We welcome Raymond S Moore-Manchester, Mass; Warren R. Landes-Northampton, Penn as new members and the renewals of Stan Morss-Joe Lippincott-Lefty Cooper-Bruce Keene-Edgar Koop-John Long-Elwood Borowski-Harold Criswell-Bill Macomber-Francis Gmeiner. Thanks to you all and may a very pleasant summer greet you with a swell DX Season next fall.

### DX CALENDAR

May	26	CHLT	Sherbrooke, Que	900 kc	NRC	4:00 - 5:00 AM	E S T
	26	CKTS	Sherbrooke, Que	1240 kc	NRC	4:00 - 5:00 AM	E S T

CHLT & CKTS SHERBROOKE, QUE Mr Sid Cusack, chief engineer of both stations is very anxious for reports on BOTH STATIONS. Seeing that they are on at the same time you can tune them both. All reports should be addressed to Mr. Sid Cusack. Remember its EASTERN STANDARD TIME, 4:00 - 5:00 AM. Send reports % CHLT. The above information received from Bill Stone.

Mrs Ray Edge wishes to thank the Officers and Members for their sympathy extended during the death of her Mother.

NRCer Ed Wyman is confined to a hospital with a nervous breakdown along with something worse. Ed has to be in a contraption as he calls it, between an Iron Lung and an Old Fashioned Grandmas corset as he must remember to breath, it does not come natural. So our best wishes for a very speedy recovery to him. How about some letters as he cannot write and can have only 2 visitors a week. QRA Ed Wyman 54 Jane St Hornell, N.Y.

Remember next bulletin will be June 15th and report by June 11th please.

ED WYMAN-HORNELL N Y Since last rpt have rec veries from KODY-WAAB-WMOX-WENT-WMBS-WTON-WBLK-WMLT-WCOS-KDTH-WFIN-WCAR-KPRO-KFUO-WMOH-WBEN-WMPS-WJEJ-VOUS which was rec just for a thank you letter. KENO also thanked me for my TNX letter. Rpts out to WGKV-WCOS-KDTH-WCAR-WFIN-KVAK-KFUO-WBYN-WJEJ-WMPS-WMOH-WEED-WBEN-KROP-WBNY-WALB. Anyone have the signers of WSOO-WHIT-WAIT-WKST-WQAN-KOTA-WHMA-KLRA-WBHP and as far as CMHK goes, they can all go to the devil. I'll never waste another nickle on any of those Cubans. Did send CB-138 a txn letter as I was unable to tune them because I couldnt get the nurse out of the room. So fellows please forgive me for not writing, but will welcome any letters you care to send. Thanks to Johans for the kind words he said about me in one of the bulletins and if he gets WHCU on 850 kcs I am going to quit DX-Hi. (OK Ed and get well-Pop)

JOE BRAUNER-WILLIAMSVILLE N Y Since last rpt have received veries from KTMK WPOR-KXLR-CHEF-WDSR-KWTX all letters except WDSR. KWTX opened 5/1. Heard since last rpt are WDSR many times, often tests at 4:30 EST. KWTX hrd briefly thru QRM on 4/28. KCRT coming in weakly a few mornings over 5/4 week-end. WJOI on a test 4/9; WLAR poorly thru WWDC on 5/10 and WDSC giving CKLW a run for his money on 5/12. Annual check up shows log increased by 60 new catches during last DX season, making the present total 1821, veries increased about the same as delinquents who finally verified about balanced the number of reports still out. Added one station to my SW log.

Boys, remember that Labor Day week end NRC Convention. Make your plans now. You can be sure of a swell time besides the meeting of your fellow members. Just remember the dates. August 31st and September 1st and 2nd. MAKE PLANS.

