Radio Catalog #100

HOW TO ORDER

ORDERING PROCEDURE: All sales are made in accordance with the standard Harris Terms and Conditions of Sale. No order shall be binding upon Harris until accepted by the company in writing at its home office in Quincy, Illinois.

PRICES: Catalog prices are net, f.o.b. Quincy, Illinois, or point of shipment. Our prices are based on cash transactions and all applicable discounts have been deducted. Prices are subject to change without notice. Orders are filled at prices in effect at time of shipment. You will be billed for any price increase and credited for any price reduction. We reserve the right to add any federal, state, or local taxes required by law. If you have a tax exemption number, please include it with your order. These prices and terms apply only to the U.S. For prices and terms in other countries, please contact International Sales Department, 123 Hampshire Street, Quincy, Illinois 62301.

PAYMENT: There are four ways to pay for your equipment purchases:

- (1) **CASH**—This means full payment with order.
- (2) **C.O.D.**—A 25% down payment is required on C.O.D. orders.
- (3) **OPEN ACCOUNT**—A 25% down payment is recommended. The balance is payable upon receipt of invoice. If you do not have an established account, please provide a current financial statement, plus trade and bank references with your order. Allow at least two weeks for processing.
- (4) **HARRIS FINANCE PLAN**—On major purchases, by domestic customers, a portion of the cost may be financed through a monthly payment plan. Since Harris financing plans are subject to change from time to time, contact our Credit Manager or your nearest Harris District Manager for full information. The Harris finance plan applies only to the United States.

RETURNS AND EXCHANGES: Do not return any merchandise without our written approval and Return

Authorization. We will provide special shipping instructions and a code number that will assure proper handling and prompt issuance of credit. Please furnish complete details as to circumstances and reasons when requesting return of merchandise. Custom built equipment or merchandise specially ordered for you is not returnable. Where return is at the request of, or for the convenience of the customer, a restocking fee of 15% will be charged. All returned merchandise must be sent freight prepaid and properly insured by the customer. When writing to Harris about your order, it will be helpful if you specify the Harris factory order number or invoice number.

SHIPPING: Please specify method of shipment on your order. Shipping charges, insurance, and C.O.D. fees (when applicable) will be collected at time of delivery when shipment is made by air, rail or motor freight, or express. If you request parcel post shipment, postage and insurance fees will be billed to your account. Purchaser assumes all responsibility for and risk of loss of, or damage to equipment upon shipment from Harris shipping point(s). Should you receive merchandise damaged in shipment, it is your responsibility to file a damage claim immediately with the delivering carrier. Export packing for overseas shipment is available at slight extra charge.

WARRANTY ADJUSTMENTS: In the event of equipment failure during the warranty period, replacement or repair parts may be provided in accordance with the provisions of the Harris Warranty. In most cases you will be required to return the defective merchandise or part to Harris Corp., f.o.b. Quincy, Illinois, for replacement or repair. Repairs, within the warranty period will be done on a no charge basis. Warranty replacements of defective merchandise will be billed to your account. This billing will be cleared by a credit issued upon return of the defective item.

MODIFICATIONS: Harris reserves the right to modify the design and specifications of the equipment shown in this catalog without notice or to withdraw any item from sale, provided, however, that any modification shall not adversely affect the performance of the equipment so modified.

PRICE LIST

[Applies to Harris Radio Catalog #100 Effective December 31, 1974]

This is your price list for items listed in your Harris Radio catalog. Each price has been carefully checked for accuracy. Rapidly changing conditions as well as the human element will necessitate price changes or corrections from time to time. Therefore, the prices herein are subject to change without notice.—All prices are F.O.B. Quincy, Illinois or point of manufacture.
