

Television Digest and FM Reports

May 11, 1946

RADIO NEWS BUREAU • TV-FM BUILDING • 1519 CONNECTICUT AVENUE N. W. • WASHINGTON 6, D. C. • TELEPHONE MICHIGAN 2020

USE YOUR WEEKLY REPORTS

File your weekly TELEVISION DIGEST & FM REPORTS for permanent and easy reference. We have had these Separation Index Sheets printed for your convenience. Properly filed and kept up to date in your binders, you will find the supplements and reports answer many routine questions and provide a convenient form for your everyday use.

The following arrangement of these Separation Index Sheets and our weekly reports will bring your file up to date:

SUPPLEMENTS PERTAINING TO TV

Index Tabs	Supplement No.	Subject
TV DIRECTORY	18	Part I Commercial Television License and CP Holders.
		Part II Experimental Television Stations.
		Part III Applicants for New Television Stations with Table Showing Allocation of Television Channels to Metropolitan Districts in the U. S.
TV RULES—TEXT	17	Text of Rules Governing Television.
	19	Television Allocation Plan (table).
TV ENGINEERING STANDARDS	23	Complete Text of Standards of Good Engineering Practice Concerning TV Broadcast Stations.

SUPPLEMENTS PERTAINING TO FM