RALPH JOHANN S-BUFFALO N6Y Nice visit 5/14-15 by Don Trelford (VRCer) Bill Stone and Bruce Kennedy, they managed a few catches. Bruce stayed over another day and hrd WIRA-WNCA-WKEY-WCOP-CKSB (Hi Stone) he was disappointed as Jim Critchett didnt show up but a floor show at a night club put him in better humor. All are a nice swell bunch (Bill also) (sh!sh! Bill has a new SX-25 Hallicrafters (I guess he'll compete with Phil Nichols with his new HQ-129X now) Well every so often I listen a little and hear a few, but get very few veries back-letters by WINS (Tnx Lefty)-KANS by Ted Heithecker, ce says F/C not definite yet-WHEB is a day station-KFGQ had the help of L Lewis of WOI to reset equipt-KTMC for 3/15-KGHF F/c as sked Sked 8 (SUN 9) I AM Willis C Shanks, ce-WINS by Wm Karda, Sup eng dept-WSIV-CJOB-CHLT/CKTS for 4/9 special test (tnx Stone)-V/card by WHIT and WFIN after f/dps-WWPG hopes to make DX Convention and sent list of rptrs-WHFC did not give much advance notice but dedicated to some NRCers.-WFPG (Look Maley) verie card, letter, program, map and Friendly Five Group by ce and E E Kohn, gen man and for good measure a letter by WIP for a Jan 31 1945 report. So long for now, a good summer.

JAMES DAGG-NEW WESTMINISTER B C About time I sent a report and am still using the "two lunger" and with good antenna results are surprising. KVSF 100 w was amazed at having been picked up by me; KALL sure knocks out KLX and CFJC out of the picture some nights. WSOY hrd on test. New QRA 1592 Kingway. (OK Jim and your doing OK-Pop)

Bill Davidson-USS F D Roosevelt. Expect to be out in July and will be at the dials again. Tnx to all who contributed to Service Fund making my renewal possible. Am Radio operator aboard ship and get a good deal here.

TIPS and LPO REPORTS

May 18 1946

SID STEELE-LOUISVILLE KY The summer static has taken over here so I guess this will be the last report of the present season. Recent loggings have been WDSR-KWTX on 4/24 and KXLR 5/5. This has been a rather fruitful season, however, having increased the verie total from 1035 to 1104 at present. Recent additions are the reward of waiting for several of these-WLSL-WMIS-KGAK-WGTC-KWTX-KNOW-KEYS-KFBC. Am still waiting for some 15 more which include the specials from WKRZ-WHIT and KVAK. Anyone a verie from WCMA or WMVG as yet? (No WCMA Sid but WMVG in 6 days, by Robbie O Hattaway, ce-Pop)

BOB BROWN-GOSHEN IND Thought I better get a report in and latest veries are letters from WLAY-KXLR-WGAC-WASK-WHOT-WSON-WJEJ-WATT-WJLB-KILO-WADC-KWAT-CKOC and cards from KPRO-WGBR-KGCU. Rpts out to WOPI-WMRC-KPAC-XEFW-WJOI-WJBY-WHFC-WEOA-WBOW-WLAR-WMOH. WJOI & WLAR hrd on tests, WOPI-WMRC-WEOA-WBOW hrd on f/c and KPAC-XEFW-WMOH hrd on reg sked. WJBY hrd on an election return program and WHFC on their DX. Tnx to Johanns for telling me about this one. Had my Scott to the shop and quite good now. I'd like a correct list of domestic and foreign commercial CW stations so I can calibrate my dial on SW. Send direct to me at 721 South Ninth St, above QRA. Who was Spick on 1405 kc 5/6 from 3:45-4 AM EDST????

BOB HETZEL-MILWAUKEE WISC. Tried for CB-138 but didnt hear a thing except summer static. Did send reports out to WJZ-KTBS-WIRE. Latest veries are from WLAC-WHBQ-KLPM-WNEW-WJBK-WHBC-WMBD-KGNC-WEXL-KCMO-WIBU. Also a letter verie from KWTX on their April 21st test program. Tried out an HQ-129X last night and thought it performed very well, especially like the accurate calibration, crystal action and the BCB is generously spread out on the dial making it readable to about 3 kcs.

