## Happenings on KQW

A fast moving fifteen-minute commercial program of popular, melodious variety called "Musical Moments," took to the air through KQW in San Jose last week. It is scheduled three times weekly over KQW—7:45 to 8 p. m. Mondays, Wednesdays and Fridays. "Musical Moments" are transcribed programs sponsored by Chevrolet with a minimum of commercial copy.

KQW also sends word of Scott Head, a young maestro on his way to the big time. His dance band is now under contract to Music Corporation of America.

Scott Head is featured at the Saturday night dances in the Coconut Grove of the Casa Del Rey in Santa Cruz and broadcasts from KQW every Saturday night from 10 to 10:30. When the summer vacation season opens in Santa Cruz June 20, Scott Head will begin a series of nightly broadcasts over the popular San Jose station, KQW.

KQW's M. F. "Woody" Woodling has been in the business of broadcasting in the combined role of announcer, continuity writer and operator for the past three and a half years. Woody was transferred from KJBS in San Francisco to its member station of the Northern California Broadcasting System, KQW in San Jose. His specialties are the popular "Breakfast Hour" heard daily from 7 to 8 a. m., as well as the various remote dance broadcasts.

Stoopnagle and Budd will be co-starred with Waring's Pennsylvanians on the Ford broadcasts starting the first week in July. New time effective then will bring the program on Tuesdays, beginning July 2, from 5:30 to 6 p. m., P. S. T.

During his college days, Stuart Buchanan used to listen to the weird tales of an old professor who made a hobby of criminology. These stories, as retold to Harry Behn, have become the nucleus of the new drama series titled "Professor Perkins, Detective," heard on KNX every Monday, Wednesday and Friday at 7:15 p. m., Buchanan taking the lead as the "Professor."

## News and Comment

### *Jerome Kern to Write Music for Lily Pons' Picture*

New music by Jerome Kern, internationally famed composer, will soon be on your radio. He has been signed by RKO-Radio Studios to write the musical score for "Love Song" (tentative title), the Pandro S. Berman production which will introduce Lily Pons, operatic and radio star, to screen audiences.

Kern, who is one of radio's best loved composers, first arrived at eminence in the musical comedy field when, in 1914, he composed the song "They Didn't Believe Me," which Julia Sanderson sang in "The Girl from Utah."

Since 1914 his list of successes has grown with leaps and bounds, and today he is regarded as one of America's greatest composers. Some of the hit musical comedies for which Kern wrote the music are: "Very Good Eddie," "Leave It to Jane," "The Night Boat," "Hitchy-Koo" and "Sweet Adeline."

His smash hits include "Show Boat," "The Cat and the Fiddle," "Music in the Air," "Sally" and the sensational "Roberta," which RKO-Radio picturized with Fred Astaire and Ginger Rogers co-starring.

"Love Song" will be directed by John Cromwell from a screen play by Edmund North and James Gow. The story is an original by Elsie Finn and David G. Wittles. Production is scheduled to start July 1.

The rousing reception given Honorable Archie and Frank Watanabe, feature KNX artists, at a recent meeting of the L. A. Breakfast Club, was reported by members to be unequalled in their past history.

The results of Watanabe's efforts to hold the notes of his "dear employments" very serious speech are better imagined than described. "In conclusion," says Honorable Archie, "the most important point to remember, my friends, is (turning to next page handed him) to send this letter to five of your friends . . . !"

### *Radio at the Exposition*

With the opening of America's Exposition in San Diego May 29, radio assumed a major role in the presentation of musical entertainment, special events and other attractions to be offered in the Fair throughout the summer.

A modern, scientifically designed Radio Building is under construction near the east entrance to the Exposition and adjacent to the Palace of Better Housing. On completion, the Radio Building will contain two modern studios sufficient in size and equipment to handle any type of program originating in the Exposition.

Many of the Exposition's radio programs will originate at points outside of the Radio Building. An adequate pick-up system has been provided to service such origination points as the Ford Bowl, the Spreckels Organ, House of Hospitality, Cafe of the World and other focal points where both sustaining and sponsored programs will originate for the networks.

