STUDIO REVIEW

GATES RADIO COMPANY, QUINCY, ILLINOIS, OCTOBER 18, 1960

JUNIOR ACHIEVEMENT COMPANY SPONSORED BY GATES -- On September 28, Franz Cherny, Transmitter Product Manager; Bill Lepper, General Accountant; and Bob Strode, Foreman Assembly 22, met with 16 enthusiastic high school students to serve as advisors and help establish a Junior Achievement Company. The purpose of Junior Achievement is for young people to gain practical business experience by establishing and operating a company of their own, producing and selling a product of their choice, at a profit. It is their responsibility to make and market their product.

GARCO (Gates cable address) has been chosen as the company name -- the product is a plexiglass name plate with colored letters and numerals, which may be used for desks, house markers, etc. The exact cost of the name plates has not yet been completely determined -- but will be most reasonable -- and available very soon. We are certain GARCO members would appreciate any business any of us would care to give them. See Bill, Franz, or Bob if you wish more information about a name plate.

SEVERAL SERVICE PINS have already been presented in October -- here's a list of people who received 1-year pins -- with several more due soon.

Hiram Hood - Engineering Development
Maxine Bean - Production Office
Conrad Hardwick - Stock
Dolores Tiffany - Purchasing
Dolores Bielefeldt - Sales
Dorothy Rosenkoetter - Assembly 22
Jim Williamson - Phasing
Marilyn Wagner - Metal Fabrication
Terry Marks - Metal Fabrication
Gerry Arp - Assembly 21
Margaret Taylor - Production Office

Dorothy Sanders of Accounting received her 3-year pin. Special congratulations are due Rog Cave of the Production Office -- he rang the 10-year bell on October 2.

HOWARD YOUNG, Plant Manager, is shown receiving his new 15-year service pin from President, P. S. Gates on October 1. Waiting their turn to congratulate Howard are, "Mac" McEwen, Treasurer; George Mallory, V-P Operations; and Rog Veach, Personnel Director.

JOE BEVENOUR of assembly 21 married Miss Emily Wilson of Monmouth, Illinois on September 24. Best wishes for much happiness, Emily and Joe. SPEAKING OF WEDDINGS -- Congratulations are also due Grace Bryant, Assembly 22, and Marg Atkinson, Accounting. They recently celebrated their 25th wedding anniversaries.

BIRTHS: A son was recently born to Mr. & Mrs. Billy Gene Yochum -- and a daughter to Mr. & Mrs. Kenneth (Freda) Campbell. Billy Gene and Freda are both members of Engineering Development. Two members of Metal Fabrication are fathers of baby girls -- Mr. & Mrs. James Smith, and Mr. & Mrs. Dale Vandenboom are the proud parents.

SINCERE SYMPATHY is expressed to Barbara Hartman of Accounting on the death of her mother, and to George Martin of Engineering Development on the death of his father.

SYMPATHY is also expressed to Mrs. Faye Fuller, secretary to Mr. McEwen, on the death of her husband, Chris. Many will remember Chris, a member of our Shipping Department for several years, before ill health forced his early retirement.

FISH STORY!!!! Here are 3 Gates girls during a highlight of their August vacation trip to Mexico. This picture of Jeanette Blake, on the right, Marcy Hayden and Margie Clem, kneeling, was taken in Acapulco, where it has been told and re-told, how Jeanette hauled in the 90-lb. Sailfish shown here. Pat Eberle, the fourth member of the group, is shown with her catch -- a 40-lb. Shark! Marcy and Margie did not catch anything quite as exciting on this part of their trip -- but we've heard some rather vivid descriptions of a matador!

Jeanette reports she reeled the Sailfish to the edge of the boat, the crew clobbered him and hauled him aboard! FISH STORY????? If so, they all tell it the same way -- every time -- and deserve a lot of credit and admiration -- no matter what the truth may be!

Congratulations, fisherwomen! Here's hoping next year you catch something you can keep!

GATES BOWLING LEAGUE -- The Stockroom team, anchored by left-hander, Tom Purpus, rattled the timber last week and left scoring marks for the rest of the league to shoot at. Tom rolled 233, 154 and 227 for a 614 series. His comment -- "Wonder what happened the second game?" Others wondered what he did the other two games! Tom now has high average, high three, and is tied with Dick Dunlap for high single.
