# Movie-Radio Guide APPLAUDS: STARS' CONTRIBUTION FOR CHINA RELIEF

NOT ONCE but many times, these stars have used their time and talent to win support for United China Relief. Left to right: Anna May Wong, John Garfield, Lionel Barrymore, Alan Marshall

**Q**UICK to join forces with all defenders of democracy, Hollywood stars have been enthusiastic in their support of the valiant Chinese. They have taken the air over NBC and CBS with elaborate entertainments and eloquent pleas for the United China Relief. Because they have thus done much to awaken Americans to a cause which has too often been forgotten, because they are helping to win for America the devotion of the Chinese people, MOVIE-RADIO GUIDE applauds the film stars.

## The Editors' Note:

MANY of the Movie-Radio Guide covers are chosen by popular demand of the readers. Such is the case this week with pretty and popular Laraine Day, who has endeared herself to thousands in the "Dr. Kildare" pictures. As sweet and sensible as she is lovely, Laraine soon will be starred by her studio. Portrait by Eric Carpenter

**THIS WEEK:** Radio listeners by the hundreds have expressed appreciation for Movie-Radio Guide's increased Short-Wave Listings. As never before, foreign broadcasts have unusual appeal for Americans. The editors of this publication, while suggesting that you pay particular attention to Short Waves on page 33 of this issue, cannot refrain from uttering a warning. Much that there is to hear from Axis and other short-wave stations is pure propaganda. Some of it is cleverly done, but all of it is to be shrewdly judged by American listeners. Strange contradictions are heard on the airwaves these days. Those of us who listen, grateful that democracy makes no threat of prison sentence for listening to foreign broadcasts, must realize that to personally fight propaganda we must know exactly what it is. To help our readers label traitors to democracy for what they are, this publication soon will begin a series of features exposing the methods of such American-speaking and Nazi-thinking individuals as Fred Kaltenbach, Lord Haw Haw and others. Watch for these unusual, thought-provoking articles.

The movie front this week is exciting and our camera-equipped reporter division is right on the job. First we say bon voyage to Dorothy Lamour, who may be honeymooning soon. Then into the spotlight move such popular favorites as Jack Benny, Bette Davis and Gary Cooper. The stories you read about them in this issue will not reach

the pages of other publications for weeks. And that is true of features in every issue of Movie-Radio Guide!

**NEXT WEEK:** Again the speedy deadlines will give you Hollywood and radio news, much of which will appear on these pages before you read similar stories in your daily newspaper. Outstanding of all the photo-features in the next issue, however, is our visit to the "One Man's Family" program. The army of listeners who have long followed this great air show will want to preserve the many interesting behind-the-scenes pictures especially shot by our own photographers exclusively for Movie-Radio Guide.

Next week's cover? It was inspired by one of the most unusual love-scenes in recent movie history, and the subjects are Olivia de Havilland and Charles Boyer who are romantic leads in Paramount's new picture, "Hold Back the Dawn." With the cover goes an interesting "then and now" story which uses the Boyer-De Havilland love-scenes as a jumping-off point for pictures to show how the old movie kisses of the Rudolph Valentino and John Gilbert variety have been cooled off by such divergent influences as the Hays office, 1941 make-up problems, and technical changes in the industry.

There'll also be new, exclusive pictures of Walter Pidgeon, Greer Garson and other stars you're interested in. Don't forget to be with us next week. —The Editors.

of the Week

**HONOLULU HONEYMOON?**

DOROTHY LAMOUR sailed for a Hawaiian vacation on the Matson liner *Lurline* on May 29. Accompanying her was Gregory Bautzer, Hollywood attorney (above), her steady escort for the past year, who almost missed the boat and had Dorothy in tears. Newshawks, scenting the culmination of the romance in marriage, questioned Miss Lamour, who emphatically stated she and Bautzer would "not marry on the islands." However, many movie actresses have been known to change their minds. This left three possibilities open—marriage at sea en route to or returning from Hawaii, or the unlikely chance that they already are secretly wed. These exclusive photographs show Dorothy still wearing Bautzer's solitaire on the wrong hand. Interesting, however, were their adjacent staterooms. Second man (right) in two lower pictures is Jack Huber, Bautzer's associate. Was he to be the best man?

# The Truth About

## Errol Flynn

**S**WASHBUCKLING Errol Flynn, now busy making "Dive Bomber," is about to become a father for the first time and sophisticated Hollywood is keeping its eyes peeled in his direction to see if he will react the same to his new responsibilities as any American father does. Before this reaches print, Flynn may have been presented with his first-born by wife Lili Damita. Few in his circle can conceive of Flynn, an Irish hero, talking baby talk, but wilder men have been tamed by a seven-pound bundle from heaven. Does Flynn, MOVIE-RADIO GUIDE asks, likewise wonder how his child may look? If Errol doesn't, he should, for his father was a biology instructor. So to help Flynn visualize, our artists have drawn three probable facial forms. It is almost safe to predict Flynn's child will have brown eyes and hair (like Lili and Errol), stand five feet nine inches (their average height) and will weigh 145 pounds at voting age. Just you wait and see!

BABY NO. 3

ERROL FLYNN (top picture) is a muscular specimen. Below at right are composite "baby" pictures made from parents at left. Baby No. 1 favors Lili Damita, mother; No. 2 favors both, and No. 3 is "Daddy" Flynn

BETTE DAVIS' evening gown for "The Little Foxes" weighs almost ten pounds. It wasn't the heaviness that bothered her so much as the pads and "build-out" corset that she must wear in picture

**B**ETTE DAVIS is back on the Sam Goldwyn Studios lot, hard at work again on "The Little Foxes." She returned on June 2. Rumors about Miss Davis started on May 13, the day after she collapsed on the set, too ill to carry on.

Bette did NOT have a quarrel with her director. She did NOT stage a "walkout." Bette and her husband are NOT on the verge of breaking up. She is NOT expecting a visit from the stork.

Disregard all rumors. Here is the truth about Bette Davis' collapse.

### Doctor Orders Bette Home

On May 12, Bette, hard at work on the set of "The Little Foxes," became ill—too ill to work—and was taken home on the orders of her personal physician, Dr. Paul H. Moore. On May 13 one syndicated newshawk asked, "Is Bette Davis having a baby?" On May 14 another intimated that Miss Davis had been having trouble with her director, William Wyler, and Sam Goldwyn himself, and had staged a "walkout." On May 15 there was some new version, and by the following week the whisperers were telling it "on good authority" that Bette and her new husband, Arthur Farnsworth, were on the verge of splitting up, hence Bette's illness.

That's Hollywood. Tell it the truth and no one believes it, instead everyone starts digging around for a sinister explanation.

I'm glad I had a chance to check these stories, because it gave me an opportunity to get better acquainted with my good friend Bette and to learn some interesting things about the hard work called for in return for the "easy money" the stars are paid.

I found out first that the lights under which Miss Davis had to work radiated

IN SPITE of the cooling machines employed to give some relief on the stages, sweltering weather aided by heat from klieg lights still made acting uncomfortable on "The Little Foxes" set

REGARDLESS of which way Teresa Wright (Bette Davis' daughter in the picture) turned the thermometer seeking relief from the heat, the mercury still registered 100

What about Hollywood whispers that Bette is expecting

# Bette Davis' Collapse

a neat one hundred degrees of heat despite the air-cooling system employed on the sound-stage. I learned that while Bette's costume wasn't extremely heavy, that in many scenes she had to wear hot, high-laced shoes in keeping with the period of the play, and that in all scenes she had to wear a corset and pads to build her up to a matronly figure and that at noontime and evening those personal articles were as wet as if she had taken a shower in them!

All this was right after a record-breaking heat-wave in southern California and a series of pictures which had kept Bette busy for nearly a year.

Why, even the big, healthy "juicers" (electricians) are stricken by the heat when sunny California turns it on full blast. Last year many of them wore safety straps and ropes tying themselves to their posts on the high parallels so they wouldn't faint and fall.