For ten years Bill Sharples, on his early morning broadcast from KNX, has been working toward increased patriotism, particularly for the schoolrooms. For ten years at 7:15 sharp, Bill and his little Honor Scout, "Willie," have sent out over the air the inspiring Pledge of Allegiance to the Flag.

Thus it is of interest that recently the Los Angeles School Board inaugurated daily allegiance ceremonies in the assemblies of all city schools—further, before every School Board meeting all members must now repeat in unison, "I Pledge Allegiance to the American Flag—"

A very happy man is Bill Sharples to realize his years of efforts toward this goal have at last been successful.

Ferde Grofe, Burns and Allen's musical director, wrote his first popular musical score on the back of a restaurant menu. Grofe, in anguish over the "jazz" he was hearing in a Los Angeles beanery penciled his own arrangement and it launched his career.

**Here's One for Ripley!** There are more golf courses in California than crooners—well, anyway, more good courses than good crooners. Jack Benny boasting of his golfing prowess, stepped up to the fourteenth tee at Hillcrest and made a hole in one! Yes, sir, a hole in one. He took such a terrific slice that he holed-in-one in the ninth hole at Rancho, the adjoining golf course!

Those twenty minutes that Will Rogers devoted to his Sunday radio chores were never the reason for the immense throngs that turned out to watch him in his weekly stint. Seems that after Rogers is through with his program he thanks the audience for coming down to hear him and invites questions from the gang. His weekly forum is a hilarious venture into Rogers' philosophies and often takes a couple of hours; he answers questions as long as the audience asks them.

Did you like Jean Harlow's voice in her new picture, "Reckless"? You did! Then we'll tell you it was Virginia Verrill dubbing in her lovely throaty tones for the blonde bombshell. Funny thing, too, is that though Virginia has a deep, rich voice the director had smoke blown down her throat to make the voice deeper and huskier. He wanted to make her sound as bad as Jean—and darn near succeeded!

Jan Garber, self-styled "idol of the air waves," wins new rights to title by one of the most gracious acts ever executed on Santa Catalina Island. Late one night he and Freddie Large, former owner of the band and present tooter for Jan, were strolling down the board walk to their homes. Came to the square that overlooks Avalon Bay, when Jan asked Freddie for a match. Then he asked Fred if he wanted to start a little fire. "Tetched in the head," thinks Freddie, but humors Jan. So, with no one watching them except a Catalina cop, they start a bonfire. Jan takes a paper from his pocket and adds it to the blaze. "You know what that paper was?" says Jan. And Freddie says "No." "The three thousand dollar mortgage I had on your home back east. You've been swell, and I'm grateful." Nice gesture, eh, wot? Told to me—not by Jan, but by Freddie!

### Seattle Artists Win Radio Cheers

The KOMO-KJR studios have recently, with both regret and pride, seen several of its local artists leave for "big-time" positions in radio and other fields of entertainment.

Mabel Sleness, dark-eyed, sleek-haired contralto, used to sing regularly on KOMO and KJR programs. When KOMO presented its first trans-continental program over N.B.C. Mabel was asked to sing on it. Her voice proved such a success that she was signed for further N.B.C. work immediately. Now she is heard under the name of Nola Day on frequent N.B.C. programs originating in San Francisco. Nola was born in Iceland and her present ambition is to revisit her native land where her uncle is Bishop in the Lutheran Church at Rejavick.

One week ago Don Craig, bass-baritone and announcer, received a wire from Los Angeles asking that he come immediately to accept work in that city. Blonde and handsome Don now works for Paul Taylor, the man who supplies talent to Fox studios, N.B.C. and numerous other organizations. Don is already a member of a quartet which makes records for movie "shorts." The work is varied and fascinating to this young artist with the deep rich voice whose absence from KOMO and KJR programs is deeply regretted by his listeners. Soon they may be able to hear him on N.B.C. programs.

Freddie Marcus, singer and comic, who was a radio performer when crystal sets were still in use, within the last month drove from Seattle to Chicago, bent on new fields to conquer. Now he's singing regularly with an orchestra from W.B.B.M. Chicago, over CBS from coast to coast, and in a Chicago night club.

