**UPDATE YOUR 2m  
PORTABLE/MULTIMODE!**

**Mutek SNLA  
145sb preamp**

**Reviewed and  
fitted to the  
FT290R**

**Semi break-in  
keyer for easy CW**

**Most modern HF transceivers have it as  
standard – most 2m multimodes don't!**

**Base station PSU**

**Operates the rig plus a small PA and  
recharges the nicads!**

**PSU**

**PLUS**

● **Jambo Kenya –  
a radio safari**

● **Reflections on LF DX  
antennas – with a few  
unusual designs, by  
Malcolm Healey, G3TNO**
