

**INDEX TO GENERAL ORDERS OF THE FEDERAL RADIO COMMISSION AS PUBLISHED
IN THE RADIO SERVICE BULLETIN.**

Subject	No. of general order	Date of—	Date of Radio Service Bulletin	
			Month	Year
Aeronautical (aircraft):				
Frequency allocations—chains established.....	94	June 26, 1930	June.....	1930
Changes in frequency allocations to aeronautical and aircraft services—chains established.....	99	Oct. 27, 1930	October.....	1930
Additional frequency allocated to.....	112	May 4, 1931	May.....	1931
Frequency allocation changed.....	118	June 24, 1931	June.....	1931
Alaska:				
Station license extension orders. (See index under Licenses.)				
Regulations governing issuance of a construction permit, license, etc.	79	Dec. 20, 1929	December...	1929
Station licenses extended.....	101	Nov. 14, 1930	November..	1930
General Order 101 repealed.....	110	Mar. 27, 1931	April.....	1931
Amateurs:				
Definition of.....	24	Mar. 7, 1928	March.....	1928
Definition of, additional frequency band opened, tele- phone bands specified.	76	Nov. 6, 1929	November..	1929
Revised station regulations (definition, classification, service, frequencies, apparatus, interference, etc.).	84	Apr. 4, 1930	April.....	1930
Revised station regulations (General Order 84 amended).	84	Sept. 22, 1930	September..	1930
Apparatus:				
Installation of automatic frequency control must be authorized by the Federal Radio Commission.				
Kind authorized for use by amateur stations.....	84	Apr. 4, 1930	April.....	1930
Power of broadcast transmitters limited—method for determining power of.	91	May 23, 1930	May.....	1930
Regulations governing the licensing and operation of an auxiliary broadcasting station.	95	Oct. 6, 1930	October.....	1930
Regulations governing the power of a broadcasting sta- tion.	97	---do-----	---do-----	1930
Broadcasting station not to be moved unless authorized upon formal application.	98	Oct. 27, 1930	---do-----	1930
Broadcasting:				
Call letters: To be announced at least every 15 minutes.	8	May 5, 1927	May.....	1927
Candidates for public office, use of broadcasting stations by.	31	May 11, 1928	---do-----	1928
Chain programs—				
Allowed for only 1 hour unless stations are 300 miles apart.....	43	Sept. 8, 1928	September..	1928
Postponement of General Order 43.....	46	Oct. 5, 1928	October.....	1928
Do.....	57	Jan. 18, 1929	January.....	1929
Do.....	59	Feb. 16, 1929	February....	1929
Do.....	63	May 15, 1929	May.....	1929
Do.....	71	Sept. 18, 1929	September..	1929
General Orders 43 and 46, limiting programs to cer- tain station repealed.	81	Dec. 20, 1929	December....	1929
Regulations governing hearings on application for a con- struction permit.	87	Aug. 22, 1928	August.....	1928
Installation of automatic frequency control apparatus must be authorized by the Federal Radio Commission.	77	Nov. 8, 1929	November..	1929
Regulations governing the hours of operation of daylight saving time.	61	Mar. 23, 1929	March.....	1929

