CABLE & STATION COVERAGE ATLAS . . .

your source for complete, accurate

- Grade B Contour Maps
- 35- and 55-mile Zone Maps
- Maps showing locations of cable systems
- Microwave Systems Map

The Atlas is a top-rated reference for quick, current information about cable system and television station signal distribution and coverage. Use the Atlas to answer questions about copyright law and regulations pertaining to cable, locate all MDS companies, conduct television station signal coverage studies, consult the latest FCC cable rules (especially valuable in light of the April 11, 1985 FCC order picking 3 TV signals as the cable competition standard), find microwave systems and program suppliers, uncover new locations for low-power TV and much more!

Write for more information or call collect to order your copies.

CABLE & STATION COVERAGE ATLAS

Your source for complete, accurate

- Grade B Contour Maps
- 35- and 55-mile Zone Maps
- Maps showing locations of cable systems
- 50-mile must carry zone maps

The Atlas is the top-rated reference for quick, current information about cable system and television station signal distribution and coverage. Use the Atlas to answer questions about copyright law and regulations pertaining to cable, locate all MDS companies, conduct television station signal coverage studies, and consult the latest FCC cable rules.

All we need is a minute of your time.

Just :60 of prime time to get our recruiting message out.

Because more than ever before, it's a message that deserves to be heard.

The National Guard makes up about one-half of our nation's combat forces. And we need men and women to help keep us strong-ready to protect your community and defend your country.

It's a commitment that takes dedication. Guardsmen give at least two weeks a year and two days every month to the Guard-and to you. Is a minute of your time really too much to ask?

Run our spots whenever possible. And if you can't spare a minute, we'll settle for :30. Even :20 or :10.

To obtain free dubs of Army National Guard PSAs write: National Guard Bureau, Advertising Distribution Center, P.O. Box 1776, Edgewood, Maryland 21040, Attn: SMSgt Pat Campbell.

HASTAD ENGINEERING
You can count on us.
Can we count on you?

Because more than ever before, our message deserves to be heard.

The Army National Guard makes up about one-half of our nation's combat forces. And we need men and women to help keep us strong - ready to protect our community and defend our country. We have been there during natural disasters, in the fight against drugs and in the protection of our environment.

It's a commitment that takes dedication. Guardmembers give at least two weeks a year and two days every month to the Guard - and to you. Could we have a minute of your time?

Run our spots whenever possible. And if you can't spare a minute, we'll settle for :30. Even :20.

To obtain free dubs of Army National Guard PSAs call your nearest Army National Guard State Marketing NCO, or write: National Guard Bureau, Advertising Distribution Center, PO Box 1776, Edgewood, Maryland 21040.

Americans At Their Best.

You can count on us. Can we count on you?

Because more than ever before, our message deserves to be heard.

The Army National Guard makes up about one-half of our nation's combat forces. And we need men and women to help keep us strong - ready to protect our community and defend our country. We have been there during natural disasters, in the fight against drugs and in the protection of our environment.

It's a commitment that takes dedication. Guardmembers give at least two weeks a year and two days every month to the Guard - and to you. Could we have a minute of your time?

Run our spots whenever possible. And if you can't spare a minute, we'll settle for :30. Even :20.

To obtain free dubs of Army National Guard PSAs call your nearest Army National Guard State Marketing NCO, or write: National Guard Bureau, Advertising Distribution Center, PO Box 1776, Edgewood, Maryland 21040.

Americans At Their Best.

You can count on us. Can we count on you?

Because more than ever before, our message deserves to be heard.

The Army National Guard makes up about one-half of our nation's combat forces. And we need men and women to help keep us strong - ready to protect our community and defend our country. We have been there during natural disasters, in the fight against drugs and in the protection of our environment.

It's a commitment that takes dedication. Guardmembers give at least two weeks a year and two days every month to the Guard - and to you. Could we have a minute of your time?

Run our spots whenever possible. And if you can't spare a minute, we'll settle for :30. Even :20.

To obtain free dubs of Army National Guard PSAs call your nearest Army National Guard State Marketing NCO, or write: National Guard Bureau, Advertising Distribution Center, PO Box 1776, Edgewood, Maryland 21040.

Americans At Their Best.

HELP SPOT RUN.

Help Spot spread the message about the Army National Guard by playing an Army Guard NCSA/PSA spot. After all, the Guard is one of your community's greatest assets. When disaster strikes in America, it's the citizen-soldiers of the Guard that spring into action.

We offer people in your area money for college and many other benefits all for serving with us part-time. All we ask is a little of your air time. If you need our latest spot, just call your nearest Army National Guard State Marketing NCO.