## Bette No Quitter

No, Bette wasn't a quitter. She was physically and mentally tired and consequently unable to do her work. She was threatened by a physical and possibly a nervous breakdown. That was why, according to the words of Dr. Moore, plus those of Dr. Dorrell G. Dickerson, examining physician for the Lloyd Insurance Company, that Bette was ordered to rest. The newshawks should have known when Lloyds, insurers of the Goldwyn film, agreed that Bette Davis should rest, that the truth was being told, for Lloyds do not want to pay staggering sums to Goldwyn for "losses caused by delay."

But, to pin the rest of the wild ones down, here's the finis: Bette and her husband are supremely happy. Miss Davis and her director, William Wyler, are in perfect accord and he has Bette's picture and the pictures of all the stars that he works with on the walls of his office.  
—C. S.

JUST BEFORE her collapse May 12, Bette (above) wore the priceless antique model evening gown used in the picture. It's black velvet trimmed with jet beads and worn with a black point d'esprit scarf

## SPOTLIGHT ON:

## Gary Cooper

GARY COOPER is the strong, silent type. He doesn't talk, not because he is upstage or snobbish, but more because he is a bashful fellow, more at home in the great out-of-doors than in a drawing-room, and he finds that many words are needlessly spoken. As "Sergeant York" in the forthcoming movie of that title he is able to play a character much like himself—fundamental to the core. Gary was a real Montana cowhand before he made his first western. Then, when he had to do a love-and-kiss scene with Clara Bow in "Children of Divorce" for Frank Lloyd, he high-tailed it home, returning only after Lloyd charged him a quitter by telegraph. Gary has not quit since, but still prefers to go around in old, baggy clothes, shapeless hats, garterless socks and minus his undershirt. However, don't let that fool you, for Gary Cooper is a great actor. His forthcoming picture is "Sergeant York."

GARY COOPER doesn't care too much about dancing (top picture), but likes to keep his wife, Sandra Shaw, happy. Below: Gary as hero "Sergeant York" in the film of America's No. 1 soldier hero of World War I

ODDLY ENOUGH, on the day her health failed, Miss Davis (above) was fanning herself with an antique lace fan, part of her film wardrobe. The only change in her entire costume—

it cannot be seen—was the inch of leather sheared off each of the high-laced boots she wears under her long wool skirt—authentic clothes that women wore in the early 1900's

the stork—that she is feuding with her director?

Movie-Radio Guide  
REPORTS ON:

# JACK BENNY

## On the Set of "Charley's Aunt"

1. JACK BENNY surveys the transformation wrought in his figure as he begins dressing for the title role in "Charley's Aunt"

2. IT TAKES a strong man to lace Jack into the whale-boned, 1890 model corset which gives him a thirty-four waist, an ample bosom and a perspiring midriff. But "Aunty" in this rollicking old farce is really a man—so trousers come next!

3. GLANCING COYLY out of the corner of his eye, Jack notes the effect on photographer of his more feminine panties — replete with three rows of lace

4. AS MAKE-UP WOMAN applies eye-brow pencil and adjusts his sedate curls, the comedian consoles himself, "Crosby wouldn't have to wear a hat in this"

5. "NOT BAD," muses Jack, as he inspects results in mirror. "Whistler would never recognize me in this get-up. I only hope my listeners don't get the wrong idea about me"

6. "AUNTY" BENNY emerges from dressing-room ready for a day's work before camera. Isn't "she" sweet? Fretting in the hot, heavy costume, Jack is even more concerned these days about what capital his hated radio rival Fred Allen is going to make on the air next season after seeing him in 20th Century-Fox' "Charley's Aunt"

### To Feature Desk:

OUT at one of 20th Century-Fox' biggest — and hottest — sound-stages, I found Jack Benny in his dressing-room getting into the costume he must wear as Charley's Aunt in a screen version of the ancient but still highly popular stage comedy, "Charley's Aunt." Already he was fussing about what he had to wear, and he was only in his corset.

"After this," he said, "I have to put on a pair of trousers, some ruffled panties, two petticoats, a black satin gown, a wig, bonnet and a pair of high-laced, high-heeled shoes. Travis Banton is making a glamour girl out of me!"

"This outfit," he explained, "is an exact style replica of what we girls wore in 1893—that was the year Fred Allen first voted. I'd better get that rib in on Fred before he sees me in this reverse Sally Rand getup. I can just imagine some of his below-the-belt cracks when I get back on the air next fall—Whistler's mother with a receding hair-line, Carrie Nation of the Red Network . . ."

"But it's a living!"

As Jack relapsed in pained silence while the wardrobe and make-up people transformed him into Charley's Aunt, I shot pictures in his various stages of dress—or undress.—B. B.

**REPORTS ON:**

# The Girl Who Takes JEAN HARLOW'S Place

To News Desk:

**WHEN** I was assigned to interview Marjorie Woodworth, the girl Hal Roach has tabbed to take Jean Harlow's place—and the girl Harvard undergrads recently used as a target for a soft orange—I thought, "Just another hopeful. I'll bet she doesn't look any more like Harlow than my red-headed granddaughter does."

Then I sat down to luncheon with her (chaperoned by publicity chief Jules Seltzer of the Hal Roach studios, where's she's starring in "Broadway Limited"). I took one look, opened my mouth—and ate my words!

Marjorie is a natural blonde with heliotrope eyes, long lashes and features not exactly like Harlow's, but close enough—and plenty good! Her figure is a little larger, proportionately, but just as trim as was La Belle Jean before her untimely death. Marjorie measures five feet five inches tall (in stocking feet); hips, thirty-four inches; bust, thirty-four; waist, twenty-four; shoe, 5-B; hat, twenty-one and one-half; weight, 117 pounds. I didn't get her phone number, because Seltzer was eavesdropping, and besides, her dad, Clyde Woodworth, is the city attorney of Inglewood, Calif.! That's where Marjorie was born, June 5, 1921, and reared. Funny thing about that June 5 date. It was on her nineteenth birthday last year she was signed by Roach.

#### Margie Starts Harvard Riot

About her trip east on a bid from the president of the Harvard *Lampoon*, she was jubilant—in spite of the orange blitz, which happened when a rival Harvard *Crimson* faction tried unsuccessfully to kidnap Margie from the *Lampoon* executives. "They were just college boys having a little fun," said the honored guest and victim. "I'm a college girl and I understand them." She had two years at the University of Southern California.

#### Is the Athletic Type

Margie's favorite sports are ice-skating, swimming and horseback riding. She eats almost anything, but dotes on prime roast beef rare.

After a year of preliminary training, she's still studying dramatics and voice modulation at Max Reinhardt's school between picture calls. Asked if she had ever been told before Roach discovered her that she resembled Jean Harlow, she said, "Yes, many times in high school and college. But I don't know. I only saw her once—in 'Saratoga,' I believe." That was Harlow's last film. As for Marjorie's future success, she says, "I'm having fun!" and leaves the rest to movie-goers.—E. P.

JEAN HARLOW THE SECOND is what Hal Roach calls twenty-year-old Marjorie Woodworth, whose blond allure and talent will be on display for movie-goers' appraisal soon when she appears as a showgirl, April Tremaine, in the comedy film "Broadway Limited"

JEAN HARLOW THE FIRST was likewise discovered by Hal Roach and boosted to immortal fame by her starring role in Howard Hughes' "Hell's Angels." Will Marjorie Woodworth, whose enticing loveliness is suggestive of Harlow, also attain sensational popularity?

ABOVE is a reproduction of wire which took Margie to Harvard. At right is kind of picture which might have inspired it! At left is the beauty in a shot from her first Hal Roach starring film

 DISCOVERS:

# MAISIE IS A JITTERBUG

MAISIE has been a lady, a prospector, a Congo entertainer, but in her newest picture, "Ringside Maisie," Ann Sothern reveals new talent—jitterbugging. Ann used to dance and sing for Sauberts in days prior to jive and beat-me-daddy. However, she had to practise a lot because a bad jitterbug is worse than none at all. Three weeks before the picture started she sought Roy Lester, who stood out in a jive scene she saw a year ago. When asked how he would like to do a picture with Maisie, Lester thought he was being kidded. Rehearsals began at fifteen minutes a day, increased to three-and-a-half-hour periods. "She suze can dig it," Lester remarked, but spoke too soon. Just before shooting started, the couple "dug" too hard—Ann suffered a sprained back. She recovered and was perfect the first day cameras ground. The second ended differently. As Lester twirled Maisie, she spun across the floor, bumped her head. Out cold for a second, Maisie opened her eyes and inquired, "Why can't I play Noel Coward drawing-room comedies?"