INDEX TO GENERAL ORDERS OF THE FEDERAL RADIO COMMISSION AS PUBLISHED IN THE RADIO SERVICE BULLETIN—continued

Subject	No. of general order	Date of—	Date of Radio Service Bulletin	
			Month	Year
Broadcasting—Continued.				
Definitions—				
Of a daytime station.....	41	Sept. 4, 1928	September..	1928
Of a limited time station.....	48	Oct. 22, 1928	October.....	1928
Rules and regulations requiring stations to give absolute priority to distress communications or signals.	66	June 10, 1929	June.....	1929
Frequency band not to be extended; 1,500-2,000 kilocycles should be held open for experiments in broadcasting and visual broadcasting.	4	Apr. 5, 1927	April.....	1927
One-half kilocycle deviation allowed; announcement of frequency by authority of Federal Radio Commission.	7	Apr. 28, 1927	...do.....	1927
Allocation of channels to the different zones, a separation of 10 kilocycles to be mentioned.	40	Aug. 30, 1928	August.....	1928
Stations permitted to make tests in changing frequency under allocations effective Nov. 11, 1928.	45	Sept. 24, 1928	September..	1928
Hearings for certain stations which have not satisfied the Federal Radio Commission—list of 162 stations.	32	May 25, 1928	May.....	1928
Regulations governing the hours of operation of stations affected by daylight saving time.	6	Mar. 23, 1929	March.....	1929
Stations may file affidavits certifying interference is being caused to its signals.	15	June 7, 1927	June.....	1927
Hearings on reducing interference.....	2	Mar. 15, 1927	March.....	1928
Designating bands to be cleared of heterodynes—procedure for clearing heterodyning channels.	22	Jan. 16, 1928	...do.....	1928
Stations restricted as to power used after sunset; operation during daytime not to cause greater heterodyning than exists during evening, General Order 10 repealed.	53	Nov. 26, 1928	November..	1928
Mechanical reproductions—				
Nature of, must be announced.....	16	Aug. 9, 1927	August.....	1928
Character must be announced.....	49	Oct. 26, 1928	October.....	1928
Character ordered to be announced, General Order 49 modified.	52	Nov. 26, 1928	November..	1928
Character ordered to be announced, General Order No. 52 repealed.	78	Dec. 5, 1929	December...	1929
Operators of certain stations required to keep continuous watch at certain stations operating between 550 and 1,000 kilocycles.	66	June 10, 1929	June.....	1929
Portable stations no longer licensed.....	30	May 10, 1928	May.....	1928
Extension of portable station licenses.....	34	May 25, 1928	...do.....	1928
Applications for increase in power between 6 a. m. and 6 p. m. for educational, religious, civic, and market news stations.	10	May 18, 1927	...do.....	1927
Stations not allowed power in excess of 25 kilowatts except for experiments and daytime programs.	42	Sept. 7, 1928	September..	1928
Stations not to be sold without consent of Federal Radio Commission.	9	May 13, 1927	May.....	1927
Permission to move studios required.....	28	Apr. 20, 1928	April.....	1928
Frequency allocations—Canadian shared.....	87	Apr. 7, 1930	...do.....	1930
General Order No. 87 postponed (amended) on account of restraining court order regarding Stromberg-Carlson Mfg. Co. v. Federal Radio Commission.	87	Apr. 25, 1930	...do.....	1930
Power of new installations limited and method for determining power of.	91	May 23, 1930	May.....	1930
Stations classified according to values (units) for zone equality.	92	June 17, 1930	June.....	1930
Stations classified according to values (units) for zone equality—correction to.	92	...do.....	July.....	1930
Regulations governing the licensing and operation of auxiliary stations.	96	Oct. 6, 1930	October.....	1930
Regulations governing the power of stations.....	97	...do.....	...do.....	1930
Stations not to be moved unless authorized upon formal application.	98	Oct. 27, 1930	...do.....	1930
List of general orders applicable to broadcasting stations.			December..	1930
Station licenses, with exceptions, extended until Apr. 30, 1931.	103	Jan. 30, 1931	January.....	1931
Regulations governing applications for facilities in over-quota, underquota, underunit, and quota allocations.	102	Jan. 8, 1931	...do.....	1931
Regulations and definitions regarding hours of operation, tests, power, daytime station, etc.	105	Feb. 12, 1931	February...	1931
Amendment to General Order 105.....	105	Mar. 2, 1931	...do.....	1931
Stations required to keep a program and operating log....	106	Feb. 16, 1931	...do.....	1931
Amendment to General Order 106.....	106	Feb. 27, 1931	...do.....	1931
Frequency assignments, General Order No. 87 repealed.	107	Mar. 24, 1931	April.....	1931
Regulations governing power, General Order No. 97 amended.	108	Mar. 26, 1931	...do.....	1931
Station licenses extension, General Order 103 repealed....	109	...do.....	...do.....	1931
Regulations governing power, General Order 108 repealed; General Order 97 amended.	111	Apr. 20, 1931	...do.....	1931

