SPECIAL FEATURE:

Speech processing.
Increase your effective
TX output power by
more than ten times!
We bring you the complete
guide to the theory and
practice of punching up your
talk power

SPECIAL PROJECT:

**A self build design for a high
performance processor**
Complete kit of parts
available

OPERATING:

**DX aerials for the low
frequency bands by Sant
Kharbanda G2PU. The
definitive article**

TESTING:

**Yaesu's blockbuster FT-980
all band, allmode HF
transceiver. A fine machine
but is it worth £1215?**
