1973 - 2000

In 1973 Raymond "Cousin Ray" Woolfenden, Sr. made a down payment on a station located in Quantico, Virginia, WQVA 1530 AM, a 250 watt radio station. Cousin Ray served as the station manager until the Federal Communications Commission (FCC) on June 1 approved the sale. The station was located at 504 Broadway Avenue, at the corner of Broadway and Potomac Streets. Before purchasing WQVA, Cousin Ray worked across the Eastern United States at different radio stations.

In 1946 Cousin Ray started a one hour Jamboree on WADC, Akron, Ohio, and later it became a four hour program. He also worked for or managed the following stations: South Hill, Virginia on WJWS; then WXRA, Woodbridge, Virginia where he established the first FM all-country radio station; Raeford, North Carolina, WSHB; St. Pauls, North Carolina, WBYB; Fayetteville, North Carolina, WQSM; Fuquay Varian, North Carolina, WAKS; Water Valley, Mississippi, WVLY; Quantico, Virginia, WQVA.

Cousin Ray wanted to change the call letters for the station to WPWC, which stands for "Wonderful Prince William County", "We're Picking With Country", We're Proud We're Country", We're People With Country". The FCC approved these call letters on August, 1974. As the station grew, the signal also needed to be increased. An application for reassignment to a 1,000-watt AM band from 1530 to 1480 was made to the FCC in 1976. Approval was received in 1986, ten years later. WPWC originally broadcast from sunrise to sunset. The new approval would allow them to broadcast around the clock. The morning show started at 5 a.m. and the station closed its broadcast day at 11 p.m.

Cousin Ray was the morning man on WPWC, booming on the air waves at 5:00 a.m. with "Waldo the Rooster", the "Ole Country Store", the National Anthem and the following sayings:

- Good Morning - WPWC 1480 AM in Dumfries, Triangle, Quantico, Virginia starts another day of broadcasting service.
- Welcome once again to the Ole Country Store
- My it's a beautiful, beautiful day, you're still a-living so everything is a-okay.
- Thanks heaps for letting me visit in your home, workshop and automobile and I will do my best to see that it is a beautiful one.
- Life is beautiful, time is precious, snatch, seize and enjoy every moment of it.
- Wake up saying "Good morning Lord", we thank you for this beautiful day.
- Start your day with a song, even if things go wrong, it will make you look better, it will make you feel better. I have got a song just for you. The program is designed with you in mind and dedicated to you.
- Come on along, sing, whistle, hum, dance, let's have a good time, if you can't do that, then smile, and you will make everyone happy along lifes pathway today.
- Your life will be fuller and happier too.
- If you've got to be blue, be a bright, bright blue won't you.
- Don't worry about nothin, as nothin is going to turn out right nohow, and if you need a friend call on me. From my home to yours, may you ride an easy walking horse, sleep neath a rain tight roof, live high on the hog all the days of your life.
- Life is but a fleeting moment, wherever you are, whatever you are doing today, be yourself and enjoy. Thank the Lord for giving you this beautiful day.
- We are so proud to have you with us on the big W.

Visit a Radio Station

Have you ever seen the inside of a radio station? Ever wondered how a station operates? Well, now is an excellent time to find out. According to the program director for WPWC Radio Station of Dumfries, organized tours of the station are available Monday thru Friday at the WPWC broadcast plant. Groups of five or more are encouraged to make an appointment to see a local radio station in action. Tours include such trimmings as the station recording studios, offices, and satellite news delivery system. "A description of our operation by the tour guide as the tour travels through the station is provided on this guided tour," according to Mr. Woolfenden.

Any group wishing to set up an appointment for a tour should call (703) 221-1124, Monday through Friday, between 8:30 a.m. and 5:00 p.m.

In the early days of WQVA, there was an Easter egg hunt at Prince William Forest Park, a fund raising benefit was held for the American Heart Fund and Santa parachuted into the Marumsco Plaza Shopping Center every Christmas. Sandy Sanderson and his daughter Cindy portrayed Mr. and Mrs. Santa Claus for many years at various shopping centers and parades.

The station moved in September, 1979 to 214 S. Main Street, Dumfries, Virginia. At the time of the move, WPWC was still at 1530 AM. 1480 started at 500 watts and later went to 1kw.

WPWC also sponsored local bands in other country music contests such as the Dodge Wrangler Contest, which Southern Winds won first place in 1985. The Santmeyer Family was a finalist in the East Coast Country Music Champions.

The True Value/Jimmy Dean Sausage Country Showdown Contest - Local contests were held for individual country singers, duos and bands to perform at the local level, for a chance to go on to the state contest. Once winning at the state level, then on to the regional competition in Wheeling West Virginia and if winning there, on to the national finals in Nashville, Tennessee. Heavy Country was one of the bands to go on to the national finals in Tennessee.