GRANT BATSON-WESTFIELD N Y Just a few rpts and a few veries; 4/16 WSIV on 1240 testing and s/off 4:15, also WGGA-1240 4:15-4:47 and on 1450 kc KVMV testing 4:15-4:29 some static on this and didnt know it was on. 5/11 for lack of nothing to look for got VLC-5 on SW. Veries WATN-KMAC-WSIV-WGGA-CMHB for 12/20 DX and CMKY, last 2 came in one day. KMA card and WGGA cleans up an old spot way back in log. TNX Ralph for info sent and hrd on 5/6 at 4 AM EST. New station on 1480 kc XEAU partly covering XESM, announce The New XEAU, and gave commercial QRA as San Diego, static and QRM partly blocked signal. Have hrd WDSR on 1340 mornings testing but not enough to copy due to WEXL. Have given up hopes this summer of getting veries from KUJ-WSMB-KGGF-WHIZ for DX-WCMA-WBBB-TGOA-WSVA-WKRZ-CJOR-WGKV-WMVG most of these date from Feb 6 to Mar 23 tho I hope some will come as they will be a lot of new ones. Out of 146 rpts from 10/24 to 4/16 only 25 havent answered. Not bad. Am building a new chimney in part of my spare time when no DX.

ALFRED E BRUCE-PHILADELPHIA PA Hope you boys have a nice summer and all be rested up for next season. Have not been doing much DX lately. Had rain today. Pulled in WPPA in Pottsville Pa the other day, they came in fairly well. (OK and Steve Mann is at 45 Barrow Street New York 14, N.Y.-Pop)

TED SALING-ESTACADA ORE Veries from WTAQ-WJBK-WMMN-WJR-WASK-KXO-CMHK-KOL-KBND-KIDO-WSIV but no call on letter. Also letters from KVMV-KRIS and card from KFLW thanking me for rpting but fail to verify. Rpts to KGIW-DX 3/25 KFLW test 4-9 AM 3/25; KBST F/C 3/29 3:30-3:35; KVAK DX 4/1; KVMV testing 4:06 4/4; KOL testing 3:48 on 4/5; KBND F/C 4/9 (2nd TUE) 6-6:15; XEAU to 4AM daily; KIDO test 3:54 4/11; WSIV 3:21 4/12 test; KTBC test 3:34 4/18; KYOS test 3:43 4/19; KEYS F/C 3:50-4 4/19. KVMV "Voice of Magic Valley" took air 4/8 and WSIV on 4/12. KFLW has card but just says reception report appreciated. Nice letters from CMKY-VOUS-KENO in reply to Tnx letters. Anyone hear KINY asking for rpts during KVAK DX? KIUN DX covered by KRKO who check 4-4:30 on account of KRE on till 4:11. Oregon Primary election was on 5/17 so if you hrd any of the stations on late, it was account of this. KINY will be on either May 1st or 1st MON at 4AM.

REMEMBER BOYS NEXT BULLETIN WILL BE ON JUNE 15TH-REPORT BY JUNE 11th....

FRED VAN VOORHEES-FLUSHING N Y The time has come when many of us stop to make our recapitulation of the past season. Well, instead of that I wrote some reports to nearby stations that I never heard before. Rpts to WONS-WQAN-WOCB-WJAR-WGCI. WQAN-WGCI-WOCB all tnx to Duffy. Also rpted WIAC on 620 kc. Hrd the station definitely announce as Armed Forces Radio Service WIAC San Juan on 620 kc at 9:45 PM at which time the station left the air. Perhaps I'm crazy and if so what was I hearing? Played Organ music 9:30-9:45 PM. Still out and all delinquent are WKAQ-CMKJ-WLBJ-WKVM-WSMB-WELL-WBTH-XEQ-WHEC-XEQR-YV5RB-CMKN-Quarry Hgts-XEMC-WKBV-CMK-WTAX-WFMD-KOMA-WGGA-WHDH-TGW-CMW-WNAB-XERB. These are holdouts from 117 sent this season. Only recent verie was WMOG bringing total to 589. Steve Mann-Lefty Cooper and I are having regular visits. If anyone else in New York area would like to get in too, just let one of us know. My phone is FLushing 9-3686. TO SULLY SULLIVAN-BALL GAMES BROADCAST Dodgers, all games, away games by Wire; Yankees, all on the spot, no wire by WINS; Giants same as Dodgers by WMCA; Red Sox & Braves home games, Yankee network, but not all of it. Only one I hear them over is WONS; Philadelphia, both teams, home games by WIBG; Newark night home games only WBYN; Salt Lake City "Bees" all of them by KNAK and the Pirates, all games WWSW-WJPA-WHJB-WMBS-WISR-WKST-WCED.