# Today in Hollywood

AT LONG LAST Judy Garland has officially announced her engagement to Dave Rose, talented radio musician-composer. After much opposition from friends and fans, the singing star made the announcement at a party for her friends at her home in Hollywood Sunday, June 15. Several days previous Judy's mother had released the news to reporters. Above: The first engagement picture of Judy and Dave. Right: Here is Judy's engagement ring

## GENERAL

### Joan Crawford Mother of Two

Joan Crawford returned to Hollywood last week with (1) a trunkful of the latest Fifth Avenue styles, and (2) what is most important to her, a second adopted child. The baby, a two-month-old orphan boy, has been named Christopher by Joan and will provide a playmate for her adopted daughter Christina, age two years. Squelching rumors that Miss Crawford intends to give up Hollywood to make New York her home are her plans to build a second nursery in her Brentwood home for Christopher. Miss Crawford was fussed when asked about the adoption, said: "I'm so excited, I don't know what to do or say."

in advance how bad (or good) films are, are hurting the industry! All owners agreed, however that free dishes, double features, bank night and Screeno didn't help matters any. A big party at the Columbia Ranch lot left everyone happy, and big hands were given dancer Ann Miller, master of ceremonies Red Skelton, Mickey Rooney and Bette Davis, who helped entertain.

### Exhibitors Visit Hollywood

Motion-picture theater owners of America descended upon Hollywood a thousand-fold last fortnight to convene and discuss what's wrong with the movie business, and, when not convening, to have fun at the studios. More of the latter than the former was accomplished. At one meeting a handful of twelve delegates was the total present and the industry speaker set to talk refused, left in a huff. Ed Kuykendall was reelected president and joined the immortals by charging that critics, by letting the public know

### Judy Garland Announces

Judy Garland, who turned nineteen June 10, partied friends at her Coldwater Canyon home Sunday, June 15, with Dave Rose as co-host and formally announced her betrothal to the music composer and conductor, who directs the music for Tony Martin's broadcasts and the Don Lee network of the Mutual Broadcasting System. Readers of MOVIE-RADIO GUIDE already have been informed that the engagement was official and that the couple, very much in love and well mated, will in all likelihood wed next winter.

### Linda Graduates; Tests Love

Photogenic young Linda Darnell, 20th Century-Fox star of "Blood and Sand," graduated from high school June 25 but won't stop there. Unlike many young starlets who feel that screen acting itself is a higher education, Linda is planning to continue her studies at U. C. L. A. and major in French and other languages. Meantime, rumor has it that Mickey Rooney and Miss Darnell have tabled their romantic urge for a six-month "love vacation" to test their feelings for one

another. Indicative of the truth of the rumor is Rooney's recent flitting about with Sheila Ryan, Ann Rutherford and other starlets.

### Prescott, Ariz., Seeks Westerns

### Admit Ilona Massey

Ilona Massey, recently wed to Alan Curtis, with whom she will be seen shortly in Korda's "New Wine," has obtained an American immigration quota number and been readmitted into the United States from Mexico at Nogales. Formerly here on a visitor's permit, now Miss Massey will go ahead with her plans to become a naturalized American citizen.

### THE WAR

#### Harmon Rushes Picture

Tommy Harmon will report to Hollywood the first week in July to hurry through his first picture, "Harmon of Michigan," in the hope of completing it before his selectee Army call. Anita Louise, his leading lady, recently attended the senior ball at Ann Arbor as guest of the football star.

### EN ROUTE

#### Stars Vacation

Michael Whalen left Hollywood last week to play a summer season of stock at the Cape May (N. J.) Playhouse. Robert Montgomery is planning to leave town July 1 to spend the warm months on his farm in the East, and Fred MacMurray and his wife are preparing to tour to Canada in a custom-built station-wagon completely fitted for camping.

### HONORS

#### Grable Autographs Bombers

Betty Grable's autograph, at the request of a group of Royal Air Force pilots, now adorns the fuselages of a

number of Hudson (Lockheed) bombers recently shipped from here to England. Hitler's anti-aircraft artillerymen no doubt will immediately turn autograph collectors and try to collect Betty's signatures!

### She's "Favorite Daughter"

Joan Leslie, sixteen-year-old Warner Bros. starlet soon to be seen as the wife of and in "Sergeant York," has been named "Our Favorite Daughter" by a delegation of 175 Gold Star Mothers of America who came to the studio in Burbank to confer the title upon the young actress. Last year the Pasadena Rose Tournament chose Miss Leslie as its "Sun Goddess," after which southern California experienced a record-breaking rainfall!

### De Havilland Degree

Mills College, near San Francisco, was the place Olivia de Havilland selected long ago as her future alma mater. But from right out of high school she was snapped up by the movies. So, breaking a precedent about giving honorary degrees, Mills College, after the faculty had heard of Olivia's thwarted college plans, bestowed upon Miss De Havilland this June an honorary degree as Doctor of Arts.

### LIFE STATISTICS

#### Victor Mature Marries

Martha Stephenson Kemp, widow of Hal Kemp, orchestra-leader, and Victor Mature, star of the stage and screen, were married by New York Supreme Court Justice Ferdinand Pecora June 17, in the bride's Park Avenue apartment. Mature announced a religious ceremony would follow in St. Paul's Catholic church in his home town, Louisville, Ky.

#### Tex Ritter Weds Leading Lady

Tex Ritter, long popular screen cowboy, took time off from movie-making Sunday, June 15, in Prescott, Ariz., and was married at a formal church wedding to Dorothy Faye (Southworth). The bride is his former lead-

Marie ("Cuddles") Wilson is forgetting Nick Grinde by doing the Valley cafes with Bob Oliver. New twosomes include Glenn Ford and Evelyn Ankers, Carol Bruce and Mannie Sacks, Maria Montez and Stephen Crane. Katharine Hepburn is expected to arrive to bon voyage her heart, Garson Kanin, when he joins the Army. Gene Markey and Carole Landis can't stay apart; they dined last week at the Mocambo. Lana Turner and Tony Martin were cooing last at Slapsie Maxie's cafe. And don't think Maureen O'Hara will be heart-free when she gets her divorce; Will Price,

Metro's dialog director, has it. Franchot Tone's new date series is with Lorraine Gettman and Buzz Meredith: before he headed for New York, said good-bye to Carroll show-girl Evelynne Moriarity. Carole Landis and Universal's vice president, Matty Fox, are an item. Ann Miller and NBC talent agent Carol Tornroth are sure it's love. Bill Lundigan at the Seven Seas with Sextetteer Marguerite Chapman. Kathryn Grayson with John Shelton once more at the Beverly Tropics. Frances Farmer and Ricardo Cortez going places. Martha O'Driscoll and Don Castle are still dating heavily. Rosemary Lane and Buddy Westmore appear to have patched it up.

### CONTRACTS

#### Rosalind Russell Holdout

Rosalind Russell left Hollywood for a month's vacation at her home, Waterbury, Conn., without doing anything about her M-G-M contract, which will expire during her absence. She stated before leaving that she planned to free-lance inasmuch as, during her last Metro contract, she made most of her pictures off the home lot, and "I might as well have the profit." Freddie Brisson, her current romantic interest, may be her agent.

