WASHINGTON THIS WEEK

The FCC has ordered KRGL at Myrtle Creek, OR, to show cause why its license should not be revoked. The station has been off the air since September 1986.

The license of KKZU, Mountlake Terrace, WA, has been revoked by the FCC. The station had been off the air for some time and the licensee did not contest the action.

ELSEWHERE

Summit Communications will buy WRKS, New York for 50 million dollars. The settlement agreement calls for RKO to receive 32.5 million with the rest to be divided amongst the competing applicants.

The Nashville Network has its new radio format TNNR on the air. TNNR features a 24 hour personality country format. Portions of the new service including Wolfman Jack in his first country program can be heard on WSM-650 over most of the Eastern U.S.

The Financial Business Network out of Boston has delayed the air date of their business news format until February. They had been expected to start the first of the year.

---------	----------	---

WASHINGTON THIS WEEK

The FCC has added FM booster stations to the list of facilities requiring analysis for environmental radiofrequency radiation.

ELSEWHERE

CBS will add two stations to the fold with the announcement of its plans to buy WWJ-950 and WJOI-97.1 in Detroit, MI from Federal Enterprises. WWJ programs an all news format that fits well with the other CBS AM stations that program either all news or news & talk formats. WJOI programs an easy listening format.

M STREET

This weeks issue is coming to you a little early and next weeks (Dec. 26th) will be a little latter than usual in order to accommodate holiday scheduling. No actions will be left out. Have a VERY HAPPY Christmas and Holiday season!
