Miniaturising quad elements for HF

Belcom LS20/XE 2m hand-held reviewed

Polarisation changer to build — horizontal and
vertical polarisation from a single Yagi

WRITE FOR HAM RADIO TODAY!

We are always looking for new contributors to the magazine and we pay a competitive page rate. If you have built a project or you have some experience that you would like to pass on, or if you have a particular point of view that you would like to get across to others, drop us a line and describe what it is you'd like to write about. We'll get back to you to tell you if we're interested and to tell you all the boring details. Don't forget to tell us your address and telephone number (preferably a day-time telephone number too).

Note that as of the 20th December 1983, we shall be moving the magazine QTH to No.1 Golden Square, London W1R 3AB, tel: phone 01-437 0626.

TALK TO THE WHOLE WORLD

Study now for the RADIO AMATEUR'S EXAMINATION

We have had 40 years successful experience
in training men and women for the
G.P.O. Transmitting licence.