#### Baddie Bogart Good Again

Humphrey Bogart, under suspension for five months at Warner Bros. for refusal to accept an assignment, is back on the lot again as star of "The Maltese Falcon." The same studio has taken up options in the contracts of Henry Stephenson (his first starrer is "Shining Victory") and Jack Carson. Anna Lee, pretty British star first used by RKO as leading lady to Ronald Colman in the as yet unreleased "My Life With Caroline" and now busy in "How Green Was My Valley" (20th Century-Fox), has been contracted again by RKO as a lead in "Three Rogues" with Charles Laugh-

DOROTHY LEWIS is the girl with the "million dollar" legs—at least that value is set by Republic for protection in a requested Lloyd's of London insurance policy. Dorothy has the lead in "Ice-Capades"

Rita Hayworth, whose star is shining bright since she is making "You'll Never Get Rich" with Fred Astaire, will be the leading lady—a fan dancer—in "Eadie Was a Lady" at Columbia.

Linda Darnell's work in "Blood and Sand" has won her the top role in 20th Century-Fox' "Swamp Water," based on Verne Bell's novel.

Flagg and Quirt (Vic McLaglen and Edmund Lowe) are to be tough screen characters again in three RKO service pictures, "The Marines Are Ready," and an Army and a Navy story.

Ida Lupino is set as a hard-boiled girl again in Warners' "The Hard Way."

Jane Wyatt has been reshuffled into the lead with Dennis O'Keefe in "Week-End for Three" at RKO.

Bing Crosby, after "Birth of the Blues," will make "Holiday Inn" with Fred Astaire for Paramount, and then "Happy Go Lucky," a tropical musical. Same studio has cast Fred MacMurray as star of the colored "Forest Rangers."

tract—with special billing won—in that studio's "Ice-Capades."

Charles Farrell, inactive since "Tailspin," made in 1939, has been set for "The Deadly Game" at Monogram.

That studio, Monogram, also has asked "Liz" Whitney to co-star with Tom Keene in his next western.

Charles Arnt is playing the comedy lead in "Marry the Boss' Daughter" at 20th Century-Fox.

### Important Assignments

M-G-M has cast Joan Crawford, Greer Garson, Robert Taylor and Herbert Marshall to play, in a remake of "When Ladies Meet," the respective parts formerly played by Ann Harding, Myrna Loy, Robert Montgomery and Frank Morgan.

# Movie-Radio Guide CRITICS' REPORT

## MOVIE VIEWS by Carl A. Schroeder

Dear Public:

WE ARE in receipt of a letter from a Miss Donna Greene in New York who complains bitterly that she's tired of going breathlessly into a picture house for entertainment only to find that she has been duped. Says she: "If I stay home and listen to the radio I am at least assured that I need not sit through any program I don't like. Once inside a movie theater, however, I cannot avoid an outraged sense of being short-changed when the powerfully advertised movie I have come to see turns out to be the same old eye-wash."

It's pretty hard to know just what to say to Miss Greene. MOVIE-RADIO GUIDE's critics make every attempt to tell the value of a picture, taking into consideration the fact that nine out of ten movie-goers have different tastes. At the very moment Miss Greene wrote her letter the motion-picture exhibitors of this country were having a convention in Hollywood. Said one important member: "Movie critics have no right to lambaste movies. Would newspapers say, 'Don't buy such-and-such a car this year because it has a bad paint job?' Of course not. Then why pick on movies?"

This is a logical viewpoint, yet this column and Miss Greene can point out that it is at the same time highly illogical. If the first model of a car to come off the assembly lines was perfect, the next one just fair, the third horrible and the fourth good, and this situation went on year in and year out, newspapers would soon say what they thought of that brand of car in no uncertain terms. You cannot compare movies with cars. Nor can you ask a movie-goer to be happy with anything he sees unless he knows in advance what he is paying his money for and approximately its value.

For this reason, MOVIE-RADIO GUIDE does not intend to drop any part of its critical service to readers, but rather to enlarge this service as weeks go by.

While this column goes to movies week in and week out, generally enjoying most of them, there seems to be a great war cooking up because the public as a whole isn't patronizing pictures as much as in previous years. Everybody wants to know the reason, but nobody seems able to find out. A Mr. Harry Brandt, president of the Independent Theater Owners Association, says this: "... The present crop of big brains doesn't know what the public wants ... BUT ... they had better start getting smart because double features are giving audiences movie indigestion, etc., etc."

Now, you readers of this column are the public. Why not write and tell us what you think of double features or anything else you have on your mind? Address MOVIE-RADIO GUIDE Critics' Report, 9059 Sunset Blvd., Hollywood.

### COMING ATTRACTION

WATCH FOR THIS ONE! Ginger Rogers' pictures are always worth anticipating and "Tom, Dick and Harry" is no exception to the rule. Above: Burgess Meredith and Ginger show what to expect in the way of "wacky" comedy

## Reviews

### "Man Hunt"

Cast: Walter Pidgeon, Joan Bennett, George Sanders, John Carradine, Roddy McDowall, et al. A 20th Century-Fox picture; produced by Kenneth Macgowan and directed by Fritz Lang. Screen play by Dudley Nichols based on the novel, "Rogue Male," by Geoffrey Household.

THIS thrilling story about an English big-game hunter who almost takes a pot-shot at Herr Hitler lasts one hour and forty-five minutes but is so action-packed and full of life-and-death suspense that time speeds by.

Walter Pidgeon is the titled Englishman who likes to stalk big game, even the biggest game in the world, and in this part Pidgeon proves that he is one of the best actors in Hollywood. George Sanders plays the head of the Gestapo who tortures Pidgeon. Joan Bennett has the feminine lead.

VERDICT: Isolationist and interventionist will agree that this presents one remedy for the dictator problem. Boys and girls, men and women who like their cowboy and detective thrillers will stamp "Man Hunt" with approval. —E. P.

### "Moon Over Miami"

Cast: Betty Grable, Don Ameche, Robert Cummings, Charlotte Greenwood, Jack Haley, Carole Landis, Cobina Wright, Jr., Robert Conway, et al. A 20th Century-Fox picture; produced by Harry Joe Brown and directed by Walter Lang. Screen play by Vincent Lawrence and others too numerous to mention.

SCHEDULE this one for an evening of no particular consequence. Not to say that this isn't a pretty fine musical—"Moon Over Miami" is simply a film to amuse you when you are not bent on serious things.

It is exceedingly well performed, with Betty Grable as the Texas Cinderella who sets out to capture a millionaire husband. Accompanying her are Carole Landis and Charlotte Greenwood. The picture's gayest moments come from the performances of Don Ameche and Robert Cummings.

VERDICT: Don't spot this as a typical musical comedy offering despite the suggestion that the plot is weak. Betty Grable, the music, dancing and Technicolor make it an outstanding entertainment event. —C. S.

### STAR OF THE WEEK

WALTER PIDGEON: Little publicized, he is an actor who lives outside of the spotlight of publicity yet brings more enjoyment through his fine acting to movie-goers than many stars. His selection as "Star of the Week" is a sincere choice of Movie-Radio Guide critics, who feel his acting in "Man Hunt" is of Academy Award caliber

Classical Music

A guide for listeners who love great music

ANDRE KOSTELANETZ is conductor of "The Pause That Refreshes" orchestra, heard Sundays over CBS

MUSIC NOTES: Dean Dixon, twenty-six-year-old New York Negro, will again guest conduct on the NBC Summer Symphony this Saturday evening. Dixon has chosen orchestral works by Von Weber, Haydn, Bach, and a contemporary American, Dello-Jioso. Regarding the latter: He is a fellow student of Dixon's at the Juilliard School of Music.

In honor of Independence Day, the Telephone Hour this week presents a program of "All-American" music. Included among the numbers selected will be two Stephen Foster songs, "America the Beautiful," and Christie's "Oath of Allegiance." Clifford Herzer and Jascha Zayde, two young American pianists, will be guests on the CBS Symphony program Saturday.

## RADIO VIEWS by Martin Lewis

THERE seems to be at the present time a definite trend in radio toward half-hour adaptations of comic strips as air serials. Now that "Blondie" and "Reg'lar Fellers" are unquestionably a success, you may be sure that other adaptations of newspaper features will follow.

Of course, this does not mean that radio has suddenly become aware of the newspaper comics. On the contrary, many comics have in the past been aired, principally as quarter-hour serials. "Little Orphan Annie," "Jungle Jim," "Terry and the Pirates," "Don Winslow," "Buck Rogers," "Gasoline Alley," "Lil Abner" and "Dick Tracy" are just a few of the many comic strips which have been adapted for radio's use. These sketches, however, were broadcast primarily for the entertainment of the kiddies. Most of them had a great deal of "blood and thunder," an ingredient which was frowned upon by a good many fathers and mothers.