Wilton Haff, popular KOMO-KJR announcer, left May 18 for Los Angeles where he will be engaged in radio production for various sponsors.

### Short Short Biography of Gerald King

When he was in school he wanted to be a writer—and now his ambition is a secret! KFWB's General Manager likes to be called "Jerry." But he's called "Poppa" by most of his help! When "Jerry" left the State University at Columbia, Mo., he came to Los Angeles and talked "Nealy" Vanderbilt into giving him a job as radio editor of the *Daily News*. King held that position till 1926, when Jack L. Warner offered him the job of running KFWB—which he has held ever since! Would rather be in radio than anything else. Says that it is the most interesting business in the world. Keeps fit by playing golf—and more golf! Has no economies—admits that his biggest fault is spending all the money he makes—but then others think differently!

**P**ROBABLY no country in the world has so many short-wave stations per ratio of its population as Java. This is due in some measure to climatic conditions, for, situated as Java is in the tropical regions, static is of such intensity in summer as to make reception on the ordinary broadcast band almost impossible. Short waves provided the only efficient way of over-coming these atmospheric disturbances, and this small island in the Dutch East Indies now has a total of 64 broadcasting stations operating on wavelengths between 49 and 175 meters.

The latest addition to this transpacific family of short-wave transmitters is a new 10,000 watt station on 3.06 meg, which announces as YDA and broadcasts the same programs as the familiar Bandoeng station on 6.12 meg. In spite of the comparatively high wavelength used, this new transmitter has already been reported by many coast listeners with excellent signal strength between 3 and 6 a. m.

\* \* \*

The powerful 80 kilowatt phone station PLV of Bandoeng, Java, is again broadcasting programs in the morning between 7 and 7:30 a. m. The exact schedule is not known as yet, but the transmitter was heard on 9.47 meg. Tuesday and Thursday of last week with excellent volume.

\* \* \*

Mr. Van den Enden's informal English broadcast, which have been heard for some time over HJ4ABL on Saturday evenings between 8 and 9 p. m., are now being broadcast over HJ4ABB, "Radio Manizales," on either 6.11 or 7.13 meg. from 8 to 9 or from 9 to 10 p. m. Choice of a definite wave will depend on listener's reports.

**W**E are preparing a new log that will cover all important short-wave stations of all countries. It will be the most complete and up-to-date log you can get.

Send in your request for it now. Also advise us what station you are receiving regularly, and if you would like detailed programs of leading American and Foreign Stations to appear every week in "Broadcast Weekly."

Write "All-Wave Editor" today, "Broadcast Weekly," 1114 Mission Street, San Francisco.

It might be mentioned that HJ4ABB is also on the air Wednesday evenings between 6 and 7 p. m., with a fine Spanish program conducted by this same popular announcer.

\* \* \*

Since June 1, station VE9GW of Bowmanville, Ontario, Canada, has been operating on a new schedule. It is now on the air Thursday, Friday and Saturday from 5 a. m. to 2 p. m., and on Sunday from 10 a. m. to 6 p. m. No change has been made in the frequency of 6.09 meg.

### *Illinois Hears Japan by Shortwave Each Afternoon*

Japan is being regularly heard each afternoon by Charles A. Morrison, at Bloomington, Illinois, president of the International DX'ers Alliance.

"There is really nothing particularly remarkable in my reception of Japan in the afternoon," Mr. Morrison said, with regard to his accomplishment. "This is simply a contact schedule between JVF, Nazaki, Japan, on 19.1 meters, 15,620 kilocycles, and KWU in Dixon, California, on 19.4 meters, 15,360 kilocycles. At 3:45 p. m., Eastern Standard Time, JVF puts on their tone signal and a minute or so later starts to call San Francisco in voice. Usually they call "Hello, San Francisco, this is Tokyo calling." "Hello, San Francisco, this is JVF, Tokyo, calling," etc. As soon as San Francisco (KWU) answers they measure noise and, if the circuit is satisfactory, go into inverted speech for their commercial calls. At about 4 to 4:05 p. m., E. S. T., they both sign off in voice. Sometimes JVF uses phonograph records for these tests. Both sides of the conversation can easily be heard by tuning two different receivers to the opposite ends of the circuit. We quite often use this sort of a reception hook-up here.

