Television Digest®

with
consumer
electronics®

The authoritative service for broadcasting, consumer electronics & allied fields

Index to Television Digest, 1980

Volume 20, Numbers 1 through 52

References are grouped into two major categories: **General**, by topic (pages 1-22), and by **Companies**, alphabetically (pages 22-28). Index covers items of major interest. Reference numbers following each item designate issue and page of Newsletter in which item appeared.

General

Acquisitions, see Mergers & acquisitions; company names