While the radio version of "Reg'lar Fellers" is, like the newspaper feature, all about kids, it has been treated in such a manner that it appeals to the entire family. Because this sort of treatment enables the program to reach a larger audience, you may be sure that other adaptations of comic strips will strive toward the same end.

A comic strip which should have wide appeal is that of "Major Hoople." George McManus' great creation, "Bringing Up Father," is another feature which is currently getting auditions by various interested sponsors.

This tendency toward programs with a comic strip background does not mean, however, that this is the only

trend in radio. In fact, two trends at least are apparent. The first is the one which we have just discussed. The other is the move toward presenting dramatic shows with a mass family appeal.

Just what is meant by mass family appeal? It is this: With the exception of "One Man's Family," "The Parker Family," "The Aldrich Family" and a few others, most of the dramatic shows have been aimed mainly at entertaining the adult listener. Now there is a desire on the part of radio producers to air shows which will not only intrigue the older members of the family but the younger ones as well. "Claudia" is an example of this new trend. It is a story of the problems which beset a young married couple. Naturally this sort of story is definitely of interest to young high-school boys and girls who are begin-

HENRY ALDRICH (played by Ezra Stone, soon to be drafted) promises to use utmost caution with Fourth of July fireworks

ning to realize the extent which romance plays in our daily lives.

The summer replacement for the Bob Hope show is a mother-father-daughter idea which has a family appeal.

What with these new trends shaping up, it looks to the writer as if the listener will gain a respite from the numerous quiz shows which heretofore have clogged the air-waves with their questions and answers. Whether these moves are for the better or worse is yet to be seen. But one thing is evident, radio is certainly not standing still.

### GENERAL

#### Ministers Protest

WASHINGTON, D. C.—Ministers of a dozen different denominations have sent a petition to the FCC protesting

that body's action in demanding that NBC dispose of one of its two networks. Contention was that the action, if put into effect, "would greatly curtail the opportunity for . . . religious broadcasting . . . and would jeopardize cultural, educational, musical and religious broadcasting in general."

#### ASCAP Tune "Available"

NEW YORK.—Despite the fact that CBS and NBC have not settled with ASCAP yet, listeners may hear at least one ASCAP tune on those networks as well as elsewhere. At the insistence of Secretary of the Treasury Morgenthau, ASCAP has released for performance "by anyone, at any time, at any place, without charge" the song "Any Bonds Today," which was specially written by Irving Berlin to aid the U. S. Defense Bond drive.

#### Networks Off Air for Test

NEW YORK.—Both NBC's Blue and Red networks were silent to the public for the first time in fifteen years recently when Army and Navy officials ran a test over the telephone lines, hooking together the 225 stations comprising the networks. The test was to show how the lines could be used in case of national emergency.

### PHILANTHROPY

#### Prof. Kyser Helps Students

CHAPEL HILL, N. C.—Kay Kyser, bandleader, screwball, regular fellow, and "professor" of NBC's "College of Musical Knowledge," has founded two scholarships at his alma mater, the University of North Carolina. The scholarships—one in dramatic arts, the other in music—are available to any high-school or college student in America with the necessary entrance qualifications and they become effective with the coming fall term.

#### Cantor Aids Kids

NEW YORK.—Eddie Cantor, who

DR. HARRY HAGEN, of "True or False," and children—Bonnie, Billie, Buzzie, Jon, Patsy—arrive in New York from Florida home

hasn't forgotten his early life in New York's Lower East Side slums, is determined to see that a lot of underprivileged youngsters are allowed the advantages and enjoyment of a summer camp. He contributed heavily to the fund which each year sends more than three thousand kids to a camp in upper New York state.

## PERSONAL

### Snooks in Love?

HOLLYWOOD.—Some friends of Fanny Brice (Baby Snooks) insist that she is seriously and romantically inclined toward John Conte, singing emcee of "Coffee Time," on which the comedienne appears. Others ridicule the idea and point out that Conte is much younger than Fanny. But enigmatically says twice-before-wed Miss Brice: "Three was always my lucky number."

### Announcer Burglarized

CHICAGO.—While Franklyn McCormack, accompanied by his wife, was in New York during a recent week-end to announce the Wayne King show, on tour, burglars "jimmied" the front door of his North Side apartment, took jewelry, several new cameras and \$2,500. The cameras were insured, but the jewelry wasn't.

### Comedians Buy Pug

HOLLYWOOD.—Bud Abbott and Lou Costello, radio comics who have become screen phenomena of late, are now venturing into the fight ring—as managers. They bought the contract of Ritchie Fontaine, lightweight contender. Then they discovered, oddly, that Fontaine was the French orphan youngster adopted by an old friend of theirs at the conclusion of World War I. Fontaine has won over Henry Armstrong and Jackie Wilson so far.

### Stars Help Rudy Celebrate

HOLLYWOOD.—Dozens of radio stars turned out last week to help Rudy Vallee observe the first birthday of the Pirate's Den, the night-club he opened and in which he sold interests to Bob Hope, Tony Martin, Jimmie Fidler, Ken Murray and Bing Crosby. Rudy officiated at a two-hour floor show which jammed the place.

### She'll Be a Big Girl

HOLLYWOOD.—Ella Sutton, new singer on Gene Autry's "Melody Ranch," is only seventeen, but already she weighs two hundred pounds. Ella has quit eating avocados "for fear of getting heavy!"

## SIDELIGHTS

### Wilbur Saves Wilbur

ARCADIA, CALIF.—Wilbur Chaffee was very ill, apparently dying. His mother, of Arcadia, Calif., phoned Harlan Ware, who also lives in Arcadia, and told him how devoted her eleven-year-old son was to "The Bartons," NBC serial which Ware writes. She asked the writer if he'd visit the boy. He did more. Immediately a character named Wilbur Chaffee (played by Chuck Grant) appeared in "The Bartons" sketch, and was promptly made a member of Bud Barton's Prospect Street Association. The real Wilbur improved noticeably, now is back in school, grateful for the boost to his recovery and proud of his membership in the Prospect Street Association.

### Bing Dines, Discovers

HOLLYWOOD.—Whenever Bing Cros-

by eats out—which isn't often—he usually comes up with a new singing discovery. That's the way he found Pat Friday. A few weeks ago he dined with his wife at Cafe Lamaze—and he heard Jimmy O'Brien sing there. Bing promptly drafted Jimmy for his June 19 "Music Hall" broadcast.

### Durward Moves Forward

CHICAGO.—This June has been an auspicious month for Durward Kirby in both personal and public relations. He became the husband of radio writer-announcer Mary Paxton. And he became the brother comedian of Garry Moore as the new Friday-Saturday emcee of "Club Matinee." With Ransom Sherman moving on to bigger things as head of the new summer replacement show for Fibber McGee, versatile Kirby has also moved along as Sherman's announcer-stooge on the new program.

### Charlie, Mortimer Locked Up!

HOLLYWOOD.—Edgar Bergen drove from Hollywood NBC studios to the airport at Burbank, Calif., to take a night plane to Chicago. His secretary, Mary Hanrahan, went along to drive the car back home, but she discovered, after Bergen had left, that he had gone off with the car keys. It wouldn't have been so bad, but valuable Charlie McCarthy and Mortimer Snerd were in the automobile. Miss Hanrahan left the car and its occupants with guards at the near-by Lockheed aircraft plant while she went in quest of duplicate keys. Thus Bergen added absent-mindedness to his qualifications for a Master of Arts degree, which he was on the way to receive from Northwestern University, his alma mater.

### He Balanced It!

NEW YORK.—When a CBS official expressed concern over the thought that Norman Corwin was spending too much money for talent on his "26 by Corwin" series, the writer-producer put his tongue in his cheek and knocked out a skit entitled "Soliloquy to Balance the Budget." It was a one-actor show with sound effects!

