FREE FOUR WEEK TRIAL

Television Digest

... the Cable Industry's Most Authoritative Source
 for News, Trends & Developments.

Every week, Television Digest brings you via first class mail the hard facts on events, activities, issues and people in the world of cable & pay television. Facts that are presented precisely and concisely with professional insight and skill that come with 35 years of editorial expertise.

In 20 minutes reading time you are able to spot and follow trends and changes as rapidly as they occur—or even before they occur—in cable & pay TV, television, consumer electronics and associated fields.

Each week you get fresh news on Federal policies and regulations, financial and business developments, key court decisions. You'll know what's happening on Capitol Hill and at the FCC, what's new in cable franchises and applications, how equipment manufacturers, program suppliers and system operators are innovating and affecting the cable television community and its future.

Television Digest takes you behind the scenes, beneath the surface and gives you the real meaning of the news in simple, easy-to-read, crisp newsletter style.

You will enjoy — and benefit from — reading Television Digest every week. It will keep you alert and cut hours off your regular reading, giving you more time to evaluate, plan and act.

FREE: A complimentary 4-week subscription to Television Digest is yours for the asking. Have your secretary call collect — 202 — 872-9200 and we'll take it from there. Or write:
