

The

Call Letter

July 2000
Vol. 26 — No. 7

Celebrating **25** years in print!

The Northwest Vintage Radio Society

The Northwest Vintage Radio Society is a non-profit historical society incorporated in the State of Oregon. Since 1974 the Society has been dedicated to the preservation and enjoyment of “Vintage radio” and wireless equipment.

Membership in the Society is open to all who are actively interested in historic preservation. The dues are \$15.00 for domestic membership, due on January 1st of each year (prorated quarterly).

The *Call Letter* has been a monthly publication since 1974. It was originated with the founder, Bob Bilbie, and our first president, Harley Perkins. Through several editors and with the assistance of numerous society members, the *Call Letter* has continued to be a publication that informs members of the society’s business and that supports the hobby of collecting, preserving, and restoring vintage radios.

Society meetings are held the second Saturday of each month (except July and August) at the Abernethy Grange Hall at 15745 S. Harley Ave. in Oregon City, Oregon. They convene at or about 10 AM for the purpose of displaying radios, conducting Society business, and exchanging information. Guests are welcome at all Society meetings and functions (except board meetings).

Other Society functions include guest speakers, auctions, radio show, and radio sales which are advertised in the *Call Letter* and are held in and around Portland.

Society Officers for 2000:

President	Charles Kent	(503) 281-9335
Vice-President	George Kirkwood	(503) 648-4809
Treasurer	Ed Charman	(503) 654-7387
Secretary	Liles Garcia	(503) 649-9288
Board member at large	Dave Rutland	(541) 929-4498
<i>Call Letter</i> Editor	Rick Walton	(503) 284-5648
Librarian	John Bucholtz	(360) 693-7135

The Society’s address is:

A Letter from the President14

Photo Display.....15

Swap Shop16

On the cover: Two panels from a full-page, full-color Zenith advertisement in the June, 1948 issue of *Holiday* magazine. The ad features Zenith’s portable radios, including the Trans-Oceanic and the “Universal” shown in these panels, and the “Zenette”, described in the ad as “an exquisite, tiny personal radio.”

**Call Letter Deadline: 10 days prior
to meeting day.**

**Don’t forget the Swap Meet/Picnic on August 12 at the
Abernethy Grange Hall.
8:30 AM till it’s over!**

**The next meeting is on September 9.
The monthly feature is
Your favorite radio!
Tailgate swap meet starts at 8:30!**

Visit our web site at <http://nwvrs.org>.

The *Call Letter* is the official publication of the Northwest Vintage Radio Society. Circulation is limited to the membership and guests of the Society. The Society is not responsible for the material contributed for publication, nor the quality, timeliness, or accuracy of the items offered for sale in the SWAP SHOP. By common agreement of the board of directors, the buyer assumes all responsibility for the satisfaction of any transaction.

From the Editor

by *Call Letter* Editor, Rick Walton

Summer is upon us. It is hot, and there'll be no meeting this month. I just returned from a trip to Florida with my son to visit relatives and to visit several of the theme parks in the Orlando area, most notably Disney World. I didn't find any radios to collect, but I did find a display of radios in the Universal Studios park. In a section made to look like New York was a radio and appliance shop. There were several radios in the window, including a Silvertone bakelite set, a Philco, and an RCA. Perhaps the radios were like the buildings: false fronts with nothing inside. Nevertheless, they looked good in that shop window, evoking a sense of the way things were fifty and sixty years ago.

In an effort to reduce printing and postage costs, I've included the club roster as a part of this issue. It's laid out to be in the middle pages (except for the clubs and organizations) so if you want to pull it out and use it separately, it will work that way.

Speaking of material, as you'll see in the minutes I would like to start a column to allow you to brag a bit about your latest finds and acquisitions. Sonny Clutter has volunteered to coordinate that effort, so send your notices to Sonny.

NWVRS 2000 Calendar of Events

- August 12** Summer Club Swap/Picnic at Abernethy Grange (normal meeting place). 8:30 am till... Bring your own picnic!
- September 9** Regular monthly meetings resume after Summer break.
- October 7** Fall Swap Meet, NG Armory at Wash. Co. fairgrounds.
- October 14** Regular monthly meeting.
- November 11** Regular monthly meeting.
- December 9** Regular monthly meeting.

Meeting Minutes

by Wendy Johnson-Kent for Liles Garcia, Secretary

The June 9th meeting of the NWVRS was called to order by Vice President George Kirkwood at 10:00 AM. Thirty-one members were in attendance.

In his opening remarks, George reminded those present of the club's funds, functions and costs, and suggested the cost of swap meet advertising be factored into the table sales. A dues increase was again brought forth.

The minutes of the last meeting as presented in the June *Call Letter* were approved as written.

Treasurer's Report

Treasurer Ed Charman gave his report of income and expenses resulting in the present balance of \$430.65. Gordon Phillips asked what monies we could expect from our money market investment of Jim Mason's legacy. Ed said the club would realize 5/12 of 1% of \$29,000 at which Gordon did a quick calculation and estimated would be \$120 a month.