## SHORTS

Louise Fitch is now playing the part of Carol Evans in "Road of Life" . . . Dorothy Kilgallen, columnist and conductor of the CBS program "Voice of Broadway," and her husband, actor Richard Kollmar (heard in "Claudia"), are expecting an addition to the family . . . Dinah Shore's latest honor found her queen of the National Air Carnival in Birmingham, Ala. . . . Betty Olson, of the Escorts and Betty quartet, is engaged to Don Hemstreet, Chicago watch salesman . . . Actor Donald Gallagher did his final air performance as the villain in the "Wings on Watch" serial before departing for a selective service camp June 2 . . . Waters, originator of "Court of Missing Heirs," is publishing a book containing stories of eighty missing heirs and listing estates of several thousand.

JOE HOWARD, seventy-four-year-old singing master of ceremonies of CBS' Monday night "Gay Nineties Revue," guides his ten-year-old son, Joe, Jr., as the pair harmonize one of the more than five hundred songs written by the venerable performer in his long career. Joe, Jr., likes the time spent with his dad at the piano in the Howard home at Baldwin, L.

FRANCES LANGFORD and Dick Powell are together again! The pair of singers who commanded a huge and devoted following when they starred on "Hollywood Hotel" a few years ago are teamed again in "Southern Cruise," a CBS musical series, designed to pay tuneful tribute to Latin America. You can hear the premiere of new Langford-Powell show Friday

WHEN DENNIS DAY, Jack Benny's tenor star whose real name is Eugene Denis McNulty, arrived in New York for a personal appearance, the McNultys were at La Guardia Field to welcome him. Look for a romantic twosome on the cover of next week's MOVIE-RADIO GUIDE. It's Charles Boyer and Olivia de Havilland as they appear in Paramount's new top-budget picture, "Hold Back the Dawn," and it was shot by Eugene Robert Richee. # "AMERICA ASKS, GERMANY ANSWERS"

Cable Stunt Aids Fifth Column      Commercial Television Debuts July 1      Manila Defense Station Takes Air

**T**HE program, "America Asks, Germany Answers," is broadcast to North America nightly at 5:15 p.m. PST over Berlin stations DJB (15.20) and DJD (11.77). It consists almost wholly of a dialog between two fictitious characters, Democ and Nazi. The discussion takes the form of answers to cablegrams supposedly sent in to the German short-wave station by American listeners. Nazi, of course, takes the Hitler side of the argument while Democ tries to plead the cause of his "American friends." Democ is a rough, hearty and rather simple-minded fellow whose arguments in behalf of the democratic cause naturally lose to Nazi, a half humorous, half cynical, Hitler-minded propa-

or denunciatory in tone—for example, one listener expressed a desire to hear a word-by-word description of Hitler's funeral—a certain percentage came from listeners who were mildly or even strongly sympathetic with the Nazi cause. Quite likely, the names and addresses of these pro-Nazis were promptly garnered by the secret police, who in turn passed them along to the American Nazi organization for investigation so that eventually the fifth column in this country will receive additional recruits.

Questions asked (supposedly at least) by American listeners and discussed over the air on "America Asks, Germany Answers" range from the ridiculous to fairly intelligent queries. For example, Democ said the other evening, "Here we have a cable from Harry Hoffman of Brooklyn. He asks, 'How do you like your diet of horse meat and dog meat in Berlin these days?'" To which Nazi answered, "My dear Hoffman: We like our diet just fine. It's excellent. In fact, it's good. Since we can no longer get giraffe tails or nightingale tongues, we must now be content with veal cutlets, lamb chops or T-bone steaks"; then, to finish off Mr. Hoffman once and for all, he added, "I suppose you also believe German tanks are made of paper." Democ picks up another cable. "This one," he says, "is from Mr. Fletcher of New York, who wants to know what plans Germany has for hemispheric expansion in the western hemisphere." Without batting an eye, Nazi says, "Germany has NO plans whatsoever against any part of South, Central or North America. Our campaign is directed solely against England. Watch for July 1, which will bring a new phase of the war." Another American cables, "Congratulations to Hitler on being the biggest heel in the world." Here Nazi becomes almost paternal, pitying the childishness of the listener and suggesting that he be soundly spanked with the broad side of a bayonet for being such a rude boy. Now we come to the last radiogram for tonight. It

comes from Mr. Lehe of New York, who says, "Neither England nor Germany but America will win the war." This one evidently rings the gong, for Nazi now forgets his fake humor and bitterly replies, "This is England's war, not yours. It's absolutely none of your business and America should keep its nose out of affairs that do not concern it in the least." And so with a couple of fanfares on a trumpet, a couple of toots on a peanut whistle and a few bars from a Nazi marching tune, "America Asks, Germany Answers" winds up for another night.

The moral: Be amused (if this type of tripe amuses you); laugh if you wish, but do not be misled by the propaganda pills that this program projects into the United States under the seemingly harmless guise of answering cables from American listeners.

#### Manila Defense Station Takes Air

The first government-owned station under the American flag, short-wave station KZND (8.79), power 1,000 watts, went on the air in Manila, Philippines, on May 26, according to James Halsema of Baguio, P. I. This station, operated by the committee on publicity of the Department of National Defense for acquainting the people of the Philippines with the details of civil defense and for giving orders in case of emergency, broadcasts test programs daily from 3:30 to 4:30 a.m. PST.

#### General Notes

DJB (15.20), Berlin, is now carrying the programs of the North American service daily from 1:50 to 8:00 p.m. PST. . . . On July 1 commercial television makes its official debut. Watch for full details on the significance of this milestone in radio progress in an early issue of MOVIE-RADIO GUIDE. . . . English broadcasts to North America are now being made daily over Moscow station RV96 (15.18) from 7:00 to 7:40 a.m., from 4:00 to 5:00 and from 6:30 to 7:00 p.m. PST.

gandist who continually pokes fun at the feeble arguments put up by his supposedly American antagonist.

This program, "America Asks, Germany Answers," now about four months old, was originated primarily to purportedly answer queries cabled in by some 4,500 American listeners during the week of February 14-21; at this time the German short-wave station solicited collect cables (limited to twenty-five words) from the United States listening-audience. Listeners could ask questions, make comments or even make abusive remarks about the German programs in particular and about the Nazi regime in general. Although this offer cost the German Ministry of Information some \$10,000 (in American dollars), it was about the cheapest imaginable form of advertising for the station, since the whole proposition was widely publicized in the American press and thousands of listeners who were only dimly aware of even the existence of a German short-wave station found themselves listening to it nightly, at first to see if their cables would be answered over the air, subsequently because, once the habit of listening to a certain program is formed, it is not easily discarded. Thus by a clever artifice the German short-wave station gained thousands of new listeners not only to the comparatively innocent program, "America Asks, Germany Answers," but to the more deadly blasts from Goebbels' master propagandists in their nightly bombardments on the democratic way of life.

The free cable stunt also served a more treacherous purpose, for, while the majority of cables were derisive

# "Hello, Mummy! Hello, Daddy!"

SAILOR GEOFFREY COWTAN, above, prepares with announcer Ben Grauer's aid to blow his bos'n's whistle over NBC mike, with mummy and daddy across the ocean in a London studio on the receiving end of this two-way broadcast between English parents and children in U. S. Left: Pat and Bunty Garred

MOST REFUGEE CHILDREN in the U. S. are given good care, plenty of affection, but nothing quite fills the gap. The Whittakers—Neville, 7, Rona, 9, Allen, 5—at least have each other

NONSENSICAL CHATS about report cards, tooth-brushes, toys, fill the precious moments, but they're tremendously important moments to Dennis Collins, John Fenn, Doreen Davenport

ON MOTHER'S DAY, Ann, Monica and Rosalind Wilkinson were among twenty children who got their chance to say, "Hello, Mummy"—words for mothers to remember in long months ahead

FEW broadcasts have caused more tear-filled eyes and choked-up throats than those halting, awkward conversations between British refugee children in the United States and their parents at home in England. (Listen this Sunday, 1 p.m. EDT, NBC.) And if listeners who have come away from the radio with tears in their eyes could enter the NBC studio in New York, where a little band of children like those shown here, who haven't seen home in many months, lean eagerly toward a microphone, with earphones clamped over their heads, they would feel more deeply still.

