNER "Fooling Myself" (Island) **MARSHALL BLONSTEIN** simply exploded the Robert Palmer record, and I see no reason why he can get this one. Let me know what you think here.
THE RECORDS "Starry Eyes" (Virgin/Atlantic) **MIKE MANOCCHIO & BILL CATALDO** are getting "starry eyed" over this one possibly becoming an instant hit. Another to eye...closely.

TRADE WINDS

Good buddy **BILLY McCOWN** formerly M.O. of **WANS** is still looking. Reach him at 803-226 1408.
The Poe Kat predicts that **HAROLD CHILDS'** clone **LARRY GREEN** will become one of the most dynamic record men in our industry in the next 5 to 7 years.
CHARLIE MINOR & THOMAS PATRICK SCHOBERG by the office for U.A. & EMI America records.
TOM "The Bomb" SGRO & EARL "The Pearl" ROLLISON took the ol' Poe Kat to a great lunch.

TO WHOM IT MAY CONCERN: The **POE KAT** predicts that with **JIMMY CARTER** spending more money on the "Fuel War" than we spent on Vietnam that our economy will soon explode like nothing you've ever seen before. Carter's gonna build 50 Syn-fuel plants & more Atomic plants, along with solar energy plants & research. That puts people to work, and when they work they make bread to spend on.....
.....RECORDS! So baby "hold on" as we'll all be comin'.