PHIL NICHOLS-E HARTFORD CONN Veries since last rpt are WPOR-WWPG-WMVG-KENO-WSIV-WHIT and the following TAS-Switzerland-Sottens-Bermmunster and Monte Ceneri, Austria-Linz and France-Lille-Toulouse to make my total 1303. Rpts out in May to KROP on 5/5 on ABC to 3AM EST Suns then on own program after 3; 5/6 HJAH found to be on from 1:30-1:56½ AM EST Monday AM and on 5/8 while listening to about 5 stations on 1340 WJOI came thru for some 6 min at 2 AM EST. Am now using a new HQ-129X Hammarlund and find it to be a worthy successor to the old HQ-120X. Hope my friends will pardon my not writing as often during the summer, trying to get an off season rest from everything so as to be ready for next fall. My vacation had to be taken towards the end of July and early Aug this year much to my disappointment so am afraid I'll be unable to get out to Buffalo over Labor Day unless I can get extra time off. Regards to all. (Yep and you better get some of that extra time off for that convention because your excuse is too lame)

PETE CLARIUS-STATEN IS N Y As the DX season is about over this will be my last rpt. Only new ones are WSTC-WKMO. Veries in from WKMO-WSBA-FQN. BCB log is as follows. Logged 958 verified 844 while the SW is 209 logged with 35 verified. Recent DX of KFUD was given a nice build up in April issue of Gospel Voice which is monthly program publication of KFUD. This is a fine little paper and very interesting to DXers and it only costs 50¢ per year. If it is at all possible will try to make the NRC Convention, that is if I can arrange my vacation for that period. (OK Pete, how to see you then) Note next listings of the Foreign BCB-Domestic BCB and Hrd-Verie lists.

KERMIT GEARY-WALNUTPORT PENN Veries rec since last rpt are Oceania-2CA-4QR-KSAI-Africa-Algiers 1176 kc-Europe EAJ8(3kw) Torino-1357 5kw-Lisbon 629; So America HCJB-PRA2-WVDI #2-No America CFOR-CFQC-CMHW-CMKF-VOUS-XEBO-KVAL-KYOS-KBNE-KENO-KSLM-KEVR-KTMC-KUTA-KFOX-KXLR-KCOR-WDSR-WENT-WKIX-WMOX-WNVA-WPAT-WRLD-WSIV-WTON. PRA2 sent a swell Portuguese letter, with a record label as a QSL card. Torino sent 2 QSL's one an Italian letter from the director, the other an English letter from the eng dept including a complete sked of all Italian broadcasts and a collection of unsued Italian stamps. When hrd on 1/27 they were using only 5 kw. 3/3 the power was increased to 20 kw. Recent rpts went to KVMV-KHSL-WMSA-WSTC-XEAU-WFKY, who were on from 2-2:30 AM EST on 5/7 announcing as its reg monthly f/c. KROP-1300 can be hrd daily from 2AM, signs off at 4 I believe. One of the biggest disappointments is to have stations on Special DXes for the Club fail to verify. The offending stations here are KVAK (attention Mr Elliott)-KWOR-KPKW-WKRZ-TGO-CMHB. Still have hopes for TGO however. WHTB was begging for rpts on New Years AM and hasnt verified. In all 56 rpts are as yet unanswered, mostly foreigners with 32 of them Latin Americans. Once in a while one straggles in. All in all this has been a banner DX season with more unusual stations showing up than in any other single year. 9 new countries were added, including Bermuda-Spain-Portugal-Algeria-Saipan-Trinidad-Canal Zone. Several hold outs were cleared up, WMEX-CMJK-WAAF-PRA2-KUTA-CMHW-CMKF. Some of the better US verified catches were KVAL thru the 1490 mess, KYOS thru KWOR's DX-KFJI on Special test-KBNE thru WWDC and KENO thru KVAK-KWOR-KPKW and KVMV will be good ones if they verify. However the BEST DX CATCH of this or any other season was WUMS hrd twice broadcasting with only 2 watts at a distance of 400 miles. Was a real thrill hearing fellow-member Dave Thomas playing a program of piano solos including his own composition "The Soldiers Song" off which I am proud to have received an autographed copy. Believe me that boy can really tickle those ivories as well as he DXes. "The Beautiful Ohio" never sounded as beautiful as when hrd over WUMS. KLIX-Twin Falls, is not yet on the air but will be on 1340 kc when ready.