Yet, they would also understand that for these children and their parents the brief meeting is not tragedy and pathos; for them it is a wonderful bit of magic which brings them together. As announcer Ben Grauer shepherds his flock one by one to the mike in New York, an announcer is in BBC's London studio with a group of parents. Let Fred Bate, NBC's representative in London, describe them. "They are invited to dinner together before the program. Factory worker, industrialist, farmer—all sit down together. At first there is stiffness and embarrassment. Class distinctions are sharp in England, you know. Then, shyly, they begin talking. By broadcast time, they are united by a warm bond, eager to hear the voices of their loved ones." Thus nearly two hundred children and two hundred parents overseas have trooped to the microphone for one magic moment together. Some of the conversations are light-hearted queries and answers about toys, playmates and report cards. Beneath the surface, always, there is an undercurrent of longing and homesickness—and bravery—which leaves everybody with a lump in his throat. Here are examples of conversations.

Son: Daddy, you might send my bat over, because there is a cricket club in New York and I am going to have a knock at the net sometime.

Father: My dear boy, of course, I will send your bat over as soon as I jolly-well can.

Mother: Are you a good girl?

Daughter: I don't know; I try to be.

Mother: Darling, you have an American accent!

Daughter: I haven't.

Mother: Margaret, do you still sleep with seventeen combs in your hair?

Margaret: No, I've had a permanent. And Mummy, you are terrible in saying that; everybody will know now. I kept it a secret.

# RADIO'S NEWS EVENT OF THE WEEK

Here's why premiere of the "Penthouse Party" broadcast came to a sudden end

ILKA CHASE wore a woolen scarf about her neck (above and inset) to premiere of her CBS "Penthouse Party" June 6—and thereby hangs a tale. Having a bad sore throat, Miss Chase had radio actress Agnes Moorehead read her lines at rehearsal. When she did them herself on the air, timing went wrong and guest Judith Anderson (left, above) was cut off air. At left: Miss Moorehead ready to take over in case Ilka's voice fails

**P**UZZLING and highly unusual in these days of precision radio production was the abrupt ending of Ilka Chase's "Penthouse Party" premiere on CBS June 6, when guest star Judith Anderson was cut off in the middle of a Jean Cocteau monolog by announcer Bert Parks. These exclusive MOVIE-RADIO GUIDE pictures show what happened. Ilka Chase, suffering from a sore throat, had given her lines to Agnes Moorehead at dress rehearsal, but in the evening took over herself (with Miss Moorehead standing by), and because her throat ailment forced her to read more slowly, the producer's timing was off. Consequently, when Miss Anderson got into her monolog, last feature on the show, time was running short. A top-flight stage actress, unaccustomed to broadcasting, Miss Anderson was not aware of the crisis. Actually, she ran over twenty-five seconds, delaying a major address by Wendell Willkie. Jesting good-naturedly, Miss Anderson said afterward. "I guess I'll have to come back some night and finish it."

## The REHEARSAL

CAMPUS PLAYERS rehearse their skit for "A Thousand and One Dormitory Nights." Left to right: Maurice Cliffer, Bill Everson, Loretta Poynton, Eddie Firestone, Willard Farnum, and (standing) Hugh Rowlands. "Dormitory Nights" skits, suggested by listeners for a fifty-dollar prize, are a weekly feature on the show

## The SHOW

BOYS AND GIRLS take a bow. Prexy Tom Wallace is at the mike. Standing at left are Franklyn MacCormack, announcer; Virginia Verrill, campus belle; Marlin Hurt ("Beulah"); and, behind them, scripter Fred Kress. At right are the Campus Players and in background are Bob Strong and his College Humor Orchestra

"COLLEGE HUMOR" is radio's newest variety show, and it exudes more of the old rah-rah spirit than is seen on most U. S. campuses in the year 1941. Taking the air Tuesday nights at 10:30 p.m. EDT from NBC's Merchandise Mart studios in Chicago (originally from the Chicago Woman's Club Theater), "College Humor" plays to a large studio audience, unusual in that it is composed predominantly of young people and college students.

### Plenty of Atmosphere

In the studio one is impressed with the elaborate fixings which contribute to a collegiate atmosphere. White sweaters emblazoned with huge red R's (for Raleigh cigarettes, the sponsor) are worn by songstress Virginia Verrill and Bob Strong's bandmen. Other cast members, wearing slacks and jackets, tap their feet and wave their arms in time with the music.

Pennants of leading universities festoon the stage. Cheers and rah-rahs from the audience are encouraged.

The show itself is a phantasmagoria of all the traditional hi-jinks which purportedly and really transpire on a college campus. This is Bob Strong's long suit. In two years he has made his orchestra one of the favorites among mid-western college folk, is right at home on the scene because he plays popular music as young people like it played. During the broadcast the orchestra plays a tune voted "hit of the week" on a college campus. A weekly feature, the "bit of the week" is selected by students at a different college each week.

### Tom Wallace Is Prexy

No college boy, Tom Wallace, known to listeners as Uncle Walter of "Uncle Walter's Dog House," is an easy-going, happy prexy and master of ceremonies

for "College Humor." Coming on the stage before broadcast time, he and announcer Franklyn MacCormack "warm up" the audience with gags and introductions. Ginny Verrill, campus belle in white sweater, plaid skirt and flat-heeled shoes, is presented, as is Prof. Marlin Hurt with his alter egos, "Beulah" and "Bill." Mr. Hurt gives visitors a look at his "Beulah" expression (as Beulah he's a colored maid) and a sample of his vocal gymnastics. Franklyn MacCormack kids with the audience and Linn Borden, dead-pan comic, brings down the house.

By broadcast time the audience is keyed up to interpolating the smartly paced show with cheers and yells, but not too boisterous to annoy listeners.

Most uproarious dramatic feature of the varsity show is "A Thousand and One Dormitory Nights," a comedy skit of college life in which a half-dozen young players cavort in typical col-

legiate style. Playing the lead role of a not-too-bright rah-rah boy, Eddie Firestone makes a hit with spectators.

### \$50 for a "Dormitory Night"

The "Dormitory Nights" skits are developed from incidents which might have happened on any campus—today or fifty years ago—submitted by listeners. A prize of fifty dollars is awarded to listeners whose suggestions are used.

A novel feature of this "College Humor" broadcast is its companion show, a five-minute affair, coming at the end of the half-hour and starring Linn Borden in "Private Linn Borden Reports." For this reporter, the varsity hi-jinks, parlayed with Linn Borden's humor and pathos, make this one of radio's most unusual half-hours.—J. C.

NEXT WEEK:  
"One Man's Family" At Home

# "College Humor"

TOM WALLACE, the "Grin Reaper," graduates here from that canine retreat, "Uncle Walter's Dog House," to the ivied halls of "College Humor." As prexy of ceremonies, he steers this new corny-comic-collegiate broadcast

"YO SHO IS A UGLY SCUD-DER," says this gentleman, who is both "Beulah" and "Bill"—and himself (Marlin Hurt), besides. A big, well-built fellow, Marlin is known as one of the "Tom, Dick and Harry" trio, a real-life clown

"IT'S A DATE TONIGHT, BOYS," sings Virginia Verrill, who is the sweet little co-ed of "College Humor." Actually, Ginny has been the expert and popular songstress of many radio shows, "Show Boat," "Uncle Walter's Dog House," etc.