INDEX TO GENERAL ORDERS OF THE FEDERAL RADIO COMMISSION AS PUBLISHED
IN THE RADIO SERVICE BULLETIN—continued

Subject	No. of general order	Date of—	Date of Radio Service Bulletin	
			Month	Year
Broadcasting—Continued.				
Regulations determining power of.....	115	May 25, 1931	May.....	1931
Definitions of technical terms used in regulations governing power.	115		do.....	1931
Stations required to operate within 50 cycles of assigned frequency.	116	June 22, 1931	June.....	1931
Call letters: To be announced at least every 15 minutes.....	8	May 5, 1927	May.....	1927
Canada: Shared broadcasting frequencies.....	87	Apr. 7, 1930	April.....	1930
Candidates for public office, use of broadcasting stations by.....	31	May 11, 1928	May.....	1928
Chain programs:				
Allowed for only 1 hour unless stations are 300 miles apart.	43	Sept. 8, 1928	September.....	1928
Postponement of General Order 43.....	46	Oct. 5, 1928	October.....	1928
Postponement of General Order 43.....	57	Jan. 18, 1929	January.....	1929
Postponement of General Order 43.....	59	Feb. 16, 1929	February.....	1929
Postponement of General Order 43.....	63	May 15, 1929	May.....	1929
Postponement of General Order 43.....	71	Sept. 18, 1929	September.....	1929
General Orders 43 and 46, limiting programs to certain station repealed.	81	Dec. 20, 1929	December.....	1929
Construction permits:				
Regulations governing hearings on application for a construction permit.	37	Aug. 22, 1928	August.....	1928
Regulations governing issuance to police departments.....	85	Apr. 8, 1930	April.....	1930
Additional data required in consent to assignment of construction permit or license.	95	Sept. 29, 1930	September.....	1930
Control apparatus: Installation of automatic frequency control apparatus must be authorized by the Federal Radio Commission.	77	Nov. 8, 1929	November.....	1929
Damped waves:				
Discontinuance of by other than ships after Jan. 1, 1929.	51	Oct. 31, 1928	do.....	1928
Regulations governing the sharpness of emissions by ships using damped waves.	70	Sept. 13, 1929	September.....	1929
Use of restricted.....	82	Jan. 3, 1930	December.....	1929
Daylight-saving time: Regulations governing the hours of operation.	61	Mar. 23, 1929	March.....	1929
Definitions:				
Of an amateur station.....	24	Mar. 7, 1928	do.....	1928
Of a daytime broadcasting station.....	41	Sept. 4, 1928	September.....	1928
Of a limited-time broadcasting station.....	48	Oct. 22, 1928	October.....	1928
Relay broadcasting, telephone, and visual broadcasting channels defined.	62	Apr. 5, 1929	April.....	1929
Of an amateur station.....	84	Apr. 4, 1930	do.....	1930
Of marine relay service.....	100	Nov. 10, 1930	November.....	1930
Of terms used in General Order 115, May 25, 1931, regarding power of broadcasting stations.			May.....	1931
Distress signals: Rules and regulations requiring broadcasting stations to give absolute priority to distress communications or signals.	66	June 10, 1929	June.....	1929
Experimental stations: Regulations governing issuance of relay broadcasting, visual broadcasting, general experimental, and aircraft experimental station licenses.	64	May 20, 1929	do.....	1929
Frequencies:				
Broadcasting frequency band not to be extended; 1,500-2,000 kilocycles should be held open for experiments in broadcasting and visual broadcasting.	4	Apr. 5, 1927	April.....	1927
One-half cycle deviation allowed, announcement of frequency by authority of Federal Radio Commission.	7	Apr. 28, 1927	do.....	1927
Allocation of channels in the broadcasting band to the different zones, a separation of 10 kilocycles to be mentioned.	40	Aug. 30, 1928	August.....	1928
Broadcasting stations permitted to make tests in changing frequency under allocations effective Nov. 11, 1928.	45	Sept. 24, 1928	September.....	1928
Allocation of between 1,500 and 6,000 kilocycles.....	55	Dec. 22, 1928	December.....	1928
Picture and television transmissions restricted in use of frequencies in the broadcasting band.	56	Jan. 14, 1929	January.....	1929
Relay broadcasting frequencies, Feb. 18, 1929.....			March.....	1929
Visual broadcasting frequencies, Feb. 18, 1929.....			do.....	1929
Visual, telephone, and relay broadcasting channels defined.	62	Apr. 5, 1929	April.....	1929
Allocation of frequencies between 1,500 and 6,000 kilocycles, General Order 55 amended.	74	Oct. 11, 1929	October.....	1929
Additional amateur frequency band opened and telephone bands specified.	76	Nov. 6, 1929	November.....	1929
Allocated for amateur stations.....	84	Apr. 4, 1930	April.....	1930
Allocated for police stations.....	85	Apr. 8, 1930	do.....	1930
Allocated for power company stations.....	86	do.....	do.....	1930
Allocated for broadcasting stations—Canadian shared.....	87	Apr. 7, 1930	May.....	1930
Visual broadcasting channels restricted to certain widths.	88	Apr. 14, 1930	do.....	1930
Allocations for aeronautical and aircraft services.....	94	June 26, 1930	June.....	1930