LEFTY COOPER-BROOKLYN N Y Veries on f/ups from WDAD-KMAC, rpts out to CHEF-WSIV-KMED-WJOI-KFXM-KGFL-WLAR. 5/4 Up all AM logged KMED over KPRO 2:45-3 for new one, for other coast stations were barely percepable and KMED was R-6. WJOI on test, s/off 4:35; 5/5 XEAU on about 1472 kcs, seems to have an "XEAU" type show Sun AMs. Definitely off freq as XESM was just below him the 2 hetrodyning each other. KFXM and KCOK fighting it out 3-4 with KFXM the winner for a rpt. I've been trying 13 years for that baby. Rpt to KGFL behind new alniter WJLB also a tone test at same time. Card from Mr Unger informa me my report was unverifiable as it did not check with their log. They test with a tone whistle and somebody else checks at same time and 5 min longer 4-4:20 1st SUN, WHO??? 5/12 Caught WLAR testing behind WWDC. Tnx Ralpie for swell tips. See you all in Buffalo. WSIV letter returned to station asking for the call to be included. (OK Lefty, wer'er here)

BOB DUGGAN-MACON GA Rpts out to CMHJ-WCBI-WMBR-WINS-XEAU-CJOR-KGAK-KOTN-KMYR-CMGE-CMKE-CMBG-CMBX-HJCR-CMHX-CMKN-KWTX-KVMV-WHP-WMBG-WJOI-WATW-KROP-Veries from CMHD-CMAQ-CMJC-CMQ-CMHQ-CMKH-CMKU-CMJL-CMKJ-WKMO-WAML-KWBW-KEYS-WNEL-WSIV. Hrd weak sig on 1380 at times during CB-138 DX but only occasionally. V/S KGKB Clark Wolcott. WFKY by P C Melone; Best eves for Cubans is last quarter of moon 3/25 and 4/24 were best Spick nights in long time. CMJC gives freq as 1270 kc as 1 kw. so its ok on Maleys list. QRAS-CMCM M Fernando Cap y Marina, Auga Dulce, Havana. Sked 9AM-MDT. CMJQ Juanite Alling R. Calle Independencia #40A, Nuevitas, both have power of 250w. JOHN LONG-DALTON GA KVAK came in good here after first 5 min, KNET spoiled them till about 10 min till 5, then very good. Tried for CKEY but too much static. Havent tried for other DXes, too much summer static. No KWOR. WMRN hrd 3:45-4 then some other station but didnt get call. Rec a very attractive letter from KENO for my thank you letter to them on DX. Mr Haas said they plan to have another dedication in the near future. Also have received my KPTH verie. To Johans hrd WSIV the other AM testing. WDEF will change to 1370 kc with 5 kw and have 3 new towers. Have enjoyed this DX season very much. Large number of new stations being granted should make it swell.

HANK WILKINSON-BANNING CALIF ?? DX for Down Unders, Alaskans-Cubans-Easteners etc has been swell on AMS ofc 4/18-19th. Had 3YA on 720; 4YA-790; 2YH 750 kc at very good volumn on am of 19th. Here, ~~xx~~ best time seems to be Mdt to about 2 AM, (3-5 EST for Zedders. Aussies due in shortly. KIUN DX 4/18 was excellent here even tho KRE was on for first 10 min. Was nice of KIUN to plug KCMJ's DX on 4/30 3:30-4:30 AM EST 1340 kc. 3YA at 4 on 4/19/ Hrd facsimile of Big Ben sounded (are the bells at Wellington fellows?) 3YA registered R-8 many times. Never before have I hrd Zedders so well. Got 3 rpts out and expect to grab about 4 more in next few AMS. WNEL carries an AFRS program at s/on 6AM EST. Has been S-4 to 5 for past 2 AMS. Another rpt out to KFQ as I hrd him rather well a little after MDT. I cant reach KINY-KHBC-KHON. To Johans, Tnx for calendar. House was sold and will be leaving for East by May 6th.
