

# Finding out about microcomputers used to be heavy reading

Now...the computer magazine you can understand.

We're booting out the jargon to give you facts that make sense.

It's all in Micro Update, at your newsagents from January 14.

Micro Update will be your one-stop guide to the micro scene — whether you're a home user or if you run your own business.

Every month we'll tell you what's best and what's best to avoid among the flood of micro products.

And our feature articles will be packed with information you can use. Our news pages will keep you up-to-date and our buyers' guides will be concise.

Micro Update has invented a new computer language. It's called English.

Just 75p will buy you our translation. Micro Update...the micro magazine that makes sense.

At your newsagents from January 14.
