Dear Mr. Geary:

Thank you for your reception report. We were glad to know that you were able to hear this dedication program, although the atmospheric conditions prevailing at that time were exceptionally poor for radio reception. Portions of your program report have been verified with our program log. Consequently, this, in addition to being a letter of thanks, is also a letter of verification.

We hope you enjoyed listening to our program as much as we enjoyed putting it on for the members of the Newark News Radio Club. On behalf of the entire staff, we thank you.

Sincerely,

NEVADA BROADCASTING COMPANY
