Dear DXer:

Thanks for having reported on our DX program, aired Monday, March 19th., 1945, from 5 to 6 A. M., A.W.T.

Reports received will be of great value to us, as our station is new in the field.

Due to bad atmospheric conditions all over the country, the program was not as successful as it would have been in more favorable circumstances. We'll probably try our luck later.

Thank# you DXingly;