WPWC had a motor home and float in numerous Christmas parades, including Manassas, Dumfries, Quantico, Fredericksburg, and Dale City. On the floats or in cars, would be Tiny Miss WPWC, Little Miss WPWC and other beauty contestants. WPWC participated in the Manassas Fun Day 1981 with a country music show, candy kitchen, moon walk, panda and other characters. Plus some of the July 4th parades in Dale City and Washington, D.C. Cousin Ray also served as master of ceremonies for the annual National Independence Day Festival in Washington, D.C. many times.

WPWC only missed broadcasting live at the Prince William County Fair one year. The WPWC motor home was a fixture on the fair grounds for 26 years. Cousin Ray also hooked groups at the fair grounds such as The Lewis Family, Laurie and Bill Sky of the Sky Family. Cousin Ray also held an annual WPWC Radio Gospel Show on Thursday night in the barn on the fair grounds. A quote by Cousin Ray from *The Community Voice* 1999, "I know we will bring a blessing to you in song."

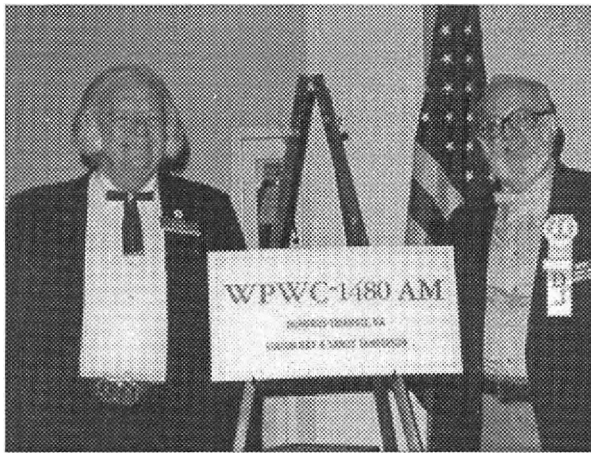

As for remotes, there were the county fairs, mainly Prince William, but sometimes Fredericksburg; Dumfries Discount Furniture; nearly every shopping center in eastern Prince William, and Weems-Botts Day. Cousin Ray represented WPWC every year at the State Fair in Richmond, Virginia on a day set aside for the press.

WPWC sponsored many country music shows in the area. In July 1984 Del Reeves and the Goodtime Charlies; The Stoneman Family; Joe Sacra and the Country Raiders and the Bull Run Cloggers were at Davis Ford Park for the park's grand opening.

WPWC and American Legion Post #28 sponsored a Grand Ole Opry Show featuring Bill Carlisle, James Monroe & The Midnight Ramblers and Jimmy Deloizer & The Sensations.

*The lights are dim,
the mike lies silent,
the bass fiddle is still,
propped in a corner with love,
the cracker barrel is empty,
lonely it is for no one sits on it now,
no more do we hear the sounds of music,
no more do the fiddles and steel guitars play,
Waldo the rooster is silent,
his crowing no more we hear,
the cart machines and turntables are resting now,
for their master is gone, to come back nevermore,
we long to hear them, just one more time,
but now there is only the sound of tears gently
falling to the ground,
out we walk from the dark and lonely studio,
to the front door of the building we go,
searching for that old station van,
you know which one I mean,
but his old chariot is no longer there,
for Cousin Ray has left the building,
gone home to be with our Lord*

Dear Ray:

Thank you for your letter of February 23, inviting me to join you for your show to be held on June 11.

While I appreciate your thinking of me, unfortunately it will not be possible for me to join you as I have a number of conflicting commitments at that time.

Hope all is well with you, and I send along my very best wishes.

Most sincerely,

Dear Cousin Ray:

Just a quick note to make sure you have received our newest venture, "*High Lonesome Love*" by Nancy Moore on Prime Cuts of Bluegrass, Volume 38. First airplay report has it looking great!

When we first met Nancy down in Florida we were so impressed with her voice we wrote an entire CD full of songs especially for her and then we were so impressed with the way she sang them we pulled in some of Nashville's finest pickers to play on the session: Ronnie McCoury, Mike Bub, Rob Ickes, Bobby All, Tom T. Hall, Charlie McCoy, Scot Vestal, Robert Bowlin, then Terry Eldredge and Denise All on harmony. Tell the truth they sounded so good we even fed them! (Mike Bub twice!!)

The full CD "*Local Flowers*" is due for release on Pinecastle at the end of May. We hope you like it as much as we do and will help put it in gear with "*High Lonesome Love*"!

Please do keep us posted!

Our best,

Dixie
