## RAPID RESULTS MORSE COURSE offers the most effective route yet to your Class A amateur licence

Professionally produced for HAM RADIO TODAY by Shirley Hesketh G4HES and Ron Ray G3NCL, this advanced interactive learning system makes use of the stereo cassette format to provide tuition to the 12wpm test standard

With its carefully designed structure, we think that the RAPID RESULTS MORSE COURSE is more effective than either morse classes or electronic morse generators

Based on TWO C-60 cassettes, it offers the controlled prompting so necessary for the initial stages of morse tuition, followed by carefully paced test material to bring the student up to speed. Full tuition notes are provided with the cassettes

To receive your RAPID RESULTS MORSE COURSE simply send a cheque or P/O for £11.45 (inclusive of VAT and P&P) payable to Argus Specialist Publications Ltd, 145 Charing Cross Road, London WC2 0EE. Mark the envelope 'HRT MORSE COURSE'.