INDEX TO GENERAL ORDERS OF THE FEDERAL RADIO COMMISSION AS PUBLISHED IN THE RADIO SERVICE BULLETIN—continued

Subject	No. of general order	Date of—	Date of Radio Service Bulletin	
			Month	Year
Frequencies—Continued.				
Changes in allocations for aeronautical and aircraft stations—chains established.	99	Oct. 27, 1930	October.....	1930
Allocation for motion pictures, General Order 74 amended.	74	Oct. 11, 1929	November...	1930
Assignments for broadcasting stations, General Order No. 87 repealed.	107	Mar. 24, 1931	April.....	1931
Additional allocations to aeronautical and aircraft services.	112	May 4, 1931	May.....	1931
Broadcasting stations required to operate within 50 cycles of assigned frequency.	116	June 22, 1931	June.....	1931
Regulations (General Orders 62, 88, and 88 as amended) governing visual broadcasting, telephone, and relay broadcasting, frequencies, and station licenses canceled.	117	June 24, 1931do.....	1931
Change in allocation to aeronautical services.....	118do.....do.....	1931
Frequencies for Alaska.....	79	Dec. 20, 1929	December...	1929
Hearings:				
Rules before Federal Radio Commission.....	12	May 27, 1927	May.....	1927
Testimony.....	14	June 3, 1927	June.....	1927
On reducing interference in broadcasting band.....	2	March.....	1928
Designating bands to be cleared of heterodynes; procedure for clearing heterodyning channels.	19	Nov. 14, 1927do.....	1928
On applications for transoceanic station licenses.....	29	May 9, 1928	April.....	1928
Hearings for certain broadcasting stations which have not satisfied the Federal Radio Commission—list of 162 stations.	32	May 25, 1928	May.....	1928
Regulations governing hearings on application for construction permit, renewal of license, etc.	37	Aug. 22, 1928	August.....	1928
Hours of operation: Regulations governing the hours of operation of broadcasting stations affected by daylight saving time.	6	Mar. 23, 1929	March.....	1929
Interference:				
Broadcasting stations may file affidavits certifying interference is being caused to its signals.	15	June 7, 1927	June.....	1927
Hearings on reducing in broadcasting band.....	2	Mar. 15, 1927	March.....	1928
Designating bands to be cleared of heterodynes; procedure for clearing heterodyning channels.	19	Nov. 14, 1927do.....	1928
Broadcasting stations restricted as to power used after sunset; operation during daytime not to cause greater heterodyning than exists during evening, General Order 10 repealed.	53	Nov. 26, 1928	November...	1928
Picture and television transmissions restricted in use of frequencies in the broadcasting band.	56	Jan. 14, 1929	January....	1929
Regulations deemed necessary to prevent interference by amateur stations.	84	Apr. 4, 1930	April.....	1930
Installation of automatic frequency control apparatus must be authorized by Federal Radio Commission.	77	Nov. 8, 1929	November...	1929
Rules and regulations requiring broadcast stations to give absolute priority to distress communications or signals.	66	June 10, 1929	June.....	1929
One-half kilocycle deviation allowed.....	7	Apr. 28, 1927	April.....	1927
Stations required to operate within 50 cycles of assigned frequency.	116	June 22, 1931	June.....	1931
Broadcasting stations permitted to make tests in changing frequency under allocations effective Nov. 11, 1928.	45	Sept. 24, 1928	September..	1928
Procedure to be followed in reply to notifications of violations of radio laws, regulations, and orders.	75	Oct. 30, 1929	November...	1929
Licenses (station and operator):				
Extension of amateur and ship station licenses issued by the Department of Commerce until further orders.	1	Mar. 15, 1927	March.....	1927
Extension of coastal point-to-point, technical and training, and experimental station licenses in force on Feb. 22, 1927, until further orders.	3	Mar. 27, 1927do.....	1927
Extension of broadcasting station licenses issued under Department of Commerce ended; permit must be obtained.	5	Apr. 5, 1927	April.....	1927
Permits for broadcasting stations discontinued; licenses to be issued for 60 days.	11	May 21, 1927	May.....	1927
Permits extended to June 15, 1927, General Order No. 11 amended.	13	May 28, 1927do.....	1927
Extension of broadcasting station licenses.....	21	Dec. 1, 1927	December...	1927
Do.....	23	Feb. 20, 1928	February...	1928
Do.....	25	Mar. 27, 1928	March.....	1928
Land, technical and training, experimental, ship, and amateur station licenses extended under General Orders 1 and 3 terminated.	26do.....do.....	1928

