In the index entries that follow, references in normal type (1925BM) refer to *Music Year-by-Year, 1900-1950* (Volume I of this encyclopedia). The small capitals refer to the subsection of the year cited: BM—BROADWAY MUSICALS, MM—MOVIE MUSICALS, PS—POPULAR SONGS, RR—REPRESENTATIVE RECORDINGS.

A single larger **A** identifies the entry as an Academy Award winner or nominee (see *Appendix C*, Volume IV).

Sans-serif numbers (**692**) refer to *Biographies* (Volumes II and III). Numbers from **1** through **1047** appear in Volume II; numbers from **1048-2006** appear in Volume III.

Duplicate references in this index have been consolidated. The user of the index should bear in mind that any reference (such as 1945RR or **609**, for example) can be assumed to contain one *or more* mentions of the indexed item.

INDEX

Popular Songs

In the index entries that follow, references in normal type (1925BM) refer to *Music Year-by-Year, 1900-1950* (Volume I of this encyclopedia). The small capitals refer to the subsection of the year cited: BM—BROADWAY MUSICALS, MM—MOVIE MUSICALS, PS—POPULAR SONGS, RR—REPRESENTATIVE RECORDINGS.

A single larger **A** identifies the entry as an Academy Award winner or nominee (see *Appendix C*, Volume IV).

Sans-serif numbers (**692**) refer to *Biographies* (Volumes II and III). Numbers from **1** through **1047** appear in Volume II; numbers from **1048-2006** appear in Volume III.

Duplicate references in this index have been consolidated. The user of the index should bear in mind that any reference (such as 1945RR or **609**, for example) can be assumed to contain one *or more* mentions of the indexed item.

Variations will be found in titles for the same songs. The data sources are many and varied—phonograph records, record catalogs, record sales lists, discographies, magazines, etc.—and neither producers, collectors, nor musicians have necessarily striven for complete accuracy or consistency.

Additionally, duplication of titles will be found. This generally indicates a second (or further) *distinct* song of the same title. Where such duplications appear, to the extent possible they are listed chronologically.
