Canadian Radio Networks

Canadian Broadcasting Corp.

The Canadian Broadcasting Corp. (CBC) is a publicly owned corporation established by the Broadcasting Act (1936) of the Canadian Parliament to provide the natl bcstg svc in Canada in the two official languages, English & French. Under this legislation, the CBC is governed by the 1991 Broadcasting Act and subject to regulations of the Canadian Radio-Television and Telecommunications Commission (CRTC).

Program Services: The CBC operates English and French AM & FM stereo networks. The progmg on these networks is nearly all Canadian and virtually free of coml adv. CBC North bcsts radio programs to Canada's north in English, French and seven native languages, serving the special needs of native & non-native groups in the Yukon, the Northwest Territories and northern Quebec. Radio Canada International is Canada's voice abroad. Bcstg on shortwave in seven languages, RCI's progmg reflects Canada's political, economic, social & cultural spectrum to an international audience. Newsworld is a 24-hour natl satellite to cable English-language news & info svc. Le Réseau de l'Information (RDI) is a 24-hour natl satellite to cable French-language news & info svc. The heart of CBC's natl distribution system is Canada's Anik E2 satellite, carrying progmg through six different time zones. CBC's progmg is bcst over 684 AM & FM stns.

FX is a branded general entertainment basic cable network geared toward viewers with a young, savvy mindset. The diverse schedule includes a grueling roster of fearlessly original programs, daring acquired series, provocative event films, plus marquee sports, including NASCAR. The network launched in 1994 and is seen in almost 55 million homes. For more information go on line at www.FXnetworks.com. Fox Movie Channel (formerly FXM: Movies from Fox), Hollywood's first studio-based movie network, features 20th Century Fox films ranging from the great titles of the past to the blockbusters of today. As part of the Fox family, FMC has access to stars currently making 20th Century Fox films, as well as the rich archives from seventy years of movie making. Films are shown on FMC unedited and commercial-free, and in a convenient genre-based schedule. For the past four years, FFMS was ranked #1 in subscriber interest among newer emerging networks.

We carry a large supply of cords, receivers, monitor and mic-line amplifiers.

Please write or call for further information and printed material on our Audioclarifiers and amplifiers.

Audio Implements GKC is a small company located in Waukesha, Wisconsin, a suburb of Milwaukee. We invented this ear piece and have manufactured it **since 1967**. All major television networks use our products and have for many years. We hope to have the opportunity to be of service to you.

The On-Camera Audioclarifier is used mostly for talent. It comes with six different size ear tips or a custom ear piece. Both custom and tip models are also used for security and surveillance work.