INDEX TO GENERAL ORDERS OF THE FEDERAL RADIO COMMISSION AS PUBLISHED
 IN THE RADIO SERVICE BULLETIN—continued

Subject	No. of general order	Date of—	Date of Radio Service Bulletin	
			Month	Year
Licenses (station and operator)—Continued.				
Extension of broadcasting station licenses.....	18	Oct. 12, 1927	March.....	1928
Do.....	22	Jan. 16, 1928do.....	1928
Do.....	27	Apr. 20, 1928	April.....	1928
Extension of certain broadcasting station licenses (162) until hearings are held on application for renewals.	32	May 25, 1928	May.....	1928
Extension of broadcasting station licenses.....	33do.....do.....	1928
Extension of portable broadcasting station licenses.....	34do.....do.....	1928
Extension of broadcasting station licenses not subject to General Order No. 32.	35	July 25, 1928	July.....	1928
Extension of broadcasting station licenses subject to General Order No. 33.	36	July 26, 1928do.....	1928
Regulations governing hearings on application for con- struction permit, renewal of station license, etc.	37	Aug. 22, 1928	August.....	1928
Extension of broadcasting station licenses not subject to General Order No. 32.	38do.....do.....	1928
Extension of coastal, point-to-point, technical and train- ing, experimental, ship, and amateur station licenses previously extended by General Orders 1, 3, and 26.	39do.....do.....	1928
Extension of broadcasting station licenses until Nov. 11, 1928, except those affected by General Order No. 32.	44	Sept. 8, 1928	September..	1928
Extension of coastal, point-to-point, technical and train- ing, experimental, and ship station licenses until Dec. 31, 1928.	47	Oct. 23, 1928	October.....	1928
Extension of coastal, point-to-point, experimental, and ship station licenses until Jan. 31, 1929.	54	Dec. 22, 1928	December...	1928
Extension of coastal, point-to-point, experimental, and ship station licenses until Mar. 16, 1929.	58	Jan. 28, 1929	January.....	1929
Extension of coastal, point-to-point, and experimental station licenses until June 1, 1929.	60	Mar. 9, 1929	March.....	1929
Extension of broadcasting station licenses until Oct. 31, 1929, and other classes of station licenses and con- struction permits until Oct. 1, 1929.	69	June 20, 1929	June.....	1929
Alaskan station licenses extended.....	72	Sept. 29, 1929	September..	1929
Do.....	73	Oct. 10, 1929	October.....	1929
Alaskan station licenses extended until Jan. 25, 1931.....	83	Jan. 25, 1930	January.....	1930
Regulations governing issuance of license for police sta- tions.	85	Apr. 8, 1930	April.....	1930
Application for renewal must be filed 30 days prior to date of expiration—station must cease operating pro- vided no action is taken upon renewal.	89	Apr. 21, 1930do.....	1930
Operators' and station licenses required to be posted.....	90	May 19, 1930	May.....	1930
