To date, we've got over 44 million households in our neighborhood.

But there's still room for you.

GE Americom presents ***Cable2***
The fasted growing home for cable programmers in America.

Since our September '98 launch, our GE-1 and GE-4 satellite ***Cable2*** neighborhood has seen tremendous growth. We now provide your network with access to over 44 million living rooms across the U.S. And we're not done yet.

Through a promotion that offers free antennas to America's largest cable systems, ***Cable2*** will reach up to 90% of the nation's cable household's by year's end.

Background Information: PRI is a public radio network headquartered in Minneapolis that acquires, develops, funds & distributes public radio progmg from stn-based, independent & international producers. PRI has more than 590 affil stns throughout the United States, Guam & Puerto Rico. PRI was founded in 1983 as American Public Radio by five leading public radio stns to provide a diversity of program sources & production styles to the public radio audience. PRI joined forces with NPR & the Corporation for Public Broadcasting (CPB) to launch *AMERICA ONE*, a 24-hr English language audio channel serving all of Europe. Headquartered in Munich, *AMERICA ONE's* audience includes English-speaking Europeans & Americans living & working abroad. *AMERICA ONE* reaches this audience via direct-to-home satellite, cable & AM/FM radio stns throughout the continent. In addition to its ongoing programs, which include Garrison Keillor's *A Prairie Home Companion, Whad'Ya Know?* with Michael Feldman, *Marketplace,* & *Saint Paul Sunday,* the network distributes an average of four special programs per month & emphasizes progmg in four general areas: news & info, comedy/var, classical music & contemp music. The new global radio news magazine *The World* is co-produced by PRI, BBC World Service & WGBH Boston. This one-hr weekday news program, distributed throughout the United States by PRI & in Europe on *AMERICA ONE*, is the first daily radio collaboration between U.S. public broadcasters & the BBC.