"Japan can be heard almost every morning now on 28 meters, 10,740 kilocycles, using the JVM call. JVM relays the Japanese Broadcasting Company from 1:40 to 2:20 a. m., E. S. T., and from 4 to 7:40 a. m., E. S. T., daily. During the winter JVT on 44.4 meters, 6,750 kilocycles is used to relay the JBC. It is well to remember that it is characteristic of Japanese short-wave stations that quite often they may be very weak when first tuned in but will pick up considerable volume after being on a few minutes."

## The DX Corner

**Amando Cespedes Marin**, of NRH fame, is now operating station TIRCC irregularly on 6.55 meg. between 5 and 8 p. m.

\* \* \*

**PHI of Huizen, Holland**, is now broadcasting on 17.77 meg, daily except Tuesday and Wednesday from 5:30 to 8 a. m. The station has also been heard Thursday afternoon between 12:35 and 3:45 p. m. in the east, but reception west of the Rockies at this time is probably impossible.

\* \* \*

**HJ1ABE of Cartagena, Colombia**, is now broadcasting its weekly short-wave club programs on Monday night between 8:30 and 9:30 p. m. The frequency is 6.11 meg.

\* \* \*

**HH2R of Port au Prince, Haiti**, has been heard testing irregularly on 9:54 meg. between 4 p. m. and midnight.

\* \* \*

**ZTJ of Johannesburg, South Africa**, has a new schedule which theoretically comes at the best time for reception in this country. They

are now on the air Wednesday and Saturday at 9 p. m., PST, using a frequency of 6.09 meg.

\* \* \*

**PRADO** has resumed its weekly broadcast for Ecuadoreans in Europe and may be heard on 15.44 meg, Sunday afternoon between 3 and 4 p. m.

\* \* \*

**HKN of Bogota and HJ5AG of Cali, Colombia**, are testing irregularly with musical programs on the 40-meter amateur band between 7 and 9 p. m.

\* \* \*

**GCS**, one of the few English phone stations to be heard west of the Rockies, contacts WLA of Lawrenceville, N. J., almost every evening near 6:30 p. m. GCS uses a frequency of 9.02 meg., and WLA 9:17 meg.

\* \* \*

**LSX of Buenos Aires, Argentina** tests with W2XAF on Monday at 3:30; with WET on Saturday between 4:30 and 5:45 p. m.; and an unknown station on Wednesday irregularly between 5 and 7 p. m. The frequency is 10.35 meg.

\* \* \*

**CMHD**, the new short-wave station in Havana, Cuba, is now being received on 10.20 meg. almost every afternoon until 5:15 p. m.

THE smartly timed musical notes of Ray Herbeck's orchestra instead of emanating from Los Angeles' Cafe de Paris, are now sprouting from San Diego's "Show Boat," Herbeck recently bowed out of Los Angeles and into the heart of the San Diego Exposition. Deal was engineered by the Tommy Lee Artists' Bureau, who set the band on a nightly CDLBS spot from 10 to 10:30, and a twice weekly transcontinental, 8 to 8:30, Tuesdays and Saturdays over CBS.

\* \* \*

More new dancing rhythms are being dished out locally by (Play Don) Bestor and his orchestra from the Palomar (KHJ-CDLBS 11-11:30 p. m.), and Bill Fleck, old time favorite, from the Cafe de Paree (KHJ-CDLBS 9-9:30 p. m.). Hollywood is getting a taste of what a songwriter gone bandmaster sounds like with the debut of Bud Cooper and his orchestra from Club New Yorker (KFWB 11:30-12 midnight). Cooper is famed for penning "Does You Mother Know You're Out, Cecilia?" "Red Hot Momma" and "Feelin' Kinda Blue." Others of course. On June 10 Freddie Martin's music politely replaces Henry Busse's "brass" dance band in the Cocoanut Grove (KFWB 8:30-9 p. m., KFI-NBC 11:30-12 midnight). Hal Grayson's orchestra may be heard at some future time over the CDLBS, playing in Honolulu. . . . Grayson left Los Angeles for Hawaii May 27. Dick Jurgens, popular San Francisco maestro, leaves Los Angeles to head for a tour of one night stands up to Seattle, where he opens at the Victor Club, still broadcasting over CDLBS.

