**CALL OR
WRITE TODAY**

We carry a large supply of cords, receivers, monitor and mic-line amplifiers.

Please write or call for further information and printed material on our Audioclarifiers and amplifiers.

Audio Implements GKC is a small company located in Waukesha, Wisconsin, a suburb of Milwaukee. We invented this ear piece and have manufactured it **since 1967**. All major television networks use our products and have for many years. We hope to have the opportunity to be of service to you.

The On-Camera Audioclarifier is used mostly for talent. It comes with six different size ear tips or a custom ear piece. Both custom and tip models are also used for security and surveillance work.
