AUGUST 1976 ISSUE

Editorial:

IN THE NEXT ISSUE . . .

As an extra service to you, we will begin to include a classified section. In preparing copy, please keep in mind that "New On The Charts" is a national information service (with subscribers in the U.S., Puerto Rico and Canada) serving primarily music business executives.

You will be reaching decision makers at most of the major record, music publishing, booking and talent management companies as well as songwriters, producers, colleges, club owners and numerous other music related areas. Your copy should therefore reflect the relative sophistication of that audience.

For further information see the back page of this issue or call us at (212) 869-3385.

Sincerely,

Leonard Kalikow
Editor & Publisher