## THE WEEKLY HORRORS-COPE

By FRANK COPE

Again we take a peek into the crystal moustache cup for low down on radio guys and stuff. . . . **C. L. McCarthy** . . . big Mogul of KQW was an M. D. before the radio bug nipped him . . . one time treated a patient for scarlet fever for two years . . . only to learn the man was an Indian . . .

☐ An English phonograph record reviewer hands us a bit of a blinking Ha Ha . . . In writing up an **Eddy Duchin** record he comments favorably on the band, but thumbs down on Eddy's "corny" piano player . . . as you know, Eddy himself is the exclusive juggler of the elephant molars in his outfit. . . . ☐ Same journal also carries a build-up **Tom Coakley's** group . . . with this line . . . "A smooth band that plays in a Palace Hotel . . . somewhere in the United States" . . . S. F. Chamber of Commerce will love that.

☐ **Tom Barry** . . . formerly connected with several stations in California . . . recently gang-planked to Hawaii in the role of production manager of a radio station there. . . . We saw him off at the pier. . . . Just before showing off he chirps . . . "When I get over there I'm going to open up my first program with . . . Hilo again. . . . This is not **Jack Benny** speaking . . ." . . . or maybe it was Aloha-gen. . . . (Swiped that one from **Gene Clark**, but he can have it back any time.)

. . . ☐ We got a bang out of **Bill Hay's** recent plea for mail response concerning the new femme voice on **Amos 'n' Andy's** skit . . . The voice of experiment . . . eh, wot? . . . ☐ We have often wondered if a vagrant Slav is a bum Czech? . . . That one will bounce back. . . . To expedite matters **KJBS** has two **Lewis**es and one **Clark**. . . . Some expedition. . . . ☐ We recently read of a ban in an eastern network headquarters on mothers of talent . . . won't let 'em in the studios or offices because of "zealous matters making demands on the studio staffs, execs . . . et al. . . . for favors on behalf of their offspring." . . . Suggested theme song for talent on these stations . . . "Sometimes I feel like a Motherless Child." . . . ☐ **Ellsworth B. Simmons** . . . erstwhile commercial man with **KJBS** and **KYA** . . . is the proud possessor of a golf cup as big as a radio announcer's opinion of himself . . . the Automobile Association trophy. . . . We do not doubt **Ell's** integrity . . . but if a handicap that nets a man a snazzy sixty-five is a handicap . . . order us two hands full. . . . So will stop puttering and say . . . Goo . . . Bye!

*Dobbin Refused to "Whoa"*

Although an expert horseman of many years' experience, C. Ellsworth Wylie, manager of KHJ and general sales manager of the Don Lee Broadcasting System, met his equal recently in the person of a fiery-tempered horse, while goat-hunting recently at Catalina Island. The mount appeared to have been curbed and well-behaved when, in a show of temperament, he suddenly reared and threw the radio executive. Manager Wylie suffered no broken bones, but did receive a severely torn ligament in the left arm, necessitating the use of a plaster cast and sling . . . no source of comfort during the current warm season.

The Early Bird, with his fine recordings, ready wit and accurate time signals, has gained a place in the early morning caperings of the commuters. And, of course, the percolating coffee adds a realistic touch to KROW listeners.

Watch for the important announcement under the above heading in an early issue of *Broadcast Weekly*. It will tell you how to enjoy the finest radio reception you have ever experienced!

Wherever you may live, you can benefit by this wonderful service plan. Watch for announcement in **BROADCAST WEEKLY**

## Ether Jottings

Renova, Pennsylvania, is a long way from Seattle, Washington. But it's not too far for one of Renova's residents, Mrs. W. K. Wright, to be able to tune in to her favorite program, "Home Makers' Time," presented over KJR, Seattle, every morning by Miss Hope Smith.