Additional data required in application for consent to assignment of construction permit or station license.	95	Sept. 29, 1930	September..	1930
Regulations governing the issuance of "marine relay service" licenses.	100	Nov. 10, 1930	November..	1930
Station licenses extended.....	101	Nov. 14, 1930do.....	1930
Broadcasting station licenses, with exceptions, extended until Apr. 30, 1931.	103	Jan. 30, 1931	January.....	1931
General Order 103 repealed; extension of broadcasting stations.	109	Mar. 26, 1931	April.....	1931
General Order 104 repealed; extension of Alaskan station licenses.	110	Mar. 27, 1931do.....	1931
Application for renewal of a station license must be filed 60 days prior to expiration.	114	May 15, 1931	May.....	1931
Log:				
Marine stations required to keep a log.....	104	Feb. 2, 1931	February...	1931
Broadcasting stations required to keep a program and operating log.	106	Feb. 16, 1931do.....	1931
Amendment to General Order 106.....		Feb. 27, 1931do.....	1931
Marine service:				
Definition of marine relay service.....	100	Nov. 10, 1930	November..	1930
Stations required to keep a log.....	104	Feb. 2, 1931	February...	1931
Mechanical reproduction:				
Nature of, must be announced.....	16	Aug. 9, 1927	August.....	1928
Character must be announced.....	49	Oct. 26, 1928	October.....	1928
Character ordered to be announced, General Order 49 modified.	52	Nov. 26, 1928	November..	1928
No. 52 repealed—character ordered to be announced.....	78	Dec. 5, 1929	December...	1929
Motion pictures: Temporary service.....	74	Oct. 11, 1929	November..	1930
Operators:				
Operators of certain stations required to keep continuous watch at certain stations operating between 550 and 1,000 kilocycles.	66	June 10, 1929	June.....	1929
License required to be posted.....	90	May 19, 1930	May.....	1930
Required to be on duty at transmitter.....	113	May 11, 1931do.....	1931

INDEX TO GENERAL ORDERS OF THE FEDERAL RADIO COMMISSION AS PUBLISHED IN THE RADIO SERVICE BULLETIN—continued

Subject	No. of general order	Date of—	Date of Radio Service Bulletin	
			Month	Year
Police radio stations:				
Regulations governing issuance of construction permit for station (definition, frequencies, power, etc.)	85	Apr. 8, 1930	April.....	1930
Regulations governing issuance of license for station	85	do	do	1930
Portable stations:				
Licenses only issued broadcasting stations for 120 days, 100 watts, 1,470-1,490 kilocycles	6	Apr. 26, 1927	do	1927
Broadcasting stations no longer licensed	30	May 10, 1928	May	1928
Extension of portable broadcasting station licenses	34	May 25, 1928	do	1928
Power:				
Applications for increase between 6 a. m. and 6 p. m. for educational, religious, civic, and market news stations	10	May 18, 1927	do	1927
