OLDIES... WHERE DO YOU FIND THEM AND...

WHAT CONDITION ARE THEY IN WHEN YOU DO LOCATE THEM?

For over two decades, Drake-Chenault has been synonymous with quality, service and results. Now, in addition to winning formats, exciting special features, "hands on" consulting and perceptual research, Drake-Chenault offers **GOLDMINE**.

GOLDMINE - is a resource of songs to complete or supplement your playlist. Many of these songs are difficult or impossible to find in their original condition. We've recorded the songs in the enclosed catalogue and removed every "tick", "pop", and "scratch". Your oldies will be the best quality available...anywhere.

GOLDMINE - is perfect for those stations considering a format change. You are assured of our confidentiality.

GOLDMINE - is only \$10 per song. For a complete station library, quantity discounts are available. The minimum order is 25 songs.

GOLDMINE - is available for all formats.

ADDITIONAL PROVISIONS

1. Station agrees that it will use the material supplied to it by Company for broadcast use only and only on the radio station named herein. Station specifically agrees that it will not allow the use of any material furnished by Company on any other radio station or for any use except for broadcast on its radio station. Station agrees that all material furnished hereunder shall be and remain the sole and exclusive property of Company and that the material is leased to Station only for the purposes set forth herein. Station agrees that it will not allow any person to duplicate or copy in any manner or by any means any material or any portion of any material supplied to Station by lease copies of all material furnished hereunder to others, including, but not by way of limitation, other radio stations in Station's city of license. Station acknowledges that it is the custom and practice of the broadcast industry to preserve the quality of programming material by dubbing it to audio tape; by its orders to Company, Station is authorizing Company as Station's agent to provide the material ordered by Station in the form attached.
2. (a) Station shall promptly inspect all material furnished to it by Company. All such material shall be considered of suitable quality and accepted in all respects; unless within ten (10) days of receipt, Station notifies Company in writing specifying the defects. Upon receipt of timely notice, Company will replace any material of unsuitable quality.

(b) Station agrees that upon the termination of this Agreement it will return all material furnished hereunder to Company. Station shall pay all shipping costs.

(c) Station shall immediately advise Company of any loss, theft, destruction or damage to any material and, upon request, Station will furnish Company with an affidavit setting forth the circumstances of such loss, theft, destruction or damage. Any replacement will be at Company's then current rate, but Company is under no obligation to replace any such material.
3. Station agrees to pay all sales, use or other taxes arising from the furnishing of the material under this Agreement. Station acknowledges and agrees that this Agreement is not a broadcast or performing rights license, and that the performing rights in the material are licensed through a performing rights society, and that the Station shall, prior to broadcast of any such material subject to this Agreement, obtain, at Station's cost, the performing rights to this material from the appropriate performing rights society.
4. Company may assign this Agreement, in whole or in part, but Station's rights shall not be affected by any such assignment. Station shall not assign this Agreement, in whole or in part, without Company's prior written consent. This Agreement shall be binding upon Station, its successors or any entity purchasing or leasing Station's or its obligations hereunder.
5. Station agrees that all materials furnished hereunder are unique and valuable properties of Company, and that any unauthorized use or any failure by Station to return all such materials to Company promptly upon the expiration or other termination of this Agreement as provided herein, would do Company irreparable harm and injury and would work pecuniary damage upon Company in amounts difficult to predict or ascertain. Station therefore agrees that if any such unauthorized use or failure by Station to return all said materials shall occur, and shall continue for 10 days for any reason, Station shall pay to Company, as liquidated damages and not as penalty, \$100.00 for each day of unauthorized use or for each day used after termination and for each subsequent day that Station fails to return such materials to Company. Station acknowledges that it would be impracticable or extremely difficult to fix the actual damage to Company and Station agrees that above is a reasonable sum. Company shall in addition be entitled to immediate injunctive relief to compel the return to it of the said materials and/or halt any unauthorized use of the material and reasonable attorney's fees, costs and expenses in connection therewith.
6. Events of default of Station under this Agreement are (a) failure to pay any sum due whatsoever on its due date, time being of the essence with regard to such payments; (b) failure to perform or observe any term or provision of this Agreement; (c) material furnished hereunder (d) becoming insolvent or making any assignment for the benefit of creditors or applying for or consenting to the appointment of a receiver, trustee, conservator, or liquidator or the filing of a petition by or against Company under the Bankruptcy Act or any other insolvency law; or (e) Company's license is cancelled or not renewed by the FCC. In the event of default by Station, Company shall have the option to seek any of its remedies, including without limitation (i) any remedy available at law or in equity; (ii) injunctive relief, where applicable; (iii) termination of this Agreement; (iv) collection of all sums due hereunder plus interest at the highest lawful rate; (v) collection of actual damage, where ascertainable; (vi) collection of liquidated damages where actual damages are not capable of ascertainment; (vii) collection of attorney's fees and all costs and expenses. All of such remedies are cumulative and may be exercised concurrently or separately, and the exercise of any one remedy shall not be deemed to be an election of such remedy or to preclude the exercise of any other remedy. Company's failure or delay in exercising any remedy shall not operate as a waiver thereof; nor shall any single or partial exercise of any other remedy; nor shall any waiver of any breach or default by Company be deemed a waiver of any subsequent breach or default. Notwithstanding anything in this Agreement to the contrary, failure to pay any installment when due, shall at the option of Company, mature all other amounts due from Station under this Agreement or any other agreement between Station and Company which shall at once become due and payable without notice or demand. All past due sums shall bear interest at the highest rate permitted by applicable law. Station agrees to pay all expenses Company may incur in connection with the enforcement of any of its remedies under this Agreement including all costs, legal expenses and attorney's fees.
7. If Company shall be delayed or prevented from the performance of any act required hereunder for any reason, such act shall be excused for the period of the delay and the term hereof shall be extended for a period equivalent to the period of such delay.
8. Station agrees that all actions or proceedings arising directly or indirectly from this Agreement shall be litigated only in courts having situs within the State of California. Station hereby consents to the exclusive venue and jurisdiction of any local, state or federal court located within the State of California and waives personal service of any and all process arising out of or connected with this Agreement or its breach. Station agrees that any process or related document may be served by mail, first class, postage prepaid, directed to Station at the address hereinabove stated; and service so made shall be deemed complete four days after the same shall have been posted as aforesaid.
9. Station warrants and represents that it has the right and power to enter into this Agreement and that it holds a valid broadcast license from the Federal Communications Commission ("FCC") for the radio station or stations listed in this Agreement. Station and the person signing this Agreement each warrant that the person signing this Agreement on behalf of the Station has the express authority to enter into this Agreement and to bind the Station in accordance with the terms hereof.
10. If any clause, paragraph or portion of this Agreement, or the application thereof, shall for any reason be adjudged to be invalid by a court of competent jurisdiction, then the remainder of this Agreement shall survive and be interpreted without such specific clause, sentence paragraph or portion.