Mrs. Wright, mother of Mrs. L. W. Howard of Seattle, always tries and frequently gets this program which she considers the most complete and most satisfactory home economics program on the air.

An interesting highlight on the song "Moonlight in Killarney" recently recorded by William A. Kennedy, is that it was written by a San Franciscan, Joseph Gallagher, and was first sung by Lucy Dockrell on the KGGC Irish program. It is now one of the most popular records on the Irish Gems quarter hour.

Mortin Green, a newcomer to KROW, is heard each Wednesday at 3:15 p. m. He has a rich baritone voice and gives promise of a bright radio future. He hails from Salt Lake City, Utah, and has sung over KSL in that city.

Several featured vocalists on the Fred Waring and CBS program, including Rosemary Lane and Priscilla Lane, Tom Waring, Johnnie Davis and Tubby Hanlon, have been invited to spend their vacations at Webster, Mass. The invitation came after the group, in one of their broadcasts, sang "The Lake Song," which contains the name of a lake at Webster. It is Lake Chargaggoggmanchaggaggchchaubunagungamaugg.

Reed Pollock, brother of Grant Pollock, announcer at KFRC, is now filling an announcer's spot at KJBS, replacing Tom Barry, who goes to KGMB, Honolulu, as announcer. Pollock comes from Salt Lake City and is a graduate of the University of Utah. He is an accomplished singer.

With the arrival of Al Pearce and his Gang from Los Angeles, there are now between forty and fifty California artists on the NBC and CBS networks. The boys and girls have organized a "Californians in New York" club and have elected Kay Thompson as president.

Betty Winkler, telephone operator of NBC's Grand Hotel programs, played her first leading role in "Red Dust" with a Cleveland repertory group. The pretty, dark-eyed ingenue was only 17 at the time.

◆ FANFARE ◆

By J. LESTER MALLOY

It seems to me that NBC's "Hit Parade" is a variation of Meredith Willson's "Big Ten" idea. The new transcontinental also has a way of including yesterday's song successes that smacks, very much, of another local opus, "Melody Train." I mean... they're utilizing that "Melody Train" trick of listing historical events of a few years ago as a build-up for the current musical hit of that particular era. But Lennie Hayton's music is ear-balm.

\* \* \*

Meredith and his musicmakers are evidently seeking to recapture the zip and dash that characterized the "Big Ten" with a song revue called "Fanfare." Tommy Harris and Nola Day, now billed as the "Little King and Queen of Song," lend a hand but an elusive something is still missing.

\* \* \*

Replacing Reed Pollock at KGGC at Announcer Gordon Willis, who left KROW to the W. N. McGill crew. Young Willis has had nine years in radio. It all began in Kansas City, Mo., included some experience with Ted Malone, of "Between the Bookends" fame, and a session with Portland's NBC stations. Gordon also uses his voice for singing purposes. He's a baritone.

\* \* \*

Seattle in San Francisco: Which may, or may not, be responsible for this January in June weather. Anyway, Eddie Mitchell, radio editor for Mr. Hearst's *Post Intelligencer* spent a busy week here, interviewing air celebrities and trying to cram all of San Francisco into a mere seven days. He told us that wanderlust continues to diminish the number of familiar faces at KOMO-KJR. Freddie Marcus has gone Chicago, where Al Schuss now announces the biggies as Alan Hale. Don Craig is in Los Angeles. And there are many other changes.

\* \* \*

Los Angeles radio columns carried news of Senator Fishface in New York. According to the Southern scribes, Elmore Vincent will land an important role in a forthcoming NBC show originating in the East.

\* \* \*

When he goes off the air for the summer in mid-July, Jack Benny is planning an extended pleasure trip. He wants to go to China and Mary Livingstone wants to see Europe. As a result, Jack has decided to go to Europe. The fact that Mary is Mrs. Jack Benny in private life may have something to do with effecting this compromise.
