Dear Norman L. Maguire,

Thanks for the mighty fine report of reception of our DX Program of Dec. 6<sup>th</sup>. This is to VARIFY your report as correct.

Another report from Spokane, Washington also said he had trouble with interference from a Japan and Fiji Island stations. The open carrier and later modulated with tone seems to have come from WPAT, although it wasn't identified some of the boys around New York seemed to think that is who it was.

You may be interested to know that yours is the second most distant report received so far.

You didn't indicate whether you are a member of one of the DX radio clubs who knew about our scheduled program. Or did you stumble across it by accident?

Best wishes for a Merry Christmas and a Happy New Year.

Sincerely yours,

*Charles V. Lundstedt*