Scott Hoke offered his assistance by quantifying the club's costs/ expenditures to income to produce a profit and loss statement for the club. This would help us get a picture of what we need in the way of income and help us better decide on a dues increase and its amount. The motion carried to have Scott get together with Ed Charman to come up with a P&L. At the end of the meeting George Kirkwood asked for a round of applause for Scott for his volunteering help and Scott stated he would come up with a budget for the period of September through December 2000 as well as one for the year 2001.

Dick Dielschneider suggested we have future swap meets at our club's Abernethy Hall to save rental costs. Discussion ensued with comments made by several on declining public attendance. A suggestion was made to have swaps at armories other than Hillsboro's in more populated areas such as Tigard, Multnomah or near the Portland airport.

Myron White noticed we did not have the reader board outside the Hillsboro armory at our swap meet which is one of our biggest advertising draws. The recent switch from its handling from Washington County Fairgrounds back to the owners, the U. S. Army, appears to have been the possible reason the ball was dropped. Scott Hoke stated approximately 6,000 Intel employees drive by daily during the workweek preceding the

swap and in the past many times fellow employees mentioned the reader board ad knowing of his radio interests.

Sonny Clutter suggested we download the *Call Letter* onto the Internet to save on publishing costs. Shows of hands presented an overwhelming majority of those present have access capability.

New Business

Arrangements for the Saturday, August 12th, club house swap meet organized by Jerry Talbott were finalized. It will be from 8:30 AM through lunch. Bring your own picnic lunch for a morning of fun and club camaraderie.

Sonny Clutter suggested a panel judge the merit of the monthly program offerings as opposed to the people's choice as we presently vote. Mark Richardson offered we should keep the present popular vote and add a judge's choice. George Kirkwood suggested this be tabled for now and begin a possible change with January 2001's meeting.

Rick Walton wants to include a "bragging column" each month in the *Call Letter* telling of what members find that month. Sonny Clutter volunteered to collect the data and feed it to Rick. E-mail the information to Sonny (one item per person per month).

Leads and Needs

Dave Brown needs a tuning dial for a Grebe MU1 syncrophase. He's also looking for various Atwater Kent breadboard parts.

Under calling for Good and Welfare, no one had anything to offer. This acting secretary later thought I should have spoken up and relayed that member Damon Vandehey will be marrying his Sherry on August 12th – our Summer club swap meet date. Our best wishes to Damon and Sherry!

Guests

This month we had Dave Brown's family join us. Club members' spouses are automatically members and families are always welcome guests.

Sonny Clutter brought the donuts for us this meeting – thank you.

The few offerings of Jackson Bell radios were presented. September's program will be "Your Favorite Radio in Your Collection".

The meeting adjourned at 11:07 AM with Ron Hershey presenting the program's award ribbons.

A Letter from the President

As I was unable to chair the meeting because of work commitments, I would like to make my views known, in response to items covered in the meeting.

Advertising is an integral part of good public attendance for our club swap (sales) meets. The only sure way to attract public is a major article written by The Oregonian as has been proven time and again in the past, as I have researched. In lieu of this, we (the Swap Committee) have been testing the various methods of advertising. The Fall swap will be advertised in the Home and Garden section of The Oregonian where the major articles, when done by The Oregonian, have been run. This will cost \$306.00. The cost will be partially covered by a table increase and/or advertising budget allocations. The matter of changing the swap meet location is handled by the Committee and they have made the decision to stay at the Hillsboro Armory! In past Call Letters the Swap Meet Committee has been given a very large Thank You for their efforts and I wish to extend my sincere appreciation for all of the work they did.

The matter of a dues increase has been talked out over the last five plus years without an increase taking place. I sifted through five years of Call Letters and many members are disgusted that this item takes so much time in meetings when discussed. I urge a decision be made in the September meeting by the members. We don't want the Board to have to meet to make a decision. I've worked very hard to have the membership make the club decisions and wish to keep it this way as will be demonstrated latter in this letter.

Some discussion has taken place on the matter of the Monthly Feature. A suggestion was made to me that if the radios were talked about before voting, then a more educated vote could be made. I'm in agreement on this point and my suggestion is to have the order of the Monthly Feature remain the same in the context of the meeting, with the only change being to vote after talking about the radios. It was voted on and approved in last September's meeting to stay with a membership voting context. Somehow this was forgotten and the idea of a judges panel was suggested to possibly take place beginning in January 2001. Members enjoy voting on the radios and as I stated before, I'm for furthering the enjoyment of the membership.

Thank You,

Charles Kent, President

Northwest Vintage Radio Society

Please do not call until after June 12th. Ask for Bill at 503-648-0237.

Leads and Needs

See the meeting minutes.

Meeting Location!

Our monthly meetings are held in the Abernathy Grange Hall, located at 15745 S. Harley Ave. in Oregon City. Here are instructions for getting there and a map.

1. Take the OR-213 exit, exit number 10, towards PARK PLACE/MOLALLA.
2. From the South, turn RIGHT onto SR-213, or from the North, keep RIGHT at the fork in the ramp and merge onto SR-213.
3. Turn LEFT at the first traffic light onto CLACKAMAS RIVER DR.
4. Turn RIGHT onto S FORSYTHE RD.
5. Turn LEFT onto S HARLEY AVE. The Abernathy Grange Hall is a little past S. Taylor Lane.

The written instructions came from “Map Quest” on the Internet; the map is scanned from a AAA map with much detail removed for the sake of clarity.