MAESTRO BOB STRONG composed "College Humor's" theme, each week plays a tune voted "hit of the week" by a particular college. Bob's orchestra is two years old, but already is one of the most popular for college dates

FRANKLYN MacCORMACK finds a new medium as the "Joe College" announcer of radio's varsity show. "Mac" does poetical commercials for Wayne King, punch plugs for "Jack Armstrong," and now, slick talk on "College Humor"

LINN BORDEN, the "Na" man, tops twenty-five minutes of "College Humor" with a five-minute sequel, "Private Linn Borden Reports," his unique monolog of a rookie's tragi-comic experiences in one of America's draft camps

**ARTHUR MILLER**

Pinch-hitting for vacationing  
Maurice Granger

**RAY NOBLE** (l.) meets Kay Kyser, Ginny Simms at Catalina airport. Kay and band came to dance to Noble's music at Catalina Casino

**TOM SLATER** is Mutual's man-with-the-mike at Fort Dix, New Jersey. In his quest of material for his Sunday broadcasts from camp, he learned that among the selectees are former members of popular bands. Energetic and resourceful, Slater rounded up some of these fellows and now Fort Dix has a swing band of which it may be proud, for the musicians were anxious to "band together." Slater has presented the group on some of his programs and, from the professional view, their music is comparable to that of any number of bands earning high wages. Herbie Fields is leader and vocalist. He was associated with Raymond Scott. George Johnson, Sid Macy, Jimmy Marrielli, Lou Counahan and Don Matteson form the brass bracket. They were with Hal Kemp, Paul Whiteman, Otto Cesana's Symphonic Swing Band, and Jimmy Dorsey's bands, respectively. Gary Morton, ex-bandleader at the Pierre, Savoy-Plaza and other swank spots, is at the piano. Johnny Farrell beats the bass viol—far from the Manhattan nighteries, where he is well known. Don Rigney drums, as he did for Al Kavelin, and Marco Rosalaz, one-time orchestra-leader, is guitarist. For a treat, tune in "This Is Fort Dix" on MBS. You might hear them—if they came through the recent war games all right.

**Sammy Kaye Likes "Daddy"**

Most people have to hear "Daddy" a couple of times before they like it. This wasn't so in the case of Sammy Kaye, who is riding the crest of a hit with his band's recording of the selection. Kaye first heard the song, which was written by Bob Troup of the University of Pennsylvania, when it was played by a small band at the Embassy Club in Philadelphia. He sought the composer and, soon after meeting the lad, purchased the song. Sammy was really treading on Fred Waring's territory when he made this deal with the U. of Penn composer, for that's Fred's alma mater. Of course Waring

doesn't have any exclusive arrangement to publish songs by U. of Penn men, but he has made many such songs popular. Sammy Kaye's treatment of "Daddy" could hardly be beat, but, if it is possible to do a better job, Waring is one of the few who could be counted on, for "Daddy" couldn't hope for better treatment than by Waring and his Glee Club.

The boys in uniform of our military and naval forces are the toast of New York and probably all other American cities and towns. In New York, uniformed soldiers and sailors are numerous, yet they are permitted to take their "dates" to the Dance Carnival at Madison Square Garden free of charge. This gesture was announced a few days after CBS announced it would supply broadcast tickets to uniformed men. Other places of entertainment in New York are considering similar moves.

**Bandata**

Eddy Duchin and his band should be in Rio de Janeiro by this time, playing at the fashionable Copacabana Casino... Uncle Sam's men may soon

be visited by Phil Spitalny's girls, who would like to do a swing of the camps... Tallest man in the band business, Tris Hauer, all six feet five inches of him, replaces Phil Rommell as Charlie Spivak's trumpeter. Phil now spends all his time arranging and composing for the band. He already has two hits to his credit, "What's Cookin'" and "Sit Down, Bud!"

**Purely Personal**

It's a boy for Marion Hutton, ex-Glenn Miller songstress. And Benay Venuta announces hers is a girl... On the gloomier side of the ledger, make a note that the split between Maxine Sullivan and John Kirby becomes final sometime in August... Sammy Kaye is proud of a thoroughbred owned by Mrs. Payne Whitney called Swing 'n' Sway... Similar names, incidentally, are causing some confusion in Hollywood, where Rudy Vallee's secretary has the same name as Kay Kyser's singer—Ginny Simms... Joan Brooks, whose Four Belles are on NBC with Jimmy Lytell's band, is back at work after spending a month's vacation with her folks in Oklahoma.

**Songstuff**

Bobby Day and Paul Martell, band-leaders both, have combined talents to turn out a novelty piece, "The Dog With the Cute Buck Teeth"... Jimmy Dorsey's recording of "Amapola" has been sold to the tune of 540,000 disks... Doug Watt, New York radio editor, and Bernie Green, ace press-agent, heard their tune, "I Was an April Fool," introduced over the networks by Frankie Masters... We're just passing the word: Will Bradley is seeking a jive tune. He's got the title. It's "Fry Me, Oscar, But Not at the Waldorf!"... Irving Berlin honored Barry Wood by letting him make recordings of the two latest Berlin songs, "Any Bonds Today" and "Arms for the Love of America." The songsmith took the records and a portable phonograph to the White House circuit.

**RECORD MENDED**

**DECCA:** Jimmy Dorsey's "All Alone and Lonely"; Mills Brothers' "I, Yi, Yi, Yi Amigo."

**VICTOR:** Artie Shaw's "What Is There to Say?"; Leo Reisman's "Poor Butterfly." **ON THE BLUEBIRD LABEL:** Dinah Shore's "Where You Are." **ON THE OKEH LABEL:** Frankie Masters' "The Hut Sut Song"; Gene Krupa's "Green Eyes." **ON THE COLUMBIA LABEL:** Eddy Duchin's "Throwing Pebbles in the Millstream."

## Bulls & Boners

Bulls and boners are a part of broadcasting. No matter how experienced the performer or how famous the star, chances are that he will make an occasional slip or a statement with twisted meaning which is extremely funny. See how good your ears are. Try to catch broadcasters in some error—the funnier the better—and send your entry to MOVIE-RADIO GUIDE, 731 Plymouth Court, Chicago. The most humorous entries will be printed in this column. Watch for your contribution!

Joan Misses Bud

Dear Sirs:

A few weeks ago we moved from Wilmette, Ill., to Detroit, Mich. I'm only thirteen and naturally I miss my friends and school terribly. One thought alone comforted me, and that was that "The Bartons" might come through here. I was awfully disappointed when I found it did not. Now I'm not the only one in our family who liked it, but my sister, mother and father liked it also. We all thought it was an A-1 program, and I'm sure a lot of Detroit people would be faithful listeners to it, if they had a chance.

Joan B., Detroit, Mich.

There isn't much chance of hearing "The Bartons" in Detroit, unless WENR, Chicago, can be tuned in, or unless something is done by officials to make it available to listeners in that area. Joan's plea seems to be typical of the intense devotion of the many followers of the doings of "The Bartons."—The Editors.

Medical Melodrama—O. K.

Dear Sirs:

In regard to the letter about "Medical Melodrama," it's true there are a number of programs like that on the air. But, on the other hand, if one is sick and hears about some one else's aches and pains, they soon forget their own.

Betty Mellon, Charlotte, N. C.

Tribute to Lou

Dear Sirs:

I'm sure not only baseball fans, but everyone who admires good sportsmanship and clean living will join me in giving radio a mental pat on the back for the many stirring tributes to Lou Gehrig heard over the air since his universally mourned death.

# Surprise Party for Hedda Hopper

WHEN nearly one hundred friends pushed their way into the CBS studio where Hedda Hopper was broadcasting June 2, it was a surprise party unprecedented in the annals of this very old but very nice custom. Hedda hadn't quite finished her movie-gossip program and she stared open-mouthed in amazement as John Barrymore slipped into the chair opposite hers to announce over the air that Miss Hopper's friends were on hand to help celebrate her birthday. Immediately after the broadcast closed, the crowd adjourned to Brittingham's restaurant private dining-room across the street and there partook of a huge, orange birthday cake, orange punch and other refreshments, provided by Hedda's sponsor. Present at the party were Kay Kyser, Ginny Simms, Mar Grey, Jerry Colonna, Penny Singleton, Charlotte Greenwood, Gene Tierney and husband, Count Cassini, Donald Woods, Chester Lauck, Norris Goff, many other celebrity friends.

↑ 'WHY JOHN BARRYMORE, what are you doing here?' exclaims Hedda Hopper, as he walks up to her during closing moments of broadcast. Proof that it was a genuine surprise party is Hedda's flabbergasted look on seeing John
